The Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the Contractor and the County or between the County and any other insured or additional insured under the policy.

G.6 Proof of Coverage

The Contractor shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this contract, the Contractor shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

G.7 Acceptability of Insurance Carrier

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

G.8 Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

G.9 Failure to Procure Coverage

In the event that any policy of insurance required under this contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Contractor or County payments to the Contractor will be reduced to pay for County purchased insurance.

G.10 Insurance Review

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

- G.11** The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

- G.11.1** Workers' Compensation/Employer's Liability – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of the Contractor and all risks to such persons under this contract.

If Contractor has no employees, it may certify or warrant to the County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Director of Risk Management.

With respect to Contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

- G.11.2** Commercial/General Liability Insurance – The Contractor shall carry General Liability Insurance covering all operations performed by or on behalf of the Contractor providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000), per occurrence. The policy coverage shall include:
- a. Premises operations and mobile equipment.
 - b. Products and completed operations.
 - c. Broad form property damage (including completed operations).
 - d. Explosion, collapse and underground hazards.

- e. Personal injury.
- f. Contractual liability.
- g. \$2,000,000 general aggregate limit.

G.11.3 Automobile Liability Insurance – Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hired and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than one million dollars (\$1,000,000) for bodily injury and property damage, per occurrence.

If the Contractor is transporting one or more non-employee passengers in performance of contract services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence.

If the Contractor owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

G.11.4 Umbrella Liability Insurance – An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a “dropdown” provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.

G.11.5 **RESERVED**

G.11.6 **RESERVED**

G.11.7 **RESERVED**

H. RIGHT TO MONITOR AND AUDIT

H.1 The County, State and Federal government shall have absolute right to review and audit all records, books, papers, documents, corporate minutes, and other pertinent items as requested, and shall have absolute right to monitor the performance of Contractor in the delivery of services provided under this Contract. Contractor shall give full cooperation, in any auditing or monitoring conducted. Contractor shall cooperate with the County in the implementation, monitoring, and evaluation of this Contract and comply with any and all reporting requirements established by the County.

H.2 All records pertaining to services delivered and all fiscal, statistical and management books and records shall be available for examination and audit by County representatives for a period of three years after final payment under this Contract or until all pending County, State and Federal audits are completed, whichever is later.

I. CORRECTION OF PERFORMANCE DEFICIENCIES

I.1 Failure by Contractor to comply with any of the provisions, covenants, requirements or conditions of this Contract shall be a material breach of this Contract.

I.2 In the event of a non-cured breach, County may, at its sole discretion and in addition to any other remedies available at law, in equity, or otherwise specified in this Contract:

- a. Afford Contractor thereafter a time period within which to cure the breach, which period shall be established at the sole discretion of County; and/or

- b. Discontinue reimbursement to Contractor for and during the period in which Contractor is in breach, which reimbursement shall not be entitled to later recovery; and/or
- c. Withhold funds pending duration of the breach; and/or
- d. Offset against any monies billed by Contractor but yet unpaid by County those monies disallowed pursuant to Item "b" of this paragraph; and/or
- e. Terminate this Contract immediately and be relieved of the payment of any consideration to Contractor. In the event of such termination, the County may proceed with the work in any manner deemed proper by the County. The cost to the County shall be deducted from any sum due to the Contractor under this Contract and the balance, if any, shall be paid by the Contractor upon demand.

TERMS AND CONDITIONS

IF THE SAN BERNARDINO COUNTY BOARD OF SUPERVISORS (BOARD) HAS APPROVED A CONTRACT FOR THE GOODS AND/OR SERVICES BEING PROVIDED UNDER THIS PURCHASE ORDER, AND THE CONTRACT CONTAINS ADDITIONAL AND/OR DIFFERENT TERMS THAN THOSE LISTED IN THE PURCHASE ORDER, THE TERMS OF THE BOARD APPROVED CONTRACT WILL PREVAIL.

Providing goods and/or services pursuant to this Purchase Order reflects Vendor's acknowledgment of, and agreement to be bound by, the following Terms and Conditions:

1. INVOICES: Invoice each purchase order separately. Items on this purchase order must not be billed with those on other purchase orders. No charge for packing or drayage will be allowed except when specified on order and evidenced by a copy of the freight bill attached to the invoice. A freight bill must accompany invoices whenever freight charges are prepaid and added to the invoice. Purchase order number and consignee must be clearly shown on all invoices, shipping documents, shipments, correspondence, and related papers.

2. PAYMENTS: Payments shall be made, upon submission of itemized invoices of the prices stipulated, for supplies delivered and accepted or service rendered and accepted, less deductions, if any, as herein provided. Payment on partial deliveries may be made when authorized by the Purchasing Agent.

Note: To expedite payment of the invoice, mail or email the invoice to the "Bill To" address shown on the purchase order promptly, and include the purchase order number on the invoice.

If for any reason, an over-payment is made, we require prompt refund via your properly referenced check, in order that we can expedite clearing of the overpayment through our accounting system.

3. DEFICIT REDUCTION ACT OF 2005, SECTION 6032 IMPLEMENTATION: As a condition of payment for services, goods, supplies and merchandise provided to beneficiaries in the Medical Assistance Program (fMedi-Cal), providers must comply with the False Claims Act Employee Training and Policy Requirements in 1902 (A) of the Social Security Act (42 USC 1396 (A) (68)), set forth in that subsection and as the Federal Secretary of Health and Human Services may specify.

4. INSPECTION: All materials and workmanship are subject to inspection and test by the County for compliance with specifications as included herein. In the event articles or services are defective or not in conformity with this order, the County shall have the right either to reject the items or require correction. Defective articles or services shall be removed from the County premises and/or corrected by and at the expense of the Vendor. Failure to inspect and accept or reject shall not relieve the Vendor of responsibility for compliance with specifications. Final acceptance shall be conclusive except as to latent defects, fraud, or such gross mistakes as amount to fraud.

5. RESPONSIBILITY: Unless otherwise specified, the Vendor shall be responsible for all items covered by this purchase order until delivered to the designated delivery point, and the Vendor shall bear all risks as to items rejected or requiring correction after notice of such rejection or correction is given.

6. CHANGES: This purchase order may, at any time, by written order, be changed as to the materials or services to be furnished, quantities ordered, unit price, discount, delivery point or arrangements, terms, or any other matters affecting a valid order. In the event such change causes an increase or decrease in cost of performance hereunder, an equitable adjustment will be made for the cost, subject to the written approval of the Purchasing Agent. No change or other modification to this purchase order, by invoice, shipping documents or other communication, shall be binding upon the Purchasing Agent unless accepted in writing.

7. VARIATIONS-QUANTITIES: No variation in the quality or quantity of any item called for by this purchase order shall be acceptable except pursuant to written change order so authorizing, and no change in cost shall be valid unless so ordered.

8. TERMINATION: This purchase order may be terminated in whole or in part at the end or during any fiscal year by written notice to Vendor for any reason including insufficient funding. Such termination shall be effective in the quantity, manner, and time specified in such notice and the County shall be liable at the stipulated price for only such materials and/or services as have been delivered, and/or rendered and accepted. The County shall not be liable for any excess costs arising out of such termination, and failure of the Vendor to cease delivery and/or work upon receipt of termination notice shall not occasion a claim for extra costs.

9. LIABILITY: The County shall not be responsible for any damages that may be claimed by reason of death or injury of the person of the Vendor's officers, agents, employees, invitees, or licensees, or for damage to any property of the Vendor or that may arise or result at any time because of

personal injury or damage to property sustained by any other person or persons, which may have been caused or contributed to, proximately, by reason of, or in the course of carrying out this purchase order. The Vendor shall assume full responsibility for the result of any claim arising under this purchase order, and the Vendor shall indemnify, defend, and hold harmless the County, all officers and employees thereof, from all damages, costs, or expenses, in law or in equity, because of personal injury, property damage, or alleged or actual patent infringements, based on the performance of this purchase order.

10. DELAYS-DAMAGES: In the event the Vendor fails to perform this purchase order within the time specified, if any, or a reasonable time after placement of the order, the Purchasing Agent may, by written notice, order the Vendor to cease further deliveries and may hold the Vendor liable for any damage caused the County by reason of such delay. Periods of performance may be extended if the facts as to the cause of the delay justify such extension in the opinion of the Purchasing Agent.

11. COMPLIANCE: The articles covered by this purchase order or contract must conform to safety orders of OSHA, CALOSHA, and/or NIOSHA and applicable Safety Data Sheets.

12. ELECTRONIC FUNDS TRANSFERS: Vendor shall accept all payments from the County via electronic funds transfer (EFT) directly deposited into the Vendor's designated checking or other bank account. Vendor shall promptly comply with directions and accurately complete forms provided by the County required to process EFT payments.

13. CONTRACTOR'S LICENSE: Unless otherwise qualified, Vendor agrees for the period of any agreement formulated that a total price more than \$500.00 for any public work requires an active Contractor's License Number. It is the Vendor's responsibility to make sure that their license is active, valid and on file with the department to which the services are being provided. If Contractor is not licensed as required, Contractor will not be paid for any work performed in violation of this requirement.

14. INSURANCE: County self-insures goods upon title of goods being transferred to County. Prior to commencement of work, Certificates of Insurance shall be delivered and approved by the County Department to which products or services are being provided. Commencement of work prior to delivery and approval of Certificates of Insurance shall not act as a waiver of the Terms and Conditions attached hereto and may be treated as a material breach of this agreement. The required insurance policies shall have coverage limits of at least \$1,000,000.00 per claim or occurrence and a \$2,000,000.00 general aggregate. Additional or other insurance may be required by addendum.

15. PREVAILING WAGE: Where labor is required for public works as part of any requirements covered by this purchase order and as such is defined by the California Labor Code, Vendor shall pay no less than the applicable prevailing wages specified.

16. COMPLIANCE WITH LAWS: Vendor shall fully comply with all applicable provisions of federal, state and local laws, rules and regulations, and Vendor agrees to hold the County, its agents, officers and employees harmless from any and all liability, costs, including, but not limited to attorney's fees and damages resulting from failure of compliance.

17. NONDISCRIMINATION: By acceptance of this purchase order, Vendor certifies and agrees that all persons employed by it, its affiliates, subsidiaries or holding companies are and will be treated equally by it without regard to or because of race, religion, ancestry, national origin, disability or sex and in compliance with all anti-discrimination laws of the United States and the State of California. Vendor further certifies and agrees that it will deal with its subcontractors, bidders or vendors without regard to or because of race, religion, ancestry, national origin, disability or sex. If the County finds that the above provisions have been violated, the same shall constitute a material breach of contract and the County through the Purchasing Agent may determine to cancel, terminate or suspend the purchase order. The parties agree that in the event the Vendor violates the anti-discrimination provisions of the purchase order, the County shall at its option and in lieu of cancellation, termination or suspension of this purchase order, be entitled to liquidated damages pursuant to California Civil Code section 1671 of the greater of ten percent (10%) of the purchase order amount or One Thousand Dollars (\$1000).

18. GOVERNING LAW AND VENUE: This purchase order shall be governed by and construed in accordance with the laws of the State of California. Vendor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this purchase order, and further agrees and consents that venue for any action shall be exclusively in the San Bernardino County, California.

19. ASSIGNMENT AND DELEGATION: Vendor shall not assign its rights or delegate its duties under this purchase order without County's prior written authorization and any assignment or delegation without such authorization shall be null and void and shall constitute a material breach of this purchase order. The Purchasing Agent may immediately cancel or terminate the purchase order.

20. MOST FAVORED CUSTOMER: Vendor represents that the prices charged the County in this purchase order do not exceed existing selling prices to other customers for the same or substantially similar articles or services for comparable quantities under similar terms and conditions.

21. COVENANT AGAINST GRATUITIES: The offering of gifts, excluding token gifts of a promotional or advertising nature, or gratuities by the Vendor or any agent or representative of the Vendor is strictly prohibited. The Vendor warrants that no gratuities (in the form of entertainment, gifts or

otherwise) were offered or given by the Vendor, or any agent or representative of the Vendor, to any officer or employee of the County with a view toward securing this purchase order or favorable treatment with respect to any determination concerning this.
