FINANCIAL IMPACT

This item will not result in the use of Discretionary General Funding (Net County Cost). The revenue agreement specifies a term from July 1, 2022, through June 30, 2023, for a maximum reimbursement of \$24,278.94. Sufficient appropriation and revenue have been included in the Department of Agriculture/Weights & Measures (AWM) 2022-23 recommended budget. Services per the revenue agreement will be provided by existing AWM staff.

BACKGROUND INFORMATION

This revenue agreement with the California Department of Food and Agriculture, Inspection Services Division and Compliance/Standardization program (CDFA, Standardization), will reimburse AWM for performing inspection services related to fruit and vegetable quality and maturity standards at wholesale and packing facilities for CDFA, Standardization, for a maximum reimbursement of \$24,278.94 from July 1, 2022 to June 30, 2023.

This revenue agreement aligns with the County and Chief Executive Officer's goals and objectives to pursue County goals and objectives by working with other agencies with respect to performing fruit and vegetable inspections and related activities for the Standardization program on behalf of CDFA, Standardization and receiving reimbursement for the work performed.

AWM will continue to perform fruit and vegetable quality and maturity standard inspections at production and wholesale locations to determine compliance with the California Food and

Agriculture Code and the California Code of Regulations. Under the terms of this agreement, AWM will inspect, on a quarterly basis, wholesale produce businesses, grocery store warehouses and large volume vegetable producers for quality, grade and labeling requirements related to the sale of fruit and vegetables; rejecting substandard commodities. Fruit and vegetable inspections are an ongoing, State mandated service and this revenue agreement with CDFA, Standardization only provides supplemental funding for the inspections as CDFA only provides supplemental funding to counties for this program. The funding received from CDFA is based on actual inspection time, mileage, and overhead costs.

The Board of Supervisors first approved the initial revenue agreement with CDFA, Standardization on September 12, 2000 (Item No. 8), to provide inspection services at locations throughout San Bernardino County and an agreement has since been renewed on a continual annual basis.
