BACKGROUND INFORMATION

The State of California, Commission on Peace Officer Standards and Training (POST) sets the minimum selection and training standards for California law enforcement. The Department has provided POST-certified public safety training courses in partnership with the District since 1986. The Department's POST-certified Basic Academy is an intensive 23-week, full-time course, provided Monday through Friday. Alternatively, the District offers Basic Academy training in an extended format (Extended Basic Academy), with classes offered during evening hours and on weekends, to enable students to attend classes while maintaining outside employment.

The classroom instruction for the District's Extended Basic Academy takes place at the San Bernardino Valley College campus. The District utilizes the Department's Training Center for testing and instruction that takes place outside of a classroom. Approval of the proposed amendment will continue to enhance the Department's ability to recruit qualified applicants for Deputy Sheriff.

On June 8, 2021 (Item No. 87), the Board of Supervisors (Board) approved Revenue Agreement No. 21-425 with the District for the Extended Basic Academy for a period July 1, 2021 through June 30, 2024, with the option to extend the Agreement term by two additional one-year periods or one additional two-year period. Approval of the recommended amendment will extend the Agreement by two years, for a total agreement term of July 1, 2021 through June 30, 2026, and provides for reimbursement of the continued use of the Department's Training Center by the District to perform physical agility testing, chemical agent training, and firearms instruction for students enrolled in the District's Extended Basic Academy. This Agreement may be terminated at any time by either party upon 30 days' advance written notice.
