### III. Insurance:

- A. School agrees to maintain adequate comprehensive general liability and insurance covering students who are receiving clinical training at Medical Center for the term of the Agreement:

The School agrees to provide insurance set forth in accordance with the requirements herein. If the School uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the School agrees to amend, supplement or endorse the existing coverage to do so. The type(s) of insurance required is determined by the scope of the contract services.

Without in anyway affecting the indemnity herein provided and in addition thereto, the School shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

1. Workers' Compensation/Employers Liability – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount or form to meet all

applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits, covering all persons including volunteers providing services on behalf of the School and all risks to such persons under this Agreement.

If School has no employees, it may certify or warrant to the County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Director of Risk Management.

School agrees to maintain Worker's Compensation insurance as required under California State Law covering all persons providing services on behalf of School, including Students.

2. Comprehensive General Liability Insurance - The School shall carry General Liability Insurance covering all operations performed by or on behalf of the School providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000), per occurrence. The policy coverage shall include:
  - (a) Premises operations and mobile equipment
  - (b) Products and completed operations.
  - (c) Broad form property damage (including completed operations).
  - (d) Explosion, collapse and underground hazards
  - (e) Personal injury
  - (f) Contractual Liability
  - (g) \$2,000,000 general aggregate limit.

3. Automobile Liability Insurance – Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hire and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than one million dollars (\$1,000,000) for bodily injury and property damage, per occurrence.

If the School is transporting one or more non-employee passengers in performance of contract services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence.

If the School owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

4. Umbrella Liability Insurance – An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.

5. Professional Liability – Professional liability insurance with limits not less than one million (\$1,000,000) per claim or occurrence and two million (\$2,000,000) aggregate limits

or

Errors and Omissions Liability – with limits of not less than one million (\$1,000,000) and two million (\$2,000,000) aggregate limits

or

Directors and Officers Insurance – coverage with limits not less than one million (\$1,000,000) shall be required for contracts with charter labor committees or other not-for-profit organizations advising or acting on behalf of the County.

If any of the required insurance coverage is provided on a "claims made" policy, the "retroactive date" shall be shown and must be before the date of the start of the contract work. The claims made insurance shall be maintained or "tail" coverage provided for a minimum of five (5) years after contract completion.

The coverage described above is not required for Universities or consultants providing services which are relied upon by County departments for decision making. These would include trainers or instructors, expert witnesses, statisticians, etc.

6. Abuse/Molestation Insurance – School shall have abuse or molestation insurance providing coverage for all employees, Instructors, faculty, and Students for the actual or threatened abuse or molestation by anyone of any person in the care, custody, or control of any insured, including negligent employment, investigation and supervision. The policy shall provide coverage for both defense and indemnity with liability limits of not less than one million dollars (\$1,000,000) with a two million dollars (\$2,000,000) aggregate limit.
7. Additional Insured – All policies, except for Workers’ Compensation, Errors and Omissions and Professional Liability policies, shall contain endorsements naming the County and its officers, employees, agents and volunteers as additional insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Addition Insured (Form B) endorsement form ISO, CG 2010.11 85.
8. Waiver of Subrogation Rights – The School shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the School and School’s employees or agents from waiving the right of subrogation prior to a loss or claim. The School hereby waives all rights of subrogation against the County.
9. Policies Primary and Non-Contributory – All policies required above are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.
10. Severability of Interests – The School agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the School and the County or between the County and any other insured or additional insured under the policy.
11. Proof of Coverage – School shall furnish Certificates of Insurance to the County Department administering the contract evidencing the insurance coverage, including endorsements, as required, prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expired without thirty (30) days written notice to the Department, and School shall maintain such insurance from the time School commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this contract, the School shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.
12. Acceptability of Insurance Carrier – Unless otherwise approved by Risk Management, Insurance shall be written by insurers authorized to do business in the State of California and with a minimum “Best” Insurance Guide rating of “A- VII”.
13. Deductibles and Self-insured Retention – Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to an approved by Risk Management.
14. Failure to Procure Coverage – In the event that any policy of insurance required under this contract does not comply with the requirements, is not procured, or is canceled and not

replaced, the County has the right but not the obligation or duty to cancel the contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the School or County payments to the School will be reduced to pay for County purchased insurance.

15. Insurance Review – Insurance requirements are subject to periodic review by the County. The Director of Risk Manager or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the above insurances is not available, is unreasonably priced, or is not needed to protect the interest of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additionally types of insurance coverage or higher coverage limits must be made by amendment to this contract. School agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

1. County is a self-insured public entity for purposes of professional liability, general liability, and Workers' Compensation. County warrants that through its program of self-insurance, it has adequate professional liability, general liability and Workers' Compensation to provide coverage for liabilities arising out of County's performance of this Agreement.
  2. County, upon the execution of this Agreement, shall furnish School with certificates of self-insurance evidencing compliance with all requirements.
  3. County agrees to maintain Workers' Compensation as required under California State Law.
- B. The above insurance shall state that the same may not be altered or canceled to School detriment without thirty (30) days prior written notice to School. It should be expressly understood, however, that the coverage herein shall not in any way limit the liability of County. Such provision, however, shall only apply in proportion to and to the extent of the negligent acts or omissions of County, its officers, agents, and employees.
- C. County further agrees to maintain such other insurance in such amounts, which from time to time may reasonably be required by mutual consent of the School and County, against other insurable hazards relating to performance. Prior to the commencement of this Agreement, County agrees to issue a Certificate of Insurance indicating compliance with the aforementioned insurance coverage requirements. County agrees that it will give School thirty (30) days advance written notice of any modification, change, or cancellation of any of the insurance coverage

#### IV. Indemnification:

- A. School shall defend, indemnify and hold County, its officers, employees and agents harmless from and against any and all liability, loss, expense (including reasonable attorneys' fees), or claims for injury or damages arising out of the performance of this Agreement but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or

damages are caused by or result from the negligent or intentional acts or omissions of School, its officers, employees, agents, and Students.

- B. County shall indemnify and hold School, its officers, employees, and agents harmless from and against any and all liability, loss, expense (including reasonable attorneys' fees), or claims for injury or damages arising out of the performance of this Agreement but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent acts or omissions of County, its officers, employees and agents.
- C. In the event that School or County is found to be comparatively at fault for any claim, action, loss or damage which results from their respective obligations under this Agreement, the School and/or County shall indemnify the other to the extent of its comparative fault.

V. Cooperation in Disposition of Claims:

County and School agree to cooperate with each other in the timely investigation and disposition of audits, peer review matters, disciplinary actions and third-party liability claims arising out of any services provided under this Agreement. The parties shall notify one another as soon as possible of any adverse event, which may result in liability to the other party. It is the intention of the parties to fully cooperate in the disposition of all such audits, actions or claims. Such cooperation may include, but is not limited to, timely notice, joint investigation, defense, disposition of claims of third parties arising from services performed under this Agreement, and making witnesses available. School shall be responsible for discipline of Students in accordance with School's applicable policies and procedures. To the extent allowed by law, County and School shall have reasonable and timely access to the medical records, charts, applicable Medical Staff minutes and/or quality assurance data of the other party relating to any claim or investigation related to services provided under this Agreement; provided, however, that nothing shall require either County or School to disclose any peer review documents, records or communications which are privileged under Section 1157 of the California Evidence Code, under the Attorney-Client Privilege or under the Attorney Work-product Privilege

VI. Status of County and School:

The parties expressly understand and agree that -

- A. This Agreement is not intended and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association between County and School and their employees, partners, or agents, but rather is an Agreement by and among independent contractors, which are County and School.
- B. Instructors and Students and other School personnel are present at the Medical Center only for educational purposes, and such Instructors and Students and personnel are not to be considered employees or agents of the County for any purpose, including, but not limited to, compensation for services, employee welfare and pension benefits, Workers' Compensation insurance, or any other fringe benefits of employment.

VII. Confidentiality of Information:

All information obtained and records created, which pertain to patients to whom care/service is provided shall remain confidential and the sole property of the Medical Center. Prior written approval of the Medical Center shall be obtained prior to disclosure of patient specific information and/or trended aggregated data, unless otherwise required by law.

VIII. Modification and Waiver:

No modification, amendment, supplement to or waiver of any provision of this Agreement shall be binding upon the parties unless made in writing and duly signed by all parties. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach of any other covenant, duty, agreement or condition.

IX. Compliance with Immigration Laws:

The parties hereby certify that they shall comply during the term of this Agreement with the provisions of the Immigration Reform and Control Act of 1986 and any regulations promulgated thereunder. The parties further certify that they have obtained a properly completed Employment Eligibility Certificate (INS Form I-9) for each worker performing services under this Agreement, hired after November 5, 1986.

X. Assurance of Non-Discrimination:

The School and the County, in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, and Section 505 of the Rehabilitation Act of 1973, do not discriminate on the basis of race, color, national origin, religion, sex, age or handicap or any other protected class in any policies, procedures or practices.

XI. Assignment:

Neither party hereto shall assign its rights or obligations pursuant to this Agreement without the express written consent of the other party.

XII. Rules of Construction:

The language in all parts of this Agreement shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against either the County or the School. Section headings in this Agreement are for convenience only and are not to be construed as a part of this Agreement or in any way limiting or amplifying the provisions hereof. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the identifications of the person or persons, firm or firms, corporation or corporations may require.

XIII. Entire Agreement:

This Agreement contains the final, complete and exclusive Agreement between the parties hereto. Any prior Agreement promises, negotiations or representations relating to the subject matter of this Agreement not expressly set forth herein are of no force or effect. This Agreement is executed without reliance upon any promise, warranty or representation by any party or any representative of any party other than those expressly contained herein. Each party has carefully read this Agreement and signs the same of its own free will.

XIV. Governing Law and Venue:

This Agreement is made and entered into in the State of California, and shall in all respects be interpreted, enforced and governed by and under the laws of the State of California. The parties acknowledge and agree that this Agreement was entered into and intended to be performed in San Bernardino County, California. The parties agree that the venue of any action or claim brought by any party to this Agreement will be the Superior Court of California, County of San Bernardino, San Bernardino District. Each party hereby waives any law or rule of the court, which would allow them to request or demand a change of venue. If any action or claim concerning this Agreement is brought by any third-party and filed in another venue, the parties hereto agree to use their best efforts to obtain a change of venue to the Superior Court of California, County of San Bernardino, San Bernardino District.

This Agreement may be executed in counterparts, and all such counterparts together shall constitute the entire Agreement of the parties hereto. The parties shall be entitled to sign and transmit an electronic signature of this Agreement (whether by facsimile, PDF or other email transmission), which signature shall be binding on the party whose name is contained therein. XVI. Severability:

The provisions of this Agreement are specifically made severable. If any clause, provision, right and/or remedy provided herein is unenforceable or inoperative, the remainder of this Agreement shall be enforced as if such clause, provision, right and/or remedy were not contained herein.

XVII. Excluded Providers:

School shall comply with the United States Department of Health and Human Services (HHS), Office of Inspector General (OIG) requirements related to eligibility for participation in Federal and State health care programs. State and Federal law prohibits any payment to be made by Medicare, Medicaid (Medi-Cal) or any other federal health care program for any item or service that has been furnished by an individual or entity that has been excluded or has been furnished at the medical direction or prescription of a physician, or other authorized person, who is excluded when the person furnishing the item or service knew or had reason to know, of the exclusion.

School shall screen all current and prospective employees, physicians, partners and persons having five percent (5%) or more of direct ownership or controlling interest of the School for eligibility against the OIG's List of Excluded Individuals/Entities to ensure that ineligible persons are not employed or retained to provide services related to this contract. The OIG's website can be accessed at: <http://oig.hhs.gov/fraud/exclusions.asp>.

School shall have a policy regarding sanctioned or excluded employees, physicians, partners and owners that includes the requirement for these individuals to notify the School should the individual become sanctioned or excluded by OIG.

School shall immediately notify Medical Center's Chief Compliance Officer should an employee, physician, partner or owner become sanctioned or excluded by OIG and/or HHS and prohibit such person from providing any services, either directly or indirectly, related to this contract.

XVIII. Term and Termination:

A. This Agreement shall be effective October 28, 2020 through October 27, 2025. However, this Agreement may be terminated, with or without cause, by mutual written consent by both parties, or by either party after giving the other party ninety (90) days advance written notice of its intention to terminate. The Director of the Medical Center is authorized to initiate termination on behalf of the County. However, any such termination by the County shall not be effective, at the election of School, as to any Student who at the date of mailing of said notice was participating in the clinical learning experience until such Student has completed the Program for the then current academic term.
