FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost). The 2024-25 Recommended Budget for the Big Bear Valley Recreation and Park District (District), as presented in the Recommended Budget Book, includes total requirements of \$9.4 million and budgeted staffing of 64 positions for the District's Operating Funds and Capital Improvement Program (CIP).

BACKGROUND INFORMATION

The District, which was established by the San Bernardino County Board of Supervisors on April 23, 1934, currently manages and maintains eight parks, several community buildings including the Big Bear Valley Senior Center and Ranch Club House, three ballfields, a swim beach, and the Big Bear Alpine Zoo.

As presented in the Recommended Budget Book, the summary of the District's 2024-25 Recommended Budget below includes the base amount and any new items for 2024-25:

2024-25 Budget for Big Bear Valley Recreation and Park District
June 11, 2024

Budget Unit	2023-24 Modified	2024-25 Recommended	Change
Requirements:			
Operating Funds	\$7,760,038	\$9,217,273	\$1,457,235
CIP Funds	\$205,635	\$194,011	(\$11,624)
Total Requirements	\$7,965,673	\$9,411,284	\$1,445,611
Budgeted Staffing	64	64	0

Requirements for the District’s Operating Funds are increasing by \$1.4 million. This increase includes requirements of \$800,000 to fund a capital improvement project for shades structures at the Alpine Zoo. There are additional increases primarily due to additional costs from Board of Directors approved changes to Memorandums of Understanding (MOUs) with the employee unions, and inflationary adjustments on various programs/services.

The total Budgeted Staffing of 64 for 2024-25 includes the following changes:

- Addition of one Animal Keeper I position to handle the over twice as large zoo as the previous location.
- Deletion of one Public Service Employee.

Requirements of \$194,011 for the CIP Funds include a net decrease of \$11,624 due to the removal of one-time funding from the prior year.

Recommendation No. 1 conducts the public hearing for the District’s 2024-25 Recommended Budget, as required by Government Code Sections 29080 and 29081. Prior to adopting the District’s 2024-25 budget, a notice was published on May 22, May 23, and May 28, 2024, setting the date of the public hearing for the purpose of making a determination regarding the Recommended Budget. The Recommended Budget documents were made available in the Secretary of the Board of Directors’ (Board) office on May 21, 2024, for the public, and the public hearing is occurring at least 10 days after the documents were made available. The notice further sets forth that any member of the public may appear at the hearing and be heard regarding any item in the Recommended Budget or for inclusion of additional items. All proposals for revisions should be submitted in writing to the Secretary of the Board before the close of the public hearing.

The public hearing discusses and implements any direction or changes to the Recommended Budget. Any requests for increases, decreases, or omissions of any item in the budget or inclusion of any additional items shall not be made after the public hearing, unless the items were proposed in writing and filed with the Secretary of the Board before the close of the public hearing or unless approved by the Board by a 4/5 vote.

Recommendation No. 2 approves and adopts the District’s 2024-25 budget. Attachment A lists the 2024-25 Recommended Budget for appropriation, operating transfers out, contributions to reserves, available reserves, and budgeted staffing.
