CONFLICT OF INTEREST

The grantee needs to be aware of the following provisions regarding current or former state employees. If the grantee has any questions on the status of any person rendering services or involved with this Agreement, CalRecycle must be contacted immediately for clarification.

Current State Employees (Pub. Contract Code, § 10410):

If the grantee violates any provisions of above paragraphs, such action by the grantee shall render this Agreement void. (Pub. Contract Code, § 10420).

CONTRACTORS/SUBCONTRACTORS

The grantee will be entitled to make use of its own staff and such contractors and subcontractors as are mutually acceptable to the grantee and CalRecycle. Any change in contractors or subcontractors must be mutually acceptable to the parties. Immediately upon termination of any such contract or subcontract, the grantee shall notify the Grant Manager. Nothing contained in this Agreement or otherwise, shall create any contractual relation between CalRecycle and any contractors or subcontractors of grantee, and no agreement with contractors or subcontractors shall relieve the grantee of its responsibilities and obligations hereunder. The grantee agrees to be as fully responsible to CalRecycle for the acts and omissions of its contractors and subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the grantee. The grantee's obligation to pay its contractors and subcontractors is an independent obligation from CalRecycle's obligation to make payments to the grantee. As a result, CalRecycle shall have no obligation to pay or to enforce the payment of any moneys to any contractor or subcontractor.

DISCLAIMER OF WARRANTY

CalRecycle makes no warranties, express or implied, including without limitation, the implied warranties of merchantability and fitness for a particular purpose, regarding the materials, equipment, services or products purchased, used, obtained and/or produced with funds awarded under this Agreement, whether such materials, equipment, services or products are purchased, used, obtained and/or produced alone or in combination with other materials, equipment, services or products. No CalRecycle employees or agents have any right or authority to make any other representation, warranty or promise with respect to any

materials, equipment, services or products, purchased, used, obtained, or produced with grant funds. In no event shall CalRecycle be liable for special, incidental or consequential damages arising from the use, sale or distribution of any materials, equipment, services or products purchased or produced with grant funds awarded under this Agreement.

 - (1) Receive a copy of the drug-free policy statement of the grantee.
 - (2) Agrees to abide by the terms of such statement as a condition of employment on the grant.

Failure to comply with these requirements may result in suspension of payments under the Agreement or termination of the Agreement or both and grantee may be ineligible for award of any future state agreements if CalRecycle determines that the grantee has made a false certification, or violated the certification by failing to carry out the requirements as noted above.

EFFECTIVENESS OF AGREEMENT

This Agreement is of no force or effect until signed by both parties.

ENTIRE AGREEMENT

This Agreement supersedes all prior agreements, oral or written, made with respect to the subject hereof and, together with all attachments hereto, contains the entire agreement of the parties.

ENVIRONMENTAL JUSTICE

In the performance of this Agreement, the grantee shall conduct its programs, policies, and activities that substantially affect human health or the environment in a manner that ensures the fair treatment of people of all races, cultures, and income levels, including minority populations and low-income populations of the state.

CalRecycle will benefit from the grantee's full compliance with the terms of this Agreement only by the grantee's:

- (a) Investigation and/or application of technologies, processes, and devices which support reduction, reuse, and/or recycling of wastes.
- (b) Cleanup of the environment.
- (c) Enforcement of solid waste statutes and regulations, as applicable.

Therefore, the grantee shall be in compliance with this Agreement only if the work it performs results in:

- (b) The cleanup of the environment.
- (c) The enforcement of solid waste statutes and regulations, as applicable.

If the Grant Manager determines that the grantee has not complied with the Grant Agreement, the grantee may forfeit the right to reimbursement of any grant funds not already paid by CalRecycle, including, but not limited to, the 10 percent withhold.

FORCE MAJEURE

Neither CalRecycle nor the grantee, its contractors, vendors, or subcontractors, if any, shall be responsible hereunder for any delay, default, or nonperformance of this Agreement, to the extent that such delay, default, or nonperformance is caused by an act of God, weather, accident, labor strike, fire, explosion, riot, war, rebellion, sabotage, flood, or other contingencies unforeseen by CalRecycle or the grantee, its contractors, vendors, or subcontractors, and beyond the reasonable control of such party.

FORFEIT OF GRANT FUNDS/REPAYMENT OF FUNDS IMPROPERLY EXPENDED

If grant funds are not expended, or have not been expended, in accordance with this Agreement, or if real or personal property acquired with grant funds is not being used, or has not been used, for grant purposes in accordance with this Agreement, the Director, at his or

her sole discretion, may take appropriate action under this Agreement, at law or in equity, including requiring the grantee to forfeit the unexpended portion of the grant funds, including, but not limited to, the 10 percent withhold, and/or to repay to CalRecycle any funds improperly expended.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES

The grantee is required to use Generally Accepted Accounting Principles in documenting all grant expenditures.

GRANT MANAGER

The Grant Manager's responsibilities include monitoring grant progress, and reviewing and approving Grant Payment Requests and other documents delivered to CalRecycle pursuant to this Agreement. The Grant Manager may monitor grantee performance to ensure that the grantee expends grant funds appropriately and in a manner consistent with the terms and conditions contained herein. The Grant Manager does not have the authority to approve any deviation from or revision to the Terms and Conditions (Exhibit A) or the Procedures and Requirements (Exhibit B), unless such authority is expressly stated in the Procedures and Requirements (Exhibit B).

GRANTEE ACCOUNTABILITY

The grantee is ultimately responsible and accountable for the manner in which the grant funds are utilized and accounted for and the way the grant is administered, even if the grantee has contracted with another organization, public or private, to administer or operate its grant program. In the event an audit should determine that grant funds are owed to CalRecycle, the grantee is responsible for repayment of the funds to CalRecycle.

GRANTEE'S INDEMNIFICATION AND DEFENSE OF THE STATE

The grantee agrees to indemnify, defend and save harmless the state and CalRecycle, and their officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by the grantee as a result of the performance of this Agreement.

IN CASE OF EMERGENCY

In the event of an emergency, or where there is an imminent threat to public health and safety or the environment, the grantee may choose, at its own risk, to incur grant-eligible expenses not previously included in the approved Budget, subject to subsequent approval by the Grant Manager of both the Budget change and the need to implement the Budget change on an emergency basis. The grantee shall notify the Grant Manager of the emergency and the Budget change at the earliest possible opportunity. CalRecycle reserves the right to accept or reject the grantee's determination that the circumstances constituted an emergency.

The grantee and the agents and employees of grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of CalRecycle.

NO WAIVER OF RIGHTS

CalRecycle shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by CalRecycle. No delay or omission on the part of CalRecycle in exercising any rights shall operate as a waiver of such right or any other right. A waiver by CalRecycle of a provision of this Agreement shall not prejudice or constitute a waiver of CalRecycle's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by CalRecycle, nor any course of dealing between CalRecycle and grantee, shall constitute a waiver of any of CalRecycle's rights or of any of grantee's obligations as to any future transactions. Whenever the consent of CalRecycle is required under this Agreement, the granting of such consent by CalRecycle in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of CalRecycle.

NON-DISCRIMINATION CLAUSE

- (a) During the performance of this Agreement, grantee and its contractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment on the bases enumerated in Government Code Section 12900 et seq.

PAYMENT

- (a) The approved Budget, if applicable, is attached hereto and incorporated herein by this reference and states the maximum amount of allowable costs for each of the tasks identified in the Work Plan, if applicable, which is attached hereto and incorporated herein by this reference. CalRecycle shall reimburse the grantee for only the work and tasks specified in the Work Plan or the Grantee's Application at only those costs specified in the Budget and incurred in the term of the Agreement.
- (b) The grantee shall carry out the work described in the Work Plan or in the Grantee's Application in accordance with the approved Budget, and shall obtain the Grant Manager's written approval of any changes or modifications to the Work Plan, approved project as described in the Grantee's Application or the approved Budget prior to performing the changed work or incurring the changed cost. - (c) The grantee shall request reimbursement in accordance with the procedures described in the Procedures and Requirements.
- (d) Ten percent will be withheld from each Payment Request and paid at the end of the grant term, when all reports and conditions stipulated in this Agreement have been satisfactorily completed. Failure by the grantee to satisfactorily complete all reports and conditions stipulated in this Agreement may result in forfeiture of any such funds withheld pursuant to CalRecycle's 10 percent retention policy.

The grantee consents to personal jurisdiction in the State of California for all proceedings concerning the validity and operation of this Agreement and the performance of the obligations imposed upon the parties. Native American Tribal grantees expressly waive tribal sovereign immunity as a defense to any and all proceedings concerning the validity and operation of this Agreement and the performance of the obligations imposed upon the parties.

PERSONNEL COSTS

If there are eligible costs pursuant to Exhibit B, Procedures and Requirements, any personnel expenditures to be reimbursed with grant funds must be computed based on actual time spent on grant-related activities and on the actual salary or equivalent hourly wage the employee is paid for his or her regular job duties, including a proportionate share of any benefits to which the employee is entitled, unless otherwise specified in the Procedures and Requirements (Exhibit B).

REAL AND PERSONAL PROPERTY ACQUIRED WITH GRANT FUNDS

- (a) All real and personal property, including equipment and supplies, acquired with grant funds shall be used by the grantee only for the purposes for which CalRecycle approved their acquisition for so long as such property is needed for such purposes, regardless of whether the grantee continues to receive grant funds from CalRecycle for such purposes. In no event shall the length of time during which such property, including equipment and supplies, acquired with grant funds, is used for the purpose for which CalRecycle approved its acquisition be less than five (5) years after the end of the grant term, during which time the property, including equipment and supplies, must remain in the State of California.
- (b) Subject to the obligations and conditions set forth in this section, title to all real and personal property acquired with grant funds, including all equipment and supplies, shall vest upon acquisition in the grantee. The grantee may be required to execute all documents required to provide CalRecycle with a security interest in any real or personal property, including equipment and supplies, and it shall be a condition of receiving this grant that CalRecycle shall be in first priority position with respect to the security interest on any such property acquired with the grant funds, unless pre-approved in writing by the Grant Manager that CalRecycle will accept a lower priority position with respect to the security interest on the property. Grantee shall inform any lender(s) from whom it is acquiring additional funding to complete the property purchase of this grant condition.
- (c) The grantee may not transfer Title to any real or personal property, including equipment and supplies, acquired with grant funds to any other entity without the express authorization of CalRecycle.
- (d) CalRecycle will not reimburse the grantee for the acquisition of equipment that was previously purchased with CalRecycle grant funds, unless the acquisition of such equipment with grant funds is pre-approved in writing by the Grant Manager. In the event of a question concerning the eligibility of equipment for grant funding, the burden will be on the grantee to establish the pedigree of the equipment.

REASONABLE COSTS

A cost is reasonable if, in its nature or amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. Consideration will be given to:

- (a) Whether the cost is of a type generally recognized as ordinary and necessary for the performance of the grant.
- (b) The restraints or requirements imposed by such factors as generally accepted sound business practices, arms-length bargaining, federal and state laws and regulations, and the terms and conditions of this Agreement.
- (c) Whether the individuals concerned acted with prudence in the circumstances, considering their responsibilities to the organization, its members, employees, clients, and the public at large.
- (d) Significant deviations from the established practices of the organization which may unjustifiably increase the grant costs.

REDUCTION OF WASTE

In the performance of this Agreement, grantee shall take all reasonable steps to ensure that materials purchased or utilized in the course of the project are not wasted. Steps should include, but not be limited to: the use of used, reusable, or recyclable products; discretion in the amount of materials used; alternatives to disposal of materials consumed; and the practice of other waste reduction measures where feasible and appropriate.

REDUCTION OF WASTE TIRES

Unless otherwise provided for in this Agreement, in the performance of this Agreement, for all purchases made with grant funds, including, but not limited to equipment and tire-derived feedstock, the grantee shall purchase and/or process only California waste tires and California waste tire-derived products. As a condition of final payment under this Agreement, the grantee must provide documentation substantiating the source of the tire materials used during the performance of this Agreement to the Grant Manager.

REIMBURSEMENT LIMITATIONS

Under no circumstances shall the grantee seek reimbursement pursuant to this Agreement for a cost or activity that has been or will be paid for through another funding source. The grantee shall not seek reimbursement for any costs used to meet cost sharing or matching requirements of any other CalRecycle funded program.

All costs charged against the Agreement shall be net of all applicable credits. The term "applicable credits" refers to those receipts or reductions of expenditures that operate to offset or reduce expense items that are reimbursable under this Agreement. Applicable credits may include, but are not necessarily limited to, rebates or allowances, discounts, credits toward subsequent purchases, and refunds. Grantee shall, where possible, deduct the amount of the credit from the amount billed as reimbursement for the cost, or shall deduct the amount of the credit from the total billed under a future invoice.

Prior to authorizing any contractor or subcontractor to commence work under this Grant, the grantee shall submit to CalRecycle a Reliable Contractor Declaration (CalRecycle 168) from the contractor or subcontractor, signed under penalty of perjury, disclosing whether of any of

the events listed in Section 17050 of Title 14, [California Code of Regulations, Natural Resources](#), Division 7, has occurred with respect to the contractor or subcontractor within the preceding three (3) years. If a contractor is placed on CalRecycle's Unreliable List after award of this Grant, the grantee may be required to terminate that contract.

REMEDIES

Unless otherwise expressly provided herein, the rights and remedies hereunder are in addition to, and not in limitation of, other rights and remedies under this Agreement, at law or in equity, and exercise of one right or remedy shall not be deemed a waiver of any other right or remedy.

SELF-DEALING AND ARM'S LENGTH TRANSACTIONS

All expenditures for which reimbursement pursuant to this Agreement is sought shall be the result of arm's-length transactions and not the result of, or motivated by, self-dealing on the part of the grantee or any employee or agent of the grantee. For purposes of this provision, "arm's-length transactions" are those in which both parties are on equal footing and fair market forces are at play, such as when multiple vendors are invited to compete for an entity's business and the entity chooses the lowest of the resulting bids. "Self-dealing" is involved where an individual or entity is obligated to act as a trustee or fiduciary, as when handling public funds, and chooses to act in a manner that will benefit the individual or entity, directly or indirectly, to the detriment of, and in conflict with, the public purpose for which all grant monies are to be expended.

SEVERABILITY

If any provisions of this Agreement are found to be unlawful or unenforceable, such provisions will be voided and severed from this Agreement without affecting any other provision of this Agreement. To the full extent, however, that the provisions of such applicable law may be waived, they are hereby waived to the end that this Agreement be deemed to be a valid and binding agreement enforceable in accordance with its terms.

SITE ACCESS

The grantee shall allow the state to access sites at which grant funds are expended and related work being performed at any time during the performance of the work and for ninety (90) days after completion of the work, or until all issues related to the grant project have been resolved.

STOP WORK NOTICE

Immediately upon receipt of a written notice from the Grant Manager to stop work, the grantee shall cease all work under this Agreement.

TERMINATION FOR CAUSE

CalRecycle may terminate this Agreement and be relieved of any payments should the grantee fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination, CalRecycle may proceed with the work in any manner deemed proper by CalRecycle. All costs to CalRecycle shall be deducted from any sum due the grantee under this Agreement. Termination pursuant to this section may result in forfeiture by the grantee of any funds retained pursuant to CalRecycle's 10 percent retention policy.

TIME IS OF THE ESSENCE

Time is of the essence to this Agreement.

TOLLING OF STATUTE OF LIMITATIONS

The statute of limitations for bringing any action, administrative or civil, to enforce the terms of this Agreement or to recover any amounts determined to be owing to CalRecycle as the result of any audit of the grant covered by this Agreement shall be tolled during the period of any audit resolution, including any appeals by the grantee to the Director.

UNION ORGANIZING

By signing this Agreement, the grantee hereby acknowledges the applicability of Government Code Sections 16645, 16645.2, 16645.8, 16646, 16647, and 16648 to this Agreement and hereby certifies that:

- (a) No grant funds disbursed by this grant will be used to assist, promote, or deter union organizing by employees performing work under this Agreement.
- (b) If the grantee makes expenditures to assist, promote, or deter union organizing, the grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that grantee shall provide those records to the Attorney General upon request.

VENUE/CHOICE OF LAW

- (a) All proceedings concerning the validity and operation of this Agreement and the performance of the obligations imposed upon the parties hereunder shall be held in Sacramento County, California. The parties hereby waive any right to any other venue. The place where the Agreement is entered into and place where the obligation is incurred is Sacramento County, California.
- (b) The laws of the State of California shall govern all proceedings concerning the validity and operation of this Agreement and the performance of the obligations imposed upon the parties hereunder.

WAIVER OF CLAIMS AND RECOURSE AGAINST THE STATE

The grantee agrees to waive all claims and recourse against the state, its officials, officers, agents, employees, and servants, including, but not limited to, the right to contribution for loss or damage to persons or property arising out of, resulting from, or in any way connected with or incident to this Agreement. This waiver extends to any loss incurred attributable to any activity undertaken or omitted pursuant to this Agreement or any product, structure, or condition created pursuant to, or as a result of, this Agreement.

WORK PRODUCTS

Grantee shall provide CalRecycle with copies of all final products identified in the Work Plan. Grantee shall also provide CalRecycle with copies of all public education and advertising material produced pursuant to this Agreement.

WORKERS' COMPENSATION/LABOR CODE

The grantee is aware of Labor Code Section 3700, which requires every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the Labor Code, and the grantee agrees to comply with such provisions before commencing the performance of the work of this Agreement.

GRANTS MANAGEMENT SYSTEM (GMS)

GMS is CalRecycle's web-based grant application and grant management system. Access to GMS is secure; grantees must log in using a WebPass. WebPass accounts are tied to a specific email address. If an email address changes, or if it becomes inactive, the grantee must create a new WebPass account to continue accessing GMS. Establish or manage a WebPass at [CalRecycle's WebPass page](https://secure.calrecycle.ca.gov/WebPass) (<https://secure.calrecycle.ca.gov/WebPass/>).

Accessing the grant

Grantees must [log into GMS](https://secure.calrecycle.ca.gov/Grants) (<https://secure.calrecycle.ca.gov/Grants>) using their web pass. After login, locate the grant in the **My Awarded/Open Grants** table and select the **Grant Management** link. The **Grant Management Module** includes the following sections:

- **Summary tab** – shows approved budget, paid and remaining amounts. (This section is available to the grantee in read-only mode.)
- **Payment Request tab** – requests reimbursement.
- **Reports tab** – uploads required reports.
- **Documents tab** – uploads other grant documents that are not considered supporting documents to a payment request or a report. This section also provides access to documents that were uploaded within other sections of GMS.
- **Sites tab** – lists approved project sites.

Follow the instructions in GMS to work in the system. Use the information in the following sections to determine what reports, transactions, and supporting documents are required.

Contact Updates

Access to the grant is limited to those listed in the **Contacts** tab of the **Application Module** with the access check box marked. A contact may be listed but not granted access by not checking the box. Please note, if a contact is granted access to a grant they will be able to edit contacts, submit payment requests, upload reports, and view all documents. Those with access may update contact information for all contact types except Signature Authority. Email the assigned Grant Manager regarding any changes to Signature Authority information.

PRIOR TO COMMENCING WORK

Prior to commencing work under this grant, the grantee's Grant Manager or primary contact and authorized grant Signature Authority should review the Terms and Conditions (Exhibit A) and the Procedures and Requirements (Exhibit B) to identify key grant administrative requirements. Evaluation of the grantee's compliance with these requirements is a major focus of grant audits.

Reliable Contractor Declaration

Prior to authorizing a contractor(s) (or subcontractor) to commence work under this grant, the grantee shall submit to the Grant Manager a declaration from the contractor(s), signed under penalty of perjury, stating that within the preceding three (3) years, none of the events listed in [Section 17050 of Title 14](https://www.calrecycle.ca.gov/Laws/Regulations/Title14/) (<https://www.calrecycle.ca.gov/Laws/Regulations/Title14/>), California Code of Regulations, Natural Resources, Division 7, has occurred with respect to the contractor(s) or subcontractor(s).

If a (sub) contractor is placed on the [CalRecycle Unreliable Contractor List](#) after award of this grant, the grantee may be required to terminate that contract. Obtain the Reliable Contractor Declaration form (CalRecycle 168) from [CalRecycle's form web page](https://www.calrecycle.ca.gov/Funding/Forms/) (<https://www.calrecycle.ca.gov/Funding/Forms/>).

A scanned copy of the signed Reliable Contractor Declaration form must be uploaded in GMS. To upload the form:

1. Go to the **Reports** tab.
2. Click on **Reliable Contractor Declaration** under **Report Type**.
3. Click the **Add Document** button.
4. Select Reliable Contractor Declaration in the **Document Type** drop down box, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.
5. Click on the **Submit Report** button.

For further instructions regarding GMS, including login directions, see the section above titled Grant Management System.

HHW Facilities on Private Property

Jurisdictions that want to establish permanent facilities or expand existing facilities on private property or non-government owned property must prove they have a legally

binding long term commitment. This commitment must be throughout the life of the facility and between the company/private landowner and the jurisdiction that will require the facility to be operated with an emphasis on promoting the public interest similar to the activity described in this grant application. The application must clearly state the ownership and/or leasehold interests. A copy of any agreement between the Applicant and private owner must be described and made available to CalRecycle upon request. The following documentation and pre-approval is required if an applicant is planning to purchase or lease buildings for any part of their submitted project:

1. Applicant demonstrates that this is the most cost-effective means of developing an HHW facility;
2. Any lease meets the requirements for developing a permanent facility on privately owned property (e.g., long-term lease evidencing commitment to utilize facility for purpose set forth in grant; commitment to public access; commitment to utilize facility as described in the application for life of facility); and
3. Any purchase or lease of a building is pre-approved in writing by the CalRecycle Grant Manager.

GRANT TERM

The Grant Term begins on the date of the Notice to Proceed email. Grant-eligible program expenditures may start no earlier than the date indicated in the Notice to Proceed. The Grant Term ends on September 29, 2023 and all eligible program costs must be incurred by this date.

The Final Report and final Payment Request are due on September 29, 2023. CalRecycle recommends reserving the period from September 1, 2023 to September 29, 2023 exclusively for the preparation of the Final Report and final Payment Request, though they may be completed earlier. **Costs incurred to prepare the Final Report and final Payment Request are only eligible for reimbursement during the Grant Term.**

ELIGIBLE COSTS

All grant expenditures must be for activities, products, and costs specifically included in the approved Work Plan and approved Budget. To be eligible for reimbursement, costs must be incurred after receiving a Notice to Proceed and before the end of the September 29, 2023. All services must be provided and goods received during this period in order to be eligible costs. Invoices for goods and services must be paid by the grantee prior to the inclusion of those goods or services on a payment request.

Note: A cost is incurred at the time the grantee becomes liable for it. (e.g. the cost of a vehicle is incurred when the grantee becomes obligated to make payments on it, not when the actual payments are made).

Eligible costs are limited to the following:

- Construction costs for a new or existing Permanent HHW Collection Facility or Recycle-Only HHW Collection Facility.
- Construction related HHW equipment necessary to provide new and expanded programs and services, operation efficiency, capacity, and collection.
- HHW signage, personnel, grant administration, and publicity and education (not to exceed 10 percent of grant award; see section below on publicity and

education requirements) provided these costs are related to HHW facility construction.

- Certain costs associated with indirect costs as indicated in the Indirect Cost section of the Procedures and Requirements. (Indirect costs are not to exceed 10 percent of reimbursed costs.)

INELIGIBLE COSTS

Any costs not specifically included in the approved Budget and not directly related to HHW and the approved grant project are ineligible for reimbursement. Contact the Grant Manager if clarification is needed. Ineligible costs include, but are not limited to:

- Costs incurred prior to the date of the Notice to Proceed email or after September 29, 2023.
- Any costs, such as equipment, maintenance, repairs, tools, supplies or services not related to the construction project.
- Costs for planning and/or design of HHW facilities.
- Costs to maintain an existing HHW program.
- Developing or expanding a permanent facility on non-government owned property, unless the specific conditions listed in the HHW Facilities on Private Property section of the Procedures and Requirements are met and approved in the application process.
- Personal electronic devices.
- Fines or penalties due to violation of federal, state or local laws, ordinances or regulations.
- Honoraria, stipends, prizes, royalties, strictly promotional give-away items ([Stuff We All Get, SWAG](#)), etc.
- Management, handling, disposal, or treatment of radioactive, explosives, medical wastes, and other HHW materials.
- Personnel costs not related to the project.
- Promotion of either brand-name product(s) or private businesses with grant funds.
- Public education and outreach not related to the construction project.
- Purchase or lease of land.
- Purchase or lease of vehicles and/or mobile trailers.
- Travel costs exceeding the state-approved rates for mileage, per diem, lodging, etc.
- Costs deemed unreasonable or not related to the grant project by the Grant Manager.

INDIRECT COSTS

Indirect costs can be claimed by the Grantee. The following guidelines must be used when claiming these costs.

- The total amount of indirect costs charged to the grant shall not exceed 10 percent of the grant funds reimbursed. These costs are expenditures not capable of being assigned or not readily itemized to a particular project or activity, but considered necessary for the operation of the organization and the performance of the program. The costs of operating and maintaining facilities, accounting services, and administrative salaries as well as contractor's indirect costs in their contracts, are examples of indirect costs. All indirect costs charged to the grant must be associated with grant activities as shown in the approved

Budget.

- Direct costs charged directly to the grant shall not be included in the indirect cost formula. Supervision performed by managers and supervisors can be included in the indirect cost formula, and therefore, will not be a direct charge to the grant. On the other hand, if a manager or supervisor performs an activity that is directly related to the execution of the grant (not supervision), costs associated with this activity may be included as a direct charge. Such activity must be clearly supported by appropriate documentation and shall not be charged to the grant as indirect cost.
- The grantee must maintain organized and accurate records that follow generally accepted accounting principles and leave an audit trail. The grantee must provide access to all documents related to the grant program and fiscal operation of the grant program as deemed necessary by CalRecycle.

If you are uncertain whether a given cost is considered an indirect cost, contact the Grant Manager.

MODIFICATIONS

Any proposed revision(s) to the Work Plan and/or Budget must be submitted in writing and pre-approved in writing by the Grant Manager prior to grantee incurring the proposed expenditure. Proposed revisions must be clearly marked on the Work Plan and/or Budget and must be accompanied by a summary of proposed changes/modifications, including the justification(s) for the proposed changes. Costs based on the proposed revisions may not be incurred until Grant Manager approval. If approved, the grant manager will upload the final revised Work Plan and/or Budget to GMS. Proposed revisions may be submitted in conjunction with a Progress Report but cannot be submitted as part of the Progress Report. The approval document(s) should be retained by the grantee for audit purposes. See Audit Record/Access section of the Terms and Conditions (Exhibit A).

ACKNOWLEDGEMENTS

The grantee shall acknowledge CalRecycle's support each time projects funded, in whole or in part, by this Agreement are publicized in any medium, including news media, brochures, or other types of promotional materials. The acknowledgement of CalRecycle's support must incorporate the CalRecycle logo. Initials or abbreviations for CalRecycle shall not be used. The Grant Manager may approve deviation from this requirement on a case-by-case basis where such deviation is consistent with CalRecycle's Communication Strategy and Outreach Plan.

Publicity and Education

Publicity and education costs that are related to HHW facility construction project(s) shall not exceed 10 percent of the total grant awarded.

The following items require acknowledgement of funding from CalRecycle and pre-approval from the CalRecycle Grant Manager prior to incurring the expense:

- All television, radio and video scripts
- Functional premiums, if the per unit price is greater than \$6.00
- Advertisements

- Audio and/or visual material
- Brochures
- Pamphlets
- Other outreach

All publicity and education materials must include the following:

1. “Funded by a grant from CalRecycle.” Exception: The acknowledgement line is not required on small items where space constraints would not allow for this line or if it would interfere with the message.
 - There are two acceptable Spanish translations: “Financiado por una beca del CalRecycle” or “Patrocinado por fondos del CalRecycle.” For other languages, the Grantee must work with a certified translator or person fluent in reading and writing that language. All exceptions must be pre-approved in writing by the CalRecycle Grant Manager.
2. [CalRecycle logo](https://www.calrecycle.ca.gov/gallery/) (<https://www.calrecycle.ca.gov/gallery/>) as reflected on the CalRecycle website, can be obtained from the Office of Public Affairs at opa@calrecycle.ca.gov.
3. A list of HHW collection sites within the targeted community with a local telephone number or website to obtain further information on local collection centers. (Use the 1-800-CLEANUP number or [Earth911 website](http://search.earth911.com/) (<http://search.earth911.com/>) if your jurisdiction does not maintain its own 24-hour hotline.)
4. Press Releases – the only requirement is to place the name of “CalRecycle” as an acknowledgement in the body of the release.

Graphics

[HHW-related graphics](https://www.calrecycle.ca.gov/UsedOil/Graphics/HHWArt/) (<https://www.calrecycle.ca.gov/UsedOil/Graphics/HHWArt/>) are available for use. For large equipment, a [CalRecycle bumper sticker](http://www.calrecycle.ca.gov/UsedOil/Graphics/#Bumper) (<http://www.calrecycle.ca.gov/UsedOil/Graphics/#Bumper>) “Equipment funded by a grant from CalRecycle” is available and is required to be affixed to all large pieces of equipment purchased with grant funds. These can be requested from your grant manager when available. When submitting the Final Report, a photograph of this equipment should include the affixed sticker.

Signage

Completed HHW facility construction projects shall include a sign that acknowledges that the project was funded by a grant from CalRecycle and includes the CalRecycle Logo. The acknowledgement must specify the following: “Funded by a grant from CalRecycle.” The signage must be visible from the public entrance. Prior to incurring the expense and before the end of the Grant Term, the grantee must obtain written pre-approval on size, cost, placement, and design of the signage from the CalRecycle Grant Manager. HHW Facility construction and expansion projects are encouraged to include the cost of a permanent sign in their grant budget. The grantee must request an exemption in writing and receive written pre-approval from the Grant Manager.

Retention of Public Education

For audit purposes, grantees are required to retain samples of all publicity and education materials for three years AFTER the close of the Grant Term, or a longer period if warranted to resolve any issues with this grant. (See Audit/Records Access Section in Terms and Conditions, Exhibit A.)

REPORTING REQUIREMENTS

Three Progress Reports and a Final Report are required by this Agreement; however, the Grant Manager may request a Progress Report at any time during the Grant Term. Failure to submit the Final Report with appropriate documentation by the due date may result in rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding.

Failure to comply with the specified reporting requirements may be considered a breach of this Agreement and may result in the termination of this Agreement or rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding. Any problems or delays must be reported immediately to the Grant Manager.

PROGRESS REPORT

The grantee must submit three Progress Reports that include the Grant Number, Grantee's Name, Grant Term., and the following disclaimer statement:

Project Summary: The San Bernardino County Household Hazardous Waste (HHW) is proposing an upgrade to the Joshua Tree Household Hazardous Waste collection facility by constructing a pre-fabricated steel canopy approximately 5,400 sq. ft. in size. The canopy will provide a covered work area to protect employees and HHW storage containers from inclement weather. The canopy will provide for a safer work environment for employees operating the HHW site and allow for a longer life of the storage container at the site by protecting them from the inclement weather. The canopy will also increase the days of operation at the facility by minimizing the closure dates due to inclement weather. Currently, employees cannot operate the Joshua Tree HHW collection facility in extreme heat, rain or high winds.
