Project Summary: The San Bernardino County Household Hazardous Waste (HHW) is proposing an upgrade to the Upland Household Hazardous Waste collection facility by constructing a pre-fabricated steel canopy. The canopy will provide a covered work area to protect employees and HHW storage containers from inclement weather. The canopy will provide for a safer work environment for employees operating the HHW site and allow for a longer life of the storage container at the site by protecting them from the inclement weather.

Program Questions

California Labor Code section 1782 prohibits a charter city from receiving state funding or financial assistance for construction projects if that charter city does not comply with Labor Code sections 1770-1782. If any applicants or participating jurisdictions are charter cities or joint powers authorities that include charter cities, the lead applicant must certify that Labor Code section 1782 does not prohibit any included charter city from receiving state funds for the project described in this application. If it is determined after award that a participating jurisdiction is a charter city prohibited from receiving state funds for this grant project, the grant will be terminated and any disbursed grant funds shall be returned to CalRecycle.

If any applicant or participating jurisdiction is a charter city or a joint powers authority that contains one or more charter cities, does Labor Code section 1782 prohibit those charter cities from receiving state funding for the project described in this grant application? Check the following, as applicable.

- Not Applicable. This application does not include any charter cities.
