**Briefly describe the general nature of the contract:** *This agreement is entered into by and between the County and the San Bernardino County Transportation Authority (SBCTA) setting forth the roles, responsibilities, and funding for the Crest Forest Drive and Other Roads Planning Study (Study). The purpose of the Study is to assess the traffic movement at the road connection of Crest Forest Drive, Lake Drive and State Route 138, in the Crestline area and, to compose alternatives for new configuration of the subject road approaches that may minimize the current traffic conflict.*

*The County will serve as lead agency for the Study, and shall invoice the SBCTA for reimbursement of eligible costs, currently estimated to be \$100,000. Reimbursement shall be made through the Measure "I" 2010-2040 Mountains Subarea Project Development/Traffic Management System Program, administered by SBCTA.*

### FOR COUNTY USE ONLY

|                                                                                                                |                                                                                                  |                                                                                                                |
