Briefly describe the general nature of the contract:

In accordance with Master Agreement No. 08-5954F15 approval of Program Supplement Agreement No. F132 is required prior to County invoicing Caltrans for reimbursement of costs associated with the emergency opening and restoration of Needles Highway. The restoration work was completed as a result of the July 2018 storms in the Needles area. The County's Department of Public Works shall receive \$22,651.10 of federal Emergency Relief program funds to reimburse the cost of the Project's restoration work (\$25,255). Once additional federal funds are available the remaining restoration costs, \$2,603.90, will be reimbursed.

The program supplement sets out special covenants as a condition for the local agency to receive federal-aid through the State for a designated project. The program supplement also identifies the type of funds available for reimbursement.
