COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

Provide for the Safety, Health and Social Service Needs of County Residents.

FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost). The additional cost of \$162,500 is funded by State Medi-Cal, Federal Medicare, private insurances, and other departmental revenue. Funding sources may change in the future pending any legislative activity related to the repeal and/or replacement of the Affordable Care Act. Sufficient appropriation and revenue are included in the Arrowhead Regional Medical Center (ARMC) 2021-22 budget and will be included in future recommended budgets.

BACKGROUND INFORMATION

As ARMC continues the transition to a new electronic health record (EHR) system, it must maintain the existing server environment and licenses for the Meditech EHR system. Meditech has been used for a number of years for the integration of electronic medical records, physician orders, laboratory, pharmacy, billing, and supply chain management. Approval of this amendment will allow the hospital to continue maintaining access to historical information and support the existing EHR system during the transition, providing continuity of services for County residents.

On December 17, 2019, (Item No. 13), the Board of Supervisors (Board) approved Contract No. 19-842 with Park Place International, LLC dba CloudWave (CloudWave) for service, support and licenses related to the Meditech server environment in the amount of \$900,322, for the period from December 17, 2019 through December 31, 2022.
