Zero-Cost Vehicle Use Agreement Scope of Work

1. Use Overview

The California Department of Health Care Services (“DHCS”) agrees to provide San Bernardino County (“Grantee”) with the rights to use DHCS property and vehicles as described in this Agreement (“Agreement”). DHCS oversees the Behavioral Health Continuum Infrastructure Program (BHCIP) pursuant to Cal. Welf. & Inst. Code §§5960-5960.4. DHCS established the BHCIP Round 1 Grants to award competitive grants to qualified entities to support behavioral health mobile crisis and non-crisis services, and to fund Crisis Care Mobile Units (CCMU).

DHCS awarded the Grantee a BHCIP Round 1 grant to purchase vehicles necessary for CCMU teams to be able to reach and serve individuals in crisis located in the City of San Bernardino, County of San Bernardino, State of California, and to operate the specific vehicles for their intended purposes identified in Grantee’s grant application. DHCS retains full ownership of the vehicles and the Grantee holds only a leasehold interest to use the vehicles as specified in this Agreement.

The grant for Grantee’s vehicles are funded through State General Funds (SGF). As part of DHCS’s grant award to Grantee, Grantee entered into a contract, AHP-21-10349 (“Prime Contract”), with Advocates for Human Potential (AHP), who is acting as DHCS’s agent to administer Round 1 grants, to undertake Grantee’s purchase of CCMU vehicles. This Agreement between DHCS and Grantee provides additional obligations the Grantee has to DHCS as a condition of receiving all funds, keeping vehicles purchased with grant funds under Grantee’s contract with AHP, and in order to comply with the requirements of the statutes governing BHCIP and the SGF.

This Agreement hereby incorporates by reference the provisions set forth in Prime Contract AHP-21-10349, as applicable to this Agreement. The applicable provisions set forth in AHP-21-10349 shall survive the termination of AHP-21-10349 for purposes of this Agreement. The provisions in this Agreement shall supersede any conflicting provisions in AHP-21-10349.

It is the intent of the parties that Grantee, and any subsequent owners of the vehicles, continue to be bound by the requirements of the BHCIP statutes and this Agreement for a period of six (6) years from the effective date of this Agreement. The BHCIP statutes, as written on the date of this agreement, are hereby incorporated by reference into this agreement.

The term of this Agreement is for six (6) years after the effective date of this Agreement. During this period, the Grantee shall:

- A. Ensure that upon the earlier of (i) the termination or expiration of the Agreement term, or (ii) upon the vehicle becoming non-operational, the Grantee will do the following within ninety (90) days:
 - 1. Sale of the Vehicle: The Grantee will arrange for the sale of the Vehicle at fair market value. Grantee will obtain prior written consent from DHCS prior to sale of the Vehicle.
 - 2. Use of Proceeds: The proceeds from the sale or disposition of the Vehicle will be used exclusively for BHCIP purposes consistent with Cal. Welf. & Inst. Code §5960 et seq. The Grantee will provide documentation reasonably satisfactory to DHCS confirming that the proceeds were used for BHCIP purposes.
 - 3. "Non-operational" means the vehicle is no longer functioning, no longer serviceable, not cost worthy to repair, uninsurable, or determined to be a total loss by insurance.
 - 4. The provisions under this Section 1(A) shall survive the expiration or termination of this Agreement.
- B. Ensure that the vehicles are maintained, at the Grantee's expense, in good condition and to arrange for necessary repairs and maintenance during the Agreement term.
- C. Ensure that Grantee has provided, maintained, and certified automobile liability insurance is in effect during the term of this Agreement or any extension period during which the vehicles remain in the Grantee's possession, and as specified in AHP-21-10349.
- D. Ensure that if, during the term of this Agreement and until the sale or insurance total loss of the vehicles, they are damaged, destroyed, stolen, abandoned, or taken by any judicial or governmental authority, the Grantee will remain financially responsible for the fair market value of the vehicles at the time of loss. The Grantee will notify DHCS within 10 days of any of these events.
- E. Ensure that Grantee agrees to pay all costs, expenses, fees, and charges in connection with the use and operation of the vehicles during the term of this Agreement, as well as any and all increased or added sales taxes, personal property, and other ad valorem taxes and assessments and/or other governmental charges whatsoever on the vehicles, or on the use, ownership, possession, transportation, delivery, or operation of the same. Grantee agrees to reimburse DHCS for the full costs, expenses, taxes, fees, and other charges paid by DHCS in which Grantee is obligated to pay.
- F. Ensure that all operators of the vehicles must hold a valid State of California driver's license. In the event that ten or more passengers are to be transported in each vehicle, the operator must also hold a State of California Class B driver's license.

- G. Ensure that the vehicles remain the property of DHCS, or its nominees, successors, or assigns, at all times during the term of this Agreement. DHCS retains full ownership of the vehicles and the Grantee holds only a leasehold interest to use the vehicle for the purposes specified in this Agreement. The Lessee must not assign, transfer, sublet, sell, or encumber the Vehicle in any way without the prior written consent of DHCS.
- H. Ensure that the vehicles are used in compliance with the requirements set forth in Cal. Welf. & Inst. Code §§5960-5960.4 and Section 5.A of this Agreement;
- I. Ensure that the vehicles are used in compliance with requirements governing the SGF.
- J. Comply with the change of vehicle use requirements contained in Section 5.B. of this Agreement, if applicable;
- K. Maintain all books, accounting records, client records, and documents in accordance with the requirements set forth in Section 5.C. of this Agreement;
- L. Provide DHCS access to the vehicles, books, accounting records, client records, and documents in accordance with the requirements set forth in Section 5.D. of this Agreement;
- M. Provide DHCS with reports in the manner and frequency set forth in Cal. Welf. & Inst. Code §§5960-5960.4 and Section 5.E. of this Agreement; and
- N. Comply with any and all applicable rules and laws, including those governing the disposition of property in the event that Grantee elects to transfer use rights to the vehicles.

5. The Grantee may, at its discretion, following the expiration of this Agreement, reduce its accounts, books and records related to this Agreement to microfilm, computer disk, CD ROM, DVD, or other data storage medium. Contractor acknowledges the State would suffer irreparable harm in the event of such breach and agrees the State will be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

k. If this Agreement is funded in whole or part by federal funds, the State will retain all Intellectual Property rights, title, and ownership, which result directly or indirectly from the Agreement pursuant to applicable federal law including, but not limited to, 45 C.F.R. § 75.322 and 45 C.F.R. § 95.617, except as provided in 37 C.F.R. Part 401.14. However, the federal government will have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

l. The provisions set forth herein will survive any termination or expiration of this Agreement.

12. Air or Water Pollution Requirements

Any federally funded agreement and/or subcontract in excess of \$100,000 must comply with the following provisions unless said agreement is exempt by law.

- a. Government contractors agree to comply with all applicable standards, orders, or requirements issued under Section 306 of the Clean Air Act (42 U.S.C. § 7606), Section 508 of the Clean Water Act (33 U.S.C. § 1368), Executive Order 11738, and Environmental Protection Agency regulations.

The Contractor must acknowledge the support of the State whenever publicizing the work under this Agreement in any media. This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

14. Confidentiality of Information

- a. The Contractor and its employees, agents, or subcontractors must protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or are disclosed to the Contractor, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.
- b. The Contractor and its employees, agents, or subcontractors must not use such identifying information for any purpose other than carrying out the Contractor's obligations under this Agreement.
- c. The Contractor and its employees, agents, or subcontractors must promptly transmit to the DHCS Program Contract Manager all requests for disclosure of such identifying information not emanating from the client or person.
- d. The Contractor must not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than DHCS without prior written authorization from the DHCS Program Contract Manager, except if disclosure is required by State or Federal law.
- e. For purposes of this provision, identity will include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.
- f. As deemed applicable by DHCS, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will either be attached to this Agreement or incorporated into this Agreement by reference.

15. Documents, Publications and Written Reports

(Applicable to agreements over \$5,000 under which publications, written reports and documents are developed or produced. Gov. Code § 7550.)

Any document, publication or written report (excluding progress reports, financial reports and normal contractual communications) prepared as a requirement of this Agreement must contain, in a separate section preceding the main body of the document, the number and dollar amounts of all contracts or agreements and subcontracts relating to the preparation of such document or report, if the total cost for work by nonemployees of the State exceeds \$5,000.

16. Dispute Resolution Process

- a. A Contractor grievance exists whenever there is a dispute arising from DHCS' action in the administration of an agreement. If there is a dispute or grievance

between the Contractor and DHCS, the Contractor must seek resolution using the procedure outlined below.

- 1) The Contractor should first informally discuss the problem with the DHCS Program Contract Manager. If the problem cannot be resolved informally, the Contractor must direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance must state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief will render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief will respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.
- 2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Contractor must include with the appeal a copy of the Contractor's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal must be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division in which the branch is organized or his/her designee will meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee will be directed to the Contractor within twenty (20) working days of receipt of the Contractor's second level appeal. The decision rendered by the Deputy Director or his/her designee will be the final administrative determination by the Department.

- b. If the Contractor wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Contractor shall follow the procedures set forth in Health and Safety Code (Health & Saf. Code) § 100171.
- c. Unless otherwise stipulated in writing by DHCS, all dispute, grievance and/or appeal correspondence will be directed to the DHCS Program Contract Manager.
- d. There are organizational differences within DHCS' funding programs and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Contractor will be notified in writing by the DHCS Program Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.
- e. Notwithstanding any dispute, the Contractor shall diligently continue performance of the Contract (including matters subject to dispute to the maximum extent possible).

17. Subrecipient Compliance

(Applicable to agreements in which a Subrecipient receives federal funding. This does not apply to Medi-Cal programs.)

Per 2 C.F.R. § 200.93, a Subrecipient is a non-federal entity that receives a subaward from a pass-through entity to carry out part of a federal award. Subrecipients must comply with certain requirements, including without limitation, audit requirements, as set forth in 2 C.F.R. Part 200, as applicable to Subrecipients. Subrecipients may be subject to applicable monitoring activities by DHCS as required in 2 C.F.R. § 200.332.

19. Debarment and Suspension Certification

(Applicable to all agreements funded in part or whole with federal funds.)

- 7) Will include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

- c. If the Contractor is unable to certify to any of the statements in this certification, the Contractor must submit an explanation to the DHCS Program Contract Manager.
- d. The terms and definitions herein have the meanings set out in 2 C.F.R. Part 180 as supplemented by 2 C.F.R. Part 376.
- e. If the Contractor knowingly violates this certification, in addition to other remedies available to the Federal Government, the DHCS may terminate this Agreement for cause or default.

20. Smoke-Free Workplace Certification

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

- a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.

- b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.
- c. By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.
- d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

21. Drug Free Workplace Act of 1988

The Federal government implemented the Drug Free Workplace Act of 1988 in an attempt to address the problems of drug abuse on the job. It is a fact that employees who use drugs have less productivity, a lower quality of work, and a higher absenteeism, and are more likely to misappropriate funds or services. From this perspective, the drug abuser may endanger other employees, the public at large, or themselves. Damage to property, whether owned by this entity or not, could result from drug abuse on the job. All these actions might undermine public confidence in the services this entity provides. Therefore, in order to remain a responsible source for government contracts, the following guidelines have been adopted:

- a. The unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in the workplace.
- b. Violators may be terminated or requested to seek counseling from an approved rehabilitation service.
- c. Employees must notify their employer of any conviction of a criminal drug statute no later than five days after such conviction.
- d. Although alcohol is not a controlled substance, it is nonetheless a drug. It is the policy that abuse of this drug will also not be tolerated in the workplace.
- e. Contractors of federal agencies are required to certify that they will provide drug-free workplaces for their employees.

22. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, DHCS

will have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

23. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, DHCS may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until DHCS receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

24. Progress Reports or Meetings

(Applicable to consultant service agreements and, at DHCS' option, other agreements.)

- a. Contractor shall submit progress reports or attend meetings with state personnel at intervals determined by DHCS to determine if the Contractor is on the right track, whether the project is on schedule, provide communication of interim findings, and afford occasions for airing difficulties or special problems encountered so that remedies can be developed quickly.
- b. At the conclusion of this Agreement and if applicable, Contractor shall hold a final meeting at which Contractor shall present any findings, conclusions, and recommendations. If required by this Agreement, Contractor shall submit a comprehensive final report.

25. Performance Evaluation

- a. For all consultant service agreements of \$5000 or more:
 - 1) The Contractor's performance under this Agreement will be evaluated at the conclusion of the term of this Agreement. The evaluation will include, but not be limited to:
 - a) Whether the contracted work or services were completed as specified in the Agreement and reasons for and amount of any cost overruns.
 - b) Whether the contracted work or services met the quality standards specified in the Agreement.
 - c) Whether the Contractor fulfilled all requirements of the Agreement and if not, in what ways the Contractor did not fulfill the contract.
 - d) Factors outside the control of the Contractor, which caused difficulties in Contractor performance. Factors outside the control of the Contractor will not include a Subcontractor's poor performance.
 - e) Other information the awarding agency may require.

- f) How the Contract results and findings will be utilized to meet the agency goals.
- 2) The evaluation of the Contractor will not be a public record.

- b. For all other agreements except grant agreements:

DHCS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation will not be a public record and will remain on file with DHCS. Negative performance evaluations may be considered by DHCS prior to making future contract awards.

26. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature will be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision will not be construed to extend to this Agreement if made with a corporation for its general benefits.

27. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

28. Use of Disabled Veteran's Business Enterprises (DVBE)

(Applicable to agreements over \$10,000 in which the Contractor committed to achieve DVBE participation. Not applicable to agreements and amendments specifically exempted from DVBE requirements by DHCS.)

- a. The State Legislature has declared that a fair portion of the total purchases and contracts or subcontracts for property and services for the State be placed with disabled veteran business enterprises.
- b. All DVBE participation attachments, however labeled, completed as a condition of bidding, contracting, or amending a subject agreement, are incorporated herein and made a part of this Agreement by this reference.
- c. Contractor agrees to use the proposed DVBEs, as identified in previously submitted DVBE participation attachments. Contractor understands and agrees to comply with the requirements set forth in Mil. & Vet. Code § 999 et seq. in that should award of this Contract be based on part on its commitment to use the DVBE subcontractor(s) identified in its bid or offer, per Mil. & Vet. Code § 999.5(g), a DVBE subcontractor may only be replaced by another DVBE subcontractor and must be approved by both DHCS and the DGS prior to the commencement of any work by the proposed subcontractor. Changes to the

scope of work that impact the DVBE subcontractor(s) identified in the bid or offer and approved DVBE substitutions will be documented by contract amendment.

- d. Requests for DVBE subcontractor substitution must include:
 - 1) A written explanation of the reason for the DVBE substitution.
 - 2) A written description of the business enterprise that will be substituted, including its DVBE certification status and contact information.
 - 3) A written description of the work to be performed by the substituted DVBE subcontractor and an identification of the percentage share/dollar amount of the overall contract that the substituted subcontractor will perform.
 - 4) One or more of the permissible justifications for substituting a DVBE subcontractor as found in 2 C.C.R. § 1896.73(g).
- e. Failure of the Contractor to seek substitution and adhere to the DVBE participation level identified in the bid or offer may be cause for contract termination, recovery of damages under rights and remedies due to the State, and penalties as outlined in Mil. & Vet. Code§ 999.9 and other applicable State laws.
- f. Upon completion of this Contract, DHCS requires the Contractor to certify using the Prime Contractor's Certification – DVBE Subcontracting Report (STD 817), all of the following:

 - 4) That all payments under the Contract have been made to the DVBE(s); and
 - 5) The actual percentage of DVBE participation that was achieved. Upon request, the prime Contractor must provide proof of payment for the work.
- g. If for this Contract the Contractor made a commitment to achieve the DVBE participation goal, the Department will withhold \$10,000 from the final payment, or the full payment if less than \$10,000, until the Contractor complies with the certification requirements above. A Contractor that fails to comply with the certification requirement must, after written notice, be allowed to cure the defect. Notwithstanding any other law, if, after at least 15 calendar days but not more than 30 calendar days from the date of written notice, the prime Contractor refuses to comply with the certification requirements, DHCS will permanently deduct \$10,000 from the final payment, or the full payment if less than \$10,000. (Mil. & Vet. Code § 999.7.)

- h. A person or entity that knowingly provides false information will be subject to a civil penalty for each violation. (Mil. & Vet. Code § 999.5(d); Govt. Code § 14841.)
- i. Contractor agrees to comply with the rules, regulations, ordinances, and statutes that apply to the DVBE program as defined in § 999 of the Mil. & Vet. Code, including, but not limited to, the requirements of § 999.5(d).

29. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts must be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors must take all of the following steps to further this goal.

- a. Ensure that small businesses, minority-owned firms and women's business enterprises are used to the fullest extent practicable.
- b. Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms and women's business enterprises.
- c. Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- d. Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- e. Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

30. Use of Small Business Subcontractors

(Only applicable to agreements awarded in part due to the granting of small business preference where the Contractor committed to use small business subcontractors for at least 25% of the initial contract cost or amount bid.)

- a. All Small Business Preference Request attachments and Small Business Subcontractor/Supplier Acknowledgment attachments, however labeled, completed as a condition of bidding, are incorporated herein, and made a part of this Agreement by this reference.
- b. Contractor agrees to use each small business subcontractor/supplier, as

identified in previously submitted Small Business Preference Request attachments, unless the Contractor submits a written request for substitution of a like or alternate subcontractor. All requests for substitution must be approved by DHCS, in writing (including email or fax), prior to using a proposed substitute subcontractor.

- c. Requests for substitution must be approved by the funding program and must include, at a minimum:
 - 1) An explanation of the reason for the substitution.
 - 2) A written description of the business enterprise that will be substituted, including its small business certification status and contact information.

 - 4) A written description of the work to be performed by the substituted subcontractor identified by both task (if applicable) and dollar amount or percentage of the overall Contract that the substituted subcontractor will perform. The substituted business, if approved, must perform a commercially useful function in the Contract pursuant to 2 C.C.R. § 1896.15.
- d. DHCS may consent to the substitution if allowed by applicable State laws.
- e. Prior to the approval of the prime contractor's request for the substitution, the funding program will give notice in writing to the listed subcontractor of the prime contractor's request to substitute and the reasons for the request to substitute. The notice will be served by certified or registered mail to the last known address of the subcontractor. The listed subcontractor that has been so notified will have five (5) working days after the receipt of the notice to submit written objections to the substitution to the funding program. Failure to file these written objections will constitute the listed subcontractor's consent to the substitution. If written objections are filed, DHCS will give notice in writing of at least five (5) working days to the listed subcontractor of a hearing by DHCS on the prime contractor's request for substitution.
- f. Failure of the Contractor to subcontract with the small businesses listed in its bid or proposal to DHCS, or failure to follow applicable substitution rules and regulations will be grounds for DGS to impose sanctions pursuant to Gov. - a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee must, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee must provide those records to the Attorney General upon request.

33. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with § 100525) of Chapter 3 of Part 1 of Division 101 of the Health & Saf. Code, DHCS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - 1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - 2) Director's and executive committee member's fees.

- 3) Incentive awards and/or bonus incentive pay.
- 4) Allowances for off-site pay.
- 5) Location allowances.

c. Specific allowable fringe benefits include:

- 1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.

d. To be an allowable fringe benefit, the cost must meet the following criteria:

- 1) Be necessary and reasonable for the performance of the Agreement.
- 2) Be determined in accordance with generally accepted accounting principles.
- 3) Be consistent with policies that apply uniformly to all activities of the Contractor.

e. Contractor agrees that all fringe benefits must be at actual cost.

f. Earned/Accrued Compensation

- 1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
- 2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.
- 3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

a) Example No. 1:

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

b) Example No. 2:

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

c) Example No. 3:

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

34. Suspension or Stop Work Notification

- a. DHCS may, at any time, issue a notice to suspend performance or stop work under this Agreement. The initial notification may be a verbal or written directive issued by the funding Program's Contract Manager. Upon receipt of said notice, the Contractor is to suspend and/or stop all, or any part, of the work called for by this Agreement.
- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within 30 working days of the verbal notification. The suspension or stop work notification will remain in effect until further written notice is received from DHCS. The resumption of work (in whole or part) will be at DHCS' discretion and upon receipt of written confirmation.
 - 1) Upon receipt of a suspension or stop work notification, the Contractor must immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.
 - 2) Within 90 days of the issuance of a suspension or stop work notification, DHCS will either:

- a) Cancel, extend, or modify the suspension or stop work notification; or
- b) Terminate the Agreement as provided for in the Cancellation / Termination clause of the Agreement.
- c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Contractor may resume work only upon written concurrence of funding Program's Contract Manager.
- d. If the suspension or stop work notification is canceled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or contract terms resulting from the suspension or stop work notification will require an amendment to the Agreement.
- e. If a suspension or stop work notification is not canceled and the Agreement is canceled or terminated pursuant to the provision entitled Cancellation / Termination, DHCS will allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.
- f. DHCS will not be liable to the Contractor for loss of profits because of any suspension or stop work notification issued under this clause.

35. Public Communications
