Letter of Award

DATE: June 15, 2026

TO: California Local Health Jurisdictions

SUBJECT: Congenital Syphilis Prevention Grant

In follow-up to the Notice of Intent to Award letter issued by the California Department of Public Health, Sexually Transmitted Diseases Branch (CDPH/STDCB), this Letter of Award furthers the intent to award Federal funds to your agency for congenital syphilis (CS) prevention activities beginning July 1, 2026 and ending on February 28, 2027. Your agency's total award will be \$140,000.

As a reminder, this funding opportunity is contingent upon CDPH/STDCB receiving the federal grant award for *Strengthening STD Prevention and Control for Health Departments (PCHD)*, Assistance Listing (CFDA) Number 93.977 from the Centers for Disease Control and Prevention (CDC). As a sub-awardee of the federal STD PCHD funding, a copy of the Notice of Award (NOA) and the General Terms and Conditions will be provided to you for your records upon issuance of the NOA.

Grant Activities

The purpose of the CSP funding is to implement evidence-based public health activities to proactively address the rise in CS cases within the local health jurisdiction.

Key strategic targets for CS prevention and control include: robust case management for pregnant people with syphilis and CS cases; conducting Morbidity and Mortality Reviews of CS cases to identify missed opportunities for prevention; collaborating with CDPH program staff on a quality improvement project aimed at improving health department syphilis processes; partnering with correctional facilities to implement syphilis screening in jails; and providing education to priority prenatal care providers and birthing hospitals to enhance screening and treatment practices.

The grant activities allow Grantees to expand syphilis and STI screening and prevention services in local emergency departments (EDs) and jail settings as well as optional activities for the Grantee to implement using this funding. These four optional activities include: providing syphilis testing and prevention with integrated testing for HIV, HCV, chlamydia, gonorrhea, and mpox vaccination; providing incentives to clients to encourage testing, treatment, and follow-up appointments; implementing a social marketing campaign; and to propose an innovative and impactful activity to increase client testing or prenatal services for at risk populations.

The grant activities are enclosed for your information and available on the [STI/HCV Local Assistance Funding](#) SharePoint site. Grantees are responsible for all grant objectives in the Grant Activities unless they are marked as “Optional.”

Grantees must adhere to the grant activities, grant exhibit conditions, and any subsequent revisions, along with all instructions, policy memoranda, or directives issued by CDPH/STDCB. CDPH/STDCB will make any changes and/or additions to these guidelines in writing and, whenever possible, notification of such changes shall be made 30 days prior to implementation. Any updates to the grant activities or additional guidance can be found at the [STI/HCV Local Assistance Funding](#) SharePoint site.

Travel Costs in Budget

The grant budget may include funds for staff to attend meetings, conferences, and trainings such as the California STD/HIV Controllers Association annual meeting, other statewide conferences for CS, as well as national conferences listed on the [STI/HCV SharePoint](#) site. The amount of funds allocated for travel may be adjusted or redirected to another line item on a later date to accurately reflect actual planned trips. If traveling to attend these conferences, please refer to the travel policy at the California Department of Human Resources ([CalHR](#)). Travel reimbursement rates can be found at CalHR for [meals and incidentals](#), and the U.S General Services Administration (GSA) for [lodging](#).

Funding

This one-year CSP grant funding will maintain the CS disease intervention efforts across eight local health jurisdictions (LHJ) and ensure the continuation of essential services to proactively address the rise in CS cases within the LHJ. A detailed summary of the funding for the eight LHJs in California, including final amounts, is available at [STI/HCV Local Assistance Funding](#) SharePoint site. Funding for these grant activities ends February 28, 2027, and any additional funding for the continuation of grant activities is contingent upon the availability of federal funding from CDC.

Next Steps

To secure these funds, an official grant agreement will be developed and executed between your agency and CDPH/STDCB.

To receive these funds, the LHJs must return the following documents no later than close of business, **August 14, 2026** via email to Christine.Johnson@cdph.ca.gov with a cc to STDLHJContracts@cdph.ca.gov. The name of the LHJ must be included in the subject line to help us easily identify which LHJ you represent (*County of San Bernardino – Agreement #26-10359 - CSP Grant*).

1. Signed Grant Agreement (CDPH 1229)

- Signature page only (page four of the grant agreement) must bear original or digital signatures.

2. Copy of the Board Resolution/Order/Motion, ordinance, or other similar document authorizing execution of the agreement.

- All agreements with local health jurisdictions are required to be accompanied by an up-to-date Board Resolution or Minute Order. Any amendment initiated during the term of the original agreement will require a new Board of Resolution or Minute Order unless the original resolution allows for amendments, extensions, and renewals without going through the Board.
- LHJs may exercise their delegated authority to accept and implement this grant and future amendments to support the continuation of CS activities.
 - If your next board meeting is after August 4, 2026, email Christine.Johnson@cdph.ca.gov with the date you plan to add this to the Board of Supervisor's agenda.

3. Exhibit F – Federal Terms and Conditions

- Signature page only (page 9 of exhibit) must bear original or digital signatures.

4. California Civil Rights Laws and Attachment (DGS OLS 04)

5. Certificate of Insurance (COI)

The additional insured endorsement must accompany the certificate of insurance."*
- The certificate holder must be listed as California Department of Public Health (CDPH).

6. Contractor Certification Clause (CCC 042017)
