4.1 Term: This License shall be for an initial term of five (5) years (“Initial Term”), commencing April 1, 2025 (“Commencement Date”) and shall terminate March 31, 2030 (“Expiration Date”), unless the COUNTY or the LICENSEE, at the sole discretion of either, terminates the License by giving at least one hundred eighty (180) days prior written notice to the other, provided that any such termination date shall be effective at the end of a calendar month or is otherwise earlier terminated in accordance with any other provision of this License. Neither party shall incur any liability to the other by reason of such termination. Notwithstanding the foregoing, in the event the License is terminated by LICENSEE pursuant to this Section IV but LICENSEE, despite its diligent efforts, requires additional time to remove LICENSEE’s Equipment after the effective termination date, upon written request to the COUNTY to be received by COUNTY prior to the effective termination date, COUNTY may, at its sole discretion, opt by express written consent to continue the License for a month-to-month term not to exceed one hundred twenty (120) days after the original effective termination date. LICENSEE’s subsequent invoice shall be adjusted in accordance with the change(s), on a prorated basis, as necessary.

5.3 The rates set forth in Exhibit “A” shall be adjusted on every third anniversary of the Commencement Date of this License during the initial term of this License and any extended term by the “Annual Escalator”. The Annual Escalator is defined as five percent (5%) every third year.

This indemnification provision shall apply regardless of the existence or degree of fault of indemnities. The LICENSEE'S indemnification obligation applies to the COUNTY'S "active" as well as "passive" negligence but does not apply to the COUNTY'S "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782.
