FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost). The increase of \$1,619,261 is 52% federally funded (\$842,016) and 48% state funded (\$777,245) by the California Work Opportunity and Responsibility to Kids (CalWORKs) Housing Support Program (HSP) Allocation. The increase of \$1,619,261 will cover housing related expenses for 2024-25. Adequate appropriation and revenue have been included in the Human Services Administrative Claim 2024-25 budgets.

BACKGROUND INFORMATION

Under the terms of the recommended amendment, the Housing Authority of the County of San Bernardino (HACSB) will continue to provide housing and rental assistance for CalWORKs families who identify themselves as homeless, at risk of homelessness, or whose housing instability would be a barrier to self-sufficiency. Homeless is defined as lacking a fixed and regular nighttime residence; having a primary nighttime residence that is a supervised publicly or privately operated shelter designed to provide temporary living accommodations; residing in a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings; or in receipt of a judgment for eviction, as ordered by a court.

The California Department of Social Services has redistributed allocations from underperforming counties to those with a greater need that could spend the additional funding. Based on an estimated average annual cost of \$27,334 per family, per year, the \$1,619,261 will allow the Transitional Assistance Department (TAD) to serve 59 additional families. The average annual

cost per family breaks down into three main categories: financial assistance in the amount of \$19,681, case management in the amount of \$ 3,280, and administrative support in the amount of \$4,373. Financial assistance includes items such as rent and deposit (first and last month), utilities and utility deposit, moving assistance, storage, childcare, transportation costs, vehicle repairs, education, employment readiness, and miscellaneous costs such as household necessities. Case management and administrative support are required components of the program and include data collection, program management, housing navigation, and inspections.

The CalWORKs HSP targets homeless prevention resources and services by promoting housing stability for families in the CalWORKs program which further supports existing and ongoing County efforts to reduce and prevent homelessness. In certain circumstances, CalWORKs offers participants both temporary and permanent homeless assistance. HSP offers all CalWORKs families HSP assistance regardless of their asset or income levels. Individuals are not precluded from participating in the HSP if they have received homeless assistance benefits previously. Treatment for mental health or substance abuse needs are not a condition of receiving services.

From January 2015 to December 31, 2024, the partnership between TAD, HACSB, and HACSB's affiliate nonprofit, Knowledge and Education for Your Success, Inc. (KEYS), has served 3,708 families, of which 9,321 are children, resulting in the placement of 2,865 households, including 6,810 children, in permanent housing.

Legislation requires that counties use evidence-based models, including those established in the Federal Department of Housing and Urban Development's (HUD) Homeless Prevention and Rapid Rehousing (RRH) Program, in the implementation of the HSP. The goal of HSP is to assist families in quickly obtaining permanent housing and provide wraparound support to families to foster housing retention. RRH and targeted homelessness prevention programs have been implemented nationwide as cost-effective strategies to help families exit or avoid homelessness and retain permanent housing.

The California Department of Social Services encouraged counties to partner with county and local community-based organizations that are experienced in providing housing services. The County partnered with HACSB to provide RRH and rental assistance services. TAD entered into a Memorandum of Understanding with the Department of Behavioral Health to provide case management through the Family Stabilization and Life Skills programs.

HACSB has been the largest provider of affordable housing in the County since it was founded in 1941 and is currently serving nearly 27,500 individuals and families. HACSB and KEYS will continue to work with families and private landlords to provide RRH and rental assistance, to ensure HUD's Housing Quality Standards are followed and maintained, and participating families are aware of and understand their tenant rights and responsibilities. Rents are assessed based upon applicable local submarket rents, but do not exceed the local area's Fair Market Rent established by HUD. Additionally, KEYS will partner with community and faith-based organizations to negotiate and support payment of security deposits, utility assistance, rental assistance, furniture needs, and other housing costs as appropriate to the situation. Extending the partnerships with HACSB and KEYS increases TAD's coordinated efforts to reduce and prevent homelessness.

The RRH program offers time limited, individualized financial assistance at a level that enables the family to maintain housing while they seek to increase income; learn to manage a household budget; relocate to affordable housing; and/or reduce expenses to sustain their housing. Rental assistance will be provided in a manner that is intended to prevent families from experiencing a sudden and unmanageable increase in their housing expenses at the end of program assistance.

On June 23, 2020 (Item No. 96), the Board of Supervisors (Board) approved non-competitive Contract No. 20-503 with HACSB to provide CalWORKs housing support services, in the amount of \$6,480,000, for the period of July 1, 2020 through June 30, 2021, with four one year extension options by mutual agreement of both parties.

On June 22, 2021 (Item No. 102), the Board approved Amendment No. 1 to Contract No. 20-503 with HACSB to continue providing CalWORKs housing support services, increasing the amount by \$6,480,000, from \$6,480,000 to \$12,960,000, and extending the contract an additional year, for the total contract period of July 1, 2021 through June 30, 2022.

On May 24, 2022 (Item No. 101), the Board approved Amendment No. 2 to Contract No. 20-503 with HACSB to continue providing CalWORKs housing support services, increasing the amount by \$18,162,657 from \$12,960,000 to \$31,122,657, and extending the contract an additional two years, for the total contract period of July 1, 2020 through June 30, 2024.

On December 5, 2023 (Item No. 64), the Board approved Amendment No. 3 to Contract No. 20-503 with HACSB to continue providing CalWORKs housing support services, increasing the amount by \$15,071,562 from \$31,122,657 to \$46,194,219, and extending the contract an additional year, for the total contract period of July 1, 2020 through June 30, 2025.

HACSB's performance will continue to be measured by reviewing invoices and monthly reports by County staff to monitor compliance with the requirements of the contract. If funding is declined or reduced the County has the ability to reduce or terminate the contract.
