On April 11, 2023 (Item No. 30), the Board of Supervisors (Board) adopted Resolution No. 2023-42 (Resolution), authorizing the Code Enforcement Division Chief of LUS to execute all California Department of Resources Recycling and Recovery (CalRecycle) Tire Recycling, Cleanup, and Enforcement grant documents, including but not limited to, applications, agreements, any subsequent amendments, requests for payment, and final report, necessary to secure grant funds and implement approved grant projects for a period of five years from April 11, 2023 to April 11, 2028. Waste Tire Cleanup Grants (Grant Award No. TCU20-24-0033) for the period of November 16, 2024, through October 29, 2026. CalRecycle informed the Division of the award on September 17, 2024.

Through Code Enforcement's illegal dumping program, these grant funds will help offset the costs of the removal of illegally dumped waste tires observed from field observation and from reports and complaints received from citizens.

Illegal dumping of waste tires is a chronic problem in the County, particularly in the desert areas. The code enforcement activities funded by these grant funds will contribute to the reduction and prevention of illegal tire disposal and will encourage compliance with state regulations.

Per County Policy 05-13, Code Enforcement now seeks Board of Supervisors (Board) acceptance of this grant award and approval of the grant award agreement.
