I. PURPOSE

The No Child Left Unsheltered Program, administered by the Housing Authority of the County of San Bernardino (HACSB) provides permanent housing subsidies with supportive services to homeless unsheltered children and their families who are residents of San Bernardino County (County). Sixty permanent housing units are available through the No Child Left Unsheltered Program (NCLU). HACSB will work with San Bernardino County Department of Behavioral Health (DBH) to assist families within the NCLU. DBH will provide supportive services to program clients through intensive case management. Referrals to the NCLU will be made by the County's Coordinated Entry System where families with children are unsheltered at the time of application but do not otherwise qualify as chronically homeless under the Housing and Urban Development (HUD) definition. NCLU is a local program developed by HACSB; therefore, HACSB will make the final determination in regard to homelessness eligibility.
