Teams and Enterprise Additional Terms

Last updated June 5, 2018.

These Additional Terms apply to you only if you purchased Services and Software under a teams plan or an enterprise plan. These Additional Terms are incorporated by reference into the Adobe General Terms of Use ("**General Terms**") located at www.adobe.com/go/terms (these Additional Terms and the General Terms are collectively referred to as "**Terms**"). Other Additional Terms incorporated by reference into the General Terms may also govern your use of the Services and Software. Capitalized terms not defined here have the same meaning as defined in the General Terms.

1. Definitions.

- 1.1. "**User**" means an individual who may use or access the Services and Software under a valid license.
- 1.2. "**you**" means: (a) a teams administrator; or (b) VIP Member, if licenses to Services and Software are purchased through our [VIP buying program](#).

2. Content Ownership. All content created by a User with an Adobe ID is owned and controlled by the User and not by you. More information about ID types is available at: <https://helpx.adobe.com/enterprise/help/identity.html>. This section 2 may not apply to the Document Cloud for Teams plan.

3. License Reassignment. You may reassign a license from one User to another User without requiring an additional license purchase, provided that, except as expressly permitted by us, reassigned licenses may not be re-deployed in any shared license or similar deployment model (including, but not limited to floating, leased, generic user, or shift license deployment). We will gather metrics on the number of licenses deployed and re-deployed to Users.
