SECTION 12. Effective July 1, 202~~4~~³, Section 16.0207A of the San Bernardino County Code is amended, to read:

16.0207A Booking or Other Processing Services.

A criminal justice administrative fee for booking or other processing in the maximum amount of \$102.42 is imposed. The fee is imposed upon a city, special district, school district, community college district, college, or university for each person arrested by an employee of that entity and brought to a County detention facility or jail for booking or detention. For purposes of this subsection, an "employee" shall include any person making an arrest on behalf of an agency enumerated above, including those arrests made on behalf of an agency contracting for law enforcement services with the County. The criminal justice administrative fee shall apply to any arrest attributable to an above-specified entity where an arrestee is brought to a County detention facility or jail for booking or detention.

The criminal justice administrative fee shall only apply to original or "fresh" arrests, and shall not apply to holds placed, commitments, warrants, remands, bail bond surrenders, enroutes (temporary holds placed by agencies transporting prisoners), temporary detention at a court facility where the arrestee has been previously booked at a County detention facility, orders of production, orders of return, rollups (inmates returning from work release), or escapees from county, state or federal detention or corrections facilities. The criminal justice administrative fee shall not be charged when multiple law enforcement agencies participate in a particular arrest and one of the agencies is the San Bernardino County Sheriff's Department not acting on behalf of a contract law enforcement city, or when a formal task force, as defined by Government Code section 29550(b)(8), has made the arrest, or where an arrest is made during any riot, disturbance, or event that is subject to a declaration of state of emergency by the Governor, or where such fee is otherwise prohibited by law.

The criminal justice administrative fee shall apply to all applicable booking or other processing services rendered on or after July 1, 1990. The County shall prepare

1 and send invoices to each city, special district, school district, community college
2 district, college, or university, and said invoices shall include the name of each
3 arrestee for which an agency is billed and the date(s) the services were provided. An
4 invoice shall be due and payable 30 days after the date of the invoice. Delinquent
5 fees may be reimbursed through offset, provided such offset is not prohibited by law.

This fee is charged on solid waste brought to a facility at which the Comprehensive Disposal Site Diversion Program has been implemented, unless such solid waste is: waste from a franchised or permitted waste hauler (or from a city, if the city collects its citizens' waste) and is brought in a front-, rear-, or side-loading refuse vehicle (i.e., packer truck); or waste brought from a Materials Recovery Facility or where collection or processing includes a recycling component and the waste contains only an incidental amount of inseparable recyclable materials; or waste generated by a commercial enterprise that has been reviewed and determined by the ~~County of~~ San Bernardino County Department of Public Works–Solid Waste Management Division to be sufficiently source separated as to not contain more than an incidental amount of inseparable recyclable materials.)

(C) For loads in excess of one ton, the per ton charge shall be prorated for any fraction of a ton of the total weight of the load.

(2) Uncovered/Unsecured Loads: To encourage the entrance into County

1 waste facilities of loads that are properly secured or covered pursuant to
2 applicable State or local laws and in deflection of the additional costs
3 incurred because of waste escaping such vehicles, loads brought to
4 such facilities which are not properly secured or covered will be required
5 to pay an additional Solid Waste Management Disposal Site Fee equal
6 to the normal applicable disposal gate fee (including any applicable
7 perchlorate add-on fee) for such waste. This will apply to both minimum
8 and per ton loads, and also loads which would otherwise pay no gate
9 fee, given the payment of a Land Use Fee pursuant to the provisions of
10 Section 16.0222(c).

11 (b) Fee Adjustments: Whenever use of a disposal site financed by land use fees is
12 restricted by order of the Board of Supervisors and refuse is thereby hauled to
13 other sites, the Board of Supervisors may permit acceptance of such refuse
14 without charge at the receiving sites.

15 (c) Solid Waste Management Disposal Facility Fees:

16 (1) The following annual refuse disposal land use fees, based on the County
17 Assessor's Land Use Codes, shall apply in the following areas. Where
18 the Land Use Fee for any Use Code contains a schedule of fees based
19 on the building size or number of dwelling units per parcel, but the
20 relevant data base does not disclose sufficient building size or unit
21 information to determine the correct category for a particular parcel, said
22 parcel shall be charged as though it were the third smallest sized
23 category if there are five or six size categories. If paid, such land use
24 fees shall constitute, relative to ordinary refuse (excluding demolition
25 waste, tires and hard to handle and special handling items) generated on
26 the parcel of property for which the fee is paid, payment of the ordinary
27 refuse per ton fee as set forth in Subsection 16.0222(a)(1), and the
28 passenger/light use vehicle and trailer fee as set forth in Subsection

1 16.0222(h)(1), which may be otherwise due:

- 11 (d) Contracts with Cities or Other Users of the Refuse Disposal Sites:
- 12 Notwithstanding any other provision of this Section 16.0222, the method of
- 13 calculation of the disposal facility usage fee owed by a city or any other user of
- 14 a refuse disposal site may be established by written agreement between such
- 15 city (or other user, as the case may be) and the County. Upon expiration or

18 (c) Deposits for Developer Deposit Accounts and Project Trust Accounts – Land
19 Use Services Department and Department of Public Works (collectively
20 referred to in this subsection as “Department”):

21 An initial deposit is required for each actual cost service or process. The initial
22 deposit is as specified in the code. If no amount is specified, the initial deposit
23 is the Department's initial estimate of the actual cost of the service or process.
24 The Department may revise its estimate at any time during the processing of
25 the project. If a revised estimate is higher than a previous estimate, the
26 Department may require an additional deposit. Notice of any required
27 additional deposit shall be mailed (including e-mail) to the applicant. The notice
28 shall include the date by which the deposit must be made, and shall inform the

1 applicant that unless provision for payment is made by the date specified, the
2 application will be deemed denied without prejudice, without further action by
3 the County. Notwithstanding Section 86.08.010, any such denial without
4 prejudice is not appealable. Each estimate shall be a good faith attempt to
5 determine the probable actual cost of the service or process, based on the
6 nature of the project, the Department's experience in processing similar
7 services or processes, and applicable rates. Initial deposits and any additional
8 deposits for all services or processes related to a project shall be placed and
9 combined into a Project Trust Account. Such combined deposited funds will be
10 utilized as the source of payment for any flat fee service, security deposit, or
11 actual cost service on that project. In addition, deposits may also be placed in
12 a Developer Deposit Account. Deposited funds in a Developer Deposit
13 Account may be used by an individual or entity to fund various Project Trust
14 Accounts.

15 (d) Applicant's obligation to pay actual cost – Land Use Services Department and
16 Department of Public Works:

17 The applicant shall pay the actual cost of the project, regardless of any
18 estimate; except that the applicant is not obligated for costs incurred after the
19 applicant delivers to the Department of Public Works and/or the Land Use
20 Services Department either an unconditional written withdrawal of the
21 application, or a written notice to stop work which includes a waiver of any
22 applicable time limits for processing the application.

23 (e) Amounts of \$10.00 or less:

24 Pursuant to Government Code section 29373.1, the applicant shall not be
25 required to pay a balance of \$10.00 or less.

26 (f) Additional invoices necessitated by lack of response by the applicant will be
27 charged to the actual cost application.

28 (g) Refunds:

- 1 Refunds of fees collected by the Land Use Services Department and the
2 Department of Public Works shall be made as follows:

- 5 (2) Unused deposit monies on actual cost projects shall be refunded when
6 all charges for the project have been recorded.
- 7 (3) Pursuant to Government Code section 29375.1, the County shall not be
8 required to pay a refund of \$10.00 or less.
- 9 (4) Planning refunds:
- 10 (A) If an application, filed in error due to erroneous staff advice, is
11 later required to be withdrawn, processing fees shall be refunded
12 regardless of the extent of work done in processing the
13 application.
- 14 (B) If the applicant fails to submit required information within the
15 allocated time, or voluntarily withdraws the application before
16 acceptance and before staff work on the projects has
17 commenced, any fee paid, less \$60.00, shall be refunded.
- 18 (C) If the applicant withdraws a Land Use Services Department
19 application during processing, any fee paid, less \$60.00, shall be
20 refunded, except as follows:
- 21 (I) Actual cost applications. All actual costs incurred on an
22 actual cost application shall be deducted from the refund.
