Project Description

Title: West Fontana Channel Flood Control Improvement Project (Banana to Hickory)

Project Location: The upstream end of the Project (Banana to Hickory) is located at the outlet of Banana Basin which is southwest of the intersection of Banana Avenue and Whittram Avenue. The downstream end is located at the entrance to Hickory Basin, southwest of the intersection of Mulberry Avenue and Whittram Avenue.

Project Description: The San Bernardino County Flood Control District proposes to construct and maintain flood control improvements to the Channel within an unincorporated area of San Bernardino County. The Project consists of modifying an existing undersized earthen flood control channel. The proposed modifications include construction of non-grouted rock slope protection, sections of concrete rectangular channel and transition lengths and three (3) concrete box culverts.
