CONTRACT 19-776 AMENDMENT NO. 4

Amendment No. 4 to Contract No. 19-776 between Microsoft Corporation (hereinafter "Contractor") and the County of San Bernardino through the District Attorney's Office (hereinafter "County") for Phase IV of the case management system. Amendment No. 4 contains additional scope of work including creating subpoenas in bulk and editing them prior to issuance, preventing duplicate entries of witnesses, victims, suspects or defendants, creating an easy to navigate association between fields to allow faster case or attorney retrieval, the ability to mask confidential information, and better tracking of cases that the Department has turned down. Additional requirements include the ability for supervisors to manage case workloads and managing cases that are filed directly with the Superior Court.
