B. The DONOR desires to voluntarily donate and convey the fee simple interest for the Property to the DONEE at no cost to the DONEE on the terms and conditions as more specifically set forth in this Agreement.

C. The DONEE desires to accept the donation of the Property from the DONOR on the terms and conditions as more specifically set forth in this Agreement.

AGREEMENT

Based upon the foregoing Recitals, which are incorporated herein by this reference, and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, DONEE and DONOR agree as follows:

1. DONATION AND CONVEYANCE OF THE PROPERTY.

1.1 As of the Closing Date (defined in Section 2.1 below), DONOR donates to the DONEE, subject to those title exceptions approved by DONEE, all of City’s right, title, and interest to the Property. Subject to all of the terms, conditions, and provisions of this Agreement, the DONOR agrees to donate to DONEE, and DONEE agrees to accept from DONOR, the donation of the Property at no cost to the DONEE, provided that the conveyance is subject to the conditions set forth in this Section 1. In the event that, at any time during the twelve (12) month period immediately following the date the grant deed is recorded in the Official Records of San Bernardino County (“**Restricted Period**”), DONEE either: (i) commences the development of the Property for any purpose other than fire protection and emergency response; or (ii) transfers, leases, assigns,

or otherwise conveys the Property (or portions thereof) to a third party (other than to DONOR or to any entity under common control with DONEE) without the DONOR's prior written approval (collectively, "**Use Violation**"); then DONOR shall have the power to terminate the fee interest granted hereunder and to re-enter and take title to the Property, including any improvements thereon, without liability to DONEE for damages or losses of any kind including, but not limited to, any compensation or assistance for relocation other than those damages or losses caused by DONOR's negligence or intentional misconduct. Notwithstanding anything to the contrary in the foregoing, in the event of a Use Violation by DONEE during the Restricted Period, DONOR shall deliver written notice to DONEE of such violation in accordance with Section 6.1 below. If DONEE does not cure the Use Violation within thirty (30) days after DONEE's receipt of such DONOR notice, or if the nature of such violation is such that more than thirty (30) days is reasonably required to complete such cure and DONEE has not commenced a cure within said thirty (30) days and has not diligently completed its cure within ninety (90) days after DONEE's receipt of such DONOR notice, DONOR may exercise its power of termination as set forth herein. The interest created in DONOR by this paragraph shall be a "power of termination" as defined in California Civil Code Section 885.010. Following an uncured Use Violation by DONEE during the Restricted Period, DONOR may exercise this power of termination by delivering notice of termination in any manner permitted by law. In the event DONOR exercises its power of termination as set forth herein due to an uncured Use Violation by DONEE during the Restricted Period, DONOR shall take title to the Property free and clear of the use restrictions described herein. The foregoing power of the DONOR shall inure to the benefit of the successors and assigns of the DONOR, and the successors and assigns of the DONEE shall be subject thereto and bound thereby. Unless the DONOR has earlier exercised its power of termination in accordance with this Section 1.1, from and after the expiration date of the Restricted Period, the foregoing use restriction on the Property shall automatically be deemed null and void and without legal effect. Upon request of DONEE, DONOR shall quitclaim any interest in the Property due to the expiration of the Restricted Period, which shall survive the Closing Date.

1.2 DONEE and its agents, contractors, consultants, employees, representatives, engineers, and designees (collectively, "**DONEE's Agents**") shall have reasonable access to the Property at all reasonable times until the expiration of the Due Diligence Period (or earlier termination of this Agreement) for the purpose of reviewing title and conducting tests and inspections of the Property, including (but not limited to) surveys and architectural, engineering, geotechnical, and environmental inspections and tests (the "**Work**"). DONEE, at no cost to DONOR, shall repair any damage to and/or restore the Property to substantially its condition prior to the Work if and to the extent the need for such repair or restoration is caused by the Work authorized under this Agreement. DONEE hereby agrees that it shall indemnify, defend, and save harmless DONOR, including but not limited to DONOR's elected and appointed officials, officers, directors, employees, and agents (collectively, "**Indemnitees**") for any and all claims and losses arising out of the Work, including, but not limited to all demands, causes of action, and liabilities of every kind and nature whatsoever, to the extent caused by: (a) any breach of this Agreement by DONEE; (b) any negligent or wrongful acts or omissions of DONEE's Agents in connection with or arising out of the Work; and (c) personal injury, bodily injury, or property damage resulting from the negligence or willful misconduct of DONEE's agents in connection with the Work (collectively, "**Claims**"). The indemnification obligations of DONEE set forth in this Section shall survive any termination of this Agreement. The "Due Diligence Period" shall mean the forty-five (45) calendar day period following the Effective Date.

DONEE acknowledges and agrees that, as of the Closing Date: (i) DONEE is acquiring the Property in its "AS IS" condition, with all faults. DONEE acknowledges that through this Agreement it has been afforded the opportunity to make such inspections (or have such inspections made by consultants) as it desires of the Property and to obtain information regarding operative or

proposed governmental laws and regulations (including, but not limited to, zoning, environmental, and land use laws and regulations) to which the Property is or may be subject to at the Closing Date; (ii) DONEE acknowledges that it has or will independently and with the assistance of the DONEE's professional advisors and consultants undertake whatever non-invasive studies, tests, and investigations DONEE desires to conduct relating to the Property (including, without limitation, economic reviews, engineering analyses, environmental analyses, and analyses of the records of any governmental or quasi-governmental entity having jurisdiction over the Property); and (iii) DONEE is relying solely on its own investigation as to the Property and its value and is assuming the risk that adverse physical, economic, or other conditions may not have been revealed by such investigation.

Except for those terms and provisions that expressly survive the Closing Date, from and after the Closing Date, DONEE hereby completely releases and forever discharges DONOR, DONOR's elected and appointed officials, employees, agents, or any other person acting on behalf of DONOR, and DONOR's partners and owners (collectively, the "**Indemnitees**") from and against all claims, actions, causes of action, demands, rights, damages, costs, expenses, or compensation whatsoever, direct or indirect, known or unknown, foreseen or unforeseen (collectively, "**Claims**"), arising from or in any way growing out of or connected with the physical condition of the Property or any law or regulation applicable thereto (collectively, the "**Released Matters**"). In connection with such waiver and relinquishment, the DONEE acknowledges that it is aware that it hereafter may discover Claims or facts in addition to or different from those which it now knows or believes to exist with respect to the Released Matters, but that it is the DONEE's intention to fully, finally, and forever to settle and release all of the Released Matters in accordance with the provisions of this section, and the release set forth herein shall be and remain in effect as a full and complete release notwithstanding the discovery or existence of any such additional or different Claims or facts. The foregoing release of Claims shall be binding on the DONEE and all subsequent owners, lessees, and other transferees of the Property.

In connection with this section, the DONEE expressly waives the benefits of Section 1542 of the California Civil Code which provides as follows:

"A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

2.5 Intentionally omitted.

2.6 Payment of Costs and Title Insurance. DONEE agrees to pay any recording fees incurred in this transaction. DONOR and DONEE also agree that DONOR and DONEE, their respective employees and attorneys, and its employees may disclose to the Internal Revenue Service, whether pursuant to such Information Report or otherwise, any information regarding this Agreement or the transaction contemplated herein as such party reasonably deems to be required to be disclosed to the Internal Revenue Service by such party pursuant to Internal Revenue Code Section 6045(e), and further agree that neither DONOR nor DONEE shall seek to hold any such party liable for the disclosure to the Internal Revenue Service of any such information.

2.8 Conditions to Close.

2.8.1. Conditions to DONOR's Obligations. In addition to any other condition set forth in this Agreement in favor of DONOR, DONOR shall have the right to condition its obligation to donate the Property to DONEE upon the satisfaction, or written waiver by DONOR, of the following condition precedent on the Closing Date or such earlier time as provided for herein (the "**DONOR Condition to Closing**"):

(a) *MOU.* DONOR and DONEE shall have entered into a Memorandum of Understanding setting forth DONOR's right to shared use of a portion of the DONEE's existing building located at 57201 29 Palms Outer Highway S, Yucca Valley, CA, as DONOR's emergency operations center, on terms mutually agreeable between the DONOR and the DONEE.

2.8.2. Conditions to DONEE'S Obligations. In addition to any other condition set forth in this Agreement in favor of DONEE, DONEE shall have the right to condition its obligation to accept the donation of the Property upon the satisfaction, or written waiver by DONEE, of each of the following conditions precedent on the Closing Date or such earlier time as provided for herein (collectively, the "**DONEE Conditions to Closing**"):

(a) *Reserved.*

(b) *Title Policy.* The Title Company selected by DONEE is unconditionally and irrevocably committed to issue to DONEE at Closing a CLTA standard coverage owner's title policy, or, upon DONEE'S request, an ALTA extended coverage owner's policy of title insurance (provided DONEE shall be responsible for any survey costs associated therewith and DONEE must deliver an ALTA survey acceptable to the Title Company for the issuance of such extended

coverage at least ten (10) business days prior to the Closing Date and DONEE shall be responsible for the additional cost of the extended coverage), insuring DONEE'S title to the Property in the amount desired by DONEE, subject only to the following (collectively, the "**Approved Title Exceptions**"): (i) the standard exceptions and exclusions from coverage contained in such form of the policy; (ii) real estate taxes not yet due and payable; (iii) matters created by, through or under DONEE; (iv) items disclosed by the Survey and Title Report (including any supplements) and Approved Title Exceptions, or, if DONEE fails to obtain the Survey, items which would be disclosed by an accurate, updated survey of the Property or a physical inspection of the Property; and (v) any Title Objections that neither DONOR nor the Title Company has agreed to remove from title or insure over ("**Title Policy**"). If endorsements are required to cure defects in title and DONOR has agreed to provide such endorsements as a means of curing such title defects, then DONOR shall pay for such endorsements.

(c) *Condition.* The Property shall be in substantially the same physical condition on the date of Closing as existed on the Effective Date. DONOR shall deliver full possession of the Property to DONEE but shall remove all personal property, trash and debris from the Property prior to the date of Closing.

(d) *Representations and Warranties.* All representations and warranties made by DONOR in this Agreement are true and correct in all material respects as of the Closing as though made at that time.

(e) *No Default.* DONOR shall not be in material default of any of its obligations under this Agreement (and shall not have received notice of a default hereunder which has not been cured).

2.8.3. Satisfaction of Conditions. Where satisfaction of any of the foregoing conditions requires action by DONEE or DONOR, each party shall use its diligent efforts, in good faith, and at its own cost, to satisfy such condition.

2.8.4. Waiver. DONOR may at any time or times, at its election, waive the DONOR Condition to Closing set forth in Section 2.8.1 above to its obligations hereunder, but any such waiver shall be effective only if contained in writing and signed by DONOR and delivered to DONEE. DONEE may at any time or times, at its election, waive any of the DONEE Conditions to Closing set forth in Section 2.8.2 above to its obligations hereunder, but any such waiver shall be effective only if contained in writing and signed by DONEE and delivered to DONOR.

2.8.5. Termination. In the event that the DONOR Condition to Closing set forth in Section 2.8.1 is not fulfilled on the Closing Date or such earlier time period as provided for herein or waived by DONOR pursuant to Section 2.8.4, DONOR may at its option terminate this Agreement, provided that if DONEE is in default under this Agreement such termination under this Agreement shall not release DONEE from liability for such default. In the event that each of the DONEE Conditions to Closing set forth in Section 2.8.2 is not fulfilled on the Closing Date or such earlier time period as provided for herein or waived by DONEE pursuant to Section 2.8.4, DONEE may at its option terminate this Agreement, provided that if DONOR is in default under this Agreement such termination under this Agreement shall not release DONOR from liability for such default.

3. REPRESENTATIONS AND WARRANTIES.

3.1 DONOR'S Representations and Warranties. DONOR hereby makes the following representations and warranties to DONEE, each of which is material and relied upon by DONEE in making its determination to enter into this Agreement and shall survive the Closing Date:

(a) DONOR'S execution, delivery, and performance of its obligations under this Agreement does not constitute a default or a breach under any contract, agreement, or order to which DONOR is a party or by which it is bound.

(b) To the best of DONOR'S actual knowledge, without any duty of investigation or inquiry, there are no pending actions, suits, writs, injunctions, decrees, legal proceedings, or governmental investigations against the Property.

(c) DONOR has not received any notices and has no actual knowledge, without any duty if investigation or inquiry, of any violation of any laws, ordinances, rules, regulations, or requirements of any governmental agency, body, or subdivision affecting or relating to the Property.

(d) DONOR is the sole legal owner of the Property and has the right to donate the Property without the consent of any other person or entity.
