This item does not impact Discretionary General Funding (Net County Cost). Adequate appropriation and revenue have been included in the Department of Public Health's (DPH) 2021-22 budget and will be included in future recommended budgets.

BACKGROUND INFORMATION

Approval of this item will allow DPH to receive revenue from the Department of State Hospitals – Patton in the amount of \$50,000 to provide full service public health laboratory services for Patton State Hospital's patients, primarily at DPH's laboratory facilities, when referred directly by a Patton staff physician, emergency medical physician, or a physician contracted with Patton.

DPH has been providing similar services to Patton since 2015. Laboratory tests to be performed include tests related to communicable diseases and other conditions of public health importance.
