Re: Proposed Water and Sanitation Service Charge Adjustments

I, the undersigned property owner/customer of record, hereby submit this **formal written objection** to the proposed water and sewer rate increases.

Property Information:

Name: Robert Sila
Service Address: 514 Willow Ln, Little Creek, CA 92358
APN (Assessor's Parcel Number): 0249-021-27-0-000

Grounds for Objection:

1. The proposed rate increases appear excessive and may exceed the reasonable cost of providing the service, in violation of Article XIII D.
2. The County has not provided sufficient transparency or detailed accounting of labor, third-party vendor costs, operating expenses, and capital expenditures to justify the increases.
3. The proposed multi-year increases (10% followed by annual increases) impose an unreasonable financial burden on residents, many of whom are on fixed incomes.
4. The rate structure lacks clear proportionality between cost of service and charges imposed on individual parcels.
5. Additional review and independent validation of the Rate Study is necessary before any increase is approved.

I respectfully request that the County **reject** the proposed rate increases unless and until full financial justification is provided and validated.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

1. The proposed rate increases appear excessive and may exceed the reasonable cost of providing the service, in violation of Article XIII D.
2. The County has not provided sufficient transparency or detailed accounting of labor, third-party vendor costs, operating expenses, and capital expenditures to justify the increases.
3. The proposed multi-year increases (10% followed by annual increases) impose an unreasonable financial burden on residents, many of whom are on fixed incomes.
4. The rate structure lacks clear proportionality between cost of service and charges imposed on individual parcels.
5. Additional review and independent validation of the Rate Study is necessary before any increase is approved.

I respectfully request that the County **reject** the proposed rate increases unless and until full financial justification is provided and validated.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Grounds for Objection:

1. The proposed rate increases appear excessive and may exceed the reasonable cost of providing the service, in violation of Article XIII D.
2. The County has not provided sufficient transparency or detailed accounting of labor, third-party vendor costs, operating expenses, and capital expenditures to justify the increases.
3. The proposed multi-year increases (10% followed by annual increases) impose an unreasonable financial burden on residents, many of whom are on fixed incomes.
4. The rate structure lacks clear proportionality between cost of service and charges imposed on individual parcels.
5. Additional review and independent validation of the Rate Study is necessary before any increase is approved.

I respectfully request that the County **reject** the proposed rate increases unless and until full financial justification is provided and validated.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Re: Proposed Water and Sanitation Service Charge Adjustments

I, the undersigned property owner/customer of record, hereby submit this **formal written objection** to the proposed water and sewer rate increases.

Property Information:

Name: Margaret Merlin
Service Address: 14252 Club View Dr. Lytle Creek, CA, 92358
APN (Assessor's Parcel Number): 0350302110000

Grounds for Objection:

1. The proposed rate increases appear excessive and may exceed the reasonable cost of providing the service, in violation of Article XIII D.
2. The County has not provided sufficient transparency or detailed accounting of labor, third-party vendor costs, operating expenses, and capital expenditures to justify the increases.
3. The proposed multi-year increases (10% followed by annual increases) impose an unreasonable financial burden on residents, many of whom are on fixed incomes.
4. The rate structure lacks clear proportionality between cost of service and charges imposed on individual parcels.
5. Additional review and independent validation of the Rate Study is necessary before any increase is approved.

I respectfully request that the County **reject** the proposed rate increases unless and until full financial justification is provided and validated.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
