(D) Notwithstanding the salary as established by this chapter, the Board of Supervisors may establish salary, benefits, and other terms and conditions of employment by contract for the classifications listed in this section.

(5) Salary Rates and Step Advancements.

1 (A) Eligibility for Step Advancement. Employees shall be hired at
2 Step 1 of the established base salary range, except as otherwise provided in this
3 subdivision. Variable entrance steps may be established if justified by recruitment needs
4 through Step 10 with the approval of the appointing authority and through the top step
5 with the approval of the Director of Human Resources or designee.

6 Within the base salary range, all step advancements will be made at
7 the beginning of the pay period in which the employee completes the required number of
8 service hours. However, when an employee reaches the required number of service
9 hours with 80 hours in each pay period, the step advancement will be made at the
10 beginning of the next pay period. Approval for advancement shall be based upon
11 completion of the required length of service hours in the classification, satisfactory work
12 performance, and appointing authority recommendation.

13 Completed service hours shall be defined as regularly scheduled
14 hours in a paid status, up to 80 hours per pay period. Overtime hours, disability payments,
15 medical emergency leave, and time without pay shall not count toward step
16 advancements. Unless otherwise approved by the Board of Supervisors, step
17 advancements within a base salary range shall be based upon a one-step increment,
18 approximately two and one-half percent. The employee shall be eligible for step
19 advancements after completion of increments of 1,040 hours until the top step of the
20 range is reached.

21 An appointing authority may request, in limited exceptional
22 circumstances and with adequate justification, the adjustment of the salary step or salary
23 rate of an employee to maintain salary equity within the system, to prevent undue
24 hardship or unfairness due to the application of any rule or policy, or to correct any salary
25 inequity, subject to the recommendation of the Director of Human Resources and the final
26 approval of the Chief Executive Officer or his/her designee. The Director of Human
27 Resources may authorize the adjustment of the salary step or salary rate of an employee
28 to correct any payroll error or omission, including any such action which may have arisen

1 in any prior fiscal year.

2 (B) Implementation of Classification Study Results.

3 (I) Upgrading. An upgrading is the reclassification of a
4 position from one classification to another classification having a higher base salary
5 range. Whenever an incumbent employee is upgraded as a result of such reclassification,
6 pursuant to the Personnel Rules, such employee's step placement in the new salary
7 range shall be governed by the subdivision on "Promotions."

8 (II) Downgrading. A downgrading is the reclassification of
9 a position from one classification to another classification having a lower base salary
10 range. When a position is downgraded, the incumbent employee may continue at the
11 same salary rate where the salary rate is within the new base salary range. Where an
12 incumbent receives a salary rate greater than the maximum of the new base salary range,
13 the Director of Human Resources may authorize continuation of the same salary rate to
14 the incumbent employee that the employee received prior to the downgrading of the
15 position by placing the employee on an "X" step, provided that the employee shall receive
16 no future salary rate increases until the salary range maximum of the new classification
17 exceeds the "X" step.

18 (C) Salary Rate Adjustment. A salary rate (equity) adjustment is
19 a change in the salary range assignment of an existing classification as a result of a
20 compensation study. Step placement for incumbent employees whose classification is
21 assigned to a higher base salary range shall be determined as follows, unless this process
22 is waived by the Chief Executive Officer:

23 (I) If the employee's original base rate of pay is less than
24 Step 1 of the newly designated pay range, the employee shall be placed on Step 1 of the
25 new range. The employee shall be eligible to advance to the next step upon receiving a
26 satisfactory rating after completion of 1,040 hours, in accordance with the requirements
27 of Subsection 13.0613(c)(4)(A). Subsequent step advances shall be administered in
28 accordance with Subsection 13.0613(c)(4)(A).

1 (II) If the employee's original base rate of pay falls within
2 the newly designated pay range, and the salary adjustment granted is at least two salary
3 ranges, the employee shall be placed upon the step in the new range that is approximately
4 a five percent salary increase, not to exceed the maximum step of the new range. If the
5 employee's original base rate of pay falls within the newly designated pay range, and the
6 salary adjustment granted is less than two salary ranges, the employee shall be placed
7 upon the step in the new range that is approximately a two and one-half percent salary
8 increase, not to exceed the maximum step of the new range. The employee shall be
9 eligible to advance to the next step upon receiving a satisfactory rating after completion
10 of 1,040 hours, in accordance with the requirements of Subsection 13.0613(c)(4)(A).
11 Subsequent step advances shall be administered in accordance with Subsection
12 13.0613(c)(4)(A).

13 (D) Demotion. A demotion is the appointment of an employee
14 from an incumbent position to a position in a different classification for which the maximum
15 rate of pay is lower. An employee demoted for disciplinary reasons shall be placed on
16 the step within the base salary range of the class to which the employee demoted as
17 provided in the order of demotion.

18 An employee demoted for non-disciplinary reasons who returns to
19 their former classification during the probationary period or within 2,080 service hours of
20 promotion, shall be returned to the same salary step within the base salary range for the
21 former classification that the employee was on prior to promotion. No credit shall be
22 granted for hours worked at the promoted level for the next step advance due date.

23 An employee demoted for non-disciplinary reasons shall be placed
24 on a step closest to, but not less than, their current base rate of pay on the salary range
25 of the classification to which the employee demotes, not to exceed the top step of the
26 applicable range, with the approval of the appointing authority and the Director of Human
27 Resources.

28 An employee who demotes for non-disciplinary reasons to a trainee

1 classification for which the journey level classification is higher than the classification they
2 demoted from, shall be placed on a step closest to, but not less than, their current base
3 rate of pay on the salary range of the classification to which the employee demoted.
4 Employees whose current base rate of pay exceeds the top step of the salary range to
5 which the employee demoted shall be placed on the "X" step and retain their current base
6 rate of pay. Provided that the "X" step continues to be above the top step of the demoted
7 classification range, the employee shall receive no future salary rate increases until the
8 employee has promoted to the journey level classification.

9 An employee who demotes for non-disciplinary reasons to a trainee
10 classification for which the journey level classification is lower than the classification they
11 demoted from shall retain the same salary rate, provided that the salary rate does not
12 exceed the top step of the journey level classification. If the salary rate is higher than the
13 top step of the journey level classification, the employee shall be placed at the top step
14 of the base salary range of the lower journey level classification.

15 (E) Promotion. A promotion is the appointment of an employee
16 from one classification to a classification having a higher base salary range. A promoted
17 employee shall receive the entrance rate of the new range or , at least a five percent (5%)
18 salary increase. An advanced step may be provided by the Appointing Authority up to a
19 seven and a half percent (7.5%) increase in total not to exceed the top step of the higher
20 base salary range. At the request of the appointing authority and with the approval of the
21 Director of Human Resources, an employee may be placed at a step above a seven and
22 a half percent (7.5%) increase, not to exceed the top step of the higher base salary range.
23 Promotions shall be effective only at the beginning of a pay period unless the Director of
24 Human Resources approves an exception.

25 (d) Job Sharing and Part-time Employment. The County will make reasonable
26 accommodation for employees who desire to share their positions with other qualified
27 employees or eligible persons or to work on a part-time basis. Jobs may be shared on
28 an hourly or daily basis. All benefits for job sharing and part-time employees shall be pro-

1 rated on regularly scheduled hours except as may otherwise be provided. Benefits not
2 subject to proration include the following leaves: blood donation, examination time, and
3 bereavement. Further, where a specific benefit provides a minimum hour requirement
4 (e.g., must be full-time, or scheduled hours) job sharing and part-time employees shall be
5 required to meet the minimum hour requirement in order to receive the benefit.

6 (e) Hours of Work.

7 (1) Employees shall be required to work during such hours as necessary
8 to carry out the duties of their position as designated by the appointing authority, and such
9 hours may be varied so long as the work requirements and efficient operations of the
10 County are assured.

11 (2) The nature of Fair Labor Standards Act (FLSA) exempt employment
12 for certain affected Exempt Group classifications is such that intermittent, occasional
13 overtime is needed to fulfill the responsibilities and requirements of the position. Usually,
14 additional time and effort are proportionate to the importance and level of the responsible
15 position. These factors of time and effort are incorporated when the compensation level
16 of FLSA-exempt positions is established. In those instances in which a position's work
17 extends well beyond the normal hours of employment, the Chief Executive Officer may
18 authorize additional compensation in the form of cash payment or compensating time off,
19 generally on a pre-approved and prescheduled basis. Circumstances for such
20 compensation would include implementation of the intent of a Board of Supervisors
21 approved program or emergency response.

22 (3) For FLSA-covered employees in the Exempt Group classifications,
23 overtime is determined by the legal requirements of the FLSA. For FLSA-covered
24 employees, the following overtime provisions apply.

25 (A) Definition. OVERTIME shall be defined as all hours actually
26 worked in excess of 40 hours a work period. For purposes of defining overtime, paid
27 leave time, excluding sick leave as provided in Subsection 13.0613(e)(3)(B), shall be
28 considered as time actually worked. Overtime shall be reported in increments of full 15

minutes and is non-accumulative and non-payable when incurred in units of less than 15 minutes. Overtime shall not affect leave accruals.

(B) Sick leave that is not pre-approved and sick leave used by employees on leave restriction shall not be considered as time actually worked for the purpose of calculating overtime. PRE-APPROVED shall mean notice to management at least 48 hours prior to the beginning of the leave.

(C) Overtime Compensation. Any employee authorized by the appointing authority or authorized representative to work overtime shall be compensated at premium rates, i.e., one and one-half times the employee's regular rate of pay. Payment for overtime compensation shall be made on the first payday following the pay period in which such overtime is worked, unless overtime compensation cannot be computed until some later date, in which case, overtime compensation will be paid on the next regular payday after such computation can be made.

In lieu of cash payment, upon request of the employee and approval of the appointing authority, an employee may accrue compensating time off at premium hours. Cash payment at the employee's regular rate of pay shall automatically be paid for any compensating time which exceeds 80 hours, for any such time which has not been taken within 26 pay periods after being accrued, or for any hours on record immediately prior to promotion, demotion or termination of employment.

(D) Variable Work Schedule. An appointing authority, with agreement of an affected employee, may arrange for that individual to take such time off as necessary to ensure that an employee's actual time worked does not exceed 40 hours within a given work period.

(E) Work Period. The work period for purposes of overtime commences at 12:01 a.m. Saturday and ends at 12:00 midnight the following Friday of each week. The pay period and workweek may be adjusted in accordance with FLSA requirements.

(f) Insurance Programs.

1 (1) Medical and Dental Coverage Insurance.

2 (A) All eligible employees scheduled to work 40 hours or more per
3 pay period in a regular position must enroll in a medical and dental plan offered by the
4 County. Employees who fail to elect medical and dental plan coverage will be
5 automatically enrolled in the medical broad network HMO plan and dental HMO plan with
6 the lowest biweekly premium rates available in the geographical location of the
7 employee's primary residence. Medical and dental plan coverage will become effective
8 on the first day of the pay period following the first pay period in which the employee is
9 scheduled to work 40 hours or more and be in paid status.

10 (B) To continue enrollment in County-sponsored medical and
11 dental plan coverage, an employee must remain in a regular position scheduled to work
12 for a minimum of 40 hours per pay period and be in paid status or be on an approved
13 leave for which continuation of medical and dental coverage is expressly provided under
14 this subdivision, or be eligible for and have timely paid the premium for COBRA
15 continuation coverage.

16 (C) Eligible employees may elect to enroll their dependents upon
17 initial eligibility for medical and dental insurance. Thereafter, newly eligible dependents
18 may be enrolled within 60 days of obtaining dependent status, such as birth, adoption,
19 marriage, or registration of domestic partnership.

20 (D) Notification of a mid-year qualifying event must be submitted
21 to Human Resources in accordance with procedures adopted by Human Resources.
22 Employees are responsible for notifying the County within 60 days of dependent's change
23 in eligibility for the County plans.

24 (E) Dependent(s) must be removed mid-plan year when a
25 dependent(s) becomes ineligible for coverage under the insurance plan eligibility rules,
26 for example, divorce, over-age dependent, or termination of domestic partnership.

27 (F) Enrollment elections must remain in effect for the remainder
28 of the plan year unless an employee experiences an IRS qualifying event.

1 (G) Premiums for coverage will be automatically deducted from
2 the employee's pay warrant. Failure to pay premiums will result in loss of coverage for
3 the employee and/or the dependents. If the employee does not have sufficient earnings
4 to cover the deduction for premiums, the employee must make alternative payment
5 arrangements that are acceptable to Human Resources.

6 (H) Employees eligible for medical plan coverage who are also
7 enrolled in a comparable group medical plan sponsored by another employer or are
8 covered by a spouse, domestic partner, or parent who is also employed with the County
9 may elect to discontinue enrollment in County-sponsored medical plan (opt-out or waive).

10 (I) Employees who, prior to July 9, 2005, elected to opt-
11 out of County-sponsored medical plan coverage and continue to opt-out will receive the
12 following biweekly amount: Employees scheduled for 61 to 80 hours per pay period shall
13 receive \$161.54 per pay period. Employees scheduled for 40 to 60 hours per pay period
14 shall receive \$80.77 per pay period. To receive these amounts, the employee must be in
15 paid status.

16 (II) Employees scheduled to work 61 to 80 hours who, prior
17 to July 9, 2005, elected to waive medical plan coverage to a spouse, domestic partner,
18 or parent employed by the County and continue to waive will receive \$230.00 per pay
19 period; employees scheduled for 40 to 60 hours who continue to waive shall receive
20 \$115.00 per pay period.

21 (III) New opt-outs or waivers (i.e., new employees and
22 current employees who opted-out or waived effective July 9, 2005, and any time
23 thereafter) scheduled for 61 to 80 hours per pay period will receive \$40.00 per pay period;
24 new opt-outs or waivers scheduled for 40 to 60 hours shall receive \$20.00 per pay period.

25 (I) Employees eligible for County-sponsored dental plan
26 coverage who are also enrolled in a comparable group dental plan sponsored by another
27 employer or are covered by a spouse, domestic partner, or parent who is also employed
28 with the County may elect to discontinue enrollment in their County-sponsored dental

1 plan.

2 (J) The rules and procedures for electing to opt-out of or waive
3 County-sponsored medical and dental plan coverage are established and administered
4 by Human Resources.

5 (I) Employees may elect to opt-out of or waive County
6 medical and/or dental plan coverage(s) within 60 calendar days of the effective date of
7 gaining other employer group coverage. Proof of initial gain of other employer group
8 coverage is required at the time that opt-out or waive is elected.

9 (II) Employees may also elect to opt-out of or waive
10 County medical and/or dental plan coverage during an annual open enrollment period.
11 All employees who are newly opting-out or waiving during an open enrollment period must
12 provide verification of other group coverage.

13 (III) Except as required at the initial opt-out/waive election,
14 employees are not required to provide verification of continued coverage unless
15 requested by the plan administrator.

16 (IV) Employees who voluntarily or involuntarily lose their
17 other employer group medical and/or dental plan coverage must enroll in a County-
18 sponsored medical and/or dental plan within 60 calendar days. Enrollment in the County-
19 sponsored plan will be provided in accordance with the requirements of the applicable
20 plan.

21 (V) There must be no break in the employee's medical
22 and/or dental plan coverage between the termination date of the other employer group
23 coverage and enrollment in a County sponsored medical and/or dental plan. Terms and
24 conditions of the applicable plan will determine the required retroactive enrollment period
25 and premiums required to implement coverage. Failure to notify the County of loss of
26 group coverage within 60 calendar days will require the employee to pay their insurance
27 premiums retroactively on an after-tax basis.

28 (K) For employees assigned to work in the Needles, Trona, and

1 Baker work locations, the County will establish a Needles Subsidy. To be eligible for the
2 Needles Subsidy the employee must be enrolled in a medical plan and receive the MPS.
3 The Needles Subsidy will be paid by the employee's department and will be equal to the
4 amount of the premium difference between the indemnity medical plan offered in these
5 specific work locations and the HMO medical plan with the most comparable benefit
6 design (e.g., similar copayment amounts, out-of-pocket maximums, etc.) provided by the
7 County. The applicable subsidy amount shall be paid directly to the provider of the
8 County-sponsored medical plan in which the eligible employee has enrolled. This
9 Needles Subsidy will be established each year when premiums change for the County-
10 sponsored medical plans. The subsidy will be discontinued when the HMO plan used in
11 the comparison above in this paragraph becomes available to the employees.

12 (2) Term Life Insurance.

13 (A) County Paid Life Insurance. The County will pay the premium
14 for a term life policy, the amount of which is based on the eligible employee's scheduled
15 hours. Employees scheduled from 40 to 60 hours per pay period shall receive \$25,000.00
16 in coverage. An employee scheduled from 61 to 80 hours shall receive \$50,000.00 in
17 coverage. Life insurance will become effective on the first day of the pay period following
18 the employee's first pay period in which the employee is in paid status. For pay periods
19 in which the employee is not in paid status, the employee shall have the option of
20 continuing life insurance coverage at the employee's expense.

21 (B) Voluntary Life Insurance. In accordance with the procedures
22 established by Human Resources, eligible employees may purchase, through payroll
23 deductions, term life insurance subject to carrier requirements. New employees shall
24 become initially eligible to participate in this program on the first day of the pay period
25 following the pay period in which the employee is in paid status. Participation will continue
26 as long as premiums are paid timely. If the employee does not have sufficient earnings
27 to cover the deduction for premiums, the employee must make alternative payment
28 arrangements that are acceptable to Human Resources.

(3) Group Universal Life. Eligible employees may purchase, through payroll deductions, group universal life insurance subject to carrier requirements and approval. The benefit levels for such insurance shall be equivalent to no more than three times the employee's annual base earnings. Employees who purchase group universal life insurance shall be provided a County contribution towards the biweekly premium based on the following schedule:

Benefit Group	County Contribution
Benefit Group A	100 percent of the premium for benefit level equal to the annual base salary
Benefit Group B	50 percent of the premium for benefit level equal to the annual base salary or 100 percent of the premium for benefit level equal to one-half of the annual base salary
Benefit Group C	25 percent of the premium for benefit level equal to the annual base salary
Benefit Group D	25 percent of the premium for benefit level equal to the annual base salary

If the employee does not have sufficient earnings to cover the deduction for premiums, the employee must make alternative payment arrangements that are acceptable to Human Resources.

(4) Accidental Death and Dismemberment Insurance. Exempt Group employees may purchase amounts of accidental death and dismemberment insurance coverage for themselves and dependents through payroll deduction. New employees shall become initially eligible to participate in these programs on the first day of the pay period following the first pay period in which the employee is in paid status. Participation will continue as long as premiums are paid timely. If the employee does not have sufficient earnings to cover the deduction for premiums, the employee must make alternative payment arrangements that are acceptable to Human Resources. The benefits will be provided subject to carrier requirements and will be administered by Human Resources.

(5) Long-Term Disability Insurance. The County will provide Exempt Group employees with long-term disability insurance subject to carrier requirements and

1 approval. The benefit levels are subject to carrier requirements. Integration of leave
2 balances (e.g., sick, vacation, etc.), either partially or fully, are allowed in conjunction with
3 long-term disability benefits.

4 (6) Short-Term Disability Insurance. The County will provide an
5 employer paid short-term disability insurance plan for Exempt Group employees. This
6 benefit shall apply to Exempt Group employees in regular positions who are regularly
7 scheduled to work 40 hours or more per pay period. The short-term disability insurance
8 plan benefit coverage shall be governed by the plan document that has been approved
9 and adopted by the Board of Supervisors for Exempt Group employees and is subject to
10 carrier requirements and approval. The short-term disability insurance plan benefit
11 coverage shall include a provision for a seven consecutive calendar day waiting period
12 from the first day of disability before benefits begin. Benefits shall be 55 percent of base
13 salary up to a weekly maximum established by a formula that incorporates the State of
14 California for the State Disability Insurance fund maximum. Benefit payments terminate
15 when the employee is no longer disabled or after receiving 180 days of benefits at which
16 time the employee would be eligible for long-term disability benefits if still medically
17 disabled.

18 (7) Vision Care Insurance. Subject to carrier requirements, the County
19 will pay the premiums for vision care insurance for employees who are in paid status and
20 their eligible dependents.

21 (g) Leave Provisions.

22 (1) Sick Leave. Sick leave with pay is an insurance or protection
23 provided by the County to be granted in circumstances of adversity to promote the health
24 of the individual employee. It is not an earned right to time off from work. SICK LEAVE
25 is defined to mean the authorized absence from duty of an employee because of physical
26 or mental illness, injury, pregnancy, confirmed exposure to a serious contagious disease,
27 for a medical, optical, or dental appointment, for certain purposes related to being a victim
28 of domestic violence, sexual assault or stalking, or other purpose authorized herein.

1 (A) Definition.

2 (I) FAMILY MEMBER. A FAMILY MEMBER, as defined
3 by Labor Code section 245.5, is a parent, child, spouse, registered domestic partner,
4 grandparent, grandchild, sibling, or any person designated by the employee at the time
5 the employee requests paid sick days. An employee shall not identify more than one
6 "designated person" as a family member in a 12-month period from the first date of
7 designation. PARENT means a biological, foster, adoptive, or stepparent, a legal
8 guardian of the employee or the employee's spouse or registered domestic partner, or a
9 person who stood in loco parentis when the employee was a minor child. CHILD means
10 a biological, foster, or adopted child, a stepchild, a legal ward, a child of a domestic
11 partner, or a child to whom the employee stands in loco parentis. DOMESTIC PARTNER
12 is defined by Family Code section 297.

13 (II) EXTENDED FAMILY. EXTENDED FAMILY is defined
14 as, sibling-in-law, aunt, uncle, niece, nephew, or any step relations as defined herein.

15 (B) Accumulation. Employees in regular positions shall accrue
16 sick leave for each payroll period completed, prorated on the basis of 3.69 hours per pay
17 period, except as provided in Subsection 13.0613(g)(14). Earned sick leave shall be
18 available for use the first day following the payroll period in which it is earned. Employees
19 in regular positions paid less than 80 hours per pay period or job-shared positions shall
20 receive sick leave accumulation on a pro rata basis. There shall be no limit on sick leave
21 accumulation.

22 (C) Compensation. Approved sick leave with pay shall be
23 compensated at the employee's base rate of pay. The minimum charge against
24 accumulated sick leave shall be 15 minutes.

25 (D) Administration.

26 (I) Investigation. It shall be the responsibility and duty of
27 each appointing authority to investigate each request for sick leave and to allow sick leave
28 with pay where the application is determined to be proper and fitting, subject to approval

of the Director of Human Resources.

(II) Notice of Sickness. In 24-hour departments, the appointing authority or designee should be notified at least two hours prior to the start of the employee's scheduled tour of duty of a sickness on the first day of absence and must be notified at least one hour prior to the start of the employee's scheduled tour of duty. In other departments, the appointing authority or designee must be notified within one-half hour after the start of the employee's scheduled tour of duty of a sickness on the first day of absence.

It is the responsibility of the employee to keep the appointing authority informed as to continued absence beyond the first day for reasons due to sickness or occupational disability. Failure to make such notification shall result in denial of sick leave with pay. If the employee receives a doctor's off-work order and provides notice of same to the appointing authority, the employee is not required to contact the department daily. If the employee does not have an off-work order or has not notified the appointing authority that one has been issued, the employee shall be required to contact the department daily in accordance with the timeframe above.

(III) Review. The Director of Human Resources may review and determine the justification of any request for sick leave with pay and may, in the interest of the County, require information from a doctor to support a claim for sick leave pay.

(IV) Proof. A doctor's certificate or other adequate proof shall be provided by the employee in all cases of absence due to illness if requested by the appointing authority. All requests for proof of illness shall be made in compliance with the Labor Code and other law.

(V) Improper Use. Evidence substantiating the use of sick leave for willful injury, gross negligence, intemperance, trivial indispositions, instances of misrepresentation, or violation of the rules defined herein will result in denial of sick leave with pay and shall be construed as grounds for disciplinary action up to and including

1 termination.

2 (E) Sick Leave for Other than Personal Illness/Injury.

3 (I) Family Sick Leave. A maximum of one-half of the
4 employee's annual accrual of earned sick leave per calendar year may be used for
5 attendance upon family members who require the attention of the employee. Upon
6 approval of the appointing authority, the employee may use part of this annual allowance
7 for attendance upon members of the employee's extended family residing in the
8 employee's household who require the attention of the employee.

9 (II) Bereavement. A maximum of three days earned sick
10 leave may be used per occurrence for bereavement due to the death of an employee's
11 family member as defined in section 13.0613(g)(1)(A)(I), except for a person "designated"
12 by the employee for sick leave purposes, and for any member of the employee's extended
13 family as defined in section 13.0613(g)(1)(A)(II) or any relative who resided with the
14 employee.

15 (III) Birth/Adoption. A maximum of 40 hours earned sick
16 leave may be used per occurrence for arrival of an adoptive child at the employee's home.
17 An employee may utilize on an annual basis no more than 40 hours of accumulated sick
18 leave per calendar year for the birth of his or her child.

19 (IV) Medical, Optical or Dental Appointments. The
20 employee may use sick leave for medical, dental or optical appointments; however, every
21 effort should be made to schedule the appointments at a time of day that will minimize
22 the employee's time off work.

23 (F) Return-to-Work Medical Clearance.

24 (I) Under any of the following circumstances, all
25 employees who have been off work due to an illness or injury will report to the San
26 Bernardino County Center for Employee Health and Wellness for a medical evaluation of
27 condition and authorization to return to work before returning to work.

28 (i) Employees whose treating physician or other

1 qualified medical provider has ordered job modification(s) as a condition for either
2 continuing to work or for returning to work after an illness or injury. This applies to both
3 occupational and non-occupational illness or injury.

4 (ii) Employees who have been off work due to
5 communicable diseases such as, but not limited to, chicken pox and measles.

6 (iii) Employees who have been absent on account
7 of serious medical condition, when so directed by appointing authority.

8 (II) Employees are required to attend return-to-work
9 medical appointments at the Center for Employee Health and Wellness on their own time;
10 however, mileage for attending such appointments are eligible for reimbursement
11 pursuant to the expense reimbursement provision, Subsection 13.0613(j).

12 (III) It is the responsibility of the employee to obtain written
13 notice from the medical provider of authorization to return to work with or without job
14 modification. To ensure all necessary and relevant medical information is provided, the
15 County shall make available forms to be completed by the medical provider. It is the
16 responsibility of the employee to provide verbal notice to his or her appointing authority
17 immediately upon receipt of the medical provider's authorization to return to work, and no
18 later than 24 hours after receipt of the notice. The appointing authority or designee will
19 schedule an appropriate medical evaluation for the employee with the Center for
20 Employee Health and Wellness prior to the employee's return to work. The employee
21 shall provide the medical provider's written notice of authorization to return to work to the
22 Center at or prior to the employee's scheduled appointment time.

23 (IV) Exceptions to the above requirements may be made
24 on a case-by- case basis by the Center for Employee Health and Wellness.

25 (V) The employee is obligated to attend the appointment
26 as scheduled under the conditions outlined above. If the employee fails to adhere to the
27 procedure, the employee is required to use sick leave or leave without pay for any work
28 hours missed. If required notice has been provided, and there is a delay between the

1 employee's appointment with the Center and the start of his or her scheduled tour of duty
2 on the day that he or she was released to return to work, the County will pay for work
3 hours missed, without charge to the employee's leave balances.

4 (VI) The final decision on the employee's ability to return to
5 work rests with the medical provider at the Center. In the event the employee is not
6 released to return to work by the medical provider at the Center, the employee's status
7 would continue on sick leave or, where there is no balance, leave without pay.

8 (G) Workers' Compensation. Employees shall receive full salary
9 in lieu of Workers' Compensation benefits and paid sick leave for the first 40 hours
10 following an occupational injury or illness, if authorized off work by order of an accepted
11 physician under the Workers' Compensation sections of the California Labor Code.
12 Thereafter, accumulated paid leave may be prorated to supplement such temporary
13 disability compensation payments, provided that the total amount shall not exceed the
14 regular gross salary of the employee. Employees eligible for salary continuation pursuant
15 to Labor Code section 4850 are not entitled to this paid time.

16 (H) Employees covered by Labor Code section 4850 who are
17 injured in the line of duty are entitled to full salary in lieu of Workers' Compensation
18 benefits and sick leave for a period not to exceed one year. After the employee has used
19 one full year of such "4850 time", said employee may use accumulated paid leave with
20 pay with the approval of the appointing authority to augment temporary disability
21 payments if said employee is still temporarily disabled by order of an accepted physician
22 under the Workers' Compensation sections or until said employee is retired.

23 (I) Separation. Unused sick leave shall not be payable upon
24 separation of the employee, except as provided in the Retirement Medical Trust Fund,
25 Subsection 13.0613(k)(4) and as provided below.

26 Upon the death of an active employee with five or more years of
27 continuous service from the most recent date of hire in a regular position, the estate of
28 the deceased employee will be paid the cash value for the unused sick leave balances

according to the sick leave conversion formula below only up to 1,000 hours and will not go into the Trust.

Sick Leave Balance as of Date of Separation for Death	Cash Payment Percent of Hours of Sick Leave Balance
480 hours or less	30 percent
481 to 600 hours	35 percent
601 to 720 hours	40 percent
721 to 840 hours	45 percent
841 to 1,000 hours	50 percent

(J) Sick Leave Conversion. While employed by the County, employees who have contributed to a public sector retirement(s) for over five years and have not withdrawn the contribution from the system(s) may exchange accrued sick leave hours in excess of 200 hours for Vacation Leave or Paid Time Off (PTO) hours on the following basis:

Sick Leave Balance at Time of Conversion	Conversion Ratio
201 to 599 hours	3 sick hours to 1 hour Vacation/PTO
600 to 799 hours	2.5 sick hours to 1 hour Vacation/PTO
800 or more hours	2 sick hours to 1 hour Vacation/PTO

Any such exchange must be made in ten-hour increments of accrued sick leave under the procedures established by the Director of Human Resources. Employees may elect this exchange once per calendar year.

(2) Vacation Leave.

(A) Definition. VACATION is a right, earned as a condition of employment, to a leave of absence with pay for the recreation and well-being of the employee. If an employee has exhausted sick leave, vacation leave may be used for sick leave purposes upon a special request of the employee and with the approval of the appointing authority.

(B) Accumulation. Employees in regular positions scheduled to work 80 hours per pay period shall accrue, on a pro-rata basis, vacation leave for completed pay periods. Such vacation leave shall be available for use on the first day

following the pay period in which it is earned, provided an employee has worked six pay periods from the employee's hire date. Employees in regular positions paid less than 80 hours per pay period or job shared positions shall receive vacation leave accumulation on a pro-rata basis.

Length of Service from Hire Date	Annual Vacation Allowance
Hire date through 8,320 service hours	80 hours
Over 8,320 and through 18,720 service hours	120 hours
Over 18,720 service hours	160 hours

The maximum vacation leave accrual balance that may be carried over to a future calendar year shall be 480 hours. However, the maximum vacation leave accrual balance that may be carried over into a future calendar year for an employee with a balance of more than 480 hours at the end of calendar year 2010 shall be such employee's vacation leave balance at the end of pay period 26 of calendar year 2010. Thereafter, the maximum vacation accrual balance for those employees with a balance greater than 480 hours at the end of calendar year 2010 shall be adjusted annually at the end of each calendar year and shall never be increased. Any vacation leave accrual balance in excess of the employee's maximum leave accrual balance at the end of the calendar year shall be cashed out and paid in accordance with Subsection 13.0613(g)(2)(E)(II).

(C) Administration.

(I) Vacation periods should be taken annually with the approval of the appointing authority at such time as will not impair the work schedule or efficiency of the department but with consideration given to the well-being of the employee.

(II) The minimum charge against accumulated vacation leave shall be 15 minutes. Vacation leave shall be compensated at the employee's base rate of pay, except as otherwise provided in this Plan.

(III) When a fixed holiday falls within a vacation period, the holiday time shall not be charged against an employee's earned vacation benefits.

1 (IV) Employees not planning to return to County
2 employment at the expiration of a vacation leave, except those retiring, shall be
3 compensated in a lump sum payment for accrued vacation and shall not be carried on
4 the payroll. Retiring employees may elect to use vacation leave to enhance retirement
5 benefits or be compensated in a lump sum payment for accrued vacation leave.

6 (D) Prior Service. New employees hired into the County in regular
7 positions who have been employed by a public jurisdiction or private sector in a
8 comparable position or a position which has prepared such employees for an assignment
9 to a position in the Exempt Group may receive credit for such previous experience in the
10 former agency(s) in determining their vacation accrual rate. Such determination as to the
11 comparability of previous experience and amount of credit to be granted rests solely with
12 the Director of Human Resources or designee. Requests for prior service credit should
13 be made at the time of hire or as soon as possible thereafter but in no event later than
14 one year from the employee's hire date.

15 (E) Conversion of Vacation Leave to Cash.

16 (I) Elective Conversion. An employee may sell back
17 vacation leave at the base hourly rate of the employee as hereinafter provided, upon
18 approval of the appointing authority. Eligible employees may exercise these options
19 under procedures established by the Director of Human Resources. In lieu of cash, the
20 employee may designate that part or all of the value of vacation leave be contributed to
21 the County's 401(k) Defined Contribution Plan or 457(b) Deferred Compensation Plan. In
22 order to sell back vacation leave prior to termination or retirement, an employee may
23 exercise the following options:

24 Option 1. Future Accruals. An employee must make an
25 irrevocable election during the month of December, specifying the number of hours to be
26 sold back from the next calendar year's vacation leave accrual. Such election must be
27 made in increments of not less than ten hours and may not exceed 160 hours. All
28 designated hours remaining in the last pay period of the calendar year will automatically

1 be converted into cash in the last pay period of the calendar year.

2 Option 2. Existing Accruals. Existing accruals may be cashed
3 out in whole hour increments with a minimum cash out of ten hours and will be subject to
4 a ten percent penalty.

5 (II) Automatic Conversion. At the end of the last pay
6 period of the calendar year, an employee shall automatically have any vacation leave
7 accruals in excess of the employee's maximum vacation leave accrual balance converted
8 to cash. Such automatic vacation leave cash out shall be paid in pay period 1 of the next
9 calendar year.

10 (3) Holiday Leave.

11 (A) Fixed Holidays. All employees in regular positions except as
12 modified in Subdivision (i) shall be entitled to the following holidays:

13 January 1

14 Third Monday in January

15 Third Monday in February

16 Last Monday in May

17 June 19

18 July 4

19 First Monday in September

20 Second Monday in October

21 November 11

22 Thanksgiving Day

23 Day after Thanksgiving

24 December 24

25 December 25

26 December 31

27 (B) Floating Holidays. Employees in regular positions shall be
28 entitled to a total of eight hours floating holiday time annually provided that the employee

1 is not on unpaid leave for the entire pay period and is in paid status for the pay period
2 where the floating holiday time is to accrue. Eight hours floating holiday time shall be
3 accrued during the first pay period prior to the third Monday in January.

4 Floating holidays accrued shall be available for use on the first day
5 following the pay period in which they are accrued, with the approval of the appointing
6 authority. Appointing authorities have the right to schedule employees' time off for
7 accrued holidays to meet the needs of the service but with consideration given to the well-
8 being of the employee. Employees in regular positions budgeted less than 80 hours per
9 pay period or job-shared positions shall receive floating holiday accruals on a pro-rata
10 basis.

11 (C) Maximum Holiday Leave Accrual Balance

12 (I) The maximum holiday leave accrual balance that may
13 be carried over to a future calendar year shall be 112 hours. However, the maximum
14 holiday leave accrual balance that may be carried over into a future calendar year for an
15 employee with a balance of more than 112 hours at the end of calendar year 2010 shall
16 be such employee's holiday leave balance at the end of pay period 26 of calendar year
17 2010. Thereafter, the maximum holiday accrual balance for those employees with a
18 balance greater than 112 hours at the end of calendar year 2010 shall be adjusted
19 annually at the end of each calendar year and shall never be increased.

20 (II) Effective pay period 14 of calendar year 2022, the
21 maximum holiday leave accrual balance will increase to 120 hours. The maximum
22 holiday leave balance that may be carried over to a future calendar year shall be 120
23 hours. However, employees with a grandfathered balance of more than 120 hours shall
24 carry over their maximum grandfathered accrual balance in accordance with Subsection
25 13.0613(g)(3)(C)(I). Any holiday leave accrual balance in excess of the employee's
26 maximum holiday leave accrual balance at the end of the calendar year shall be cashed
27 out and paid in accordance with Subsection 13.0613(g)(3)(G)(II).

28 (D) When a fixed holiday falls within a vacation period, the holiday

time shall not be charged against an employee's earned vacation benefits.

(E) Whenever an employee is required to work on a fixed holiday or the fixed holiday falls on an employee's regularly scheduled day off, the employee shall accrue, on an hour-for-hour basis, up to a total of eight hours floating holiday time.

(F) When a fixed holiday falls on a Saturday, the previous Friday will be observed as the fixed holiday except that when the preceding Friday is also a fixed holiday, the preceding Thursday will be observed as the fixed holiday. When a fixed holiday falls on a Sunday, the following Monday will be observed as the fixed holiday except that when the following Monday is also a fixed holiday, the following Tuesday will be observed as the fixed holiday.

(G) Conversion of Holiday Leave to Cash.

(I) Elective Conversion. An employee may sell back holiday time at the base hourly rate of the employee as hereinafter provided, upon approval of the appointing authority. Eligible employees may exercise this option under procedures established by the Director of Human Resources. In lieu of cash, the employee may designate that part or all of the value of holiday time to be contributed to the County's 401(k) Defined Contribution Plan or 457(b) Deferred Compensation Plan.

In order to sell back holiday time prior to termination or retirement, an employee may exercise the following options:

Option 1. Future Accruals. An employee must make an irrevocable election during the month of December, specifying the number of hours to be sold back from the next calendar year's holiday time accrual. Such election must be made in increments of not less than eight hours and may not exceed the annual amount to be accrued for the next calendar year. All designated hours remaining in the last pay period of the calendar year will automatically be converted into cash in the last pay period of the calendar year.

Option 2. Existing Accruals. Existing accruals may be cashed out in whole hour increments with a minimum cash out of eight hours and will be subject

1 to a ten percent penalty.

2 (II) Automatic Conversion. At the end of the calendar year,
3 an employee shall automatically have any holiday leave accruals in excess of the
4 employee's maximum holiday leave accrual balance converted to cash. Such automatic
5 holiday leave cash out shall be paid in pay period 1 of the next calendar year.

6 (H) Grandfathered Holiday Time. An employee promoted from
7 the Safety Management and Supervisory Unit to the Exempt group who has any
8 grandfathered holiday time at the time of promotion, will be allowed to retain such
9 grandfathered holiday time. Such time may be used or compensated at the time of
10 retirement or separation under the same terms and conditions as are applicable to Safety
11 Management and Supervisory Unit employees.

12 (4) Special Leaves of Absence Without Pay.

13 (A) General Provisions. A special leave of absence without pay
14 may be granted to an employee who:

15 (I) Is medically incapacitated to perform the duties of the
16 position;

17 (II) Desires to engage in a relevant course of study which
18 will enhance the employee's value to the County;

19 (III) Takes a leave of absence pursuant to the Federal
20 Family Medical Leave Act (FMLA), the California Family Rights Act (CFRA), and/or
21 Pregnancy Disability Leave (PDL) provisions of the Fair Employment and Housing Act
22 (FEHA);

23 (IV) For any reason considered appropriate by the
24 appointing authority and the Director of Human Resources.

25 (B) Exempt Group employees eligible to receive the automobile
26 allowance, portable communication device allowance, bilingual compensation, or special
27 assignment compensation will have these benefits suspended while on unpaid leave and
28 upon exhausting short-term disability insurance benefits. These benefits will cease the

day following the end of the individual's short-term disability insurance benefits. Employees off work without pay for disciplinary reasons shall not receive the above listed benefits until they return to full time status.

(C) Type of Leave of Absences. There are four types of leaves of absences. All requests must be in writing and require the approval of the appointing authority or designee and the Director of Human Resources or designee. Upon request, the appointing authority or designee and the Director of Human Resources or designee may grant successive leaves of absence. All benefits shall be administered in accordance with the appropriate section of this code.

(I) Leave of Absence with Right to Return. Leaves of absence with right to return may be granted to employees in regular positions for a period not exceeding one year. The employee remains in his or her position.

(II) Family Leave. Leaves of absence will be granted in accordance with the FMLA, the CFRA, and/or the PDL provisions of FEHA. This leave can be concurrent with use of paid leave or leave of absence without pay with right to return.

An employee on an approved leave of absence without pay under this provision will continue to receive the benefits outlined in Subsection 13.0613(k)(1)(B)(III) for a period of six pay periods. Certification from a health care provider is required for all instances of medical leave under this provision. Employees are required to inform supervisors of the need for leave at least 30 days before commencement where possible.

In instances where the leave is for the birth or placement of a child and both husband and wife are County employees, both employees are limited to a total of 12 weeks between them.

(III) Leave of Absence without Right to Return.

(i) Definition. Leaves of absence without right to return may be granted to employees with regular status for a period not exceeding one

1 year. Employees without right to return shall be removed from their position. Retirement contributions shall remain in the system and cannot be requested for distribution until the expiration of the leave. The employee shall be eligible to purchase medical benefits pursuant to federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA).

(ii) Return Process. An employee may return to the same department in the classification from which the employee took the leave of absence with the approval of the appointing authority and the Director of Human Resources. Alternatively, the employee may apply through Human Resources by the last day of the leave of absence. The employee will be placed on the eligible list for the classification from which he or she took the leave of absence without examination. Placement on the eligible list will be administered in accordance with the requalification provisions of the Personnel Rules. If the employee does not return to a regular position within 90 calendar days of the expiration of such a leave the employee shall be terminated from County service. If reemployed, the employee shall be required to serve a new probationary period. The Director of Human Resources or designee has the discretion to waive the requirement to serve a new probationary period.

(iii) Benefits Upon Return. An employee who returns to a regular position within 90 days after the expiration of the leave of absence without right to return shall retain his or her hire date for purposes of leave accruals and step advances; except that the employee will not receive service credit for the period of time the employee is on the leave of absence without right to return. To be reemployed and retain the above benefits, the employee must be appointed to a position no later than 90 calendar days after the date of expiration of the leave of absence. The 90 days shall run concurrently with the first 90 days of the one-year period provided in the reemployment subdivision.

(IV) Long-Term Medical Leave of Absence.

(i) Definition. An employee with regular status who suffers from a serious condition may be placed on a medical leave of absence for up to

one year, only after FMLA, CFRA and/or PDL have been exhausted. However, if an employee meets the service requirements for eligibility for a disability retirement, the long-term medical leave of absence may be extended. The employee is responsible for providing documentation from a qualified health practitioner prior to approval. The County retains the right to request medical documentation regarding the employee's continued incapacity to return to work.

The employee will be removed from his or her position so that the department may fill behind the employee. Retirement contributions shall remain in the system and cannot be requested for distribution until the expiration of the leave. The employee shall be eligible to purchase benefits pursuant to the federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA).

Upon the employee's ability to return to work or the expiration of the leave of absence, whichever comes first, the employee will have the right to return to the classification within the department from which he or she took a leave of absence when a funded vacancy for which the employee meets the qualifications is available. If the employee does not return to work by the expiration date of the leave, or the soonest date after that for which the department has a vacancy (but in no event later than 90 days following the expiration of the medical leave of absence), the employee relinquishes the right to return.

(ii) Upon return from a medical leave of absence, the employee shall retain hire date for purposes of leave accruals and step advances; except that the employee will not receive service credit for the period of time the employee is on the medical leave of absence.

(5) Medical Emergency Leave. The particulars of the Medical Emergency Leave policy are as follows:

(A) The employee must have regular status with the County or one year of continuous service in a regular position with the County.

(B) The employee must meet all of the following criteria before he

1 or she becomes eligible for Medical Emergency Leave donation: (1) be on an approved
2 medical leave of absence for at least 30 calendar days (160 working hours) exclusive of
3 an absence due to a work related injury/illness; (2) submit a doctor's off work order
4 verifying the medical requirement to be off work for a minimum of 30 calendar days (160
5 working hours); (3) have exhausted all useable leave balances prior to initial eligibility for
6 Medical Emergency Leave donations—subsequent accruals will not affect eligibility; and
7 (4) have also recorded at least 40 hours of sick leave without pay during the current period
8 of disability.

9 (C) An employee is not eligible for Medical Emergency Leave if
10 he or she is receiving Workers' Compensation wage replacement (e.g., Coding TTD,
11 etc.). An employee eligible for State Disability Insurance and/or short-term disability must
12 agree to integrate these benefits with Medical Emergency Leave.

13 (D) Vacation, holiday, administrative leave or annual leave, as
14 well as compensatory time, may be donated by employees only on a voluntary and
15 confidential basis, in increments of eight hours (or in the case of holiday leave four hours)
16 not to exceed a total of 50 percent of a donor's annual vacation, holiday, administrative
17 leave, annual leave or compensatory time accrual per employee. The donation may be
18 made for a specific employee on the time frames established by the Human Resources
19 Department. The employee (donee) using/coding the Medical Emergency Leave will be
20 taxed accordingly.

21 (E) The donation is to be utilized for the employee's Medical
22 Emergency Leave only; the donation to one employee is limited to a total of 1,040 hours
23 per fiscal year. The maximum of 1,040 hours shall be prorated for those scheduled less
24 than 40 hours per week. Example: An employee who is regularly scheduled 20 hours per
25 week is eligible for a maximum donation of 520 hours of Medical Emergency Leave.

26 (F) Medical emergency leave shall be administered in
27 accordance with procedures approved by Human Resources.

28 (6) Compulsory Leave. If, in the opinion of the appointing authority,

1 employees are unable to perform the duties of their position for physical or psychological
2 reasons, they may be removed from duty without pay or may use appropriate accrued
3 paid leave for which they are eligible. In addition, such employees may be required to
4 submit to an examination by either a physician or other competent authority designated
5 by the Director of Human Resources or by their own physician or practitioner, as
6 appropriate. If the examination report of the competent authority (e.g., physician,
7 appropriate practitioner) shows the employee to be in an unfit condition to perform the
8 duties required of the position, the appointing authority shall have the right to compel such
9 employee to take sufficient leave of absence with or without pay, to transfer to another
10 position without reduction in compensation, and/or follow a prescribed treatment regimen
11 until medically qualified to return to unrestricted duty. An employee who has been
12 removed from duty for physical or psychological reasons by the appointing authority, and
13 was required to submit to an examination, may not return to duty until such time as
14 medical clearance has been obtained.

15 Employees shall be required to meet all qualifications for employment (e.g.,
16 licensure, certification, etc.). Employees who become disqualified to perform the duties
17 of their position (e.g., fail to maintain required licenses) shall be immediately removed
18 from duty without pay unless permitted to use appropriate accrued paid leave for which
19 they are eligible and may be subject to appropriate disciplinary action.

20 (7) Military Leave. As provided in the California Military and Veterans
21 Code section 395 et seq., and any amendment thereto, and the Federal Uniformed
22 Services Employment and Reemployment Rights Act of 1994, a County employee,
23 regular, extra-help, per diem, or recurrent may be entitled to the following rights
24 concerning military leave:

25 (A) Definition. MILITARY LEAVE is defined as the performance
26 of duty on a voluntary or involuntary basis in a uniformed service under competent
27 authority and includes active duty, active duty for training, initial active duty for training
28 (weekend drills), full-time National Guard duty, and a period for which an employee is

absent for the purpose of an examination to determine the fitness of the person to perform any such duty.

(B) Notice and Orders. All employees shall provide advance notice of military service unless military necessity prevents the giving of notice or the giving of notice is impossible or unreasonable. Where available, copy of military orders must accompany the request for leave.

(C) Temporary Active Duty. Any employee who is a member of the reserve corps of the Armed Forces, National Guard, or Naval Militia shall be entitled to temporary military leave of absence for the purpose of active military training, encampment, naval cruises, special exercises or like activities provided that the period of ordered duty does not exceed 180 calendar days, including time involved in going to and returning from such duty. While on paid status, an employee on temporary military leave shall receive the same vacation, holiday, and sick leave, step advances, and benefits that would have been enjoyed had the employee not been absent, providing such employee has been employed by the County for at least one year immediately prior to the date such leave begins. In determining the one-year employment requirement, all time spent in recognized military service, active or temporary, shall be counted. An exception to the above is that an uncompleted probationary period must be completed upon return to the job. Any employee meeting the above one-year employment requirement shall be entitled to receive his or her regular salary or compensation, pursuant to Subsection 13.0613(g)(7)(E).

(D) Full-Time Active Duty. Employees who resign from positions to serve in the Armed Forces for more than 180 days, shall have a right to return to former classification upon serving written notice to the appointing authority, no later than 90 days after completion of such service. Returning employees are subject to a physical/psychological examination. Should such employee's former classification have been abolished, then the employee shall be entitled to a classification of comparable functions, duties, and compensation if such classification exists, or to a comparable

1 vacant position for which the employee is qualified.

2 The right to return to former classification shall include the right to be
3 restored to such civil service status as the employee would have if the employee had not
4 so resigned; and no other person shall acquire civil service status in the same position so
5 as to deprive such employee of this right to restoration.

6 Eligible employees are also entitled to the reemployment and benefit
7 rights as further described in the Uniformed Services Employment and Reemployment
8 Rights Act, 38 U.S.C. sections 4301 to 4333. Specifically, a returning employee will
9 receive restoration of original hire and benefit date, salary step, vacation accrual rate, sick
10 leave balance (unless the employee has received payment for unused sick leave in
11 accordance with provisions contained herein), the retirement plan contribution rate, and
12 retirement system contributions (provided the employee complies with any requirements
13 established by the Retirement Board). However, such employee will not have accrued
14 vacation, sick leave, or other benefit while absent from County employment, except as
15 provided in the temporary duty provision.

16 (E) Compensation. This provision does not include an
17 employee's attendance for inactive duty, commonly referred to as weekend reserve
18 meetings, muster duty, or drills. Employees must use their own time to attend such
19 meetings. Should the meetings unavoidably conflict with an employee's regular working
20 hours, the employee is required to use vacation or holiday leave, leave without pay, or
21 make up the time. Employees who are called in for a medical examination to determine
22 physical fitness for military duty must also use vacation leave, leave without pay, or make
23 up the time. Employees cannot be required to use their accrued leave. Any employee
24 meeting the requirements in (C) and (D) shall be entitled to receive their regular salary or
25 compensation for the first 30 calendar days of any such leave. Pay for such purposes
26 shall not exceed 30 days in any one fiscal year and shall be paid only for the employee's
27 regularly scheduled workdays that fall within the 30 calendar days.

28 (F) Extension of Benefits. The County recognizes the increased

requirements of the military due to the current threats facing the United States of America and, as such, has established a program under which employees may be eligible for an extension of benefits. Employees who are called to active duty as a result of the activation of military reservists beginning in September 2001, and who are eligible to receive the 30 calendar days military leave compensation, and are on an involuntary order as defined by Enclosure 4 of the Department of Defense Instruction 1215.06 shall receive the difference between their base County salary and their military salary starting on the thirty-first calendar day of military leave. The difference in salary shall continue for the period approved by the Board of Supervisors. During this period, the County will continue to provide the employee the benefits and all leave accruals as were provided prior to such active duty. Retirement contributions and service credit will be granted if the employee had enough pay to cover the entire retirement system contribution. If the employee does not receive enough pay to cover the retirement system contribution, no contribution or credit will be given. Employees should note that the accidental death and dismemberment (AD&D) plan contains a war exclusion.

If the employee becomes eligible for full County payment for the first thirty days of military leave provided in (C) of this subsection, the extended payments provided under this section shall be suspended and shall be continued after the 30 days compensation has been completed. No compensation shall be paid beyond the thirty days leave period, unless such compensation is expressly approved by the Board of Supervisors. The County may unilaterally extend the benefits of this subsection upon the approval of the Board of Supervisors.

(8) Political Leave. Any employee who is a declared candidate for public office (i.e., a candidate who has filed the appropriate documents) shall have the right to a leave of absence without pay with or without right to return for a reasonable period to campaign for the election. Such leave is subject to the conditions governing special leaves of absence without pay contained herein.

(9) Jury Duty Leave. Employees in regular positions who are

1 ordered/summoned to serve jury duty including Federal Grand Jury duty shall be entitled
2 to base pay for those hours of absence from work, provided the employee waives fees
3 for service, other than mileage. Such employees will further be required to deliver a "Jury
4 Duty Certification" form at the end of the required jury duty to verify such service. When
5 practicable, the appointing authority will convert an employee's regular tour of duty to a
6 day shift tour of duty during the period of jury duty. Employees required to serve on a jury
7 must report to work before and after jury duty provided there is an opportunity for at least
8 one hour of actual work time. Employees volunteering to serve on a Grand Jury shall be
9 granted a leave of absence without pay to perform the duties of a member of the Grand
10 Jury, in the same manner as provided in Subsection 13.0613(g)(4).

11 (10) Examination Time. Employees having regular status in regular
12 positions at the time of application, or employees who do not have regular status but have
13 previously held regular status and continuously remained a County employee, shall be
14 entitled to a reasonable amount of time off with pay for the purpose of attending all
15 examination processes (e.g., selection interviews, etc.) required for selection to a different
16 County position. Employees are responsible for notifying and obtaining approval from
17 their immediate supervisor prior to taking such leave. Examination time off shall not be
18 charged against any accumulated leave balances and shall be compensated at the
19 employee's base hourly rate.

20 (11) Witness Leave. Employees in regular positions shall be entitled to a
21 leave of absence from work when subpoenaed to testify as a witness, such subpoena
22 being properly issued by a court, agency, or commission legally empowered to subpoena
23 witnesses. This benefit shall not apply in any case in which the subpoenaed employee
24 is a party to the action or the subpoena has arisen out of the employee's scope of
25 employment. Witness leave shall not be charged against any accumulated leave
26 balances and shall be compensated at the employee's base hourly rate. This benefit will
27 be paid only if the employee has demanded witness fees at the time of service of the
28 subpoena, and such fees are turned over to the County.

1 (12) Blood Donations. Employees in regular positions who donate blood
2 without receiving compensation for such donation, may have up to two hours off with pay
3 to recover with prior approval of the immediate supervisor for each such donation. This
4 benefit shall not be charged to any accumulated leave; provided, however, if the
5 employee is unable to work, any time in excess of two hours may be charged to
6 accumulated sick leave or be taken as leave without pay. Evidence of each donation
7 must be presented to the appointing authority to receive this benefit.

8 Employees in regular positions who are apheresis donors may have up to
9 four hours off with pay to recover with prior approval of the immediate supervisor for each
10 such donation, provided no compensation is received for such donation. This benefit
11 shall not be charged to any accumulated leave; provided, however, if the employee is
12 unable to work any time in excess of four hours may be charged to accumulated sick
13 leave or be taken as leave without pay. Evidence of each apheresis donation must be
14 presented to the appointing authority to receive this benefit.

15 (13) Bereavement Leave. Employees in regular positions may use up to
16 three days paid leave, not charged to the employee's personal leave balances, per
17 occurrence for bereavement due to the death of an employee's family member as defined
18 in Subsection 13.0613(g)(1)(A)(I) except for a person "designated" by the employee for
19 sick leave purposes. One additional day shall be granted if the employee travels over
20 600 miles from his or her residence to the bereavement service(s). This additional day
21 shall not be charged to the employee's personal leave balances. The appointing authority
22 may request verification of distance traveled. All employees are entitled to a total of 5
23 days of unpaid bereavement leave. The five days of leave shall include paid leave under
24 this section, and use of sick leave as defined in section 13.0613(g)(1)(E)(II) above.

25 An employee who has been with the County for 30 days or more may utilize
26 Bereavement Leave for each occurrence of reproductive loss. Reproductive loss includes
27 failed adoption, failed surrogacy, miscarriage, stillbirth, and unsuccessful assisted
28 reproduction as defined by California Government Code section 12945.6. The leave may

1 be non-consecutive, but must be taken within 3 months of the event as defined by
2 California Government Code section 12945.6(a)(7). If an employee experiences more
3 than one reproductive loss event in a 12-month period, Bereavement Leave for
4 reproductive loss shall not exceed 20 days within a 12-month period.

5 (14) Leave Accruals While on Disability Leave. Employees receiving the
6 benefits of workers' compensation or short-term disability leave receive partial
7 replacement of their income through these benefits. Employees on these types of
8 disability leaves may choose to fully integrate, partially integrate, or not integrate personal
9 leave time with these disability payments.

10 The maximum amount the employee receives from integrating leave time
11 with disability payments shall not exceed 100 percent of the employee's base salary. Paid
12 personal leave time coded on the employee's time and labor report will be limited to the
13 amount of leave necessary to integrate benefits to the level designated by the employee.
14 When the exact amount is not known, a good faith estimate may be made and the amount
15 will be adjusted later as necessary. If any overpayments are made, the employee will be
16 required to repay that amount. An employee who knowingly receives payment in excess
17 of his or her regular base salary is required to report it to his or her Departmental payroll
18 clerk.

19 Employees who are fully integrating accrued leave time with disability
20 benefits and shall be eligible to receive full accruals of vacation and sick leave.
21 Employees who are not fully integrating shall earn pro-rated vacation and sick leave
22 accruals based upon paid leave time coded on the time and labor report only.

23 Employees who are fully integrating paid leave time with disability benefit(s)
24 will be eligible for fixed holiday pay provided that they are on the payroll for the entire pay
25 period and have no unapproved leave for the pay period. Employees who are partially
26 integrating or not integrating paid leave time with disability benefits will be paid for
27 holidays in accordance with the holiday leave provisions in Subsection 13.0613(g)(3).

28 (15) Behavioral Health Education and Training Leave. Effective pay

period 1 of each year, each regular full-time employee in the classifications of Behavioral Health Medical Director and Assistant Director of Medical Services in paid status shall be credited with a bank of forty (40) hours of Education and Training Leave with pay to attend (e.g. online, in person, etc.) a Medical Board of California and/or Osteopathic Medical Board of California approved continuing medical education courses, seminars, training programs, conferences, workshops, or classes, including those necessary to obtain and/or maintain licensure or certifications. Employees who are not in paid status (i.e., not coding paid hours) who later return to paid status during that calendar year or employees hired after pay period 1 shall receive a prorated Education and Training Leave bank at the time of appointment based upon the annual rate of forty (40) hours per calendar year.

Written requests for such leave must be submitted and approved in advance before the leave is to be taken at least ninety (90) calendar days prior training. Employees shall provide verification of available Education and Training Leave hours when requests are submitted for approval. Such leave bank shall be reflected on the employee's pay stub. Requests that do not meet the timeframe above may be considered on a case-by-case basis at the sole discretion of the Appointing Authority. Use of Education and Training Leave shall not be counted as time worked for overtime purposes.

Education and Training Leave hours must be used by the end of the calendar year. If any Education and Training Leave hour(s) remain at the end of pay period 26 (or 27 when applicable), Education and Training Leave hours shall not carry over into the next calendar year, nor be permitted for cash out. If promoting from a position that already credited the employee Education Leave, the employee is not entitled to additional hours.

(h) Relocation. Employees who are required by order of their appointing authority to change their principal place of residence because of a reassignment to meet the needs of the service or because of layoff will be granted time off with pay not to exceed two work days and up to \$400.00 reimbursement toward the actual cost of relocating their personal furnishings and belongings.

1 (i) Special Assignment Compensation. Increases in pay may be granted to
2 recognize the temporary assignment of additional responsibilities that are significant in
3 nature and beyond the normal scope of the position. No award shall be made in any
4 situation related to a vacation, short-term illness or other relief which is six weeks or less.
5 The duration of such assignments is not intended to exceed one calendar year except in
6 unusual circumstance approved by both the appointing authority and the Director of
7 Human Resources. Employees will normally not be in a probationary status. The
8 employee shall be required to meet standards for satisfactory performance.

9 Compensation shall be awarded in pay period increments and shall be in the form
10 of a specified percentage of the employee's base pay. The Director of Human Resources
11 will determine the amount in increments of one-half percent from a minimum of two and
12 one-half percent up to a maximum of seven and one-half percent. The additional
13 compensation will be computed at the specified percentage of the current base pay of the
14 employee for each pay period. Such increases in pay shall not affect an employee's step
15 advancement in the base range pursuant to the salary rates and step advancements
16 subdivision.

17 Requests for special assignment compensation may be initiated by the appointing
18 authority or an employee via the appointing authority. The appointing authority and the
19 employee bear mutual responsibility for initiating the compensation request in a timely
20 manner and adhering to the compensation provisions defined in this provision. It is
21 important to obtain Human Resources Department review of the request in advance of
22 the date the employee begins the assignment, since there is no guarantee that the
23 request will be approved. Special assignment compensation is to be effective only with
24 the Director of Human Resources written approval, assignment of the greater level of
25 duties, and signed acceptance by the employee.

26 This provision shall not be utilized to circumvent or provide additional
27 compensation over and above that which may be provided in the subsection on
28 assignment to vacant higher position and the Personnel Rules. These aforementioned

provisions are mutually exclusive concepts and as such there shall be no dual or multiple requests based on the same facts.

(j) Expenses Incurred in Conducting County Business and Expense Reimbursement.

(1) General Provisions. Employees in the Exempt Group shall be reimbursed for all expenses incurred in connection with the conduct of County business, including, but not limited to, travel, lodging, meals, laundering, gratuities, and other related costs. Payment for actual expenses is subject to the approval of the appointing authority. The Chief Executive Officer, Assistant Executive Officers, and County officers with department head status may incur necessary County expenses involved with activities and functions of their departments and arrange for the County to be billed directly for such expenses.

The purpose of this subdivision is to define the policy and procedures by which employees shall report and be reimbursed for necessary expenses incurred on behalf of San Bernardino County, except as may be otherwise provided in this code.

(2) Responsibilities. It shall be the responsibility of each appointing authority or designee to investigate and approve each request for expense reimbursement. It shall be the responsibility of each employee to obtain prior approval from the appropriate appointing authority or designee to incur a business expense or to exceed maximum allowable amounts provided in Section (7) below.

Prior approval may be in the form of standing orders issued by the appointing authority. Failure to obtain prior approval may result in denial of any expense claim (or excess amount) not pre-approved.

(3) Travel Authorization.

(A) Travel outside the State of California must be approved by the Chief Executive Officer or designee. Requests for such travel shall be submitted to the County Administrative Office on a travel request form.

(B) The appointing authority or designee shall initiate travel

requests. The Chief Executive Officer and Auditor-Controller/Treasurer/Tax Collector shall be notified in writing of all such designees.

(C) The appointing authority or designee is authorized to approve necessary travel within the State of California and use of transportation mode consistent with this subdivision.

(4) Authorization for Attendance at Meetings.

(A) Appointing authorities may authorize attendance at meetings at County expense when the program material is directly related to an important phase of County service and holds promise of benefit to the County as a result of such attendance.

(B) Authorization for attendance at meetings without expense reimbursement, but on County time, may be granted when the employee is engaged on the County's behalf, but from which the gain will inure principally to the benefit of the employee and only incidentally to the County.

(5) Records and Reimbursements.

(A) Requests for expense reimbursements should be submitted once each month and within one year of the date that the expense was incurred.

(B) Receipts or vouchers which verify the claimed expenditures will be required for all items of expense, except:

(I) Subsistence, except as otherwise provided in this subdivision;

(II) Private mileage (e.g., mileage to the airport);

(III) Telephone or other communication-related charges including Wi-Fi and internet access fees if needed to conduct County business;

(IV) Other authorized expenses of less than \$1.00.

(C) Claims for expense reimbursement totaling less than \$1.00 in any fiscal year shall not be paid.

(D) Reimbursement shall not be made for any personal expenses such as, but not limited to, entertainment, barbering, personal grooming, alcoholic

1 beverages, etc.

2 (E) Except as otherwise provided in this subdivision, expense
3 reimbursements shall be made on an actual cost basis.

4 (F) If the receipt is unavailable, the employee may submit a
5 signed statement with an explanation of expenses (i.e., itemized list of expenses with
6 location, date, dollar amount, and reason for expenses) and an explanation as to why the
7 receipt is unavailable.

8 (G) Expense reimbursements may be made via electronic fund
9 transfer into the financial institution of the employee's choice or by pay card. Employees
10 who fail to make arrangements for direct deposit shall receive reimbursements via pay
11 card.

12 (6) Transportation Modes.

13 (A) The general rule for selection of a mode of transportation is
14 that mode which represents the lowest expense to the County. Where an employee is
15 given the choice between several means of travel (e.g., use of County vehicle vs. own
16 personal vehicle, flying vs. driving, etc.) and the employee chooses the option that is more
17 costly, the employee shall only be reimbursed for the lesser cost option. For example, if
18 an employee chooses to drive his or her own vehicle when offered a County vehicle, the
19 employee shall not be entitled to any reimbursement. Similarly, if the cost of flying on an
20 airplane is less than the cost of driving, the employee shall only be reimbursed for the
21 amount the County would have paid for the flight.

22 (B) Travel via Private Automobile.

23 (I) Reimbursement for use of privately-owned
24 automobiles to conduct County business shall be at the IRS allowable rate.
25 Reimbursement at this rate shall be considered as full and complete payment for actual
26 necessary expenses for the use of the private automobile, insurance, maintenance and
27 all other transportation related costs. The County does not provide any insurance for
28 private automobiles used on County business. The owner of an automobile is responsible

1 for the personal liability and property damage insurance when the vehicle is used on
2 County business.

3 (II) When employees, traveling on official County
4 business, leave directly from their principal place of residence rather than from their
5 assigned work location, mileage allowed to the first work contact point shall be the
6 difference between the distance from the residence to the assigned work location and the
7 distance from the residence to the first work contact point. If the first work contact point
8 is closer than the assigned work location, no mileage shall be allowed. If the employee
9 departs from the last work contact point directly to the residence, the same principle
10 governs.

11 (III) Employees may have multiple assigned work
12 locations. Mileage allowed is based on the assigned work location for that day. When
13 employees have more than one assigned work location in a standard tour of duty, mileage
14 shall be allowed between assigned work locations. In no case will mileage be allowed
15 between the employee's residence and the assigned work location.

16 (C) Travel via Air.

17 (I) Commercial Aircraft. When commercial aircraft
18 transportation is approved, the "cost of public carrier" shall mean the cost of air coach
19 class rate including tax and security surcharges. Travel via charter aircraft shall be limited
20 to emergencies, or when other types of transportation are impractical or more expensive.
21 Specific prior approval for travel via charter aircraft must be obtained from the Chief
22 Executive Officer or designee.

23 (II) Private Aircraft. When private aircraft transportation is
24 approved by the Chief Executive Officer or designee, reimbursement will be as follows:

25 (i) Reimbursement for use of aircraft owned or
26 rented and flown by County personnel will be for equivalent road miles at the first mile
27 rate of the current private automobile use reimbursement schedule. Landing or tie-down
28 fees will be reimbursed similar to auto parking charges.

1 (ii) Reimbursement for trips to and from the
2 following destinations will be limited to the cost of public carrier except when justified by
3 unusual circumstances as determined by the Chief Executive Officer or designee:
4 Sacramento, San Francisco, Oakland and San Jose.

5 (iii) Authorized charter flights with a licensed charter
6 service providing the aircraft and pilot will be reimbursed at actual cost. Charter flights
7 must be individually approved by the Chief Executive Officer or designee prior to
8 departure.

9 (iv) The employee or owner of the aircraft must
10 maintain on file, with the County's Risk Management Department, a current policy for
11 aviation comprehensive general liability insurance, which includes the County as an
12 additional insured and covers all operations performed by or on behalf of the employee
13 or owner of the aircraft for bodily injury and property damage with a combined single limit
14 of not less than \$1,000,000.00, per occurrence and \$2,000,000.00, general aggregate.

15 (D) Travel via Rental Vehicles. Reimbursement will be provided
16 for the cost of a rental vehicle used for business purposes if such use is approved by the
17 appointing authority. Rental vehicles are covered for liability and vehicle physical damage
18 under the County's self-insurance program. Reimbursement will not be provided for the
19 additional costs incurred if any employee purchased any additional insurance or signs a
20 collision damage waiver (CDW) when renting a vehicle for County business. Requests
21 for reimbursement for gasoline for rental vehicles must be accompanied by a copy of the
22 rental agreement or rental receipt and gasoline receipt.

23 (E) Travel via Ride-Share Service, Taxi, or Public/Mass Transit.
24 Reimbursement will be provided for the cost of using a ride-share service, (e.g., Uber or
25 Lyft), taxi, or public/mass transit (e.g., bus, streetcar, and ferry) if such expenses are
26 incurred for County business and approved by the appointing authority.

27 (F) Incidental Travel Expenses. Reimbursement will be provided
28 for the cost of incidental travel expenses such as bridge tolls, road tolls and parking fees

1 if such expenses are incurred as part of County business and approved by the appointing
2 authority. Valet parking will not be reimbursed unless self-parking is not available or
3 security is a concern.

4 (7) Subsistence.

5 (A) Subsistence allowances for lodging and meals shall not be
6 allowed without prior approval of the appointing authority or designee as necessary for
7 the purpose of conducting County business. Meal and lodging selections should
8 represent a reasonable cost to the County and be generally consistent with the rates
9 established by the General Services Administration (GSA). Excess charges greater than
10 the allowances listed below in Subdivisions (B) and (C) may be authorized under special
11 conditions, such as a convention or conference requirement (e.g., lodging at the hotel
12 where the conference is held) or if County business requires lodging and meals in an area
13 of unusually high cost (i.e., Non-Standard Areas as established by the GSA). Employees
14 may be reimbursed for expenses in high cost areas for the actual cost incurred, but
15 generally not to exceed the per diem amounts established by the GSA for that area and
16 month. Receipts are mandatory to obtain reimbursement for all lodging expenses, and
17 except as provided below, for all meal expenses claimed.

18 (B) An employee may be reimbursed for lodging expenses at
19 actual cost, generally not to exceed the standard lodging per diem rate as established by
20 the GSA, except as otherwise provided in Subdivision (A) above.

21 (C) Except as otherwise provided in Subdivision (A) above,
22 reimbursements for meal expenses for up to three separate meals per day may be
23 provided as follows:

24 (I) With receipts. An employee may be reimbursed for
25 meal expense at actual cost not to exceed eleven dollars (\$11.00) for breakfast; fifteen
26 dollars (\$15.00) for lunch; and twenty-four dollars (\$24.00) for dinner, all plus tax and up
27 to 15 percent gratuity.

28 (II) Without receipts. An employee may be reimbursed for

meal expense at per diem rates not to exceed six dollars (\$6.00) for breakfast; nine dollars (\$9.00) for lunch; and nineteen dollars (\$19.00) for dinner, all plus tax and up to 15 percent gratuity.

(D) Where the cost of a meal is included as part of a registration charge for an event (e.g., continental breakfast at a conference or training seminar) or in the cost of lodging, an employee may not claim reimbursement for that meal.

(8) Expense Advances. Advancement of funds for business expenses can be obtained from the Auditor-Controller/Treasurer/Tax Collector's Office through submission of the appropriate form. Advancements shall not exceed the per diem allowances set forth herein. The minimum amount to be advanced is \$50.00.

(9) County Credit Cards. The appointing authority may issue a County credit card to an employee and require business expenses be paid for with said card. If unauthorized charges are placed on the card, the employee shall be required to reimburse the County.

(k) Medical Insurance and Retirement System Contributions.

(1) Medical Insurance Contributions.

(A) Section 125 Premium Conversion Plan.

(I) Eligible employees shall be provided with a Section 125 premium conversion plan. The purpose of the plan is to provide employees a choice between paying premiums with either pre-tax salary reductions or after-tax payroll deductions for medical insurance, dental insurance, vision insurance, voluntary life (to the Internal Revenue Service (IRS) specified limit) and accidental death and dismemberment insurance premiums currently maintained for Exempt Group employees or any other programs(s). The amount of the pre-tax salary reduction or after-tax payroll deduction must be equal to the required insurance premium.

(II) Medical and dental coverage elections shall not reduce earnable compensation for purposes of calculating benefits or contributions for SBCERA.

(III) To be eligible for the Section 125 premium conversion

plan, an employee must be eligible to participate in medical, dental, vision, AD&D, and/or life insurance and have a premium deduction for these benefit plans.

(IV) Election of pre-tax salary reductions and after-tax payroll deductions shall be made within 60 days of the initial eligibility period in a manner and on such forms designated by Human Resources. Failure to timely submit appropriate paperwork will result in after-tax payroll deductions for all eligible premiums for the remainder of the plan year.

(V) Once a salary reduction has begun, in no event will changes in elections be permitted during the plan year except to the extent permitted under IRS rulings and regulations, and consistent with the County's Section 125 plan document. The employee must submit request for a change due to a mid-year qualifying event within 60 days of the qualifying event.

(B) Medical and Dental Subsidies.

(I) The County has established a medical premium subsidy (MPS) to offset the cost of medical and dental plan premiums charged to eligible employees. The MPS shall be applied first to medical plan premiums and then to dental plan premiums. The applicable MPS amount shall be paid directly to the providers of the County-sponsored medical and dental plans in which the eligible employee has enrolled. In no case, shall the MPS exceed the total cost of the medical and dental insurance premium for the coverage selected.

Effective July 12, 2025, the following MPS amounts apply:

Coverage Type	Scheduled for 40 to 60 Hours	Scheduled for 61 to 80 Hours
Employee Only	\$180.10	\$360.19
Employee + 1	\$299.39	\$598.77
Employee + 2	\$420.98	\$841.96

Effective July 11, 2026, the MPS amounts for employees scheduled for 61 to 80 hours, will increase for each tier (i.e., Employee-Only, Employee + 1, Employee + 2) by 100% of the benefit plan year premium increase of the County's Blue Shield Signature HMO. This new MPS amount shall be the new basis for subsequent years.

1 Employees scheduled for 40 to 60 hours will receive an amount equal to one-half
2 of the MPS for employees scheduled for 61 to 80 hours.

3 (II) The County has established a dental premium subsidy
4 (DPS) for all employees who are enrolled in both County-sponsored medical and dental
5 coverage whose premium costs for medical and dental exceeds the MPS. The amount
6 of the DPS shall be up to \$9.46, but not to exceed the combined total of the employee's
7 out-of-pocket premium expenses.

8 (III) Eligibility for MPS and DPS While on Leave.

9 (i) FMLA/CFRA. Employees who are on approved
10 leave, pursuant to FMLA/CFRA law and whose paid hours in a pay period are less than
11 the required number of hours designated in Subsection 13.0613(f)(1) above will continue
12 to be enrolled in a County-sponsored medical plan and receive MPS and DPS in
13 accordance with applicable law.

14 (ii) Pregnancy Disability Leave (PDL). An
15 employee on an approved pregnancy disability leave is eligible for continuation of MPS
16 and DPS in accordance with PDL, Government Code section 12945.

17 (iii) Workers' Compensation. Employees who are
18 on an approved leave based on an approved workers' compensation claim shall continue
19 to receive the MPS and DPS for up to a total of 20 pay periods while off work due to that
20 work injury as long as the employee pays his or her portion of the premiums on time. If
21 any subsequent workers' compensation claims occur during the initial 20 pay periods, the
22 remaining MPS eligibility from the original claim shall run concurrent with any additional
23 approved workers' compensation claims that occur during the initial claim. For example,
24 if the employee is receiving the MPS and DPS for 20 pay periods for an injury and after
25 ten pay periods another workers' compensation claim is approved and the employee is
26 eligible to receive the MPS and DPS for an additional 20 pay periods, ten pay periods will
27 run concurrent with the initial claim, for a total of 30 pay periods. Employees who are still
28 on workers' compensation after the expiration of the initial 20 pay periods shall continue

1 to receive MPS and DPS provided the employee is in paid status.

2 (iv) Short Term Disability. Employees who are on
3 short-term disability (STD) insurance provided by the County or State Disability Insurance
4 (SDI) shall continue to receive the MPS and DPS provided the employee is in paid status.

5 (v) Per Episode of Illness or Injury. Employees who
6 are on an approved medical leave of absence and whose paid hours in a pay period are
7 less than the required number of hours will continue to receive the benefits of this
8 Subdivision for up to six pay periods per episode of illness or injury.

9 (2) Retirement System Contributions.

10 (A) County Contributions. The County shall pay all required
11 employer contributions to the San Bernardino County Employee's Retirement Association
12 (SBCERA).

13 (B) Employee Contributions. All employee Retirement System
14 contribution obligations shall be "picked up" for tax purposes only pursuant to this section.
15 The Auditor-Controller/Treasurer/Tax Collector has implemented the pickup of such
16 retirement system contributions under Internal Revenue Code subsection 414(h)(2).

17 The County shall make member contributions under this subdivision
18 on behalf of the employee which shall be in lieu of the employee's contributions and such
19 contributions shall be treated as employer contributions for purposes of reporting and
20 wage withholding under the Internal Revenue Code and the Revenue and Taxation Code.
21 The amounts picked up under this subdivision shall be recouped through offsets against
22 the salary of each employee for whom the County picks up member contributions. These
23 offsets are akin to a reduction in salary and shall be made solely for purposes of income
24 tax reporting and withholding. The member contributions picked up by the County under
25 this subdivision shall be treated as compensation paid to County employees for all other
26 purposes. County-paid employer contributions to SBCERA under this subdivision shall
27 be paid from the same source of funds used in paying the salaries of the affected
28 employees. No employee shall have the option to receive the retirement system

1 contribution amounts directly instead of having them paid to SBCERA.

2 Until retirement or separation, all contributions picked up under this
3 subdivision will be considered for tax purposes as employer-paid contributions.

4 (C) Special Provisions.

5 (I) Except as provided below, employees who have 30
6 years of service credit shall not be paid in cash seven percent of earnable compensation.
7 Employees with at least 25 years of service as set forth in Government Code section
8 31625.3 as of June 18, 2011, and who either already have or thereafter attain 30 years
9 of service credit as set forth in Government Code section 31625.3 shall have one
10 opportunity during the employee's employment to receive cash payments of seven
11 percent of earnable compensation for up to 26 consecutive pay periods.

12 (II) Employees who are over the age of 60 at the time of
13 hire, and who are in a regular position, and who choose not to be a member of SBCERA,
14 shall be enrolled in the County's 401(k) Salary Savings Plan. The County shall contribute
15 the applicable percent of the employee's biweekly salary as defined in Subsection
16 13.0613(q) to the Plan, and the employee shall contribute a minimum of three percent of
17 biweekly salary to the plan, not to exceed the annual limits of the Plan as defined in the
18 Internal Revenue Code.

19 (D) Survivor Benefits. Survivor Benefits are payable to employed
20 general retirement members with at least 18 months continuous retirement membership
21 pursuant to Government Code section 31855.12. An equal, non-refundable employer
22 and employee biweekly contribution will be paid to SBCERA as provided in the annual
23 actuarial study.

24 (E) Special Provisions for Exempt Safety Employees. The
25 following Subdivision shall apply to all members of the Exempt Group who are safety
26 members of SBCERA, as defined in Government Code section 31469.3, on October 1,
27 2003.

28 For Tier 1 safety members of SBCERA, the County adopted a

1 resolution making Government Code section 31664.1 applicable to safety members,
2 effective October 1, 2003. The County also adopted a resolution pursuant to Government
3 Code section 31678.2, applying the formula set forth in Government Code section
4 31664.1 applicable to all prior safety service credit for every eligible employee under this
5 Subdivision.

6 For Tier 2 safety members, the applicable retirement formula is as
7 provided by applicable law.

8 (3) Flexible Spending Account (FSA) for Medical Related Expenses.

9 (A) General. The County has established a Medical Expense
10 Reimbursement Plan, also known as a Flexible Spending Account (FSA). This plan has

12 (cc) Portable Communication Device Allowance. All County employees in
13 Benefit Groups A and B in a paid status, shall receive a biweekly portable communication
14 device allowance in the amount of \$92.31. An employee who becomes eligible or
15 ineligible for this benefit in the middle of the pay period will receive a prorated amount.

16 The employee shall purchase a portable communication device capable of sending
17 and receiving cellular telephone calls, and capable of sending and receiving e-mails to
18 and from the County e-mail system. The County shall pay for any license and set up
19 expense for the device if any, and the employee shall pay for the equipment and monthly
20 voice and data plans.

21 (dd) Probationary Period. Unless a longer probationary period is otherwise
22 provided, all classified employees in the Exempt Group shall serve a probationary period

26 utilize any sick leave or Paid Time Off (PTO) for sick leave purposes, any leave (e.g.,
27 vacation) in lieu of sick leave, or benefits in lieu of sick leave (e.g., workers' compensation,
28 short-term disability partial/full integration, etc.), in a payroll calendar year (i.e., pay period

one through pay period 26 or 27, when applicable, of the same year), and who do not record any sick leave without pay or absent without pay, medical emergency leave, or military leave as provided by law during that year, shall accrue 16 hours of perfect attendance leave, for use in the next calendar year. Failure to utilize perfect attendance leave within the calendar year shall result in forfeiture of the same. Perfect attendance leave may not be cashed out.

(gg) Healthy Lifestyles Program. The healthy lifestyle program is available to employees in the Exempt Group. Under this program, Exempt Group employees are eligible for reimbursement for health club or fitness memberships up to \$324.00 on an annual basis.

(hh) Voluntary Time Off. The Voluntary Time Off (VTO) Program is intended to provide Exempt Group employees a means of taking unpaid (i.e., non-compensated) time off work, without losing the following benefits: medical premium subsidy, dental premium subsidy, opt-out/waive amount, vision care, retirement medical trust employer contribution, and life insurance which depend on the employee being in a paid status. The following conditions apply:

(1) VTO may be taken in the same manner as vacation time except that VTO must be used in one-hour increments and is limited to 80 hours per calendar year.

(2) When VTO is taken, leave accruals continue as if the employee was on paid time. VTO time counts as time worked toward satisfying the minimum hour requirement to receive benefits, such as medical premium subsidy, dental premium subsidy, opt-out/waive amount, County-paid life insurance, and County-paid vision care.

(3) VTO does not count as hours worked for purposes of computing overtime, if applicable. County contribution to the retirement system under the retirement system contributions subsection will only be paid if the employee is in a paid status in any pay period in which VTO is used and the employee receives enough earnings to pay his or her retirement contribution in that pay period.

Pursuant to applicable law, Tier 1 retirement system members are eligible

1 for full service credit for the pay period in which VTO is used and the employer contribution
2 would be based on the employees' normal compensation earnable.

3 Pursuant to applicable law, Tier 2 retirement system members are eligible
4 for a reduced service credit amount for the pay period in which VTO was used and the
5 employer contribution would be based on the employees' actual earnings for that pay
6 period.

7 (4) VTO may not be used for situations that would otherwise require
8 leave without pay, such as an employee on short-term disability, or in conjunction with
9 leave without pay.

10 (5) VTO is an entirely voluntary program. No employee may be required
11 to take VTO.

12 (6) VTO may be taken by request of the employee and upon approval of
13 the appointing authority.

14 (ii) Retirement Incentive. Eligible employees in identified classifications that
15 meet the requirements for a service retirement from the San Bernardino County
16 Employees' Retirement Association (SBCERA) and who retired on or before June 30,
17 2009, are eligible to receive a retirement incentive in the amount of \$250.00 for each
18 completed quarter of a year of current continuous service in a regular position with the
19 County, payable in five annual payments after retirement. Such annual payments shall
20 be made in July of each year. The Chief Executive Officer may exclude from eligibility
21 classifications or positions assigned to organizational units that must remain filled.

22 Unless waived by the Chief Executive Officer, vacant positions created by those
23 employees receiving the retirement incentive shall not be filled for a period of five years.
24 Alternatively, departments may fill vacated positions if other positions with an equivalent
25 cost savings remain vacant for a period of five years.

26 Payments to an eligible employee under this program who returns to work for the
27 County in any capacity after retiring shall be temporarily suspended until the employee
28 again separates from employment with the County.

(jj) (Repealed by Ord. 4306, passed - -2016).

(kk) Retention Pay (formerly Longevity Pay). Exempt Group employees, except those persons who qualify for Probation Retention pay under Subsection 13.0613(oo), shall be eligible for retention pay above the base rate of pay, as indicated below, based on total hours of completed continuous service with the County. Retention pay shall be paid on all paid hours up to an employee's standard hours and shall not be considered when determining the appropriate rate of pay for a promotion or demotion.

Total Completed Service	Compensation
20,800 continuous service hours (10 years)	1.0%
31,200 continuous service hours (15 years)	3.0%

For purposes of retention pay only, a year of completed County service is defined as 2,080 service hours with the County.

- Chief Administrative Analyst
- Chief Deputy Treasurer

- Public Health Chief Financial Officer
- Public Works Chief Financial Officer

The annual CPA stipend shall be paid in a lump sum to eligible employees in regular positions who are licensed CPAs and are in paid status in the pay period that includes July 1 of each year. An eligible employee in a regular position who is part-time or job-sharing shall be eligible for a prorated lump-sum payment based on regularly scheduled hours. An employee who is licensed as a CPA after July 1, or who is appointed after July 1, shall receive a prorated CPA stipend payment at the time of licensure or appointment, as applicable. Such proration shall be based upon the remaining number of pay periods in the fiscal year nearest his or her appointment.

Eligible employees who are not in paid status (i.e., not coding paid hours) in the pay period that includes July 1 shall receive a prorated CPA stipend payment upon return to paid status. Such proration shall be based upon the remaining number of pay periods in the fiscal year nearest their return to paid status. However, an employee who is not in paid status during the entire fiscal year (i.e., not in paid status from pay period 15 of one year through pay period 14 of the following year) shall not receive the annual CPA stipend for the fiscal year(s) during which he or she was not in paid status at all. For example, if an employee is not in paid status from June 2016 through September 2017, and then returns to paid status in October 2017, the employee shall receive a prorated CPA stipend payment for FY 2017/2018 upon their return to paid status but shall not receive the FY 2016/2017 stipend because the employee was not in paid status for the entire 2016/2017 fiscal year. Any employee separating from County employment at the conclusion of a leave of absence shall not receive the CPA stipend.

(mm) Auditing Pay Differential. Employees in the classifications designated below who are required by the appointing authority to directly oversee the auditing functions shall receive a differential of two percent above the employee's base rate of pay

for all hours actually worked, up to 80 hours per pay period:

- HS Auditing Chief
- Auditor-Controller/Treasurer/Tax Collector Manager
- Auditor-Controller/Treasurer/Tax Collector Division Chief

Audits must have resulted in the preparation of reports indicating the audits were conducted in accordance with the AICPA, IIA, IFAC, GAGAS, SSAE or PCAOB or other comparable national or international organization or state or federal regulation standards and/or regulations. Eligibility for this differential is at the discretion of the appointing authority.

(nn) Behavioral Health Medical Director Differential. The Behavioral Health Medical Director and the Assistant Director of Medical Services shall receive a five percent differential above the employee's base rate of pay provided such employee is certified as a Diplomate by the American Board of Psychiatry and Neurology. The differential shall be paid for all hours actually worked up to 80 hours per pay period.

(oo) Probation Retention Pay. The Chief Probation Officer, Assistant Chief Probation Officer and Deputy Chief Probation Officers who fall within the definition of "safety member" under Government Code section 31469.4 and have completed 15 or more years of continuous completed service hours in a regular position shall receive Probation Retention pay above their base rate of pay, as indicated below, based on the total hours of continuous completed service in a regular position with the County. Probation Retention pay shall be paid on all paid hours up to an employee's standard hours and shall be excluded when determining the appropriate rate of pay for promotion or demotion. Employees who qualify for Probation Retention pay shall begin to receive the pay following completion of the required service hours.

Completed Continuous Service Hours	Compensation
31,200 continuous service hours (15 years)	2.0%
41,600 continuous service hours (20 years)	An additional 2.0% for a total of 4.0%
52,000 continuous service hours (25 years)	An additional 4.0% for a total of 8.0%

For purposes of Probation Retention pay, a year of completed continuous service

1 hours is defined as 2,080 service hours with the County.

2 (pp) Captains who are released from active duty but are required by the Sheriff's
3 Department or District Attorney to provide notice where they can be reached and to be
4 able to return to active duty when required by the department shall be assigned to
5 administrative duty. While on administrative duty, an employee shall be free to use the
6 time for his or her own purposes.

7 Administrative duty requires that employees so assigned shall: (1) leave a
8 telephone number where they can be reached or wear a communicating device; and (2)
9 be able to return to active duty within an hour.

10 Assignment of administrative duty and approval of compensation shall be made by
11 the appointing authority based upon the needs of the department. Administrative duty
12 shall be compensated at the rate of three hundred ninety dollars (\$390.00) per pay period.
13 Captains assigned administrative duty shall receive the pay if the employee works a
14 minimum of twenty-four (24) hours during the pay period that the employee is assigned
15 to administrative duty. Said compensation is exclusive of any other compensation and
16 shall not count as hours worked.

17 (qq) The County agrees to provide an annual uniform and clothing allowance in
18 the sum of nine hundred dollars (\$900.00) to the classifications of Sheriff's Captain,
19 Sheriff's Deputy Chief, Assistant Sheriff, and Undersheriff in regular positions on payroll
20 in a paid status as of pay period 24 to compensate for costs associated with uniform and
21 clothing purchase, maintenance, cleaning and replacement.

22 Employees on a leave of absence without pay in pay period 24 shall receive the
23 uniform allowance upon return to paid status, provided, however, that an employee who
24 is not in paid status during the entire year (i.e., not in paid status from pay period 24 of
25 one year through pay period 23 of the following year) shall not receive the annual Uniform
26 Allowance for the year(s) during which he/she was not in paid status. For example, if an
27 employee is not in paid status from October 2018 through January 2020, and then returns
28 to paid status in February 2020, the employee shall receive the allowance payment for

2019 upon return to paid status but shall not receive the 2018 allowance because the employee was not in paid status from pay period 24/2018 through pay period 23/2019. Any employee separating from County employment at the conclusion of a leave of absence shall not receive the uniform allowance.

(rr) Direct Deposit (Electronic Funds Transfer). All employees must make and maintain arrangements for the direct deposit of paychecks and reimbursements into the financial institution of their choice via electronic fund transfer. Employees who have not made such arrangements by the end of the 4th pay period after their date of hire shall be subject to disciplinary action. In cases where an employee is unable to make arrangements for electronic fund transfer, the Director of Human Resources may allow an exception to this subsection. Any exceptions granted may be reviewed periodically for continuation, subject to the approval of the Director of Human Resources.

Employees who fail to make arrangements for direct deposit shall receive paychecks and reimbursements via pay card.

(ss) Modified Benefit Option (MBO).

(1) General Provisions.

(A) All full-time employees in regular Exempt Group positions shall be provided an opportunity to convert from a regular position with traditional benefits (i.e., traditional benefit option) to a regular position with modified benefits and a wage differential.

(B) Employees may choose to enroll in the MBO at hire or during the annual open enrollment period and may choose to change to the traditional benefit option during subsequent open enrollment periods.

(C) Employees who select the Modified Benefit Option must commit to work a minimum of 1,560 hours per calendar year.

(D) In order to receive the benefits and wage differential of the MBO, the employee must specifically choose the Option.

(2) Modified Benefit Option Wage Differential.

1 (A) Employees who select the MBO shall receive a wage
2 differential of 4% above the base rate of pay. The wage differential shall be paid on all
3 paid hours (e.g., REG, PTO, etc.).

4 (B) The wage differential shall be considered as part of the base
5 hourly rate when calculating the following: County contribution to the employee's
6 Retirement Medical Trust (RMT) account, County match to employee's contribution to
7 457(b) Deferred Compensation Plan, County match to employee's contribution to
8 County's 401(k) Defined Contribution Plan, differentials paid on a percentage basis (e.g.,
9 Retention Pay, POST), sick leave conversion cash-out pursuant to Subsections
10 13.0613(g)(1)(l) and 13.0613(k)(4), and other leave cash-outs if any. Provided below is
11 an example of how the County's contribution to the RMT would be calculated:

12 Example: Employee with 17 years of continuous County service and
13 an 80-hour per pay period schedule selects the MBO. The employee's base hourly rate
14 is \$70 per hour. This employee is eligible for a County contribution to the RMT equal to
15 3.75% of the employee's base bi-weekly salary. The County contribution to the RMT is
16 calculated as follows:

17 $80 \text{ hours} \times (\$70.00 \text{ per hour} \times 1.04 \text{ MBO Wage Differential}) = \$5,824$
18 base bi-weekly salary for purposes of County contribution to the RMT

19 $\$5,824 \times 3.75\% \text{ Contribution Rate} = \218.40

20 The County will contribute \$218.40 to the RMT on behalf of the
21 employee that pay period.

22 (3) Benefits and Leaves. Except as provided in this Subsection,
23 employees who select the MBO shall receive the same benefits and leaves that
24 employees who select the traditional benefit option receive.

25 (A) Medical Coverage. Employees who select the MBO shall
26 have the same medical plan options as employees who select the traditional benefit
27 option (e.g., Blue Shield HMO, Kaiser HMO, Blue Shield Access + HMO, Kaiser Choice
28 HMO, and Blue Shield PPO).

(B) Medical Premium Subsidy (MPS).

(I) Employees who select the MBO shall receive MPS in the following amounts per pay period:

Effective July 15, 2023, the MPS amounts for employees who select the MBO shall increase to the following amounts per pay period:

Coverage Type	MPS
Employee Only	\$215.60
Employee + 1	\$392.21
Employee + 2	\$550.37

Effective February 10, 2024 through July 11, 2026, the MPS amounts for employees enrolled in the MBO will be based on a percent of the MPS amounts for the Traditional Benefit Option (i.e., 71% Employee Only; 82% Employee + 1; 82% Employee + 2).

(C) Dental Premium Subsidy (DPS). Employees who select the MBO and are enrolled in both County-sponsored medical and dental coverage whose premium costs for medical and dental exceeds the MPS shall be eligible to receive DPS up to \$9.46 per pay period, but not to exceed the combined total of the employee's out-of-pocket premium expenses.

(4) Paid Time Off (PTO).

(A) Definition. Employees who select the MBO shall be granted Paid Time Off (PTO) in lieu of any other Vacation or Sick accrual leave provisions. However, employees shall continue to be eligible to receive Administrative Leave as provided in Subsection 13.0613(p). Additionally, employees shall receive holiday pay in accordance with Subsection 13.0613(g)(3), except that employees shall not be eligible for the floating holiday.

(B) Accumulation. Employees who select the MBO shall accrue PTO each pay period as provided in the chart below and shall be eligible for prior service credit in accordance with Subsection 13.0613(g)(2)(D). Employees who have standard hours of less than eighty (80) hours per pay period shall accumulate PTO on a pro-rata

basis; provided, however, that the maximum combined vacation and PTO accrual that may be carried over to future calendar years shall not be prorated. PTO shall be available for use on the first day following the pay period in which it is earned.

Service Hours	Annual PTO Allowance	Approximate Accrual Rate Per Pay Period	Maximum PTO Accrual That May Be Carried Over to a Future Calendar Year	Maximum Combined Vacation and PTO Accrual That May be Carried Over to a Future Calendar Year
0 through 8,320 service hours	120 hours	4.62 hours	272 hours	374 hours*
Over 8,320 through 18,720 service hours	160 hours	6.15 hours	362 hours	480 hours*
Over 18,720 service hours	200 hours	7.69 hours	452 hours	586 hours*

*The employee's maximum PTO accrual that may be carried over to a future calendar year may not exceed 272, 362, or 452, as applicable. Additionally, the maximum combined vacation and PTO accrual that may be carried over to a future calendar year for an employee who has a grandfathered maximum vacation accrual balance of more than 480 hours as allowed in Subsection 13.0613(g)(2)(B) shall be this employee's grandfathered maximum vacation accrual balance plus 106 PTO hours. For example, if employee's grandfathered maximum vacation accrual balance is 600 hours, the maximum combined vacation and PTO accrual that may be carried over to a future calendar year shall be 706 hours (600 vacation hours plus 106 PTO hours). As indicated in Subsection 13.0613(g)(2)(B), the grandfathered maximum vacation accrual balance shall be adjusted annually at the end of each calendar year and shall never be increased.

Any PTO accrual balance at the end of the calendar year in excess of employee's maximum PTO accrual that may be carried over to a future calendar year shall be automatically cashed out and paid in accordance with Subsection 13.0613(ss)(4)(E)(II). Additionally, any combined vacation/PTO accrual balance at the

end of the calendar year in excess of the employee's allowed maximum combined vacation/PTO balance, in which vacation accruals do not exceed employee's allowed maximum vacation accrual balance, shall be cashed out in PTO hours paid in accordance with Subsection 13.0613(ss)(4)(E)(II). For example, if an employee with a maximum combined accrual balance of 586 has 480 vacation hours (i.e., employee's vacation maximum accrual balance) and 200 PTO hours for a combined accrual balance of 680 hours, 94 PTO hours shall be automatically cashed out in accordance with Subsection 13.0613(ss)(4)(E)(II).

(C) Administration.

(I) PTO for Vacation Leave Purposes. When PTO has been requested for vacation leave purposes, PTO shall be administered according to Subsection 13.0613(g)(2)(C).

(II) PTO for Sick Leave Purposes. When PTO has been requested for sick leave purposes, PTO shall be administered according to Subsection 13.0613(g)(1)(D).

(D) Separation. Employees separating from County employment shall have any unused PTO administered in the same manner that Vacation Leave is administered at separation according to Subsection 13.0613(g)(2)(C)(IV).

Exempt employees who are subsequently hired into a position in a bargaining unit that does not contain the MBO, shall carry over their existing PTO balance and begin accruing vacation, floating holiday, and sick leave immediately.

(E) PTO Cash-Out.

(I) Elective Conversion. An employee may sell back PTO at the base hourly rate of the employee as hereinafter provided, upon approval of the appointing authority. Eligible employees may exercise these options under procedures established by the Director of Human Resources. In lieu of cash, the employee may designate that part or all of the value of PTO be contributed to the County's 401(k) Defined Contribution Plan or 457(b) Deferred Compensation Plan. In order to sell back PTO prior

to termination or retirement, an employee may exercise the following options:

Option 1. Future Accruals. An employee must make an irrevocable election during the month of December, specifying the number of PTO hours to be sold back from the next calendar year's PTO accrual. Such election must be made in increments of not less than ten hours and may not exceed 160 hours. All designated hours remaining in the last period of the calendar year will automatically be converted into cash in the last period of the calendar year.

Option 2. Existing Accruals. Existing PTO accruals may be cashed out in whole hour increments with a minimum cash out of ten hours and will be subject to a ten percent penalty.

(II) Automatic Conversion. At the end of the last pay period of the calendar year, an employee shall automatically have any PTO accruals in excess of the employee's maximum PTO accrual balance converted to cash. Such automatic PTO cash out shall be paid in pay period 1 of the next calendar year.

(F) Accrual Carryover Following Benefit Change.

(I) Traditional Benefit Option to Modified Benefit Option.

(i) Employees who convert from the traditional benefit option to the MBO shall carry over and may utilize their existing vacation, holiday, and sick leave balances; provided, however, that the employee shall no longer accrue vacation leave, sick leave, and a floating holiday after converting to the MBO. After converting to the MBO the employee shall be immediately eligible to accrue PTO.

Any vacation leave accrual balance carried over to the MBO that is in excess of the employee's allowed maximum vacation leave accrual balance at the end of the calendar year shall be cashed out and paid in accordance with Subsection 13.0613(g)(2)(E)(II). For example, an employee with a maximum vacation leave accrual balance of 480 hours begins MBO in pay period 16 and carries over 572 vacation hours. This employee then uses 20 vacation hours and has 552 vacation hours at the end of the last pay period of the calendar year. In this example, 72 vacation hours

shall automatically cash out in pay period 1 of the next calendar year such that 480 vacation hours carries over to the next calendar year (552 hours – 72 hours = 480 hours).

(ii) Vacation Cash-Out. Employees who met the eligibility requirements for the vacation cash-out prior to selecting the MBO, and predesignated to cash-out vacation leave during the required pre-designation period while in the traditional benefit option, shall remain eligible to cash-out vacation leave. However, employees enrolled in the MBO shall not be eligible to pre-designate to cash-out vacation leave while enrolled in the MBO unless employee intends to convert to the traditional benefit option during next calendar year's open enrollment period and start accruing vacation that calendar year.

Additionally, employees who select the MBO will continue to have the option to cash-out existing vacation accruals according to Subsection 13.0613(g)(2)(E).

(II) Modified Benefit Option to Traditional Benefit Option.

(i) Employees who convert from the MBO to the traditional benefit option shall carry over and may utilize their existing PTO balance (if any) and begin accruing vacation, floating holiday, and sick leave immediately; however, the maximum combined PTO and vacation accrual that may be carried over to a future calendar year shall not exceed this employee's allowed maximum vacation accrual balance at the end of the calendar year as established in Subsection 13.0613(g)(2)(B). Any combined excess leave hours at the end of the calendar year shall be cashed out as PTO hours and paid in accordance with Subsection 13.0613(ss)(4)(E)(II). For example, an employee with a maximum vacation accrual balance of 480 hours begins the traditional benefit option in pay period 16 and carries over 150 PTO hours and 375 Vacation Leave hours and accrues an additional 68 vacation hours through pay period 26 (i.e., total combined leave at the end of calendar year equals 593 hours). In this example, 113 PTO hours shall automatically cash out in pay period 1 of the next calendar year such that 480 total combined vacation/PTO hours carries over to the next calendar year (593 hours –

113 hours = 480 hours). If employee has a grandfathered maximum vacation accrual balance, the grandfathered vacation accrual balance shall be the maximum combined vacation and PTO balance that may be carried over.

(ii) PTO Cash-Out. Employees who met the eligibility requirements for the PTO cash-out prior to converting from the MBO to the traditional benefit option and predesignated to cash-out PTO during the required pre-designation period while in the MBO, shall remain eligible to cash-out PTO. However, employees enrolled in the traditional benefit option shall not be eligible to pre-designate to cash-out PTO while enrolled in the traditional benefit option unless employee intends to convert to the MBO during next calendar year's open enrollment period and start accruing PTO that calendar year.

Additionally, employees who convert from the MBO to the traditional benefit option will continue to have the option to cash-out existing PTO according to Subsection 13.0613(ss)(4)(E)(I).

(tt) The Director of Human Resources may, in appropriate circumstances, provide an employee who is separating from County employment up to six months of the employee's annual salary and benefits in the form of administrative leave or a lump sum payment. The Director of Human Resources, in consultation with County Counsel, is authorized to approve the administrative leave or payment; provided, however, no administrative leave may be granted or salary paid if allegations of conduct involving misappropriation of public funds or property, misuse or destruction of public property, acts that would constitute a felony or misdemeanor, malfeasance in office or conviction of a crime involving moral turpitude are pending against the employee.

1 vacation, holidays, and sick leave conversion, if eligible. Should such an elected official

3 new employee and receive a new benefit date except as hereinafter provided. A person
4 who has served as an elected official of the County and who returns or has returned to

6 the County, shall be entitled for purposes of vacation accrual rates to count all prior
