If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so. Becoming culturally and linguistically competent is a developmental process and incorporates at all levels the importance of culture, the assessment of cross-cultural relations, vigilance towards the dynamics that result from cultural differences, the expansion of cultural knowledge, and the adaptation of services to meet culturally-unique needs. Providing services in a culturally appropriate and responsive manner is fundamental in any effort to ensure success of high quality and cost-effective health and human services. Offering those services in a manner that fails to achieve its intended result due to cultural and linguistic barriers does not reflect quality of care and is not cost-effective.
- f. To ensure equal access to quality care for diverse populations, Contractors providing health and health care services may adopt the Federal Office of Minority Health Culturally and Linguistically Appropriate Services (CLAS) national standards.

HH. In accordance with County Policy 11-08, the County prefers to acquire and use products with higher levels of post-consumer recycled content. Environmentally preferable goods and materials must perform satisfactorily and be available at a reasonable price. The County requires Contractor to use recycled paper for any printed or photocopied material created as a result of this Contract. Contractor is also required to use both sides of paper sheets for reports submitted to the County whenever practicable.

To assist the County in meeting the reporting requirements of the California Integrated Waste Management Act of 1989 (AB 939), Contractor must be able to annually report the County's

environmentally preferable purchases. Contractors must also be able to report on environmentally preferable goods used in the provision of Services to the County, utilizing a County approved form.

- II. Contractor understands and agrees that any and all legal fees or costs associated with lawsuits concerning this Contract against the County shall be the Contractor's sole expense and shall not be charged as a cost under this Contract. In the event of any Contract dispute hereunder, each Party to this Contract shall bear its own attorney's fees and costs regardless of who prevails in the outcome of the dispute.
- JJ. Contractor shall register with 211 San Bernardino County Inland Empire United Way within thirty (30) days of contract effective date and follow necessary procedures to be included in the 211 database. The Contractor shall notify the 211 San Bernardino County Inland Empire United Way of any changes in program services, location or contact information within ten (10) days of any change. Contractors are cautioned that making a false certification may subject the Contractor to civil penalties, termination of existing contract, and ineligibility to bid on a contract for a period of three (3) years in accordance with Public Contract Code section 2205. Contractor agrees that signing the Contract shall constitute signature of this Certification.
