G.1 Indemnification

Contractor shall defend, indemnify and hold County, its officers, employees and agents harmless from and against any and all liability, loss, expense (including reasonable attorney's fees) or claims for injury or damages arising out of the performance of this Contract, but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or results from the negligent or intentional acts or omissions of Contractor, its officers or employees.

County shall defend, indemnify and hold Contractor its officers, employees and agents harmless from and against any and all liability, loss, expense (including reasonable attorney's fees) or claims for injury or damages arising out of the performance of this Contract, but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or results from the negligent or intentional acts or omissions of County, its officers, agents or employees.

If the Parties are determined to be comparatively at fault for any claim, action, loss, or damage which results from their respective obligations under this Agreement, each Party shall indemnify the others to the extent of its comparative fault as determined in a legal action.

G.2 Insurance

County and Contractor are authorized self-insured public entities for purposes of Professional Liability, General Liability, Automobile Liability, Workers' Compensation and Property coverage and warrants that through their respective programs of self-insurance, they have adequate coverage or resources to protect against liabilities arising out the performance of the terms, conditions or obligations of this Contract. Both parties shall immediately furnish certificates of insurance to the other party evidencing a certificate of participation in an approved self-insurance program prior to the effective date of this Contract, unless more frequently requested by either party.

Contractor volunteers are considered "agents" of the Contractor, and therefore are covered for their negligent acts or omissions by Contractor's general liability self-insurance program while acting in the course and scope of their volunteerism for Contractor. Contractor also therefore agrees to assume liability for the actions or negligence of these volunteer "agents" as set forth in paragraph G.1 above, when they are acting in the course and scope of their volunteerism for Contractor.

H. RIGHT TO MONITOR AND AUDIT

- H.1** The County, State and Federal government shall have absolute right to review and audit all records, books, papers, documents, corporate minutes, and other items pertinent to Contractor's delivery of the services described in this Contract as requested, and shall have absolute right to monitor the performance of Contractor in the delivery of Services provided under this Contract. Contractor shall give full cooperation, in any auditing or monitoring conducted. Contractor shall cooperate with the County in the implementation, monitoring, and evaluation of this Contract and comply with any and all reporting requirements established by the County.

H.2 All records pertaining to Services delivered and all fiscal, statistical and management books and records shall be available for examination and audit by County representatives for a period of three years after final payment under this Contract or until all pending County, State and Federal audits are completed, whichever is later.

I. CORRECTION OF PERFORMANCE DEFICIENCIES

I.1 Failure by Contractor to comply with any of the provisions, covenants, requirements or conditions of this Contract shall be a material breach of this Contract.

I.2 In the event of a non-cured breach, County may, at its sole discretion and in addition to any other remedies available at law, in equity, or otherwise specified in this Contract:

- a. Afford Contractor thereafter thirty (30) days within which to cure the breach; and/or

- e. If such breach is not cured within thirty (30) days pursuant to Item "a" of this paragraph; terminate this Contract effective thirty (30) days following notice of such termination and be relieved of the payment of any consideration to Contractor following the termination effective date. In the event of such termination, the County may proceed with the work in any manner deemed proper by the County.
