- 1. Cultural and Linguistic Competency

Cultural competence is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers and professionals that enables that system, agency, or those professionals and consumer providers to work effectively in cross-cultural situations.

Providing mental health and substance use disorder treatment services in a culturally appropriate and responsive manner is fundamental in any effort to ensure success of high quality and cost-effective behavioral health services. The maximum financial obligation is further limited by fiscal year, funding source and service modalities as delineated on the Schedule A. Contractor may not transfer funds between funding sources, modes of services, or exceed 10% of a budgeted line item without the prior written approval from DBH.
1. It is understood between the parties that the Schedule A is a budgetary guideline. Contractor must adhere to the budget by funding outlined in the Schedule A of the Contract as well as track year-to-date expenditures. Contractor understands that costs incurred for services not listed or in excess of the funding in the Schedule A shall result in non-payment to Contractor for these costs.
- C. Contractor agrees to renegotiate the dollar value of this Contract, at the option of the County, if the annualized projected units of service (minutes/hours of time/days) for any mode of service based on claims submitted through March of the operative fiscal year, is less than 90% of the projected minutes/hours of time/days for the modes of service as reported in the Schedule A.
- D. 2. Contractor may not redirect funds from one funded program to another funded program, except through a duly executed amendment to this Agreement.
 3. Contractor may not charge services delivered to an eligible beneficiary under one funded program to another funded program unless the recipient is also an eligible beneficiary under the second funded program.

County payments to Contractor for performance of eligible services hereunder are provisional until the completion of all settlement activities.
- B. County's adjustments to provisional reimbursements to Contractor will be based upon State adjudication of Medi-Cal claims, contractual limitations of this Agreement, annual cost report, application of various County, State and/or Federal reimbursement limitations, application of any County, State and/or Federal policies, procedures and regulations and/or County, State or Federal audits, all of which take precedence over monthly claim reimbursement. State adjudication of Medi-Cal claims, annual cost report and audits, as such payments, are subject to future County, State and/or Federal adjustments.
- C. All expenses claimed to DBH must be specifically related to the contract. After fiscal review and approval of the billing or invoice, County shall provisionally reimburse Contractor, subject to the limitations and conditions specified in this Agreement, in accordance with the following:
1. The County will reimburse Contractor based upon Contractor's submitted and approved claims for rendered services/activities subject to claim adjustments, edits, and future settlement and audit processes.

- F. For each fiscal year period (FYs 2024/25 through 2027/28), no single monthly payment for any mode of service shall exceed one-twelfth (1/12) of the maximum allocations for the mode of service unless there have been payments of less than one-twelfth (1/12) of such amount for any prior month of the Agreement. To the extent that there have been such lesser payments, then the remaining amount(s) may be used to pay monthly services claims which exceed one-twelfth (1/12) of the maximum for that mode of service. Each claim shall reflect the actual costs expended by the Contractor subject to the limitations and conditions specified in this Agreement.
- G. Monthly payments for Short-Doyle Medi-Cal services will be based on actual units of time (minutes, hours, or days) reported on Charge Data Invoices claimed to the State times the provisional rates in the DBH claiming system. The provisional rates will be reviewed at least once a year throughout the life of the Contract and shall closely approximate final actual cost per unit rates for allowable costs as reported in the year-end cost report. All approved provisional rates will be superseded by actual cost per unit rate as calculated during the cost report cost settlement. In the event of a conflict between the provisional rates set forth in the most recent cost report and those contained in the Schedule A, the rates set forth in the most recent cost report shall prevail.
 1. In accordance with WIC 14705 (c) Contractor shall ensure compliance with all requirements necessary for Medi-Cal reimbursement.

- M. As this contract may be funded in whole or in part with Mental Health Services Act funds signed into law January 1, 2005, Contractor must verify client eligibility for other categorical funding, prior to utilizing MHSA funds. Failure to verify eligibility for other funding may result in non-payment for services. Also, if audit findings reveal Contractor failed to fulfill requirements for categorical funding, funding source will not revert to MHSA. Contractor will be required to reimburse funds to the County.
- N. Contractor agrees that no part of any Federal funds provided under this Contract shall be used to pay the salary of an individual per fiscal year at a rate in excess of Level 1 of the Executive Schedule at <http://www.opm.gov/> (U.S. Office of Personnel Management).

Such training will include specific guidance relating to sanctions against workforce members who fail to comply with privacy and security policies and procedures and the obligations of the BA under this Agreement.

4. Subcontractors

BA shall enter into written agreements with agents and subcontractors to whom BA provides CE's PHI that impose the same restrictions and conditions on such agents and subcontractors that apply to BA with respect to such PHI, and that require compliance with all appropriate safeguards as found in this Agreement.

5. Reporting of Improper Access, Use or Disclosure or Breach

 - b) The unauthorized person who had access to the PHI;
 - c) Whether the PHI was actually acquired or viewed; and
 - d) The extent to which the risk to PHI has been mitigated.
- iii. Provide a completed risk assessment and investigation documentation to CE's Office of Compliance within ten (10) calendar days of discovery of the Breach or suspected Breach with a

- a) If BA and CE agree that a Breach has not occurred, notification to Individual(s) is not required.
- b) If a Breach has occurred, notification to the Individual(s) is required and BA must provide CE with affected Individual(s) name and contact information so that CE can provide notification.

iv. Make available to CE and governing State and Federal agencies in a time and manner designated by CE or governing State and Federal agencies, any policies, procedures, internal practices and records relating to a Breach or suspected Breach for the purposes of audit or should the CE reserve the right to conduct its own investigation and analysis.

6. Access to PHI

To the extent BA maintains a Designated Record Set on behalf of CE, BA shall make PHI maintained by BA or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within ten (10) days of a request by CE to enable CE to fulfill its obligations under the Privacy Rule. If BA maintains ePHI, BA shall provide such information in electronic format to enable CE to fulfill its obligations under the HITECH Act. If BA receives a request from an Individual for access to PHI, BA shall immediately forward such request to CE.

7. Amendment of PHI

If BA maintains a Designated Record Set on behalf of the CE, BA shall make any amendment(s) to PHI in a Designated Record Set that the CE directs or agrees to, pursuant to 45 C.F.R. section 164.526, or take other measures as necessary to satisfy CE's obligations under 45 C.F.R. section 164.526, in the time and manner designated by the CE.

8. Access to Records

BA shall make internal practices, books, and records, including policies and procedures, relating to the use, access and disclosure of PHI received from, or created or received by BA on behalf of, CE available to the Secretary of HHS, in a time and manner designated by the Secretary, for purposes of the Secretary determining CE's compliance with the Privacy Rule and Security Rule and patient confidentiality regulations. Any documentation provided to the Secretary shall also be provided to the CE upon request.

9. Accounting for Disclosures

BA, its agents and subcontractors shall document disclosures of PHI and information related to such disclosures as required by HIPAA. This requirement does not apply to disclosures made for purposes of TPO. BA shall provide an accounting of disclosures to CE or an Individual, in the time and manner designated by the CE. Upon termination of this Agreement, BA shall return all PHI required to be retained by the BA or its subcontractors, employees or agents on behalf of the CE. In the event the BA determines that returning the PHI is not feasible, the BA shall provide the CE with written notification of the conditions that make return not feasible. Additionally, the BA must follow established policies and procedures to ensure PHI is safeguarded and disposed of adequately in accordance with 45 C.F.R. section 164.310, and must submit to the CE a certification of destruction of PHI. For destruction of ePHI, the National Institute of Standards and Technology (NIST) guidelines must be followed. 12. Breach by the CE

Pursuant to 42 U.S.C. section 17934, subdivision (b), if the BA is aware of any activity or practice by the CE that constitutes a material Breach or violation of the CE's obligations under this Agreement, the BA must take reasonable steps to address the Breach and/or end eliminate the continued violation, if the BA has the capability of mitigating said violation. If the BA is unsuccessful in eliminating the violation and the CE continues with non-compliant activity, the BA must terminate the Agreement (if feasible) and report the violation to the Secretary of HHS.

16. Indemnification

BA agrees to indemnify, defend and hold harmless CE and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, penalties, injuries, costs and expenses (including costs for reasonable attorney fees) that are caused by or result from the acts or omissions of BA, its officers, employees, agents and subcontractors, with respect to the use, access,

maintenance or disclosure of CE's PHI, including without limitation, any Breach of PHI or any expenses incurred by CE in providing required Breach notifications.
