Failure by a party to insist upon the strict performance of any of the provisions of this Contract by the other party, or the failure by a party to exercise its rights upon the default of the other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Contract thereafter.

C.36 Subcontracting

Contractor shall obtain County's written consent, which County may withhold in its sole discretion, before entering into Contracts with or otherwise engaging any Subcontractors who may supply any part of the Services to County. At County's request, Contractor shall provide information regarding the Subcontractor's qualifications and a listing of a Subcontractor's key personnel including, if requested by the County, resumes of proposed Subcontractor personnel. Contractor shall remain directly responsible to County for its Subcontractors and shall indemnify County for the actions or omissions of its Subcontractors under the terms and conditions specified in Section G. All approved Subcontractors shall be subject to the provisions of this Contract applicable to Contractor Personnel.

For any Subcontractor, Contractor shall:

- 36.1** Be responsible for Subcontractor compliance with the Contract and the subcontract terms and conditions; and

- 36.3** Include in the Subcontractor's subcontract substantially similar terms as are provided in Sections B. CONTRACTOR RESPONSIBILITIES and C. GENERAL CONTRACT REQUIREMENTS.

Upon expiration or termination of this Contract for any reason, County will have the right to enter into direct Contracts with any of the Subcontractors. Contractor agrees that its arrangements with Subcontractors will not prohibit or restrict such Subcontractors from entering into direct Contracts with County.

C.37 Subpoena

In the event that a subpoena or other legal process commenced by a third party in any way concerning the Goods or Services provided under this Contract is served upon Contractor or County, such party agrees to notify the other party in the most expeditious fashion possible following receipt of such subpoena or other legal process. Contractor and County further agree to cooperate with the other party in any lawful effort by such other party to contest the legal validity of such subpoena or other legal process commenced by a third party as may be reasonably required and at the expense of the party to whom the legal process is directed, except as otherwise provided herein in connection with defense obligations by Contractor for County.

C.38 Termination for Convenience

The County reserves the right to terminate the Contract, for its convenience, with or without cause, with a thirty (30) day written notice of termination. Such termination may include all or part of the services described herein. Upon such termination, payment will be made to the Contractor for services rendered and expenses reasonably incurred prior to the effective date of termination. Upon receipt of termination notice Contractor shall promptly discontinue services unless the notice directs otherwise. Contractor shall deliver promptly to County and transfer title (if necessary) all completed work, and work in progress, including drafts, documents, plans, forms, data, products, graphics, computer programs and reports.

C.39 Time of the Essence

Time is of the essence in performance of this Contract and of each of its provisions.

C.40 Venue

The parties acknowledge and agree that this Contract was entered into and intended to be performed in San Bernardino County, California. The parties agree that the venue of any action or claim brought by any party to this Contract will be the Superior Court of California, San Bernardino County, San Bernardino District. Each party hereby waives any law or rule of the court, which would allow them to request or demand a change of venue. If any action or claim concerning this Contract is brought by any third party and filed in another venue, the parties hereto agree to use their best efforts to obtain a change of venue to the Superior Court of California, San Bernardino County, San Bernardino District.

C.41 Conflict of Interest

Contractor shall make all reasonable efforts to ensure that no conflict of interest exists between its officers, employees, or Subcontractors and the County. Contractor shall make a reasonable effort to prevent employees, Contractor, or members of governing bodies from using their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others such as those with whom they have family business, or other ties. Officers, employees, and agents of cities, counties, districts, and other local agencies are subject to applicable conflict of interest codes and state law. In the event the County determines a conflict-of-interest situation exists, any increase in costs, associated with the conflict of interest situation, may be disallowed by the County and such conflict may constitute grounds for termination of the Contract. This provision shall not be construed to prohibit employment of persons with whom Contractor's officers, employees, or agents have family, business, or other ties so long as the employment of such persons does not result in increased costs over those associated with the employment of any other equally qualified applicant.

C.42 Former County Administrative Officials

Contractor agrees to provide, or has already provided, information on former San Bernardino County administrative officials (as defined below) who are employed by or represent Contractor. The information provided includes a list of former County administrative officials who terminated County employment within the last five years and who are now officers, principals, partners, associates or members of the business. The information also includes the employment with or representation of Contractor. For purposes of this provision, "County administrative official" is defined as a member of the Board of Supervisors or such officer's staff, County Executive Officer or member of such officer's staff, County department or group head, assistant department or group head, or any employee in the Exempt Group, Management Unit or Safety Management Unit.

C.43 Disclosure of Criminal and Civil Procedures

The County reserves the right to request the information described herein from the Contractor. Failure to provide the information may result in a termination of the Contract. The County also reserves the right to obtain the requested information by way of a background check performed by an investigative firm. The Contractor also may be requested to provide information to clarify initial responses. Negative information discovered may result in Contract termination.

Contractor is required to disclose whether the firm, or any of its partners, principals, members, associates or key employees (as that term is defined herein), within the last ten years, has been indicted on or had charges brought against it or them (if still pending) or convicted of any crime or offense arising directly or indirectly from the conduct of the firm's business, or whether the firm, or any of its partners, principals, members, associates or key employees, has within the last ten years, been indicted on or had charges brought against it or them (if still pending) or convicted of any crime or offense involving financial misconduct or fraud. If the response is affirmative, the Contractor will be asked to describe any such indictments or charges (and the status thereof), convictions and the surrounding circumstances in detail.

In addition, the Contractor is required to disclose whether the firm, or any of its partners, principals, members, associates or key employees, within the last ten years, has been the subject of legal proceedings as defined herein arising directly from the provision of services by the firm or those individuals. "Legal proceedings" means any civil actions filed in a court of competent jurisdiction, or any matters filed by an administrative or regulatory body with jurisdiction over the firm or the individuals. If the response is affirmative, the Contractor will be asked to describe any such legal proceedings (and the status and disposition thereof) and the surrounding circumstances in detail.

For purposes of this provision "key employees" includes any individuals providing direct service to the County. "Key employees" do not include clerical personnel providing service at the firm's offices or locations.

C.44 Authority of Contractor.

Contractor warrants and represents to the County that it is a duly organized, validly existing California municipality and has the authority to own its property and carry on its business as now being conducted. Contractor warrants and represents that it has the full power to execute and deliver this Agreement and to accept the HHIP Grant funds contemplated hereunder, and to perform and observe the terms and provisions of the Agreement.

C.45 Force Majeure.

In addition to specific provisions of this Agreement, performance by either Party shall not be deemed to be in default where delays or defaults are due to war; insurrection; strikes; lock-outs; riots; floods; earthquakes; fires; quarantine restrictions; or court order; or any other similar causes beyond the control or without the fault of the Party claiming an extension of time to perform. An extension of time for any cause will be deemed granted if notice by the Party claiming such extension is sent to the other within ten (10) days from the commencement of the cause and such extension of time is not rejected in writing by the other Party within ten (10) days of receipt of the notice. In no event shall the County be required to agree to cumulative delays in excess of one hundred eighty (180) days.

C.46 Iran Contracting Act

IRAN CONTRACTING ACT OF 2010, Public Contract Code sections 2200 et seq. (Applicable for all Contracts of one million dollars (\$1,000,000) or more). In accordance with Public Contract Code section 2204(a), the Contractor certifies that at the time the Contract is signed, the Contractor signing the Contract is not identified on a list created pursuant to subdivision (b) of Public Contract Code section 2203 as a person (as defined in Public Contract Code section 2202(e)) engaging in investment activities in Iran described in subdivision (a) of Public Contract Code section 2202.5, or as a person described in subdivision (b) of Public Contract Code section 2202.5, as applicable.

C.47 RESERVED

C.48 Non-Liability of County Officials, Employees and Agents.

No member, official, employee or agent of the County shall be personally liable to Contractor in the event of any default or breach by the County.

C.49 Executive Order N-6-22 Russia Sanctions

March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>), as well as any sanctions imposed under state law (<https://www.dgs.ca.gov/OLS/Ukraine-Russia>). The EO directs state agencies and their Contractors (including by agreement or receipt of a grant) to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should it be determined that Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. Contractor shall be provided advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the County.

D. TERM OF CONTRACT

This Contract is effective as of April 8, 2025 and expires April 7, 2027, but may be terminated earlier in accordance with provisions of this Agreement.

E. DEFAULT AND REMEDIES.

E.1.1 Failure to Comply with the HHIP Grant Agreement. Failure of Contractor to comply with the HHIP Grant Agreement, subject to all applicable notice and cure rights provided therein.

E.1.2 Breach of Covenants. Failure by Contractor to duly perform, comply with, or observe any of the conditions, terms, or covenants of this Agreement, and such failure having continued uncured for thirty (30) days after receipt of written notice thereof from the County to the Contractor, or if the breach cannot be cured within thirty (30) days, the Contractor shall not be in breach so long as Contractor is diligently undertaking to cure such breach and such breach is cured within ninety (90) days or such other date agreed to by the County in writing at its sole and absolute discretion; provided, however, that if a different period or notice requirement is specified under any other section of this Section E, the specific provisions shall control.

E.1.3 Insolvency. A court having jurisdiction shall have made or entered any decree or order: (1) adjudging Contractor to be bankrupt or insolvent; (2) approving as properly filed a petition seeking reorganization of Contractor or seeking any arrangement for Contractor under the bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction; (3) appointing a receiver, trustee, liquidator, or assignee of Contractor in bankruptcy or insolvency or for any of their properties; or (4) directing the winding up or liquidation of Contractor if any such decree or order described in clauses (1) to (4), inclusive, shall have continued unstayed or undischarged for a period of ninety (90) days; or Contractor shall have admitted in writing its inability to pay its debts as they fall due or shall have voluntarily submitted to or filed a petition seeking any decree or order of the nature described in clauses (1) to (4), inclusive.

E.1.4 Assignment; Attachment. Contractor shall have assigned its assets for the benefit of its creditors or suffered a sequestration or attachment of or execution on any substantial part of its property, unless the property so assigned, sequestered, attached or executed upon shall have been returned or released within ninety (90) days after such event or, if sooner, prior to sale pursuant to such sequestration, attachment, or execution.

E.1.5 Suspension; Termination. Contractor shall have suspended its operation of the Facility.

E.1.6 Intentionally Left Blank.

E.1.7 Condemnation. The condemnation, seizure, or appropriation of all or the substantial part of the Property, by an entity other than the County.

E.1.9 Representation or Warranty Incorrect. Any Contractor representation or warranty contained in this Agreement, or in any application, financial statement, certificate, or report submitted to the County in connection with this Agreement, proving to have incorrect in any material respect when made and having a material adverse effect on the Facility

E.2 Remedies. The occurrence of any Default hereunder following the expiration of all applicable notice and cure periods will, either at the option of the County or automatically where so specified, relieve the County of any obligation to make or continue the HHIP Grant and shall give the County the right to proceed with any and all remedies in law or equity, including suit for recovery of any HHIP Grant funds which Contractor has not utilized in compliance with this Agreement:

E.2.1 Repayment of HHIP Grant. The County may demand Contractor repay any portion of the HHIP Grant, pursuant to Section B.3. above, together with any accrued interest thereon, to become immediately due and payable. Contractor waives all right to presentment, demand, protest or notice of protest or dishonor. Contractor is liable to pay the County on demand all reasonable expenses, costs and fees (including, without limitation, reasonable attorneys' fees) paid or incurred by the County in connection with the repayment of the HHIP Grant.

E.2.2 Specific Performance. The County has the right to mandamus or other suit, action or proceeding at law or in equity to require Contractor to perform its obligations and covenants under this Agreement or to enjoin acts on things that may be unlawful or in violation of the provisions of this Agreement.

E.3 Right of Contest. Contractor shall have the right to contest in good faith any claim, demand, levy, or assessment the assertion of which would constitute a Default hereunder. Any such contest shall be prosecuted diligently and in a manner unprejudicial to the County or the rights of the County hereunder.

E.4 Remedies Cumulative. No right, power, or remedy given to the County by the terms of this Agreement is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to the County by the terms of any such instrument, or by any statute or otherwise against Contractor and any other person. Neither the failure nor any delay on the part of the County to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise by the County of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

F. COUNTY RESPONSIBILITIES

F.1 CDH shall provide technical assistance to Contractor.

F.2 CDH shall participate in evaluating the progress of the overall program.

F.3 CDH shall monitor Contractor on a regular basis in regard to compliance with contractual requirements.

G. FISCAL PROVISIONS

One hundred percent (100%) of HHIP funds allocated to Contractor, pursuant to this Contract, shall be expended by April 7, 2027 ("Disbursement Deadline").

Contractor shall not claim reimbursement or payment from County for, or apply sums received from County with respect to that portion of its obligations that have been paid by another source of revenue. Contractor agrees that it will not use funds received pursuant to this Agreement, either directly or indirectly, as a contribution or compensation for purposes of obtaining funds from another revenue source without prior written approval of the County.

H. INDEMNIFICATION AND INSURANCE REQUIREMENTS

H.1 Indemnification

The Contractor agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless the County and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages and/or liability arising out of this Contract from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the County on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. The Contractor indemnification obligation applies to the County's "active" as well as "passive" negligence but does not apply to the County's "sole negligence" or "willful misconduct" within the meaning of Civil Code section 2782.

H.2 Insurance

County and Contractor are authorized self-insured or partially self-insured public entities for purposes of Professional Liability, General Liability, Automobile Liability and Worker's Compensation and warrant that through their respective programs of self-insurance and insurance, they have adequate coverage or resources to protect against liabilities arising out of performance of the terms, conditions or obligations of this Agreement.

All policies, except for Worker's Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the County and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

H.3 Waiver of Subrogation Rights

The Contractor shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, Contractors and Subcontractors. All general or auto liability insurance coverage provided shall not prohibit the Contractor and Contractor's employees or agents from waiving the right of subrogation prior to a loss or claim. The Contractor hereby waives all rights of subrogation against the County.

H.4 Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

H.5 Severability of Interests

The Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross-liability exclusions that preclude coverage for suits between the Contractor and the County or between the County and any other insured or additional insured under the policy.

H.6 Proof of Coverage

The Contractor shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this contract, the Contractor shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

H.7 Acceptability of Insurance Carrier

H.8 Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

H.9 Failure to Procure Coverage

In the event that any policy of insurance required under this contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Contractor or County payments to the Contractor will be reduced to pay for County purchased insurance.

H.10 Insurance Review

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

H.11 The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy.
