Drawings and Specifications

This estimate is based on the Conceptual Documents dated September 12, 2025, provided by Kitchell CEM Sacramento, CA. The project title is "BHCIP Victorville", for San Bernardino County.

The estimate is provided in Uniformat and is separated into five (5) locations as follows: 01 Sitework, 02 Building A, 03 Building B, 04 Building C, and 05 Building D. There are no alternates included at this time.

All unit prices are inclusive of labor, material, equipment, and the appropriate subcontractors' mark-up. A percentage for estimating contingency, general conditions, overhead & profit, insurance & bond, and escalation is added to the subtotal cost. Any allowances are noted within the estimate.

Assumptions and Clarifications

The following is list of allowances/ inclusions:

- 1. Construction of a new Psychiatric Health Facility
- 2. Construction of a new Adult Residential Facility
- 3. Construction of a new Voluntary Crisis Stabilization Unit
- 4. Construction of a new Sobering Center
- 5. Photovoltaic parking canopies
- 6. Associated sitework
- 7. Assume a balanced site

We assume the cost for the following will be covered separately or not required for this project:

- 1. Any unforeseen subterranean conditions or objects
- 2. Soil stabilization
- 3. Hazardous materials abatement
- 4. Site acquisition cost(s)

We have included escalation from estimate date to midpoint of construction (8/31/2028) or 35 months at the annual rate of 4%.

The total cost is based on a Design-Build contractor performing the work in a continuous phase with construction to begin the third quarter of 2027.

The taxing authority will notify SELLER of any refund due SELLER resulting from the subject acquisition after a review and any subsequent proration of the property tax assessment by the County Assessor. 3.10 Conditions to Close of Escrow.

3.10.1 <u>Conditions to SELLER Obligations</u>. In addition to any other condition set forth in this Agreement in favor of SELLER, SELLER shall have the right to condition its obligation to convey the Property to BUYER and close the Escrow upon the satisfaction, or written waiver by SELLER, of each of the following conditions precedent on the Closing Date or such earlier time as provided for herein (collectively, the "SELLER Conditions to Closing"):

- (a) The sale of the Property by SELLER is contingent upon both of the following prerequisites, which must be completed before any sale can be consummated. If either or both of the following prerequisites cannot be completed within ninety (90) days after Seller's submissions of written notice of the finalized terms of the sale of the Property under this Section 3.10.1(a), then, unless the Parties agree to provide for a further extension and so inform the Escrow Officer, this Agreement and Escrow shall terminate, and SELLER shall be responsible for payment of any Escrow or title cancellation charges. Upon any such termination, no commission shall be due to SELLER's Broker:
 - Because SELLER is a California nonprofit corporation which has (i) operated an in-patient addiction treatment facility on the Property which constitutes a health care facility, the disposition of which requires the written consent or waiver of objections from the California Attorney General pursuant to California Corporations Code section 5920, the California Attorney General's office must receive written notice of and provide written approval of the finalized terms of the sale of the Property. SELLER shall provide written notice of the finalized terms of the sale of the Property to the California Attorney General no later than five (5) Business Days after the last of the following to take place: (i) the expiration of the Due Diligence Period; and (ii) SELLER's receipt of the executed agreement between BUYER and the operator selected by BUYER to continue operations of the in-patient addiction treatment facility on the Property following Closing. Upon SELLER's submission of this written notice to the California Attorney General, SELLER shall promptly provide BUYER with written notification of this submission. SELLER shall use good faith best efforts to obtain the required approval for the sale of the Property from the California Attorney General. SELLER has no control over and makes no representations, guarantees or warranties that the California Attorney General will approve a sale of the Property. If SELLER is able to obtain approval from the California Attorney General for the sale of the Property, SELLER shall, within one (1) Business Day after obtaining such approval, provide BUYER with written notice of receipt of this approval and a copy of such approval.
 - Catholic Church, SELLER must obtain written approval of the terms of the sale of the Property from the Superior General and Council of the Hospitaller Order of the Brothers of St. John of God, a religious order with which SELLER is affiliated. SELLER shall provide written notice of the finalized terms of the sale of the Property to the Superior General and Council of the Hospitaller Order of the Brothers of St. John of God no later than five (5) Business Days after the expiration of the Due Diligence Period. Upon Seller's submission of this written notice to the Superior General and Council of the Hospitaller Order of the Brothers of St. John of God, SELLER shall promptly provide BUYER with written notification of this submission. SELLER shall use good faith best efforts to obtain the required approval for the sale of the Property from the Superior General and Council of the Hospitaller Order of the Brothers of St. John of God. SELLER has no control over and makes no representations, guarantees or warranties that the Superior General and Council of the Hospitaller Order of the Brothers of St. John of God will in fact

approve a sale of the Property. If SELLER is able to obtain approval from the Superior General and Council of the Hospitaller Order of the Brothers of St. John of God for the sale of the Property, SELLER shall, within one (1) Business Day after obtaining such approval, provide BUYER with written notice of receipt of such approval and a copy of such approval.

- (b) Delivery of Document and Funds. BUYER shall have timely executed and deposited into Escrow all escrow and closing documents required to be submitted by BUYER in order to accomplish the close of Escrow for the Property. BUYER shall have deposited with Escrow Holder the Purchase Price less the Consideration Payment and the escrow and closing costs for which BUYER is responsible to pay and all other sums required of BUYER by this Agreement.
- (c) Representations and Warranties. All representations and warranties made by BUYER in this Agreement are true and correct in all material respects as of the Closing as though made at that time.
- (d) No Default under the Agreement. BUYER shall not be in material default of any of its obligations under this Agreement and no event shall have occurred that would constitute a default with the giving of notice or the passage of time.
- 3.10.2 <u>Conditions to BUYER's Obligations.</u> In addition to any other condition set forth in this Agreement in favor of BUYER, BUYER shall have the right to condition its obligation to purchase the Property and close the Escrow upon the satisfaction, or written waiver by BUYER, of each of the following conditions precedent on the Closing Date or such earlier time as provided for herein (collectively, the "BUYER Conditions to Closing"):
 - (a) Delivery of Documents and Funds. SELLER shall have executed and deposited into Escrow the Grant Deed, and the escrow and closing costs for which SELLER is responsible to pay and all other sums required of SELLER by this Agreement.
 - (b) Title Policy. The Title Company is unconditionally and irrevocably committed to issue to BUYER at Closing a CLTA standard coverage owner's title policy, or, upon BUYER's request, an ALTA extended coverage owner's policy of title insurance (provided BUYER shall be responsible for any survey costs associated therewith and BUYER must deliver an ALTA survey acceptable to the Title Company for the issuance of such extended coverage at least ten (10) Business Days prior to the Closing Date and BUYER shall be responsible for the additional cost of the extended coverage), insuring BUYER's title to the Property in the amount of the Purchase Price, subject only to the following (collectively, the "Approved Title Exceptions"): (i) the standard exceptions and exclusions from coverage contained in such form of the policy; (ii) real estate taxes not yet due and payable; (iii) matters created by, through or under BUYER; (iv) items disclosed by the Survey and Preliminary Title Report (including any supplements) and approved or deemed approved by BUYER pursuant to the title review provisions in Section 2.4, or, if BUYER fails to obtain the Survey, items which would be disclosed by an accurate, updated survey of the Property or a physical inspection of the Property; and (v) any Title Objections that neither SELLER nor the Title Company has agreed to remove from title or insure over ("Title Policy"). The issuance of an

ALTA extended coverage policy shall not be a condition precedent to BUYER's obligation to close the Escrow, and BUYER shall not object to the Closing based upon an inability to obtain, or any delays in obtaining, such coverage. In addition, and without limiting the foregoing, the issuance of any particular title endorsements requested by BUYER, at BUYER's sole cost and expense, shall not be a condition precedent to BUYER's obligation to close this Escrow and BUYER acknowledges that BUYER is solely responsible for ascertaining the availability of any such endorsements prior to the end of the Due Diligence Period. If endorsements are required to cure defects in title and SELLER has agreed to provide such endorsements as a means of curing such title defects, then SELLER shall pay for such endorsements.

- (c) Condition and Possession. The condition of the Property on the Closing Date shall be in substantially the same condition as it existed at the time the Phase I Environmental Assessment for the Property was performed by Aspen Environmental Group on April 14, 2021. At least ten (10) Business Days prior to the Closing Date, SELLER shall remove any of SELLER's debris and trash from the Property. At Closing, SELLER shall assign, transfer, convey and deliver to BUYER the personal property located on the Property (the "Personal Property") which is listed in Exhibit "C" hereto, pursuant to a Bill of Sale in the form attached hereto as Exhibit "D".
 - (d) CEQA. The requirements under the California Environmental Quality Act, as amended, shall have been complied with.
 - (e) Representations and Warranties. All representations and warranties made by SELLER in this Agreement are true and correct in all material respects as of the Closing as though made at that time.
 - (f) No Default under Agreement. SELLER shall not be in material default of any of its obligations under this Agreement (and shall not have received notice of a default hereunder which has not been cured).
 - (g) Encumbrances. There are no encumbrances on the Property except for Approved Title Exceptions.
 - (h) Contract Termination. SELLER shall have cancelled and terminated all agreements, contracts and leases relating to the Property with service providers, tenants, or as otherwise required pursuant to this Agreement, and provided BUYER with written evidence of same.
 - (i) Grant Funding. BUYER obtains approval and funding of its Behavioral Health Continuum Infrastructure Program (BHCIP) and Community Care Expansion (CCE) grant applications.
- 3.10.3 <u>Satisfaction of Conditions.</u> Where satisfaction of any of the foregoing conditions requires action by BUYER or SELLER, each Party shall use its diligent efforts, in good faith, and at its own cost, to satisfy such condition.
- 3.10.4 <u>Waiver</u>. Each Party may at any time or times, waive any of their respective Conditions to Closing in this Section 3.10, as set forth above, to their respective obligations hereunder, but any such waiver shall be effective only if contained in writing, signed, and delivered to the other Party.

3.10.5 Escrow Termination. In the event each of the Conditions to Closing in this Section 3.10, as set forth above, is not fulfilled on the Closing Date or such earlier time period as provided for herein or waived, either Party may at its option terminate this Agreement and the Escrow opened hereunder, provided that Party is not in default of this Agreement. No termination under this Agreement shall release any Party then in default from liability for such default. In the event this Agreement is terminated, all documents and funds delivered to Escrow Holder shall be returned immediately to the respective Parties.

On July 24, 2020, the Board of Supervisors adopted an entirely new, revised Charter for San Bernardino County, subject to ratification by the voters at the election on November 3, 2020.

PREAMBLE

We the People of San Bernardino County, do establish this Charter to provide for more local control to serve the diverse communities of the largest geographic county in the United States by advancing freedom, equality, justice, health, safety, and prosperity with effective, transparent, accountable, innovative, and inclusive governance.

ARTICLE I: NAME AND RIGHTS OF THE COUNTY

Section 101. County Powers.

San Bernardino County, as it now exists, is a body corporate and politic, and as such has and shall have all the powers that are now or may be hereafter specified by the Constitution and laws of the State of California, and by this Charter, and such other powers as are necessarily implied.

Section 102. County Authority.

The powers mentioned in the preceding section can be exercised only by the Board of Supervisors or by agents and officers acting under its authority or by the authority of law or of this Charter.

Section 103. County Name.

The corporate name shall be "San Bernardino County," which must be thus designated in all actions and proceedings touching its corporate rights, properties, and duties. San Bernardino County's boundaries and county seat shall remain as they are now, until otherwise changed by law.

ARTICLE II: BOARD OF SUPERVISORS

Section 201. Governing Body.

The Board of Supervisors is the governing body of San Bernardino County. The Board of Supervisors shall consist of five persons, hereafter identified as Members or Supervisors.

Section 202. Election.

Supervisors shall be elected by Supervisorial District. Each candidate for the office of Supervisor shall be an elector in the District which the candidate seeks to represent and shall be elected by the electors of such District. Except as otherwise provided in this Charter, candidates shall be nominated and elected pursuant to the general law. The five Supervisorial Districts shall be apportioned by ordinance pursuant to the general law and this Charter. A Supervisor must reside in his or her District during the Supervisor's incumbency.

Section 203. Term of Office.

At each general election, there shall be elected two or three Supervisors, as the case may be, for a term of four years beginning at noon on the first Monday after the first day of January next following their election and ending at noon on the first Monday after the first day of January four years thereafter. Supervisors shall be elected from the First, Third, and Fifth Supervisorial Districts in those years in which a presidential election is held, and Supervisors shall be elected from the Second and Fourth Supervisorial Districts in those years in which a gubernatorial election is held.

However, the term for the Supervisors elected from the First, Third, and Fifth Supervisorial Districts on either March 3, 2020, or November 3, 2020, shall commence at noon on Monday, December 7, 2020, and end at noon on Monday, January 6, 2025. The term for the Supervisors elected from the Second and Fourth Supervisorial Districts on either June 5, 2018, or November 6, 2018, shall end at noon on Monday, January 2, 2023.

Section 204. Term Limits.

No person may serve for more than three terms as Supervisor, regardless of the District represented. Any Supervisor who serves more than one-half of a term, either through election or appointment, shall be deemed for purposes of this section to have served a full term. Any Supervisor who resigns or is removed from office with less than one-half of a term remaining shall be deemed for purposes of this section to have served a full term.

This section shall only apply to those Supervisors who are first elected to the Board of Supervisors after the effective date of this section, and who have not previously served on the Board of Supervisors. Members of the Board of Supervisors who were elected before the effective date of this section may serve only the number of terms allowed at the time of the last election before the effective date of this section.

Section 205. Chair and Vice Chair of the Board of Supervisors.

The Board of Supervisors shall elect from among its Members a Chair and a Vice Chair of the Board of Supervisors. The election, term of office, duties, and removal of the Chair and Vice Chair shall be provided for by ordinance, resolution, or policy of the Board of Supervisors.

Section 206. Powers and Duties of the Board of Supervisors.

The Board of Supervisors has all the powers granted to it by the Constitution of California, the general law, and this Charter. The Board of Supervisors shall exercise such powers and perform such duties as are required by the Constitution of California, this Charter, and ordinance, and by the general law except as otherwise provided in the Constitution of California, this Charter, and any ordinance adopted pursuant to this Charter.

Given the size and complexity of San Bernardino County, the office of Supervisor is recognized as a position that requires a considerable investment of time and due diligence from Board Members in order to effectively fulfill their duties in service to the public. These duties include but are not limited to: ensuring fiscal responsibility; representing the interest of the public during public meetings and hearings of the Board of Supervisors; participating in the response to natural disasters and other emergencies; conducting meetings with members of the public; ensuring that the County is effectively represented with respect to federal, state, and other local government agencies; and reviewing issues impacting the County and its residents, businesses, built and natural environment, and health and safety. The position of Supervisor requires Supervisors to be responsive to the needs of the public on a 24 hours a day, seven days a week basis.

Furthermore, Members of the Board of Supervisors also have duties with respect to, and must attend the meetings of, many other public entities and other entities. Each member of the Board of Supervisors shall serve on such public entity or other entity governing boards, commissions and committees, as designated by or appointed in accordance with, and perform such duties as are required by, the Constitution of California, this Charter, general law, ordinance, or contract, as may be amended from time to time. Section 207. Filling of Vacancies.

If there is a vacancy in the office of Supervisor, the remaining Members of the Board of Supervisors shall within 60 days of the effective date of the vacancy either appoint a replacement Supervisor or call a special election. The appointee shall be from among the qualified electors of the Supervisorial District in which such vacancy exists. Nomination and election of a Supervisor shall be by district as provided in Section 202.

If the effective date of the appointment is no less than 130 days from the statewide general election in November of an even-numbered mid-term year of the vacant office, the appointment is provisional to the first Monday after the first day of January next following the election. When making the appointment, the remaining Members of the Board of Supervisors shall call for a special election for this office for the remaining term and shall order the special election to be consolidated with such statewide general election. The special election shall be a single-winner election. The candidate receiving the highest number of votes is elected.

If the effective date of the appointment is less than 130 days from the statewide general election in November of an evennumbered mid-term year of the vacant office, then the appointee shall serve the remainder of the term of the office.

If the remaining Members of the Board of Supervisors do not make an appointment and instead call a special election, the special election shall be held on the next established election date, as defined in Division 1 (commencing with Section 1000) of the Elections Code, that is no less than 130 days from the date that the special election is called. When calling a special election to be held on the next established election date that is no less than 130 days from the date that the election is called, the remaining members of the Board of Supervisors may authorize the election to be conducted wholly by mail, provided that the special election is not held on the same date as a statewide primary or general election or is not consolidated, as defined in Elections Code section 10400, with any other election. The special election shall be a single-winner election. The candidate receiving the highest number of votes is elected.

If the remaining Members of the Board of Supervisors do not make an appointment or call a special election within 60 days of the effective date of the vacancy, then a special election shall be held to fill the vacancy. The special election shall be held on the next established election date, as defined in Division 1 (commencing with Section 1000) of the Elections Code, that is no less than 130 days from the 60th day after the effective date of the vacancy. In the discretion of the Register of Voters, the special election to be held on the next established election date that is no less than 130 days from the 60th day after the effective date of the vacancy may be conducted wholly by mail, provided that the special election is not held on the same date as a statewide primary or general election or is not consolidated, as defined in Elections Code section 10400, with any other election. The special election shall be a single-winner election. The candidate receiving the highest number of votes is elected.

If an election is required pursuant to this section and the date of such election as required by one of the preceding paragraphs of this section would be less than 180 days from the statewide primary election applicable to the Supervisorial District as set forth in Section 203, then notwithstanding such preceding paragraph, the regular nomination and election process shall be followed pursuant to Sections 202, 203, and 204.

Section 208. Compensation of the Board of Supervisors.

Members of the Board of Supervisors shall be paid an annual base salary that is equal to 80 percent of the annual base salary prescribed by law for Judges of the Superior Court of San Bernardino County, and shall be provided, to the extent legally permissible, the regular benefits that are offered to Exempt Group employees in the benefits category for department heads as provided by ordinance.

Thereafter, the annual base salary of the Members of the Board of Supervisors shall be changed at such times and in such percentages as changes made by law to the Judges of the Superior Court of San Bernardino County, except as otherwise provided in this paragraph. Any increase in the salary of the Members of the Board of Supervisors pursuant to this paragraph shall become effective only if such increase is ratified pursuant to an ordinance that is introduced at a noticed public hearing and is thereafter approved. The Board of Supervisors may approve a salary increase that is less than the amount permitted under this paragraph.

Thereafter, the benefits provided to the Members of the Board of Supervisors shall be changed at such times and in such amounts as changes made to Exempt Group employees in the benefits category for department heads as provided by

ordinance, except as otherwise provided in this paragraph. Any increase in the benefits of the Members of the Board of Supervisors pursuant to this paragraph shall become effective only if such increase is ratified pursuant to an ordinance that is introduced at a noticed public hearing and is thereafter approved. Subject: Letter of Support for Expansion of the San Bernardino County Comprehensive Treatment Campus

Dear Dr. Yoshioka,

On behalf of San Bernardino County's First District, I am pleased to express our full support for San Bernardino County Department of Behavioral Health's (DBH) application for the Bond Behavioral Health Continuum Infrastructure Program (BHCIP) Round 2: Unmet Needs funding to expand San Bernardino County's Comprehensive Treatment Campus (Campus) located at 13333 Palmdale Road, Victorville, CA 92392. This innovative project exemplifies cross-agency collaboration and addresses critical needs in our community through the integration of behavioral health, housing, and recovery services.

I understand that this Campus will provide comprehensive co-located access to diverse behavioral health services, representing both mental health inpatient and residential care; substance use disorder (SUD) residential, outpatient, and sobering services. DBH was awarded funding in previous grant funding rounds, including Community Care Expansion (CCE) and BHCIP Round 5: Crisis and Behavioral Health Continuum, to begin the first phase of expanding this Campus to include a Psychiatric Residential Treatment Facility (youth intensive mental health residential treatment), adult and youth SUD residential treatment, withdrawal management services, SUD outpatient services, and a community welfness center.

DBH's application to Round 2 of Bond BHCIP will further expand the Campus to feature:

- One (1) Psychiatric Health Facility (16 beds) offering short-term, intensive mental health and psychiatric treatment for individuals experiencing acute behavioral health crisis
- One (1) Adult Social Rehabilitation Facility (16 beds) to adults aged 18-59 who have been discharged from higher-level
 placements (e.g., Institutions for Mental Disease or psychiatric hospitals) who require more intensive support than is offered
 by traditional or enhanced board and care services
- One (1) Crisis Stabilization Unit (20 chairs), a 24/7 unlocked and voluntary mental health urgent care facility providing
 assessment, therapy, crisis intervention, medication support, and linkage to necessary resources for individuals of all ages
 who are experiencing a crisis
- One (1) Sobering Center (20 chairs) to serve as an alternative destination for individuals who are found to be intoxicated (due to alcohol and/or other drugs) and would otherwise result in an unnecessary hospitalization and/or incarceration

We agree that the High Desert region of San Bernardino County, which includes Victorville and the surrounding communities, has a critical need for geographically reasonable access to these services which this project aims to provide. Improving this access will significantly and positively impact the DBH, key partner agencies, and the mutual clients thereof.

We recognize that Bond BHCIP Round 2 funding is essential to bring this critical project to completion, ensuring that individuals with behavioral health conditions can access the care and support they need. Furthermore, we confirm that DBH providing Medi-Cal behavioral health services at the completed facilities will maintain contracts with appropriate and qualified providers to ensure delivery of Medi-Cal services through the Mental Health Plan and Drug Medi-Cal Organized Delivery System.

I wholeheartedly support this transformative project and look forward to its successful implementation. We are confident that the Comprehensive Treatment Campus will serve as a one-stop shop for behavioral health needs of diverse levels, thus improving the ability of each resident of the County to achieve and maintain optimum wellness.

Sincerely

This innovative project exemplifies cross-agency collaboration and addresses critical community needs by integrating behavioral health, housing, and recovery services.

We understand that this Campus will provide comprehensive co-located access to diverse behavioral health services, representing both mental health inpatient and residential care; substance use disorder (SUD) residential, outpatient, and sobering services. DBH was awarded funding in previous grant funding rounds, including Community Care Expansion (CCE) and BHCIP Round 5: Crisis and Behavioral Health Continuum, to begin the first phase of expanding this Campus to include a Psychiatric Residential Treatment Facility (youth intensive mental health residential treatment), adult and youth SUD residential treatment, withdrawal management services, SUD outpatient services, and a community wellness center.

San Bernardino County has a critical need for geographically accessible services, which this project aims to provide. Improving this access can significantly impact the DBH, key partner agencies, and the mutual clients. We recognize that Bond BHCIP Round 2 funding is crucial to bringing this critical project to a successful completion, ensuring that individuals with behavioral health conditions can access the care and support they need.

We support this transformative project and look forward to its successful implementation. I appreciate your consideration. Should you have any questions, please contact Emed Lokat by email or phone at Emed.Lokat@asm.ca.gov or 909-966-5147.

Subject: Letter of Support for Expansion of the San Bernardino County Comprehensive Treatment Campus

Dear Dr. Yoshioka,

On behalf of Arrowhead Regional Medical Center (ARMC), I am pleased to express our full support for San Bernardino County Department of Behavioral Health's (DBH) application for the Bond Behavioral Health Continuum Infrastructure Program (BHCIP) Round 2: Unmet Needs funding to expand San Bernardino County's Comprehensive Treatment Campus (Campus) located at 13333 Palmdale Road, Victorville, CA 92392. This innovative project exemplifies cross-agency collaboration and addresses critical needs in our community through the integration of behavioral health, housing, and recovery services.

ARMC understands that this Campus will provide comprehensive co-located access to diverse behavioral health services, representing both mental health inpatient and residential care; substance use disorder (SUD) residential, outpatient, and sobering services. DBH was awarded funding in previous grant funding rounds, including Community Care Expansion (CCE) and BHCIP Round 5: Crisis and Behavioral Health Continuum, to begin the first phase of expanding this Campus to include a Psychiatric Residential Treatment Facility (youth intensive mental health residential treatment), adult and youth SUD residential treatment, withdrawal management services, SUD outpatient services, and a community wellness center.

DBH's application to Round 2 of Bond BHCIP will further expand the Campus to feature:

- One (1) Psychiatric Health Facility (16 beds) offering short-term, intensive mental health and psychiatric treatment for individuals experiencing acute behavioral health crisis
- One (1) Adult Social Rehabilitation Facility (16 beds) to adults aged 18-59 who have been discharged from higher-level placements (e.g., Institutions for Mental Disease or psychiatric hospitals) who require more intensive support than is offered by traditional or enhanced board and care services
- One (1) Crisis Stabilization Unit (20 chairs), a 24/7 unlocked and voluntary mental health urgent care facility providing assessment, therapy, crisis intervention, medication support, and linkage to necessary resources for individuals of all ages who are experiencing a crisis
- One (1) Sobering Center (20 chairs) to serve as an alternative destination for individuals who are found to be intoxicated (due to alcohol and/or other drugs) and would otherwise result in an unnecessary hospitalization and/or incarceration

We agree that the High Desert region of San Bernardino County, which includes Victorville and the surrounding communities, has a critical need for geographically reasonable access to these services which this project aims to provide. Improving this access will significantly and positively impact the DBH, key partner agencies, and the mutual clients thereof.

We recognize that Bond BHCIP Round 2 funding is essential to bring this critical project to completion, ensuring that individuals with behavioral health conditions can access the care and support they need. Dear Dr. Yoshioka,

On behalf of Yuhaaviatam of San Manuel Nation, a Federally Recognized Tribe, I am pleased to extend our full support for San Bernardino County Department of Behavioral Health's (DBH) application for the Bond Behavioral Health Continuum Infrastructure Program (BHCIP) Round 2: Unmet Needs funding to expand San Bernardino County's Comprehensive Treatment Campus (Campus) located at 13333 Palmdale Road, Victorville, CA 92392. This innovative project exemplifies cross-agency collaboration and addresses critical needs in our community through the integration of behavioral health, housing, and recovery services.

We agree that the High Desert region of San Bernardino County, which includes Victorville and the surrounding communities, has a critical need for geographically reasonable access to the services which this project aims to provide. Improving this access will significantly and positively impact the DBH, key partner agencies.

The High Desert is an important part of the Yuhaaviatam's ancestral territory covering 7.4 million acres over which the Maara'yam exercised governance and jurisdiction prior to contact and for some years thereafter. In 1852, the Maara'yam ceded this region when the Yuhaaviatam signed the Treaty of Temecula only to be advised some 50 years later that the Treaty had never been ratified by the U.S. Senate as required.

While this area is no longer under the jurisdiction of the Yuhaaviatam, the Nation takes great pride in supporting the community's health, wellness, and prosperity. By increasing availability of services and reducing barriers to care, this funding has the potential to greatly improve the well-being and long-term health outcomes of individuals and families.

We recognize that Bond BHCIP Round 2 funding is essential to bring this critical project to completion, ensuring that individuals with behavioral health conditions can access the care and support they need.
