(Presenter: Andrew Goldfrach, ARMC Chief Executive Officer, 580-6150)

**COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES**

**Provide for the Safety, Health and Social Service Needs of County Residents.**

**FINANCIAL IMPACT**

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost). The cost of \$243,000 is funded by State Medi-Cal, Federal Medicare, private insurances, and other departmental revenue. Funding sources may change in the future pending any legislative activity related to the repeal and/or replacement of the Affordable Care Act. Adequate appropriation and revenue have been included in the Arrowhead Regional Medical Center (ARMC) 2024-25 budget.

**BACKGROUND INFORMATION**

Approval of the recommendation will correct Item No. 5, presented on March 1, 2022, Agreements with iland Internet Solutions Corporation (iland) and Nth Generation for Cloud Platform Software, revising the subscription term to the period of April 19, 2022 through April 18, 2025. Because the purchase order was not issued until April 7, 2022, iland did not begin the initial three-year subscription term until April 19, 2022. The corrected subscription term will align with the renewal subscription term effective April 19, 2025 through April 18, 2027.

The iland cloud platform software ensures that ARMC healthcare data is safe guarded against disasters or cyber security threats. ARMC's healthcare data is digitally transferred over a secure Internet connection to iland's cloud server. The software allows ARMC to continue to have a more robust data protection system and allows for a faster retrieval time as the data does not have to be recalled from a slow magnetic tape system.

**Amendment to the Effective Date of the Quote with Nth Generation for
