BACKGROUND INFORMATION

Kessler Park (Park) is located within the Bloomington Recreation and Park District (District), which encompasses the community of Bloomington. The Department of Public Works – Special Districts (Department), through its Operations Division, directly manages, operates and maintains the District, including the Park.

The existing picnic tables in the Park have become worn and vandalized over time. Additionally, the large picnic table shelter does not have any existing barbecues available for the public. The Project consists of removing and disposing of approximately 14 existing picnic tables, and the purchase and installation of 18 new concrete picnic tables throughout the Park, as well as a new barbecue. The concrete material of the new picnic tables is durable and easy to clean should any vandalism occur. With these funds, the Department will be able to add consistency to the tables and receptacles throughout the Park.

This item seeks approval of a contract between San Bernardino County and the District in the amount of \$75,000 to fund the Project.
