be issued in draft or final form and may be updated or modified during the term of this Agreement. Contractor shall implement applicable changes within timeframes established by DBH.

Contractor shall comply with all requests regarding local, State and Federal Performance Outcomes measurement requirements and participate in the outcomes measurement processes as requested.

II. ARTICLE V FUNDING, paragraph K and L are hereby amended to read as follows:

K. The maximum financial obligation under this contract shall not exceed \$6,857,480 for the contract term.

Separately, the contract amendment amount of \$800,000 shall increase the total additional aggregate funding amount from \$3,200,000 to \$4,000,000 that may be applied (but not necessarily ensured) for any client referred from San Bernardino County Children and Family Services for fiscal years 2022-23, 2023-24, 2024-25, 2025-26, and 2026-27.

L. This amendment hereby adds Schedule A for FY 2026-27. All previously approved schedules remain in effect.

III. ARTICLE VII PROVISIONAL PAYMENT, Paragraphs A through R are deleted in their entirety and replaced with the following:

A. Monthly payments for Substance Use Disorder & Recovery Services providing billable outpatient Drug Medi-Cal Organized Delivery System (DMC-ODS) services will be based on actual units of service reported on Charge Data Invoices claimed to and reimbursed by the State, and services deemed by the State to be DBH responsibility at the rates specified on the referenced agreed upon **FFS reimbursement rates** for this agreement, and non-billable outpatient DMC-ODS services will be based on cost reimbursement, provided that the total of all payments to Contractor [and all other contract providers if applicable for an aggregate] shall not exceed Contracted amount or County's Maximum Obligation. (The current CalAIM Payment Reform Rate Schedule is set forth in Exhibit I attached hereto.)

B. Contractor shall bill the County monthly in arrears for services provided by Contractor on claim forms provided by DBH. All claims submitted shall clearly reflect all required information specified regarding the services for which claims are made. Claims for Reimbursement shall be completed and forwarded to DBH within ten (10) days after the close of the month in which services were rendered. Following receipt of a complete and correct monthly claim, the County shall make payment within a reasonable period.

1. For the period of January 1, 2026 through May 31, 2026, DBH will reconcile monthly payments for billable outpatient DMC-ODS services to ensure provider payments are made at a minimum of 1/12th of the maximum allocations for the billable outpatient DMC-ODS services.

C. The Parties acknowledge that each party is solely responsible for any tax obligations it may incur as a result of the payment or receipt of the Settlement Amount, as applicable.

D. Contractor shall accept all payments from County via electronic funds transfer (EFT) directly deposited into the Contractor's designated checking or other bank account. Contractor shall

promptly comply with directions and accurately complete forms provided by County required to process EFT payments.

- F. As this contract may be funded in whole or in part with Mental Health Services Act funds signed into law January 1, 2005, Contractor must verify client eligibility for other categorical funding, prior to utilizing MHSA funds. Failure to verify eligibility for other funding may result in non-payment for services. Also, if audit findings reveal Contractor failed to fulfill requirements for categorical funding, funding source will not revert to MHSA. Contractor will be required to reimburse funds to the County.
- G. Contractor agrees that no part of any Federal funds provided under this Contract shall be used to pay the salary of an individual per fiscal year at a rate in excess of Level 1 of the Executive Schedule at <http://www.opm.gov/> (U.S. Office of Personnel Management).

Calculation of allocation rates must be based on actual data (total direct cost, labor costs, labor hours, etc.) from current fiscal year. If current data is not available, the most recent data may be used. Contractor shall acquire actual data necessary for indirect costs allocation purpose. Estimated costs must be reconciled to actual cost. Contractor must notify DBH in writing if the indirect cost rate changes.
