### **Budget Narrative**

The proposed budget provides for funding in the amount of \$273,438 for a specialized Unserved/Underserved Victim Advocacy and Outreach Unit with 3.0 FTE staff members. Two full-time Victim Advocate II's and one full time Victim Advocate I will provide direct services to victims. Advocates are trained and experienced in working with victims and coordinating services and will specialize in serving victims from the unserved/underserved lesbian, gay, bi-sexual, transgender, and questioning (LGBTQ) populations.

Advocates are qualified with the experience, skills, and training to perform a variety of direct and indirect services for crime victims. Victim Advocate II's are expected to have an education equivalent to an Associate's degree in psychology, sociology, criminal justice, behavioral or social science, as well as two years of experience providing advocacy services. Supervising Victim Advocates have the same educational guidelines as above, but are expected to have three years of experience providing a wide variety of victim advocate, victim compensation claims or restitution services to victims of crime in a criminal justice organization, with lead work or supervisory experience highly desired.

The total budget includes \$218,750 in grant funds and \$54,688 in District Attorney cash match. Of the total budget, \$180,698 of grant funds will provide salaries for 2.0 FTE Victim Advocate II's and 1.0 Victim Advocate I for fifteen months. Benefits in the amount of \$84,053 are also included, \$54,688 in match and \$29,365 in grant funding. Operating costs include two trainings, the first one

Subrecipient: County of San Bernardino Subaward #: UV 19 04 0360

in May of 2020 in Phoenix Arizona for the Nuestras Voces National Bilingual Sexual Assault Conference for an estimated total cost of \$3,037. The second training will be in July 2020 in Orlando Florida for the NOVA Conference for a total estimated cost of \$5,650. Both conferences will help the program's advocates keep up with the latest information on helping unserved and underserved victims.

Staff members are dedicated to accomplishing the stated objectives and activities described in the project narrative and according to guidelines. No subcontracts are needed; no unusual expenditures are anticipated. Mid-year salary adjustments are calculated in the budget costs.

## **Project Narrative**

### **Plan**

San Bernardino County is the largest county in the contiguous United States, encompassing 24 incorporated cities and 72 unincorporated communities within an area of over 20,000 square miles and a population of over 2.1 million residents. The county has three distinct areas: the west valley, central, and desert region. 40 victim advocates provide services to a diverse population of Hispanic non-white, White, African American, Asian, Native American, Pacific Islander and Multi-Race residents. Considering the geographical size, population and crime rate, the program has not experienced a decline in the number of victims needing assistance. The Bureau of Victim Services advocates receive referrals from law enforcement agencies, domestic violence shelters, 195 Deputy District Attorneys, other county departments including the hospital and community-based organizations.

The Williams Institute released a report that ranks Southern California's self-identified LGBTQ residence account for 26% of the state's population.

Additionally, according to a separate study by the Williams Institute, San Bernardino County LGBTQ population ranks 363 out of 1,142 counties nationally. In San Bernardino County, due to the existing and ever emerging street gangs there is a potential to see more hate crimes reported that target people of color and gender diversity. Because of this, we could see more reported hate crimes committed against the LGBTQ community.

Subrecipient: County of San Bernardino Subaward #: UV 19 04 0360

The San Bernardino County District Attorney's Office Bureau of Victim Services previously housed two full-time victim advocates at the Arrowhead Regional Medical Trauma Center (ARMC Trauma Center). In February 2013 we expanded our program to place a greater focus on the high desert region of our county and one of the ARMC Trauma Center advocates was relocated to the Victorville District Attorney's Office. In 2016, our program was able to expand to the west valley region of our county in part to receiving a larger grant award. The full-time victim advocates, at each location, will continue to provide services to the underserved crime victims in the high desert, central valley, and west valley regions of the county, offering all mandatory and optional services such as crisis intervention that will include immediate, short-term emotional and physical care for victims both in-person and by telephone contact, emergency needs assessment, providing community resource referrals, assistance with completion of the California Victim Compensation Board program application, orientation to the criminal justice system, assistance with victim impact statements, arrange for transportation to court and criminal justice offices as well as accompaniment and assistance in securing child care in order for the victim to attend court. The victim advocate assigned to ARMC will continue to work in the Trauma Center, assisting crime victims requiring medical services as they arrive from all over the county, or are brought in by law enforcement officers. The victim advocate will provide immediate crisis intervention that will include immediate, short-term emotional and physical care for victims both in-

Subrecipient: County of San Bernardino Subaward #: UV 19 04 0360

person and by telephone contact, services may include crisis counseling, accompaniment during medical exams, referrals to qualified professional counselors and/or counseling agencies, victim compensation claim assistance, orientation to the criminal justice system, emergency needs assessment, relocation, criminal case notification, etc.

The goal of our Unserved/Underserved Victim Advocacy & Outreach Program is to improve upon and provide immediate services to crime victims of all crime types in the high desert region, central valley, west valley region, and to victims that arrive as patients at the ARMC Trauma Center. We will increase our efforts to identify and reach out to the underserved victims throughout the county. Our plan is to continue to advance our LGBTQ victim services programs at the ARMC Trauma Center, both the high desert and west valley regions through improved victim advocacy. We will continue to increase our knowledge and awareness when working with victims that are members of the LGBTQ community and be better able to recognize culturally significant and gender sensitive issues that arise and handle them appropriately. By increasing our knowledge, awareness and sensitivity, we will be better able to provide all mandatory services to victims of the LGBTQ community. We will also be able to act as a liaison between the victim and medical staff, law enforcement, the victim's family and community with a more compassionate and understanding approach. Another program goal is to continue to help the crime victim towards healing from the trauma, guide them through the criminal justice system, and restore their faith in a system

that may have disregarded them and possibly even treated them poorly in the past.

The victim advocate assigned to the ARMC Trauma Center will continue to employ the following best practices to streamline the delivery of services to crime victims from our underserved populations: When a victim arrives at the ARMC, the victim advocate will introduce themselves and offer services immediately. An intake face page will be completed by the victim advocate in addition to the application for the California Victim Compensation Program.

The victim advocate will accompany the victim during the medical exam and/or law enforcement interviews at the victim's request. A thorough needs assessment of the victim will be completed by the victim advocate, after which the victim advocate will make applicable referrals to both emergency resources and to community-based programs.

The victim advocate will provide a criminal justice system orientation, assistance with victim impact statements, assistance in securing child care so that the victim can attend court and arrange for travel and accompaniment to court and criminal justice offices if the case is filed by the District Attorney's office. If the victim is admitted to the hospital as an in-patient, the ARMC Trauma Center victim advocate will follow up with the victim each day they are in the hospital, and if necessary, will provide further crisis counseling and a needs assessment. If the victim is not admitted to the hospital, the victim advocate will provide follow-up services as needed. If the victim is first seen in the high desert or west

Subrecipient: County of San Bernardino Subaward #: UV 19 04 0360

valley region, the victim advocate will be assigned to remain with the victim throughout the criminal proceedings to post trial. All victims receive a Marsy's card which lists all their rights under Marsy's law and all questions regarding their rights as victims will be answered by the victim advocate. Following the above best service protocol has proven to be most effective in providing comprehensive services to crime victims.

We have taken steps to meet the Cultural competency of victim advocate staff assigned to the ARMC Trauma Center and both the high desert and west valley divisions of the District Attorney's Office. The victim advocates have completed both the 40-hour Entry and Advanced Level Advocate training. We continue to have partnerships with the CSUSB Pride Center, University of Redlands Pride Center, Foothill AIDS Project offices in San Bernardino, Claremont and Hesperia, and an ongoing partnership with the San Bernardino County Department of Behavioral Health Office of Cultural Competence & Ethnic Services. The victim advocates assigned to the project will obtain additional training through these partnerships as it becomes available. The victim advocates will participate in site visits, make phone calls when necessary and will remain in communication with these centers on a regular basis to discuss available trainings and ways we can be of assistance to them, including providing presentations on the services available through the Bureau of Victim Services and attend outreach fairs and community events. Every agency that supports the LGBTQ community has a supply of our LGBTQ Victim Services brochures and business cards. In the last

year the victim advocates have continued to attend meetings with all the agencies listed who provide assistance to those in the LGBTQ community. It is our goal to continue attending meetings and sharing information on ways that we can better serve the community and it also provides an opportunity to network and address any issues that may have arisen.

Victim advocates trained in cultural competency and LGBTQ gender sensitivity will provide in-service training to the Bureau of Victim Services staff, District Attorney staff, ARMC staff, all law enforcement and community-based organizations within the County of San Bernardino. An outreach brochure was designed and printed specifically to raise awareness of the special victim service needs of the underserved population. The brochures are available at the ARMC Trauma Center, CSUSB Pride Center, University of Redlands Pride Center and Foothill AIDS Project offices in San Bernardino, Claremont and Hesperia and all District Attorney Victim Services centers. To further our goals, the trauma-based advocate assigned to the Arrowhead Regional Medical Center serves as a co-chair member of the San Bernardino County Department of Behavioral Health Office of Cultural Competence & Ethnic Services LGBTQ Subcommittee. During fiscal year 2018/2019, the victim advocate worked on aforesaid subcommittee to develop a resource guide and a safe, professional, and cordial relationship with the LGBTQ community.

The Bureau of Victim Services currently maintains an extensive community referral resource list. The list is regularly updated by the regional office assistants

and it includes mental health care providers, support groups, domestic violence shelters, dental and physical therapy providers, crime scene clean up providers, funeral and burial providers, and resources to various government agencies such as behavioral health and law enforcement. The District Attorney's Office also maintains a resource list that is available on our website. Resources include law enforcement agencies, district attorney's offices, legal aid resources, sexual assault service centers and domestic violence centers and TRO (Temporary Restraining Orders) assistance information. The community referral list was also updated to include medical care providers, county social services and child protective services agencies.

The victim advocates will continue to be trained in Cultural-sensitivity which has proven to be effective in providing assistance in a compassionate manner to same sex domestic violence victims. If the victim initially receives services at the ARMC Trauma Center, the victim advocate at the Trauma Center will transition underserved clients to court-based victim advocates if a criminal case is filed. Underserved clients will be advised of their rights as crime victims and receive a Marsy's card. Domestic violence occurs within same-sex relationships just as it does in heterosexual relationships, therefore the need for advocating with sensitivity and awareness is greater than ever. People in the LGBTQ community are more reluctant to seek help for fear of judgment and harsh treatment by peace officers or attorneys. They also fear insensitivity or being exposed before they are ready to do so themselves. Understanding and acceptance of the

Subrecipient: County of San Bernardino Subaward #: UV 19 04 0360

LGBTQ community will encourage victims to seek help, improving the victim's willingness to cooperate with and restoring their faith in the criminal justice process.

Operational Agreements are in effect with Barstow, Colton, Fontana, Montclair, Ontario, Redlands, Rialto, San Bernardino and Upland police departments and the San Bernardino County Sheriff's Department. We also have Operational Agreements with local domestic violence centers- House of Ruth, Option House and DOVES (Domestic Violence Education and Services); San Bernardino Sexual Assault Services, Inc. (sexual assault counseling center); San Bernardino County Children's Network and Department of Children and Family Services and Arrowhead Regional Medical Center. Each Operational Agreement contains original signatures, titles, agency names for both parties and effective dates. Volunteers are recruited through the District Attorney website and through the outreach efforts made by our staff at local community centers and at various college campuses. Individuals interested in volunteering contact the volunteer coordinator and are given complete information and instructions as to the process of volunteering and what the volunteering position entails. All prospective volunteers are required to complete an application that is screened by the volunteer coordinator. The volunteer coordinator and a supervising victim advocate will interview the volunteer, asking a series of questions regarding their interest in our program and past experience they have working with victims. The District Attorney's Bureau of Investigations conducts a

background check on qualified candidates and the individual is fingerprinted by the San Bernardino County Sheriff's Department. Once the applicant has received clearance they are then required to attend a 4-hour CLETS/Computer use training. The volunteers are then trained on the job and assist by requesting police reports, contacting victims for missing information for claims, updating cases, translating, sending victim contact letters and assisting the victim advocate in court. Volunteers are required to complete a weekly time sheet, which is then approved by their supervisor and submitted to the volunteer coordinator. ✓

### **ADA Compliance Statement**

All Victim Services Centers providing services to victims of crime served by the District Attorney's Office in San Bernardino County are compliant with the Americans Disabilities Act (ADA) of 1990, 42 U.S.C. 12101, et seq., and Title 28 of the Code of Federal Regulation, part 35. All Victim Service Centers have parking spaces, wheelchair ramps, restroom facilities and elevators for use by individuals with disabilities.

Victim Advocates will assist in arranging transportation to court appearance or interviews for physically challenged victims. Sign language for the hearing impaired is provided by Hanna Interpreting Services; Superior Court Services also maintains a certified listing of Sign Language interpreters. All printed material is available in large-type versions upon request from visually impaired clients.

Victims with disabilities will continue to receive the same high-quality services as

those without disabilities. Additionally, all aspects of employment comply with ADA.

**Capabilities**

District Attorney Jason Anderson is an elected official currently serving his first 4-year term. He leads the San Bernardino County District Attorney's Office which employs a staff of 565 employees. District Attorney Anderson has an executive staff consisting of a chief assistant district attorney, one assistant district attorney, a special assistant district attorney, an executive assistant, a chief Investigator for the Bureau of Investigations, a departmental Information services administrator for the Bureau of Information Technology, a chief of administration and a chief over the Bureau of Victim Services. District Attorney Anderson also has a management team that consists of four chief deputy district attorneys, 16 supervising deputy district attorneys and 208 deputy district attorneys countywide.

The Unserved/Underserved Victim Advocacy & Outreach Program will continue to be overseen by the chief of victim services. The Bureau of Victim Services has a core program funded by a combined state and federal grant and a portion of local county general funds. The Bureau of Victim Services has a staff of 63 employees which includes the chief, an assistant chief, a secretary, supervising victim advocates, victim advocates, clerical staff, and the California Victim Compensation Board claims unit that includes claims technicians and clerical staff. The program has been administered by the District Attorney's Office since

1980 and our department has a successful history of collaboration with other agencies including law enforcement, community-based organizations and other governmental agencies through our advocacy work. Currently we have on file 23 operational agreements. Among them are law enforcement agencies, domestic violence centers, children's services and a sexual assault services center, and most of the operational agreements have been in effect for at least 16 years. The number of years and number of collaborating agencies demonstrates the level of service we provide. To address the outreach to partnering agencies, we will contact each of our current collaborative partners to discuss our Unserved/Underserved Victim Advocacy & Outreach Program. We will also actively continue to seek new partners to assist the unserved/underserved victims of crime in San Bernardino County.

In April 2013, during National Crime Victims' Rights Week we launched the One Call Now Marsy's notification system. Upon the filing of a criminal case, the system provides a telephonic notification to victims of crime informing them that they have rights under Marsy's Law and directs them to the District Attorney website for detailed information on those rights. We have an office assistant who is assigned to ensuring that the notifications are sent out on a daily basis. In June of 2014, The National Association of Counties (NACO) informed our office that our County was selected to receive an Achievement Award for the One Call Now Marsy's notification system we implemented.

The District Attorney's Office has a contract with the California Victim Compensation Board which provides partial funding for five claims technicians and two clerical staff members. The claims unit staff assist in processing applications for the State Victim Compensation and Government Claims Board, for victims seeking recovery of economic losses as a result of a crime (i.e. funeral/burial, medical bills, counseling, etc.). Staff process claims for payments, verifies services and billing invoices, and process requests for the disbursement of emergency funds.

Our budget proposal consists of 3.0 FTE victim advocate positions. The victim advocates will be supervised by supervising victim advocates funded through another grant program and from the district attorney's general fund.

The Bureau of Victim Services and the District Attorney's Information Technology department developed a comprehensive database which tracks the number of victims assisted and types and number of services provided. This database will continue to be used to track new and returning victims and the services provided to each victim; the performance measures can be easily collected from the database for the quarterly reports that are needed for the submission of service stats into the performance measurement tool required by the Office for Victims of Crime (OVC). Supervising victim advocates, victim advocates and office assistants update the database each time contact is made with a victim and services have been provided. For each victim, the database contains their name, address, e-mail address, telephone number, date of birth and crime type

Subrecipient: County of San Bernardino Subaward #: UV 19 04 0360

and services provided. Any supervising victim advocate, victim advocate or office assistant that has contact with a victim will be able to immediately identify when and what type of previous contact has been made and what services have been provided to that victim. This information will be used for reporting performance measures for the grant. Supervising victim advocates can monitor the database at any time and they have the ability to run reports. Caseloads are monitored throughout the grant year to assess needs and determine where advocates are needed; this enables us to focus on where our services are needed most, all of which are dependent upon the needs of victims.

The victim advocates will provide in-service trainings on cultural competency to the Bureau of Victim Services staff, the district attorney staff, law enforcement and community-based organizations. An outreach brochure was designed to raise awareness of the special victim service needs of the underserved population described and will continue to be distributed by the victim advocate assigned to the Arrowhead Regional Medical Center and the victim advocates in all district attorney offices to victims of crime and all law enforcement agencies, victim service provider agencies, colleges, county departments and at resource fairs.

Victim Advocates will participate on several multi-disciplinary teams (mdt's) and task forces including the Elder Abuse mdt's, Family Violence Unit quarterly meetings and the quarterly Gang meetings, and they will provide in-service

training on cultural competency pertaining to LGBTQ victims. One of the victim advocates assigned to the UV grant participated as a panel expert and shared a personal story during the County Pride training that was hosted by the County Department Diversity Committee. The said victim advocate has been a great resource for not only our staff but members of the community as well and will continue to participate as a panel expert when called upon.

The victim advocates have met with staff from the Gay and Lesbian Center in Los Angeles, CSUSB Pride Center, University of Redlands Pride Center and the Foothill AIDS Project offices in San Bernardino, Claremont and Hesperia. We are partnering with these agencies and have discussed how to provide services and outreach opportunities to our underserved populations, as well as training components for our staff. The victim advocates will continue to be trained in Cultural sensitivity which has proven to be effective in providing assistance in a compassionate manner to same sex domestic violence victims.

The District Attorney's Office Bureau of Victim Services pioneered an original approach for serving the unserved/underserved population by placing a victim advocate in the Arrowhead Regional Medical Center's emergency room (San Bernardino County's premier trauma center) that serves all cultures and ethnicities. All underserved populations including the LGBTQ community receive services at the Arrowhead Regional Medical Center. The Unserved/Underserved Victim Advocacy & Outreach Program will focus on service delivery to victims of violent crime within the unserved/underserved and socially isolated populations

Subrecipient: County of San Bernardino Subaward #: UV 19 04 0360

including, but not limited to, those historically underserved due to race, socio-economic status, disability or sexual orientation. Examples of targeted populations are high crime communities: communities of immigrants with limited English proficiency; Native Americans; persons with disabilities and/or deaf or hard-of-hearing; or members of LGBTQ populations. The specific needs of these groups, especially victims in the LGBTQ community, can be misunderstood by the public and law enforcement. There are cultural barriers and a lack of understanding of the LGBTQ culture in general, and consequently the victims are not always treated with the proper levels of compassion, understanding or respect.
