Subject to the terms and conditions of this notification, Johnson & Johnson Health Care Systems Inc. (the "Company") shall offer the products set forth on Schedule A (the "Products") to the Customer at the pricing indicated on the schedule. This pricing becomes effective as of \_\_\_\_\_ (the "Effective Date") and expires on \_\_\_\_\_ (the "End Date"). The Effective Date and the End Date will be determined by the Company based upon price loading requirements. The Company will complete this section upon final execution of this notification. These are the only time of sale discounts available on the Products and they supersede all other price concession arrangements. The parties intend for any price concessions (including discounts or rebates) offered under this notification to comply with the discount exception to the federal anti-kickback statute and/or the "discount safe harbor" to the federal anti-kickback statute.

Delivery of Customer direct Product purchases from the Company or its affiliate will be F.O.B. Destination. Payment terms are Net 30 days. Policies in effect at the Company or its affiliate, as applicable, (i) at the time of purchase regarding order and payment, will apply to any such purchase, and (ii) at the time of return, will apply to any Product returns. The Customer will not deduct nor set-off, from payments under this notification, amounts allegedly owed to the Customer by the Company or its affiliates under a separate agreement, transaction, or cause of action.

Neither party may not assign, directly or indirectly, this notification or any of its rights or obligations under this notification, either voluntarily or involuntarily (whether by merger, acquisition, consolidation, dissolution, change of control, operation of law, or otherwise), without the prior written consent of the other party. Any purported assignment in violation of this notification will be void.

In performing their obligations under this notification, the Customer and the Company shall comply with all applicable federal and state laws and regulations, including without limitation equal-opportunity laws and fraud and abuse laws.

Noncompliance with any obligation under this notification due to an event of force majeure or any other cause beyond the reasonable control of the entity affected will not constitute a breach of this notification. In the event of a shortage of Products, the Company and its affiliates reserve the right to allocate Products among their customers in any manner that they, in their sole discretion, determine is reasonable.

The Customer may be required to disclose, in any cost reports or claims for reimbursement submitted to Medicare, Medicaid, or certain other health care programs, the cost (including any price concessions) of any purchased Product and, on request, provide to governmental agencies, any invoices, coupons, statements, and other documentation reflecting such costs for Products. The Customer may be required to evaluate as a discount, for cost-reporting purposes, the value of any Product listed as \$0.00 on any invoice. The Customer should not include as a discount, for cost-reporting purposes, the value of any item that is designated as a sample, or that the Customer knows constitutes a sample, nor should the Customer seek reimbursement for any such items. The Customer agrees to retain a copy of this notification and other price concession documentation. The Customer may request additional information from the Company to meet the Customer's reporting/disclosure obligations.

The Customer must use the Products solely within the United States and solely on the Customer's patients and not resell any Product.

Any warranties provided by the Company with respect to any Product covered by this notification are as described in the package inserts accompanying units of that Product on purchase. OTHER THAN AS SET FORTH IN THE PREVIOUS SENTENCE, THERE IS NO IMPLIED OR EXPRESS WARRANTY ON THE PRODUCTS COVERED BY THIS NOTIFICATION, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Dispute Resolution:

(a) This Agreement shall be deemed to be made and entered into pursuant to the laws of the state of New York without giving effect to its choice of law principles. In the event of any controversy or claim arising out of or relating to this agreement (including without limitation any controversy or claim involving the parent company, subsidiaries, or affiliates under common control of the Company, the Customer or any Participant (a "Dispute"), either party shall submit to the other party a request for mediation of such Dispute using a professional mediator from the American Arbitration Association ("AAA") or a like organization selected by agreement or, absent agreement, through selection procedures administered by the AAA. Within a period of 45 days after the request for mediation, the parties shall convene with the mediator, with business representatives present, for at least one session to attempt to resolve the Dispute. The mediation shall be held in New York. Each entity has the right to pursue provisional relief from any court, such as attachment, preliminary injunction, replevin, etc., to avoid irreparable harm, or maintain the status quo, even though mediation has not been commenced or completed.

(b) In the event any Dispute is not settled through mediation, the parties shall submit such Dispute for resolution to the United States District Court for the Southern District of New York if that court has subject matter jurisdiction, or otherwise to the New York state court of appropriate jurisdiction. EACH PARTY HEREBY IRREVOCABLY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY FEDERAL OR STATE JUDICIAL PROCEEDING. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT TO SEEK PUNITIVE, EXEMPLARY, COVER, MULTIPLIED OR CONSEQUENTIAL DAMAGES, PREJUDGMENT INTEREST OR ATTORNEYS' FEES OR COSTS EXCEPT AS MAY BE REQUIRED BY STATUTE.

This notification is unrelated to any agreement the Company has with any group purchasing organization. The Company will not pay administrative fees to any group purchasing organization in connection with any purchases hereunder.

This notification is a public record, and, as such, pricing contained in this notification may be subject to Customer's state public disclosure laws. Company considers Product pricing presented in this notification to be a trade secret and exempt from disclosure under N.Y. Pub. Off. Law § 84 to 90. Customer agrees to notify Company of any requests for disclosure of its asserted trade secrets.

All attached and referenced schedules are made a part of this notification. This notification constitutes the entire agreement between both parties concerning the subject matter of this notification and supersedes all prior negotiations and agreements between the parties. The terms of any purchase order, invoice, or similar document used to implement this notification shall be subject to and shall not modify this notification. No provision of this notification may be waived except by a writing signed by the party against whom the waiver is sought to be enforced. No failure to enforce any provision of this notification constitutes a waiver of future enforcement of that provision or of any other provision of this notification.

The Customer may terminate this notification at any time upon 10 days written notice to the Company at the following address: DePuy Synthes Mitek Sports Medicine, 325 Paramount Drive, Raynham, MA 02767, Attn: Contracting Department. The Company may terminate this notification at any time upon 10 days written notice to the Customer at the address listed above.

Until fully executed, this notification constitutes an offer that is valid until **August 18, 2020**. If there are any changes to this notification or if the Customer does not sign it by that date, then the Company reserves the right to withdraw or modify this offer in its sole discretion. This notification is not valid until all signatures required below have been made. Each party warrants that its signatory is authorized to bind its party to the terms and conditions provided herein.
