Briefly describe the general nature of the contract: Approval of this action will authorize the San Bernardino County Museum to receive a \$4,000 stipend from Bank of America in consideration for the museum's participation in the Bank of America Museums on Us program.

The Museums on Us program launched in 2000, and is a benefit to Bank of America cardholders across the U.S. Through Museums on Us, Bank of America provides debit and credit cardholders free admission to approximately 200 participating museums on the first full weekend of every month. Bank of America partners with an array of prominent cultural institutions in the United States including museums, science centers, botanical gardens and aquariums. Participating museums benefit in several ways including the cash stipend, extensive marketing and promotion of the program within and outside of the Inland Empire market, increased paid visitation, and relationship building with the philanthropy arm of Bank of America, one of the largest donors to museums in California and across the U.S.
