FINANCIAL IMPACT

Approval of this item will not result in the use of additional Discretionary General Funding (Net County Cost). The cost of \$2,000,000 for the first year of body transport services is included in the Sheriff/Coroner/Public Administrator's (Department) 2025-2026 budget (4430001000) and will be included in future recommended budgets.

BACKGROUND INFORMATION

The Department's Coroner Division (Coroner) is responsible for investigating nearly all of the deaths that occur within the County. This includes determining the cause of death and clarifying all circumstances surrounding or pertaining to the manner of death of a decedent. In accordance with Government Code section 27491.2, the Coroner may order the removal of a

body from a death scene for further investigation. The Department currently encounters approximately 2,700 decedents per year requiring transport.

Approval of Recommendation No. 1 will authorize three contracts for body transport services for the period of May 1, 2026 through April 30, 2029, with the option to extend the contracts by two additional one-year periods or one additional two-year period.

Approval of Recommendation No. 2 will allow the Sheriff/Coroner/Public Administrator or Undersheriff to address changes in body transport service needs for higher than anticipated service calls. Any such change order(s) shall not exceed an aggregate total of \$900,000, or 15% of the total contract amount of \$6,000,000, or amend the contract terms.

PROCUREMENT

On December 30, 2025, Request for Proposals (RFP) SHR126-ADMSR-6130 was approved and released through San Bernardino County's Electronic Procurement Network (ePro) for the provision of body transport services. Three proposals were received, all three vendors listed below met the minimum qualifications of the RFP, and their proposals were presented to an evaluation committee:

Vendor	City/State
92Mike Transport, LLC (92Mike)	Hesperia, California
MedCab dba All In One Logistics Care (All In One)	Victorville, California
Wiefels & Son II, Inc (Wiefels)	Palm Springs, California

The evaluation committee consisted of representatives from the Coroner and the Bureau of Administration. The evaluation performed was based upon the Proposers' qualifications, financial statements, professional references, and proposed fees. The committee recommended 92Mike, All In One, and Wiefels for contract award, as having demonstrated the ability to meet the needs of the County and provide sufficient service coverage throughout the region, including rural and outlying communities. No protests or appeals were received. Either party to each contract may terminate the contract upon 30-days' advanced written notice.

County Policy No. 11-04 requires the Board of Supervisors' approval for all contracts for services that exceed \$200,000 in aggregate cost per scope of service, per vendor, per department.
