### Briefly describe the general nature of the contract:

In accordance with Master Agreement No. 08-5954F15 approval of Program Supplement Agreement No. F133 is required prior to County invoicing Caltrans for reimbursement of costs associated with the emergency opening and restoration of Essex Road. The restoration work was completed as a result of the July 2018 storms in the Essex area. The County's Department of Public Works shall receive \$194,410 of federal Emergency Relief program funds to reimburse the cost of the Project's restoration work (\$194,410).

The program supplement sets out special covenants as a condition for the local agency to receive federal-aid through the State for a designated project. The program supplement also identifies the type of funds available for reimbursement.
