ARTICLE 3 DEFINITIONS

3.1 **Definitions.** Unless, otherwise defined herein or the context otherwise requires, the terms defined in this Article 3 shall for all purposes hereto, and of any amendment hereof, and of any opinion or report or other document mentioned herein or therein have the meanings defined herein. The following definitions are to be equally applicable to both the singular and plural forms of any of the terms defined herein.

3.1.1 **"Affiliated Company"** means a corporation, limited liability company, partnership, trust or other business entity controlling, controlled by or under common control with the Company and may include a Buying Company which may be formed by Company. For purposes of the foregoing, "control" means the power, directly or indirectly, by voting rights, contract or otherwise, to direct or cause the direction of the management or policies of a person or entity. For the purposes of this Agreement, any purchases of goods by an Affiliated Company which results in the generation of and receipt by the County, of County Sales Tax Revenues, shall be subject to this Agreement. All references to "Company" in this Agreement shall be deemed to include such applicable Affiliated Company (unless and except to the extent the context requires otherwise); provided however, that with respect to Sections 4.8 and 4.9.3, "Company" shall mean and refer only to Inland Kenworth Inc. and not to any Affiliated Company.

3.1.2 **"Bradley-Burns Uniform Sales and Use Tax Law"** means Part 1.5 of Division 2 of the California Revenue and Taxation Code, commencing with Section 7200, and any successor law thereto, which provides for the County's share of the Sales Tax. The County share is currently 1.0%.

3.1.3 **"Business Day"** means a day which is not a Saturday, Sunday or legal holiday on which banking institutions in the State are closed or days on which County offices are closed.

3.1.4 **“Buying Company”** means a buying company as defined California Code of Regulations, title 18, section 1699(i) and any form of self-accrual of use tax which occurs at the Facility.

3.1.5 **County “Payment”** means, subject to 4.2.1 (iii) hereof, for each Fiscal Quarter in which Company engages in purchases in the unincorporated part of the County and is generating County Sales Tax Revenue, the following amount:

The obligations under this Agreement shall commence with the first full fiscal year following the County’s verification of the certificate of occupancy issued to the Company for its Expansion (as described in Section 4.1) and shall continue throughout the Term of this Agreement, an amount equal to fifty percent (50%) of each dollar of County Sales Tax Revenue over \$400,000 paid by Company and any applicable Affiliated Company and actually received by the County. For clarification and only as an example, if the certification of occupancy is issued in August 2026 then the County Payment shall not begin until Fiscal Year 2027-28 that begins on July 1, 2027.

3.1.6 **“County Sales Tax Revenues”** means the total tax revenues paid by Company and any applicable Affiliated Company upon taxable sales and uses attributable to the Company’s Existing Operations and Expansion, and any Buying Company operations or the self-accrual of use tax at and from the Facility and/or elsewhere in the unincorporated areas of the County, and ultimately remitted by the CDTFA to the County, pursuant to the Bradley-Burns Uniform Sales and Use Tax Law. County does not make any representation, warranty or commitment concerning the future actions of the California Legislature with respect to the allocation of Sales Taxes to the County. Company agrees that it is undertaking its obligations under this Agreement after having considered, and is expressly assuming the risk of, the possibility of such legislation and its resultant adverse impact on County Payments. Conversely, County acknowledges that such existing legislation may be subsequently amended or rescinded, and/or new legislation

subsequently enacted, which could have the effect of increasing the amount of County Sales Tax Revenues under the Bradley-Burns Sales and Use Tax (only if adopted by County ordinance) and, accordingly, County Payments.

The foregoing paragraph notwithstanding, the County acknowledges that the California Legislature in the future, may provide for the payment to the County of other revenues for the purpose of offsetting any losses in County Sales Tax Revenues resulting from the enactment of legislation of the type described in the immediately preceding paragraph. Should the California Legislature provide for such offsetting revenues, then for purposes of this Agreement and the computation of any County Payments which may become due to Company hereunder, any such offsetting revenues which are: (i) intended to offset the loss of County Sales Tax Revenues to the County, (ii) actually received by the County, and (iii) not subject to any restrictions on use beyond those which are otherwise generally applicable to sales tax revenues received by California entities, will be deemed to be "County Sales Tax Revenues" within the meaning of this Agreement.

ARTICLE 4 GENERAL TERMS

4.1 **Location and Operation of Company within County.** Company's business is in an unincorporated part of the County, and the Company agrees to continue operating in such Facility until this Agreement is terminated by either Party as provided in Section 4.9. Company further agrees that the benefits and obligations set forth in this Agreement are contingent upon the implementation of its proposed plan for the Expansion of the Facility, which County shall verify through the issuance of a certificate of occupancy to company, as outlined in Section 2.1, and such Expansion of the Facility must take place in in order for the incentives to be paid.

4.1.1 Company agrees to use commercially reasonable efforts to obtain and maintain a seller's permit from the CDTFA for the Buying Company in the event it determines to form a Buying Company and to conduct its Existing Operations so that the place of sale for all Purchases made by the Company and the Buying Company in California during the Term of this Agreement will be deemed to have been made in the unincorporated part of the County, pursuant to the Sales and Use Tax Law. Notwithstanding the foregoing, this Agreement shall not apply to any expansion of the Company's operations outside the State of California.

4.2 **Payment of the County Payment.** As consideration for Company's continued Existing Operations in the County, and investment into the Facility, Expansion of the Facility, as described in Section 4.1 above, County shall pay Company the County Payment. In addition, in the event it is determined that the Facility, Expansion of the Facility or another location in the unincorporated part of the County is the point of sale for Purchase activities of any Affiliated Companies during the term of this Agreement, the term "**County Sales Tax Revenues**" will be deemed to include County Sales Tax Revenues derived from taxable Purchases and uses attributable to the operations of such Affiliated Companies and County shall pay the County Payment attributable thereto to Company, or such Affiliated Companies, as directed by Company. Such payment will be made within sixty (60) days following confirmation that Company has exceeded the \$400,000 threshold in annual sales tax revenue by (i) the County's sales tax consultant relating to the Fiscal Year occurring within the Term, (ii) receipt by County of any and all Data and Documentation (as defined herein) applicable to such Fiscal Year, and (iii) actual receipt by the County of the County Sales Tax Revenues. With respect to any portion of the County Sales Tax Revenues that is substituted by the State of California for the Bradley-Burns Sales Tax Revenues, the County Payment will be made within sixty (60) days of receipt of such

funds.

4.2.1 Conditions Precedent to County Payment. County's obligations under Section 4.2 are contingent for each Fiscal Year within the Term, upon the satisfaction of the following conditions precedent in each Fiscal Year:

(i) Company having for such Fiscal Year or portion thereof, fulfilled its material obligations under Section 4.1 of this Agreement;

(ii) County's receipt and approval of the Data and Documentation (defined herein) evidenced by Company providing Data and Documentation as defined in 4.2.3;

(iii) Company paying any and all taxes applicable to or arising out of Company's ownership or any other interest in property (on which its operations are located within the County) and/or out of the operation, use and/or enjoyment of the Facility and its Expansion (including, without limitation, all taxes attributable to sales occurring on the Facility). Any and all taxes are paid and Current.

4.2.2 Remedies in the Event Conditions Precedent are not Satisfied. In the event conditions contained in Sections 4.2 and 4.2.1 are not satisfied, County is relieved of its obligations under this Agreement to make the County Payments for that period and County may terminate this Agreement upon written notice to Company; provided however, that (i) any County Payment shall be appropriately prorated, adjusted and paid with respect to any partial Fiscal Quarter for which such conditions have been satisfied; (ii) prior to terminating this Agreement, County shall provide Company with a thirty-day (30) period after receipt of County's written notice to cure the condition causing the termination (or if such condition cannot reasonably be cured within thirty (30) days, then such additional period as may be reasonably necessary to effect such cure, provided that Company initiates the cure within the thirty-day (30) period and diligently prosecutes the same to completion), and upon such cure, County shall promptly make any such suspended County Payments to Company; and (iii) in all events, County shall not have the right to terminate this Agreement during any period that the Company's performance is materially impaired by any Enforced Delays, and the period for performance and cure of the Company's obligations hereunder shall be extended by the period of any such Enforced Delays.

4.2.3 Data and Documentation. For the purposes of this Agreement, the term "**Data and Documentation**" means such sales and use tax returns (including the schedules comprising a part of such returns) as are required to be filed by the Company with the CDTFA relating to or in connection with the collection, remittance and/or calculation of County Sales Tax Revenues from the operations of the Company at the Facility. "**Data and Documentation**" shall include a breakout of Sales and Use Tax Revenue for the Buying Company and from the Buying Company's seller's permit and the self-accrual of use tax and a reconciliation to the total sales taxes and use taxes paid by the Company and its applicable Affiliated Companies. Copies of such returns shall be delivered by Company to the County on or before January 31, April 30, July 31 and October 31 of each County fiscal year (July 1- June 30) with respect to the prior fiscal period.

4.2.4 Adequate Consideration.

(i) Each County Payment due and payable shall constitute the total payment to Company for the Fiscal Year or portion thereof to which it relates, and shall be paid by County for and in consideration of the continued location of Company's Existing Operations in the County during such Fiscal Year. The Parties have determined and agreed that the County Payment due and payable during each Fiscal Year represents fair consideration to

Company for its covenants and obligations hereunder.

(ii) Both County and Company expressly acknowledge and agree that Company will receive no compensation under this Agreement other than the County Payment. Company will not be entitled to any reimbursement or other compensation from the County for any costs incurred by Company in performing, preparing to perform or continuing its obligations under this Agreement for the term of the Agreement. The County Payment shall not be reduced or offset for any costs or expenses incurred by the County in performing or preparing to perform its duties under and pursuant to this Agreement.

4.2.5 County Licenses and Permits. Company acknowledges that it is solely responsible for obtaining any and all applicable County licenses and permits and for the payment of any fees related to the licenses and permits. This Agreement does not obligate County to approve any licenses or permits or provide any approval for land use or environmental issues.

4.2.6 No Carry Forward or Back. County and Company acknowledges and agrees that the calculation and determination of all financial components of the Parties' rights and obligations under this Agreement shall be computed on a Fiscal Year-to-Fiscal Year basis. Revenues generated in one Fiscal Year may not be carried forward or back to any future or prior Fiscal Year, it being the express agreement and understanding of the Parties that for each Fiscal Year, the financial obligations of the Parties and satisfaction of the conditions precedent to such obligations shall be determined and made independently of any other Fiscal Year.

4.2.7 Recapture of County Payments; Invalidity of Sales Tax Sharing Arrangements.

(i) Subject to any applicable statutes of limitations, administrative regulations, practices or procedures, and/or other limitations on actions or recoveries, if at any time during the Term of this Agreement, the CDTFA or any court of competent jurisdiction determines that all or any portion of the County Sales Tax Revenues received by the County during that time was improperly allocated and/or paid to the County (an "**improper allocation**"), and if CDTFA or any court of competent jurisdiction requires repayment of, offsets against future sales tax payments, or otherwise recaptures from the County those improperly allocated and/or paid County Sales Tax Revenues, then Company shall, within thirty (30) days after written demand from County (which written demand shall include legally sufficient supporting documentation from the California Department of Tax and Fee Administration or any court of competent jurisdiction that the County is legally obligated to refund such payment to the CDTFA), repay its proportionate share of such County Payments (or applicable portions thereof) paid to Company which are attributable to such repaid, offset or recaptured County Sales Tax Revenues (the "**Recapture Amount**"); provided however, if so requested by Company, County shall use its best efforts to negotiate a repayment plan with CDTFA so that the Recapture Amount may be repaid to CDTFA in approximately equal monthly installments over the longest possible period of time (rather than payment of such amount in a lump sum). For the avoidance of doubt, the Parties acknowledge that Company's proportionate share of any Recapture Amount shall be 50% of the amount that the County is actually required to repay or cause to be repaid to CDTFA (whether by refund, offset or other recapture), but in no event greater than the amount of County Payments actually received by the Company pursuant to this Agreement; provided however, that if an improper allocation resulted solely and exclusively from a misrepresentation by the Company in its tax

returns or other wrongful conduct by the Company, then the Company shall also be required to pay any fines, penalties or interest assessed by the CDTFA in respect of such misrepresentation or other wrongful conduct. If Company fails to make such repayment as provided above, then such obligation shall accrue interest from the date of County's original written demand at the then maximum legal rate imposed by the California Code of Civil Procedure on prejudgment monetary obligations, and all payments to Company shall be suspended, until County is paid by Company.

(ii) County and Company agree that, should the CDTFA or any court of competent jurisdiction question the correctness of the allocation or determine that there has been an improper allocation to the County, County shall defend such allocation in all CDTFA administrative proceedings or any judicial or court proceedings. For purposes of this paragraph, (a) administrative proceedings include all meetings and conferences with CDTFA staff and all CDTFA meetings, conferences, and appeals before CDTFA Board Members and (b) judicial or court proceedings includes any litigation process, mediation and/or mediation processes (collectively, "judicial proceedings"). Company will reasonably cooperate with the County and its attorneys and consultants, and shall have the right to be present at and participate in all CDTFA administrative proceedings. In the event of judicial proceedings, the County shall pay all costs related to the proceeding (other than the attorneys fees and costs of Company's separate legal counsel, if any, whose fees and costs shall be borne by Company); provided however, if the County determines that it will be necessary or advisable to engage outside counsel to defend or prosecute such judicial proceedings, the County shall not be obligated to so defend or pursue such judicial proceedings unless the Company shall have agreed to pay 50% of the legal fees and costs of such outside counsel (which fees and costs shall have been mutually approved by the Company and the County).

(iii) In addition, in the event that a court of competent jurisdiction determines that County Sales Tax Revenues were improperly received by County and orders County to pay such improperly received County Sales Tax Revenues as damages to a third party, and Company received County Payments of a Recapture Amount attributable to such improperly received County Sales Tax Revenues, Company shall repay such County Payments to County within thirty (30) days after written demand by County. Company shall also be obligated to pay 50% of any fines, penalties, interest or other costs imposed by a court of competent jurisdiction.

(iv) The obligations in this Section 4.2.7 shall survive the termination of this Agreement.

(v) If, at any time during the Term of this Agreement, the Legislature enacts legislation or the CDTFA adopts regulations which invalidate or prohibit the sharing of sales tax as contemplated by this Agreement, the Parties may negotiate in good faith to amend this Agreement to comply with such law or regulations or may terminate this Agreement, in which event the County Payments due hereunder shall be prorated, adjusted and paid as of the effective date of termination, and thereafter, neither Party shall have any further liability or obligation to the other hereunder.

4.3 Audit of Books and Records. Either Party shall, upon no less than thirty (30) days prior written request from the other Party, subject to applicable confidentiality laws and regulations, make the entirety of its books and records relating to the calculation and determination of that Party's rights and obligations under this Agreement available at no cost to the requesting Party and/or its designees (including its accountants and/or attorneys) and shall

direct its accountants and other consultants and contractors in possession of its books and records to do likewise; provided, however, that nothing herein shall be deemed to abridge or constitute a waiver of any Party's evidentiary rights and privileges arising pursuant to any provision of law or as otherwise ordered by any court of competent jurisdiction. Each Party shall bear the costs of its own auditors, experts and other consultants it may engage to complete its investigation of the other Party's books and records hereof, or as otherwise ordered by the court, may be recovered as an item of litigation expense pursuant to Section 4.33.

4.3.1 Review of Company's Operations. Once a year at discretion of the County reviews, upon reasonable notice (within 30 days), Company's operations in County to verify that Company is conducting its purchasing operations in a way that requires the County Sales Tax Revenue to be allocated to County.

4.4 Event of Default. Each of the following shall constitute an "Event of Default":

4.4.1 Failure by a Party to comply with and observe any of the material conditions, terms, or covenants set forth in this Agreement, if such failure remains uncured within thirty (30) days after written notice of such failure from the non-defaulting Party to the defaulting Party in the manner provided herein or, with respect to a default that cannot be reasonably be cured within thirty (30) days, if the defaulting Party fails to commence such cure within such thirty (30) day period or thereafter fails to diligently and continuously proceed with such cure to completion. However, if a different period, notice requirement, or remedy is specified under any other section of this Agreement, then the specific provision shall control. A failure by Company to comply with its obligations under Section 4.1.1 may be cured by Company paying to County, without interest, the amount of County Sales Tax Revenues, net of corresponding County Payments attributable thereto, that County would have received from purchases made by Company as if there had been no breach of Section 4.1.1.

4.4.2 Any representation or warranty contained in this Agreement or in any application, financial statement invoice, certificate, or report submitted pursuant to this Agreement proves to have been incorrect in any material respect when made.

4.5 Rights and Remedies. Unless prohibited by law or otherwise expressly provided by a specific provision of this Agreement, the rights and remedies of Company and County are nonexclusive and all remedies hereunder may be exercised individually or cumulatively. Upon the other Party's Event of Default, in addition to those remedies expressly granted herein, the Parties shall also have the right to seek all other available legal and equitable remedies. Notwithstanding the foregoing or any other provision to the contrary contained in this Agreement, except for Termination Payments pursuant to Sections 4.8 or 4.9.3 and Company's potential liability under Section 4.2.7 above (which shall not be limited hereby), in no event shall Company's liability under or with respect to this Agreement, exceed the direct, out-of-pocket loss suffered by County by reason of such uncured Event of Default by Company. For purposes of the preceding sentence, "direct, out-of-pocket loss" shall not include (and the County shall not have the right to seek or recover) any anticipated future revenues to the County that might be or might have been generated pursuant to this Agreement after the occurrence of such Event of Default.

4.6 Rights not Granted under Agreement. This Agreement is not, and shall not be construed to be, a statutory development agreement under Government Code Section 65864 et seq. or a disposition and development agreement under Health and Safety Code Section 33000 et seq. This Agreement is not, and shall not be construed to be, an approval of or an agreement

to issue permits or a granting of any right or entitlement by the County concerning any project, development, or construction by Company in the County. This Agreement does not, and shall not be construed to exempt Company in any way from the requirement to obtain permits and/or other discretionary or non-discretionary approvals as may be necessary for the development, maintenance and operation of any project, development of construction of Company within the County. This Agreement does not, and shall not be construed to, exempt Company from the application and/or exercise of the County's power of eminent domain or its police power, including, but not limited to, the regulation of land uses and the taking of any actions necessary to protect the health, safety and welfare of its citizenry.

4.7 Assignment. Company acknowledges and agrees that the rights, benefits, duties and obligations of Company as provided in this Agreement are personal to Company and any Affiliated Companies. Neither this Agreement nor any rights, benefits, duties or obligations of Company may be assigned or delegated to any other person or entity except as follows:

4.7.1 Subject to compliance with the requirements of Section 4.7.2 below, without the prior consent of County, Company may assign all, but not a portion, of Company's rights, benefits, duties and obligations under this Agreement to any affiliated person or entity, any successor by merger or acquisition or other entity resulting from a corporate reorganization and/or any other entity controlling, controlled by or under common control with Company ("**Affiliated**" transferee). Company shall obtain County's written consent (which shall not be unreasonably withheld, conditioned or delayed) to assign all, but not a portion, of Company's rights, benefits, duties and obligations under this Agreement to any unaffiliated person or entity which will use and operate the Facility for purposes similar to the purposes contemplated in Section 2.1 above, which are reasonably anticipated to produce County Sales Tax Revenues from the Facility at least comparable to that produced by Company from the Facility ("**Unaffiliated**" transferee).

4.7.2 Each Affiliated transferee or Unaffiliated transferee (collectively, "transferee") shall (i) acquire Company's entire interest in the Facility, (ii) continue to use, operate and maintain the Facility as provided in this Agreement, and (iii) execute, acknowledge and deliver to County a written assumption agreement in form and substance reasonably acceptable to County.

4.7.3 Except as provided above, any purported assignment or delegation by Company without such consent, at County's option, shall be void and of no force or effect. County expressly reserves the right to assign and delegate its obligations under this Agreement.

4.8 No Financial Assistance. Company covenants and agrees for the period beginning on the Effective Date and continuing throughout the Term of this Agreement, Company will not accept any Financial Assistance (as defined herein) from any other public entity, to the extent such Financial Assistance is given for the purpose of causing Company's relocation of all or substantially all of its Existing Operations from the unincorporated area of the County to another facility located outside of the unincorporated area of the County. In the event of Company's relocation of all or substantially all of its Existing Operations during that time period and the receipt by Company of Financial Assistance from such other political entity as an inducement for such relocation, Company shall pay to County, as County's sole and exclusive remedy for Company's breach of such covenant, an amount equal to the payment made to Company over the prior fiscal year ("Termination Payment"). The payment of the Termination Payment shall survive the termination of this Agreement. For purposes of this Agreement, "Financial Assistance" shall mean the payment to the Company by the public entity in whose jurisdiction the Company's business has been relocated, amounts measured by the amount of sales tax revenues received by such public entity with respect to the Purchases generated by the

Company in such new facility.

4.9 Termination.

4.9.1 Upon an Event of Default as described in Section 4.4, above, the non-defaulting Party may terminate this Agreement.

4.9.2 Except as otherwise expressly provided in this Agreement (including any repayment obligations pursuant to Section 4.2.7), upon a termination of this Agreement, and, if applicable, payment of any amounts which are expressly required to be paid by one Party to the other in connection with such termination, all rights, duties and obligations of the Parties under this Agreement shall cease and terminate and neither Party shall have any further liability or obligation to the other with respect to this Agreement or the subject matter hereof.

4.9.3 Notwithstanding anything to the contrary contained in this Agreement, Company shall have the on-going right to terminate this Agreement as to Company or such applicable Affiliated Company, as the case may be, for any reason, or for no reason, in its sole and absolute discretion, upon not less than 60 days prior written notice. Company shall be subject to the Termination Payments described in Section 4.8 if termination occurs prior to the expiration of the Term of this Agreement, and such termination by Company is made solely for the purpose of relocating all or substantially all of its Existing Operations to a location outside of the unincorporated area of San Bernardino County in consideration of the grant of Financial Assistance by the political entity in whose jurisdiction such new facility is located.

4.10 County and Company Representations and Warranties. 4.11 Indemnification and Insurance.

4.11.1 Indemnification. Company shall indemnify, defend (with counsel reasonably approved by County) and hold harmless the County and its authorized officers, employees and agents and volunteers ("Indemnitees") from any and all claims, actions, losses, damages, and/or liability arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person and for any costs and expenses incurred by the County on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of Indemnitees. The Company's indemnification obligation applies to the County's "active" as well as "passive" negligence but does not apply to the County's "active" as well as "passive" negligence but does not apply to the County's "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782. This provision shall survive the termination of this Agreement.

4.11.2 Insurance. Company agrees to provide insurance set forth in accordance with the requirements herein. If the Company uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, Company agrees to amend, supplement or endorse the existing coverage to do so. Without in anyway affecting the indemnity herein provided in Section 4.11.1 and in addition thereto, Company shall secure and maintain throughout the Term of this Agreement, the following types of insurance with limits shown:

(i) Workers' Compensation/Employers' Liability. A program of Workers's Compensation insurance or a State-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California,

including Employers' Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of Company and all risks to such persons under this Agreement. If Company has no employees, it may certify or warrant to the County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Director of Risk Management. If Company is a nonprofit corporation organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

(ii) Commercial/General Liability Insurance. Company shall carry General Liability Insurance covering all operations performed by or on behalf of Company providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000) per occurrence. The policy shall include:

- (A) Premises operations and mobile equipment.
- (B) Products and completed operations.
- (C) Broad form property damage (including completed operations).
- (D) Personal injury.
- (E) Contractual liability.
- (F) \$2,000,000 general aggregate limit.

(iii) Automobile Liability Insurance. Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hired and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than one million (\$1,000,000) for bodily injury and property damage, per occurrence. If Company is transporting one or more non-employee passengers in performance of Agreement services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence. If Company owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

(iv) Umbrella Liability Insurance. An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.

(v) General Provisions Applying to Coverage.

(A) Additional Insured. All policies, except for the Workers' Compensation, policies, shall contain endorsements naming the County and its officers, employees, agents and volunteers, as additional insureds with respect to liabilities arising out of the performance of services under this Agreement. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for

the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11.85.

(B) Waiver of Subrogation Rights. Company shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors and subcontractors. All General or Auto liability insurance coverage provided shall not prohibit Company or Company's employees or agents from waiving the right of subrogation prior to a loss or claim. Company hereby waives all rights of subrogation against the County.

(C) Policies Primary and Non-Contributory. All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

(D) Severability of Interests. Company agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross-liability exclusions that preclude coverage for suits between Company and the County or between County and any other insured or additional insured under the policy.

(E) Proof of Coverage. Company shall furnish Certificates of Insurance to the County Department administering the Agreement evidencing the insurance coverage at the time the Agreement is executed; additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire within thirty (30) days written notice to the County, and Company shall maintain such insurance from the time Company commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this Agreement, Company shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

(F) Acceptability of Insurance Carrier. Unless otherwise approved by County Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A-VII."

(G) Deductibles and Self-Insurance Retention. Any and all deductibles or self-insured retention in excess of \$10,000 shall be declared to and approved by Risk Management.

(H) Failure to Procure Coverage. In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is cancelled and not replaced, County has the right but not the obligation or duty to cancel the Agreement or obtain insurance if it deems necessary and any premiums paid by County will be promptly reimbursed by Company or County payments to Company will be reduced to pay for County-purchased insurance.

(I) Insurance Review. Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of

insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflations, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

4.12 Amendment of Agreement. At any time County and Company may determine that this Agreement should be amended for the mutual benefit of the Parties, or for any other reason, including an amendment to induce Company to maintain its operations in the County when this Agreement could otherwise be terminated. Any such amendment to this Agreement shall only be by written agreement between County and Company. County and Company agree to consider reasonable requests for amendments to this Agreement which such requests may be made by any of the Parties hereto, lending institutions, bond counsel or financial consultants. Any amendments to this Agreement must be in writing and signed by the appropriate authorities of both County and Company. The County Chief Executive Officer and the Company may agree to minor, non-substantive changes to this Agreement without further Board authorization.

4.13 California Law. This Agreement shall be construed and governed in accordance with the laws of the State of California.

4.14 Execution in Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all of which shall constitute but one and the same instrument.

4.15 Business Days. Any act or thing required to be done or exist on any date set forth herein which does not constitute a Business Day in any year shall be deemed to be done or to exist on such date if such act or thing is done or exists on the next date, which constitutes a Business Day.

4.16 Tax Consequences. Company shall be responsible for federal, state and/or local income taxes resulting from its receipt of the County Payments.

4.17 Consent. Whenever consent or approval of any Party is required under this Agreement, that Party shall not unreasonably withhold, delay or condition such consent or approval unless a different standard is otherwise provided by a specific provision of this Agreement.

4.18 Notices and Demands. All notices or other communications required or permitted between County and Company under this Agreement shall be in writing, and may be (i) personally delivered; (ii) sent by United States registered or certified mail, postage prepaid, return receipt requested; (iii) sent by nationally recognized overnight courier service (e.g., Federal Express); or (iv) sent by telecopy ("fax") or electronic mail ("email"), provided that if given by fax or email, a duplicate copy of such notice shall also be sent by mail (per (ii) above or

by courier (per (iii) above; in each case addressed to the Parties at the addresses provided below subject to the right of either Party to designate a different address for itself by notice similarly given. Any notice so given by fax or email shall be deemed given on the date of transmission if transmitted prior to 3pm (in the time zone where the addressee is located) on a Business Day, or if not, then on the next Business Day. Any notice given per (ii) or (iii) above shall be deemed given on the date of actual receipt, as evidenced by the carrier's or courier's delivery receipt.

4.19 Non-liability of Officials and Employees. No board member, official, contractor, consultant, attorney or employee of County shall be personally liable to Company, any voluntary or involuntary successors or assignees, or any lender or other party holding an interest in Company's property, in the event of any default or breach by County, or for any amount which may become due to Company or to its successors or assignees, or on any obligations arising under this Agreement.

4.20 Non-liability of Company Officials and Employees. No board member, officer, partner, member, official, contractor, consultant, attorney or employee of Company shall be personally liable to County, any voluntary or involuntary successors or assignees in the event of any default or breach by Company, or for any amount that may become due to County or to its successors or assignees, or on any obligations arising under this Agreement.

4.21 Entire Agreement. This Agreement contains all of the terms and conditions agreed upon by the Parties. No other understanding, oral or otherwise, in direct conflict with this Agreement shall be deemed to exist or to bind any of the Parties hereto. All prior written or oral

offers, counteroffers, memoranda of understanding, proposals and the like are superseded by this Agreement.

4.22 Extensions and Delays; No Excuse Due to Economic Changes. Time is of the essence in the performance of the obligations of County and Company under this Agreement. In addition to specific provisions of this Agreement, providing for extensions of time, times for performance hereunder shall be extended where delays in performance are due to war, insurrection; any form of labor dispute; lockouts; riots; floods; earthquakes; fires; acts of God or of third parties; third party litigation relating to this Agreement; acts of a public enemy; acts of governmental authorities; epidemics; quarantine restrictions; and freight embargoes (collectively, "**Enforced Delays**") provided, however, that the Party claiming the extension notify the other Party of the nature of the matter causing the default; and, provided further, that the extension of time shall be only for the period of the Enforced Delays. However, deadlines for performance may not be extended as provided above due to any inability of Company to obtain or maintain financing for its operations or due to County's inability to make County Payments due and payable to Company. In no event shall either Party be deemed in default of this Agreement because of an Enforced Delay event.

The Parties hereto expressly acknowledge and agree that changes in either general economic conditions or changes in the economic assumptions of any of them which may have provided a basis for entering into this Agreement, and which occur at any time after the execution of this Agreement, are not Enforced Delays and do not provide any Party with grounds for asserting the existence of a delay or excuse in the performance of any covenant or undertaking which may arise under this Agreement. Each Party expressly assumes the risk that changes in general economic conditions, or changes in such economic assumptions relating to the terms and covenants of this Agreement could impose an inconvenience or hardship on the continued performance of such Party under this Agreement, but that such inconvenience or hardship is not an Enforced Delay and does not excuse the performance by such Party of its obligations under this Agreement.

4.23 Jurisdiction and Venue. Any legal action or proceeding concerning this Agreement shall be filed and prosecuted in the appropriate California state court in San Bernardino County, California. Both Parties hereto irrevocably consent to the personal jurisdiction of that court. County and Company each hereby expressly waive the benefit of any provision of federal or state law or judicial decision providing for the filing, removal, or change of venue to any other court or jurisdiction.

4.24 Interpretation. County and Company acknowledge that this Agreement is the product of mutual arms-length negotiation and drafting and that both Parties have been represented by legal counsel in the negotiation and drafting of this Agreement. Accordingly, the rule of construction which provides that ambiguities in a document shall be construed against the drafter of that document shall have no application to the interpretation and enforcement of this Agreement. In any action or proceeding to interpret or enforce this Agreement, the finder of fact may refer to any extrinsic evidence not in direct conflict with any specific provision of this Agreement to determine and give effect to the intention of the Parties with respect to any ambiguities in this Agreement.

4.25 No Waiver. Failure to insist on any occasion upon strict compliance with any of the terms, covenants or conditions hereof shall not be deemed a waiver by any Party of such term, covenant or condition. Except as otherwise specifically provided in this Agreement, no waiver or relinquishment of any rights or powers hereunder at any one time or more times shall

be deemed a waiver or relinquishment by any Party of such other right or power at any other time or times.

4.26 Successors and Assigns. The terms, covenants and conditions of this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their voluntary and involuntary successors and assigns, subject to the provisions of 4.31.

4.27 No Third Party Beneficiaries. The performance of the respective obligations of County and Company under this Agreement are not intended to benefit any party other than County or Company, except as expressly provided otherwise herein. No person or entity not a signatory to this Agreement shall have any rights or causes of action against any Party to this Agreement as a result of that Party's performance or nonperformance under this Agreement, except as expressly provided otherwise herein.

4.28 Warranty Against Payment of Consideration for Agreement. Company warrants that it has not paid or given, and will not pay or give, any third party any money or other consideration for obtaining this Agreement. Third parties, for the purposes of this Section 4.28, shall not include persons to whom fees are paid for professional services if rendered by attorneys, financial consultants, accountants, engineers, architects and the like when such fees are considered necessary by Company.

4.29 Severability. County and Company declares that the provisions of this Agreement are severable. If it is determined by a court of competent jurisdiction that any term, condition or provision hereof is void, voidable, or unenforceable for any reason whatsoever, then such term, condition or provision shall be severed from this Agreement and the remainder of the Agreement enforced in accordance with its terms.

4.30 Further Acts. County and Company each agree to take such additional acts and execute such other documents, consistent with this Agreement, as may be reasonable and necessary in the performance of their obligations hereunder.

4.31 No Pledge or Hypothecation of This Agreement. Company may not assign, transfer, encumber, or hypothecate its rights and/or obligations under this Agreement without the express written consent of County, which shall not be unreasonably withheld. Any unpermitted assignment, transfer, pledge, encumbrance, or hypothecation, or any attempt thereat, (individually or collectively, an "**unpermitted hypothecation**") shall not confer any rights upon the purported assignee/transferee. If the Company fails to cause such unpermitted hypothecation to be rescinded or otherwise terminated within thirty (30) days after receipt by Company of written notice and demand from County, County may exercise those remedies available to County pursuant to Section 4.5. Notwithstanding the foregoing, Company may undertake any of the following without the consent of County: (i) issue or transfer stock or other voting or ownership interests in Company, and/or issue or transfer bonds or other evidence of indebtedness of the Company (and/or assign this Agreement in connection with any such issuance or transfer), (ii) merge or consolidate with any other entity, and/or sell or transfer all or substantially all of the assets of Company (and/or assign this Agreement in connection with any such merger, consolidation or sale), or (iii) assign its interest in this Agreement to any Affiliated Company.

4.32 Relationship of Parties. The Parties shall not be deemed in a relationship of partners or joint ventures by virtue of this Agreement, nor shall either Party be an agent,

representative, trustee or fiduciary of the other. Neither Party shall have any authority to bind the other to any agreement.

4.33 Costs of Suit; Attorneys Fees. If any legal action is instituted to enforce any Party's rights hereunder, each Party shall bear its own costs and attorney fees, regardless of which is the prevailing party. This paragraph shall not apply to those costs and attorney fees directly arising from a third-party legal action against a Party hereto and payable under Section 4.11.

4.34 Extension of Agreement. The County Chief Executive Officer shall have the authority to extend this Agreement for one set of four consecutive Fiscal Quarters, without further approval from the Board of Supervisors.

4.35 Agreement Execution. This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts shall together constitute one and the same Agreement. The parties shall be entitled to sign and transmit an electronic signature of this Agreement (whether by facsimile, PDF or other email transmission), which signature shall be binding on the party whose name is contained therein. Each party providing an electronic signature agrees to promptly execute and deliver to the other party an original signed Agreement upon request.
