BACKGROUND INFORMATION

The County has qualified since 1975, to receive federal housing and community development grant funds from HUD. The County uses the funds to develop viable communities by providing decent housing, suitable living environments, and expanded economic opportunities, mainly for low-and moderate-income persons.

The Program Year (PY) 2023-24 HUD Annual Action Plan is intended to recognize and accept the new PY 2023-24 allocations of HUD CDBG, HOME, and ESG funding and to allocate these funds to activities that will address the strategies and objectives identified in the County’s 2020-25 HUD Consolidated Plan, adopted by the Board of Supervisors (Board) on April 21, 2020 (Item No. 25).

For PY 2023-24, the County anticipates receiving approximately \$6,859,659 in CDBG funds, \$3,735,287 in HOME funds, and \$613,906 of ESG funds. Subject to limitations imposed by federal regulations, HOME, ESG, or CDBG funds may be used for emergency shelter, homelessness prevention, housing preservation, capital improvements, public services, housing development, fair housing, and program management. The County will ensure alignment with the Homeless Strategic Plan for all ESG funded activities. Additional resources, such as program income from CDBG and HOME, may become available and be allocated to eligible CDBG and HOME activities. Any activities identified to receive additional CDBG or HOME resources will be brought to the Board for approval.

The County is classified by HUD as an Entitlement Urban County because it includes 13 cities that choose to cooperate with the County and receive CDBG, HOME, and/or ESG funds through the County. The Urban County configuration is determined by cities entering into cooperation agreements with the County for three-year periods. The 13 Cooperating Cities under the 2020-25 Consolidated Plan are: Adelanto, Barstow, Big Bear Lake, Colton, Grand Terrace, Highland, Loma Linda, Montclair, Needles, Redlands, Twentynine Palms, Yucaipa, and the Town of Yucca Valley. The cities of Chino Hills and Rancho Cucamonga have chosen to only participate in the County’s HOME program. The 13 Cooperating Cities, plus these two cities, are referred to as the HOME Consortium.

CDBG and ESG funds are used to support eligible projects and activities in the unincorporated communities of the County and the 13 Cooperating Cities (Attachment – Final PY 2023-24 HUD

Annual Action Plan). HOME funds are used to support affordable housing activities within the HOME Consortium.

On April 25, 2023 (Item No. 78), the Board conducted a public hearing, which included the Draft 2023-24 HUD Annual Action Plan, and directed CDH to return on May 9, 2023, with the Final PY 2023-24 HUD Annual Action Plan for consideration by the Board prior to the plan's submittal to HUD. Public comments were received, taken into consideration and will be included in the PY 2023-24 HUD Annual Action Plan submission to HUD. Responses to public comments will be addressed directly to the submitter, and a summary of the comments and responses will be included in submission of the PY 2023-24 HUD Annual Action Plan to HUD. To accept the federal grant funds on behalf of the County, it is requested that the Board approve the Final PY 2023-24 HUD Annual Action Plan and direct CDH to submit this plan to HUD.

Delegation of the signature authority for the HUD CDBG, HOME, and ESG, is required by HUD and is recommended to be updated to include current position titles and individuals. This signature authority to the Chief Executive Officer, Deputy Executive Officer of Community Revitalization, or the Director of the Community Development and Housing Department is recommended for the administration and implementation of the three grants from HUD. Any change to this signature authority requires a formal Board action.

HUD requires local governing bodies to delegate signature authority in order to administer/implement grants in an efficient and effective manner. This signature authority includes, but is not limited to, the signing of documents relating to HUD Certifications; SF-424 Forms; Consolidated/Annual Action Plans; Consolidated Annual Performance and Evaluation Reports (CAPER); Environmental Assessments; Requests to Initiate Project Activity (Attachments A and B); computerized software programs such as Integrated Disbursement and Information Systems (IDIS); and Disaster Recovery Grant Reporting (DRGR), including loan payoff demands, Loan Forgiveness, Substitutions of Trustee, Deeds of Reconveyance, Annual Affidavit Letters, Requests for Full Reconveyance, and any correspondence related to prior authorized HUD Community Planning and Development (CPD) loans and various other HUD reports, correspondence and related documents as required by HUD.
