(e) Definitions:

- (1) Actual Cost: Cost incurred as a direct result of performing the service and which may include one or more of the following: Productive hourly rate for staff, Administrative Fee, cost of materials, use of vehicles/equipment, travel, personal protective equipment, small tools charge, water mitigation fee and/or debris removal.
- (2) Administrative Fee: Administrative fee refers to the Indirect Cost Rate (ICR). The ICR is a means for determining what portion of general overhead expenses each program within an organization should bear and is computed using costs from the most recently completed fiscal year. The ICR is calculated as a ratio of total indirect expenses to total direct

costs. The ICR ratio or rate is expressed as a percentage and can be applied to direct costs for claims or program costs.

- (3) Water Mitigation Fee: A charge will be calculated and added to all fees indicating this charge for those CSAs that are within adjudicated basins to recover water replacement costs (CSA 42, CSA 64, and CSA 70 J). This fee will be calculated according to the actual cost to the district for water replacement.
