**ORDINANCE NO. 4503**

**An ordinance of San Bernardino County, State of California, to add Chapter 12 (Long Term Parking in Spring Valley Lake) to Title 5, Division 3, to the San Bernardino County Code, to regulate the long-term parking of large vehicles, recreational vehicles, trailers, and commercial vehicles on public streets within Spring Valley Lake in order to enhance public safety, improve traffic flow, and protect community quality of life.**

The Board of Supervisors of the County of San Bernardino, State of California, ordains as follows:

WHEREAS, the San Bernardino County Board of Supervisors (Board), on February 9, 2021 (Item No. 4), adopted Resolution No. 2021-16 approving the creation of Spring Valley Lake Municipal Advisory Council.

WHEREAS, the Spring Valley Lake Municipal Advisory Council (SVL MAC) is a citizen advisory body, formed pursuant to pursuant to County Code sections 12.4501 et seq., for the Spring Valley Lake unincorporated community in San Bernardino County, California, to represent the residents and communicate local concerns to county officials, acting as a communication link between the community and the county government, providing advice to the County's Board of Supervisors on local issues, and advise the Board on all matters specifically referred to it by the Board, as authorized by Government Code section 31010 including but not limited to advice on matters of public health, safety, welfare, public works, and planning.

WHEREAS, the Board re-established the SVL MAC on January 25, 2022 (Item No. 5), and most recently on January 28, 2025 (Item No. 7).

WHEREAS, on July 20, 2021, the SVL MAC adopted Resolution 2021-001 finding that:

1. The Spring Valley Lake community is experiencing significant issues with long-term parking of recreational vehicles, trailers, boats, and large commercial vehicles on public streets;
2. Such parking obstructs sightlines, narrows travel lanes, reduces pedestrian

1 safety in an area without sidewalks, and contributes to blight; and

2 3. The SVL MAC adopted a resolution identifying these concerns and  
3 recommending strengthened enforcement measures.

4 WHEREAS, on June 24, 2025, the SVL MAC adopted 2025-01, reiterating these  
5 findings and recommending a new Chapter of the County Code to provide for a clear legal  
6 basis in the Spring Valley Lake area of San Bernardino County Code for regulating such  
7 parking, authorizing enforcement through citation and towing, and requiring meaningful  
8 relocation of vehicles to discourage long-term street storage.

9 WHEREAS, pursuant to the SVL MAC's findings, recommendations, and  
10 resolutions the Board seeks to further regulate long-term parking of recreational vehicles,  
11 trailers, and other large vehicles on public streets in order to enhance public safety,  
12 improve traffic flow, and protect community quality of life if the Spring Valley Lake  
13 community.

14 NOW THEREFORE, the Board seeks to add Chapter 12 (Long-Term Parking in  
15 Spring Valley Lake) to Title 5, Division 3, of the San Bernardino County Code, to regulate  
16 the long-term parking of large vehicles, recreational vehicles, trailers, and commercial  
17 vehicles on public streets within Spring Valley Lake in order to enhance public safety,  
18 improve traffic flow, and protect community quality of life.

19  
20 SECTION 1. The Board finds and declares as follows:

21 1. The Spring Valley Lake neighborhood faces ongoing issues caused by the  
22 prolonged street parking of recreational vehicles, trailers, boats, and large commercial  
23 vehicles.

24 2. These vehicles block visibility, constrict roadway space, create hazards for  
25 pedestrians in an area without sidewalks, and detract from the community aesthetic.

26 3. In response, the SVL MAC has adopted resolutions highlighting these  
27 issues and urging stronger enforcement actions.

28 4. To address these concerns, the County seeks to amend the San Bernardino

1 County Code to establish a clear legal framework for regulating such parking, enabling  
2 enforcement through citations and towing, and requiring that vehicles be moved a  
3 substantial distance to prevent long-term storage on public streets.

4  
5 SECTION 2. Chapter 12: Long-Term Parking in Spring Valley Lake is added to  
6 Division 3 of Title 5 of the San Bernardino County Code, to read:
