**Amendment No. 6 (#00276175.6)  
to Esri Enterprise Agreement No. 00276175.0**

This Amendment No. 6 (this "Amendment") with an effective date of the last signature to sign below (this "Amendment's Effective Date") modifies the Enterprise Agreement #00276175.0 between **San Bernardino County ("County")** and **Environmental Systems Research Institute, Inc. ("Esri")**.

The County and Esri entered into the Agreement with an Effective Date of December 20, 2019 ("EA's Effective Date") with its Amendments No. 1 through 5 (collectively "EA" or "Agreement"), which, among other modification as set forth in each amendment, renewed the Term of the EA to end on December 19, 2024; and

The parties mutually agree to amend the Agreement to: (i) add at no additional charge one term license for *ArcGIS Business Analyst Advanced Online Bundle* to Appendix A Table A-2, EA Products—Capped Quantities; and (ii) add two (2) additional *Advantage Program Learning and Service Credit* bundles at a total cost of \$124,400.

Now therefore, in consideration of the mutual covenants and promises set forth herein, it is agreed between the parties, as follows:

- A. Except as may be specifically modified by this Amendment, all terms previously defined in the Agreement shall have the same meaning in this Amendment.
- B. **APPENDIX A, Table A-2, EA Products—Capped Quantities**, as set forth in Amendment No. 5, is modified to add a new line to the existing table (following the line for "ArcGIS Business Analyst Standard Online Bundle: Term Licenses") to include term license for *ArcGIS Business Analyst Advanced Online Bundle* to Appendix A Table A-2, EA Products—Capped Quantities at no additional cost as follows:

Item	Rolled-In Qty. (if applicable)	Qty. to be Deployed	Total
ArcGIS Business Analyst Advanced Online Bundle	—	1	1

- C. **APPENDIX B, EA FEE SCHEDULE**, as set forth in Amendment No. 5, is amended to add the following immediately after the last existing asterisked paragraph as follows:

***Learning and Service Credits Bundles***

*The County hereby purchases two Learning and Service Credits bundles of 100 credits at a price of \$62,200 per bundle, for a total of 200 credits totaling \$124,400. For avoidance of doubt, the asterisked paragraph shall not apply to the two bundles being purchased in this Amendment No. 6.*

- F. All other terms and conditions of the EA shall remain in full force and effect, except as amended herein. The EA and this Amendment are the sole and final agreement of the parties and supersede any previous agreements, understandings, and arrangements relating to such subject matter.
- G. This Amendment may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts shall together constitute one and the same Amendment to the Agreement. The parties shall be entitled to sign and transmit an electronic signature of this Amendment (whether by facsimile, PDF, or other email transmission), which signature shall be binding on the party whose name is contained therein. Each party providing an electronic signature agrees to promptly execute and deliver to the other party an original signed Amendment upon request.

[Signature block is on the following page.]

The parties have executed this Amendment No. 6 to the EA to be effective, valid, and binding on the parties as of the latest date written below.
