## 10.2 Assignment to Departments and Sections

Each Practitioner shall be assigned membership in at least one Department, and to a Section, if commensurate with Staff category and current privileges, within such Department, but may also be granted privileges in other Departments or Sections consistent with privileges granted.

## 10.3 Qualifications, Selection, and Tenure of Department Chairman and Section Directors

The Vice-Chairman of each Department shall be appointed by the respective Department Chairman.

Each Chairman serves at the discretion of the Medical Center Director and the Medical Director. Removal of a Chairman may occur:
