G. INDEMNIFICATION, INSURANCE REQUIREMENTS AND LIMITATION OF LIABILITY

G.1. Indemnification

Contractor will indemnify, defend, and hold harmless County and its officers, employees, agents and volunteers, from any and all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement of any United States patent, copyright, trademark or trade secret (Intellectual Property Rights) by any goods or services. Contractor shall have no obligation to indemnify or defend County to the extent the alleged infringement is based on: (a) a modification of the Services not performed or approved by Contractor; (b) use of the Services other than in accordance with the Documentation for such Service or as authorized by the Agreement; or (c) use of the Services in conjunction with any data, equipment, service or software not provided by Supplier, where the Services would not otherwise itself be infringing or the subject of the claim; or (d) use of the Services by County other than in accordance with the terms of the Agreement, where the Services would not otherwise infringe, misappropriate or otherwise become the subject of the Claim. If a credible claim is made or threatened, including without limitation the filing of a lawsuit against County, or County receives a demand or notice claiming actual or potential infringement or misappropriation of any Intellectual Property Rights, County will use reasonable efforts to notify Contractor promptly of such lawsuit, claim or election. However, County's failure to provide or delay in providing such notice will relieve Contractor of its obligations only if and to the extent that such delay or failure materially prejudices Contractor's ability to defend such lawsuit or claim. County will give Contractor sole control of the defense (with counsel reasonably acceptable to County) and settlement of such claim; provided that Contractor may not settle the claim or suit absent the written consent of County unless such settlement (a) includes a release of all claims pending against County, (b) contains no admission of liability or wrongdoing by County, and (c) imposes no obligations upon County other than an obligation to stop using the goods or services that are the subject of the claim. In the event that Contractor fails to or elects

not to defend County against any claim for which County is entitled to indemnity by Contractor, then Contractor shall reimburse County for all reasonable attorneys' fees and expenses within thirty (30) days from date of invoice or debit memo from County.

If, in Contractor's opinion, any goods or services become, or are likely to become, the subject of a claim of infringement of Intellectual Property Rights, Contractor may, at its option: (i) procure for County the right to continue using the goods or receiving the services; (ii) replace or modify the goods or services to be non-infringing, without incurring a material diminution in performance or function; or (iii) if neither of the foregoing is feasible, in the reasonable commercial judgment of Contractor, County shall cease use of the goods or services upon written notice from Contractor, and Contractor shall provide County with a pro-rata refund of the unearned fees paid by County to Contractor for such goods or services.

G.2. Additional Insured

All policies as set forth and required herein, except for Worker's Compensation, Errors and Omissions and Professional Liability policies, shall contain additional endorsements naming the County and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy.

G.3. Waiver of Subrogation Rights

The Contractor shall require the carriers of required coverages to waive such rights of subrogation against the County, its officers, and employees. G.6 Proof of Coverage

The Contractor shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, with the exception of non-payment of premiums which shall only require ten (10) days written notice to the department and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within thirty (30) days of the commencement of this contract, the Contractor shall furnish a copy of the Declaration page for all applicable policies.

G.9 Insurance Review

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County.

Attachment A-3: Workforce Dimensions Service Level Agreement

Service Level Agreement: Kronos offers the Service Level Agreement and associated SLA Credits as described in this WFD SLA. This WFD SLA does not apply to the Boomi development environment described in the Exhibit - AtomSphere Service and Boomi Software.

Availability: The production environment of the Service will maintain 99.75% Availability. SLA Credits become available starting the month after the Customer's written "go-live" confirmation is provided to Kronos.

SLA Credits: If, due to an Outage, the Service does not maintain 99.75% Availability, Customer is entitled to a credit to Customer's monthly invoice for the affected month, such credit to be equivalent to 3% of Customer's monthly PEPM Fees for every 1% of Availability below 99.7%, but in no event to exceed 100% of Customer's monthly PEPM Fees.

"Outage" means the accumulated time, measured in minutes, during which Customer is unable to access the production environment for the Service for reasons other than an Excluded Event.

"Excluded Event" means any event that causes unavailability to the Service due to (a) the acts or omissions of Customer, its employees, customers, contractors or agents; (b) the failure or malfunction of equipment, applications or systems not owned or controlled by Kronos or its Suppliers providing the Service; (c) failures or malfunctions resulting from circuits provided by Customer; (d) any inconsistencies or changes in Customer's source environment, including either intentional or accidental connections or disconnections to the environment; (e) Customer Data; (f) Force Majeure events; (g) expected downtime during the Maintenance Periods described below; (h) any suspension of the Service in accordance with the terms of the Agreement; (i) the unavailability of required Customer personnel, including as a result of failure to provide Kronos with accurate, current contact information; or (j) using an Application in a manner inconsistent with the Documentation for such Application.

"Maintenance Period" means scheduled maintenance periods established by Kronos to maintain and update the Services, when downtime may be necessary. Customer chooses maintenance window based on location of data center selected on Order Form. The Maintenance Period is used for purposes of the Service Credit Calculation; Kronos continuously supports the production environment on a 24x7 basis to reduce disruptions. The current weekly Maintenance Period options are:

- US/Canada Eastern Time from Thursday, 12:00 AM - 4:00 AM
- Australian Eastern Time from Thursday, 12:00 AM - 4:00 AM or
- Central European Time Thursday, 2:00 AM - 6:00 AM.

Service Credit Calculation: An Outage will be deemed to commence when the Service is unavailable to Customer and ends when Kronos has restored availability to the Service.

Availability Percentage: (Monthly Minutes (MM) minus Total Minutes Not Available (TM)) multiplied by 100 and then divided by Monthly Minutes (MM), but not including Excluded Events.

"Monthly Minutes (MM)" means the total time, measured in minutes, of a calendar month commencing at 12:00 am of the first day of such calendar month and ending at 11:59 pm of the last day of such calendar month.

"Total Minutes Not Available (TM)" means the total number of minutes during the calendar month that the Service is unavailable as the result of an Outage.

Reporting and Claims Process

Kronos will provide Customer with Availability metrics on a monthly basis for each prior calendar month. Customer must request the applicable SLA Credits by written notice to Kronos within sixty (60) days of receipt of the metrics. Customer waives any right to SLA Credits not requested within this time period. All performance calculations and applicable SLA Credits are based on Kronos' records and data unless Customer can provide Kronos with clear and convincing evidence to the contrary.

Outages in one production environment may not be added to Outages in any other production environment for purposes of calculating SLA Credits.

Customer acknowledges that Kronos manages its network traffic in part on the basis of Customer's utilization of the Service and that changes in such utilization may impact Kronos' ability to manage network traffic. Therefore, notwithstanding anything else to the contrary, if Customer significantly changes its utilization of the Service than what is contracted with Kronos and such change creates a material and adverse impact on the traffic balance of the Kronos network, as reasonably determined by Kronos, the Parties agree to co-operate, in good faith, to resolve the issue.

Exhibit B: Workforce Dimensions Cloud Guidelines

Solution Definition	
Tenants included	One standard production tenant One partial copy non-production tenant limited to 18 months of data
Additional tenants	Additional partial copy tenants available for purchase on an annual basis
Connectivity	
Connectivity to service	The customer's end users connect to Workforce Dimensions applications via a secure SSL/TLS connection over the internet. Cooperation between Kronos and the customer's IT staff may be required to enable access. Kronos will assist with validating site connectivity but assumes no responsibility for the customer's internet connection or ISP relationships. Kronos-related internet traffic cannot be filtered by proxy or caching devices on the County network. Workforce Dimensions supports vanity URL, utilizing a single domain.
Connectivity	
SFTP accounts	The Kronos cloud SFTP service provides a generic endpoint for customers to push and pull files — including people import, payroll, accruals, schedules, punches, drivers, and more — to and from the Kronos cloud in support of Kronos® integrations. The service includes two SFTP managed service accounts that customers may use to automate their integrations with the Kronos cloud. All managed service account logins use public key authentication to secure files in transit. Transfers of files up to 100MB are supported. Customers may also purchase additional managed service accounts. User accounts for individual (named) customer login are not supported by the SFTP service.
MPLS/Site-to-cloud Interconnect (optional)	Customers choosing to utilize MPLS are required to use connections offered by Google Cloud service providers and will pay the service provider directly. Kronos will assist in provisioning of the link.
Server-initiated device (optional)	Supported per Documentation (includes two VPN connections)
Usage	
Secure file transfer the following limits: limits	Integration with Kronos Workforce Dimensions using the Kronos Cloud SFTP service is subject to - 20 active concurrent sessions per SFTP account - File size transferred per SFTP session not to exceed 100MB - Storage quota of 10GB per SFTP account
Key performance delivered to the indicators (KPIs)	KPIs can be used to monitor and control business targets and thresholds. Many KPIs are customer to track common workforce metrics such as overtime and labor costs. The customer has the option to build additional organization-specific KPIs using the KPI Builder. The number of active KPIs used with Workforce Dimensions applications will be limited to 200 per customer. Additional KPIs may be purchased.
Policies	
Data refresh tenant once per week	Customer can request that a copy of production tenant be moved to its non-production up to the limit of data allowable in the non-production tenant.
Kronos application automatically updates	Maintenance updates will be automatically applied as needed. New software releases will be applied according to the release schedule published during the first month of each quarter.
Customer termination Upon customer termination, Kronos will provide access to the service for an additional 30 days so the support customer may extract data.	

Security compliance	A SOC 2 Type 1 report will be published during the first quarter after general availability release. A SOC 2 Type 2 report will be published 12 months after general availability release.
Disaster recovery	Recovery time objective: 24 hours Recovery point objective: 4 hours
Encryption	Data encryption in transit and at rest is included.
Third parties	The customer may contract with a third party to configure and/or implement Workforce Dimensions applications. The customer will be responsible for creating users in the system for the third party to access the application and for maintaining the permissions those users have within the application. Dedicated service and support accounts can be accessed only by Kronos personnel or contractors employed by Kronos.
Legal Hold	Kronos will comply with applicable laws and regulations when responding to subpoenas and inquiries from government agencies after consultation with customers when applicable and possible. In the event that a customer is subject to a subpoena, litigation discovery request, or government inquiry directed at customer data or documents that are solely within Kronos' control, Kronos will, at the customer's request, make commercially reasonable efforts to provide assistance to the extent that it is technically feasible. The customer will reimburse Kronos for the costs that Kronos incurs to provide such assistance, such as professional services fees, copying, delivery, and other handling expenses. Subject to the above, Kronos will produce the relevant data or documents. Except at its sole discretion or if legally required to do so, Kronos will not entertain requests to store or host legacy or archived customer data or documents for these purposes. Kronos periodically reviews all matters subject to legal hold, including data that is being retained.

On-going continuous effort may also be dependent on the customer's ability to provide a resource to work with Kronos during this period.

63. Technical Escalation

64. Kronos' case resolution process is a team based approach structured around specific features within the Application suite and staffed by Kronos Support Engineers covering the full spectrum of skill sets and technical expertise. The teams are empowered to

The following provisions are required "flow-down" provisions from our authorized reseller agreement with Boomi, Inc. for the AtomSphere Service and Boomi Software. These terms and conditions apply to all integrations to and from the Kronos Services using the AtomSphere Service and are in addition to the terms of the Agreement for all such integrations. For purposes of these provisions, "Customer" is referred to as "End-Customer" throughout these provisions.

(1) Restrictions. Except and only to the extent that the exclusions and limits of this Restrictions Section are prohibited by applicable law, End-Customer may not reverse engineer, decompile, disassemble, or attempt to discover or modify in any way the underlying source code of the Boomi Software, or any part thereof. In addition, End-Customer may not (i) modify, translate, localize, adapt, rent, lease, loan, create or prepare derivative works of, or create a patent based on the Boomi Software or any part thereof, (ii) resell, sublicense or distribute the Boomi Software, (iii) provide, make available to, or permit use of the AtomSphere Service or the Boomi Software, in whole or in part, by any third party (except as expressly set forth herein) without Dell's prior written consent, (iv) use the AtomSphere Service or the Boomi Software to create or enhance a competitive offering or for any other purpose which is competitive to Dell, or (v) perform or fail to perform any act which would result in a misappropriation or infringement of Dell's intellectual property rights in the AtomSphere Service or the Boomi Software. End-Customer understands and agrees that the AtomSphere Service or the Boomi Software may work in conjunction with third party products and End-Customer agrees to be responsible for ensuring that it is properly licensed to use such third party products.

(2) Proprietary Rights. End-Customer understands and agrees that (i) the AtomSphere Service or the Boomi Software are protected by copyright and other intellectual property laws and treaties, (ii) Dell, its Affiliates and/or its suppliers own the copyright, and other intellectual property rights in the Products, (iii) the Boomi Software is licensed, and not sold, (iv) this Agreement does not grant End-Customer any rights to Dell's trademarks or service marks, and (v) Dell reserves any and all rights, implied or otherwise, which are not expressly granted to End-Customer in this Agreement.

(3) Support. All technical support related to the AtomSphere Services and Boomi Software shall be provided by Kronos. End-Customer shall have no right to contact Dell for technical support for the AtomSphere Services and Boomi Software.

(4) Protected Data. For purposes of this Section, "Protected Data" means any information or data that is provided by End-Customer to Dell during this Agreement that alone or together with any other information relates to an identified or identifiable natural person or data considered to be personal data as defined under Privacy Laws, and "Privacy Laws" means any applicable law, statute, directive or regulation regarding privacy, data protection, information security obligations and/or the processing of Protected Data.

Except as permitted herein or to the extent required by Privacy Laws or legal process, Dell shall not disclose Protected Data to any third party for any reason. Dell shall implement appropriate technical and organizational measures to prevent unauthorized disclosure of or access to Protected Data by third parties, and shall only store and process Protected Data as required to

fulfill its obligations under this Agreement and any applicable Orders. Dell shall make reasonable efforts to comply with End-Customer's written instructions with respect to the Protected Data; however, Dell shall have no liability to End-Customer for any breach of this Section resulting from Dell's acts or omissions in accordance with any such instructions. Dell shall promptly notify End-Customer of any disclosure of or access to the Protected Data by a third party in breach of this Section and shall cooperate with End-Customer to reasonably remediate the effects of such disclosure or access. End-Customer hereby (i) represents that it has the right to send the Protected Data to Dell, (ii) consents for Dell to store and use the Protected Data worldwide for the sole purpose of performing its obligations under this Agreement and any applicable Orders, (iii) agrees that the Protected Data may be accessed and used by Dell and its Representatives worldwide as may be needed to support Dell's standard business operations, and (iv) agrees that Protected Data consisting of End-Customer contact information (e.g., email addresses, names) provided as part of Maintenance AtomSphere Services may be sent to Dell's third party service providers as part of Dell's services improvement processes.

Additionally, Dell shall pay any judgments finally awarded against End-Customer under a Claim or any amounts assessed against End-Customer in any settlements of a Claim, and reasonable administrative costs or expenses, including without limitation reasonable attorneys' fees, necessarily incurred by End-Customer in responding to the Claim. Dell's obligations under this Section are conditioned upon End-Customer (i) giving prompt written notice of the Claim to Dell; (ii) permitting Dell to retain sole control of the investigation, defense or settlement of the Claim, and (iii) providing Dell with such cooperation and assistance as Dell may reasonably request from time to time in connection with the investigation, defense or settlement of the Claim. Dell shall have no obligation hereunder to defend End-Customer against any Claim (a) resulting from use of the Boomi Software other than as authorized in this Agreement, (b) resulting from a modification of the Boomi Software other than by Dell, or (c) based on End-Customer's use of the Boomi Software after Dell recommends discontinuation because of possible or actual infringement, (d) based on End-Customer's use of a superseded or altered release of Boomi Software if the infringement would have been avoided by use of a current or unaltered release of the Boomi Software made available to End-Customer, or (e) to the extent the Claim arises from or is based on the use of the Boomi Software with other products, services, or data not supplied by Dell if the infringement would not have occurred but for such use. If End-Customer's use of the Boomi Software is enjoined as a result of a Claim, Dell shall, at its expense and option either (1) obtain for End-Customer the right to continue using the Boomi Software, (2) replace the Boomi Software with a functionally equivalent non-infringing product, (3) modify the Boomi Software so that it is non-infringing, or (4) terminate the License for the infringing Boomi Software and discontinue End-Customer's right to access and use the infringing Boomi Software and refund the unused pro-rated portion of any fees pre-paid by End-Customer for the AtomSphere Service affected by the removal of the infringing Boomi Software. This Section states the entire liability of Dell, and End-Customer's sole and exclusive remedy, with respect to a Claim.

(6) Warranty. THERE ARE NO WARRANTIES OR REMEDIES PROVIDED TO CUSTOMER BY DELL HEREUNDER. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ALL OTHER WARRANTIES OR REMEDIES ARE EXCLUDED, WHETHER EXPRESS OR

IMPLIED, ORAL OR WRITTEN, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, NON-INFRINGEMENT, SATISFACTORY QUALITY, AND ANY WARRANTIES ARISING FROM USAGE OF TRADE OR COURSE OF DEALING OR PERFORMANCE. DELL DOES NOT WARRANT UNINTERRUPTED OR ERROR-FREE OPERATION OF THE PRODUCTS.

(9) High Risk Disclaimer. END-CUSTOMER UNDERSTANDS AND AGREES THAT THE PRODUCTS ARE NOT FAULT-TOLERANT AND ARE NOT DESIGNED OR INTENDED FOR USE IN ANY HIGH-RISK OR HAZARDOUS ENVIRONMENT, INCLUDING WITHOUT LIMITATION, THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION, AIR TRAFFIC CONTROL, LIFE SUPPORT MACHINES, WEAPONS SYSTEMS, OR ANY OTHER APPLICATION WHERE THE FAILURE OR MALFUNCTION OF ANY PRODUCT CAN REASONABLY BE EXPECTED TO RESULT IN DEATH, PERSONAL INJURY, SEVERE PROPERTY DAMAGE OR SEVERE ENVIRONMENTAL HARM (A "HIGH RISK ENVIRONMENT"). ACCORDINGLY, (I) END-CUSTOMER SHOULD NOT USE THE PRODUCTS IN A HIGH RISK ENVIRONMENT, (II) ANY USE OF THE PRODUCTS BY CUSTOMER IN A HIGH RISK ENVIRONMENT IS AT CUSTOMERS OWN RISK, (III) DELL, ITS AFFILIATES AND SUPPLIERS SHALL NOT BE LIABLE TO END-CUSTOMER IN ANY WAY FOR USE OF THE PRODUCTS IN A HIGH RISK ENVIRONMENT, AND (IV) DELL MAKES NO WARRANTIES OR ASSURANCES, EXPRESS OR IMPLIED, REGARDING USE OF THE PRODUCTS IN A HIGH RISK ENVIRONMENT.

(7) Export. End-Customer acknowledges that the Boomi Software and AtomSphere Service are subject to the export control laws, rules, regulations, restrictions and national security controls of the United States and other applicable foreign agencies (the "Export Controls") and agrees to abide by the Export Controls. End-Customer hereby agrees to use the Boomi Software and AtomSphere Service in accordance with the Export Controls, and shall not export, re-export, sell, lease or otherwise transfer the Boomi Software and AtomSphere Service or any copy, portion or direct product of the foregoing in violation of the Export Controls. End-Customer is solely responsible for obtaining all necessary licenses or authorizations relating to the export, re-export, sale, lease or transfer of the Boomi Software and AtomSphere Service and for ensuring compliance with the requirements of such licenses or authorizations. End-Customer hereby (i) represents that End-Customer is not an entity or person to which shipment of Boomi Software and AtomSphere Service is prohibited by the Export Controls; and (ii) agrees that it shall not export, re-export or otherwise transfer the Boomi Software and AtomSphere Service to (a) any country subject to a United States trade embargo, (b) a national or resident of any country subject to a United States trade embargo, (c) any person or entity to which shipment of Boomi Software and AtomSphere Service is prohibited by the Export Controls, or (d) anyone who is engaged in activities related to the design, development, production, or use of nuclear materials, nuclear facilities, nuclear weapons, missiles or chemical or biological weapons. End-Customer shall, at its expense, defend Dell and its Affiliates from any third party claim or action arising out of any inaccurate representation made by End-Customer regarding the existence of an export license, End-Customer's failure to provide information to Dell to obtain an export license or any allegation made against Dell due to End-Customer's violation or alleged violation of the Export Controls (an "Export Claim") and shall pay any judgments or settlements reached in connection with the Export Claim as well as Dell's costs of responding to the Export Claim.

(8) Hosted Environment.

(a) Data. End-Customer may store data on the systems to which it is provided access in connection with its use of the AtomSphere Service (the "Hosted Environment"). Dell may periodically make back-up copies of End-Customer data, however such back-ups are not

intended to replace End-Customer's obligation to maintain regular data backups or redundant data archives. End-Customer is solely responsible for collecting, inputting and updating all End-Customer data stored in the Hosted Environment, and for ensuring that it does not (i) knowingly create and store data that actually or potentially infringes or misappropriates the copyright, trade secret, trademark or other intellectual property right of any third party, or (ii) use the Hosted environment for purposes that would reasonably be seen as obscene, defamatory, harassing, offensive or malicious. If the Order states where End-Customer data is to be stored, Dell will not move the data from the specified region without notifying End-Customer, except if Dell is required to do so by law or legal process. Dell shall have the right to delete all End-Customer data stored in connection with the use of the AtomSphere Service thirty (30) days following any termination of this Agreement or any license to Boomi Software granted hereunder.

End-Customer represents and warrants that it has obtained all rights, permissions and consents necessary to use and transfer all End-Customer and/or third party data within and outside of the country in which End-Customer or the applicable End-Customer Affiliate is located (including providing adequate disclosures and obtaining legally sufficient consents from End-Customer's employees, End-Customers, agents, and contractors). If End-Customer transmits data to a third-party website or other provider that is linked to or made accessible by the AtomSphere Service or Boomi Software, End-Customer will be deemed to have given its consent to Dell enabling such transmission and Dell shall have no liability to End-Customer in connection with any claims by a third party in connection with such transmission.

(b) Conduct. In connection with the use of the Hosted Environment and the AtomSphere Service, End-Customer may not (i) attempt to use or gain unauthorized access to Dell's or to any third-party's networks or equipment; (ii) permit other individuals or entities to copy the Boomi Software; (iii) provide unauthorized access to or use of any Boomi Software or the associated access credentials; (iv) attempt to probe, scan or test the vulnerability of the Boomi Software, the Hosted Environment, or a system, account or network of Dell or any of Dell's End-Customers or suppliers; (v) interfere or attempt to interfere with service to any user, host or network; (vi) engage in fraudulent, offensive or illegal activity of any nature or intentionally engage in any activity that infringes the intellectual property rights or privacy rights of any individual or third-party; (vii) transmit unsolicited bulk or commercial messages; (viii) intentionally distribute worms, Trojan horses, viruses, corrupted files or any similar items; (ix) restrict, inhibit, or otherwise interfere with the ability of any other person, regardless of intent, purpose or knowledge, to use or enjoy the Boomi Software (except for tools with safety and security functions); or (x) restrict, inhibit, interfere with or otherwise disrupt or cause a performance degradation to any Dell (or Dell supplier) facilities used to provide the Hosted Environment. End-Customer shall cooperate with Dell's reasonable investigation of Hosted Environment outages, security issues, and any suspected breach of this Section.

(c) Suspension. Dell may suspend End-Customer's use of Boomi Software and the AtomSphere Service (a) if so required by law enforcement or legal process, (b) in the event of an imminent security risk to Dell or its End-Customers, or (c) if continued use would subject Dell to material liability. Dell shall make commercially reasonable efforts under the circumstances to provide as much prior notice as possible to End-Customer of any such suspension.

(9) Limitation of Liability. EXCEPT FOR (A) ANY MATERIAL BREACH OF THE "RESTRICTIONS", "CONFIDENTIAL INFORMATION" SECTIONS OF THIS AGREEMENT, (B) AMOUNTS CONTAINED IN JUDGMENTS OR SETTLEMENTS WHICH DELL IS LIABLE TO PAY ON BEHALF OF END-CUSTOMER UNDER THE "INFRINGEMENT" SECTION OF THIS AGREEMENT AND CUSTOMER IS LIABLE TO PAY ON BEHALF OF DELL UNDER THE "CONDUCT" OR "EXPORT" SECTIONS OF THIS AGREEMENT, OR (C) ANY LIABILITY TO

THE EXTENT LIABILITY MAY NOT BE EXCLUDED OR LIMITED AS A MATTER OF APPLICABLE LAW, IN NO EVENT SHALL END-CUSTOMER, KRONOS, KRONOS' AFFILIATES OR RESELLERS, DELL, DELL'S AFFILIATES OR SUPPLIERS BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL LOSS OR DAMAGE OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOSS OF REVENUE, LOSS OF ACTUAL OR ANTICIPATED PROFITS, LOSS OF BUSINESS, LOSS OF CONTRACTS, LOSS OF GOODWILL OR REPUTATION, LOSS OF ANTICIPATED SAVINGS, LOSS OF, DAMAGE TO OR CORRUPTION OF DATA, HOWSOEVER ARISING, WHETHER SUCH LOSS OR DAMAGE WAS FORESEEABLE OR IN THE CONTEMPLATION OF THE PARTIES AND WHETHER ARISING IN OR FOR BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OF STATUTORY DUTY, OR OTHERWISE.

EXCEPT FOR (A) ANY MATERIAL BREACH OF THE "LICENSE," "RESTRICTIONS," OR "CONFIDENTIAL INFORMATION" SECTIONS OF THIS AGREEMENT, OR ANY OTHER VIOLATION OF THE OTHER PARTY'S INTELLECTUAL PROPERTY RIGHTS; (B) DELL'S EXPRESS OBLIGATIONS UNDER THE "INFRINGEMENT" SECTION OF THIS AGREEMENT AND END-CUSTOMER'S EXPRESS OBLIGATIONS UNDER THE "CONDUCT" AND "EXPORT" SECTIONS OF THIS AGREEMENT; (C) A PREVAILING PARTY'S LEGAL FEES, (; OR (D) ANY LIABILITY TO THE EXTENT LIABILITY MAY NOT BE EXCLUDED OR LIMITED AS A MATTER OF APPLICABLE LAW, THE MAXIMUM AGGREGATE AND CUMULATIVE LIABILITY OF END-CUSTOMER, KRONOS, KRONOS' AFFILIATES OR RESELLERS, DELL, DELL'S AFFILIATES AND SUPPLIERS UNDER THIS AGREEMENT, WHETHER ARISING IN OR FOR BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OF STATUTORY DUTY, OR OTHERWISE, SHALL NOT EXCEED (Y) THE GREATER OF THE FEES PAID AND/OR OWED (AS APPLICABLE) BY END-CUSTOMER TO PARTNER FOR THE SERVICE DURING THE TWELVE (12) MONTHS PRECEDING THE BREACH THAT ARE THE SUBJECT OF THE BREACH OR FIVE HUNDRED DOLLARS (\$500.00). THE PARTIES AGREE THAT THESE LIMITATIONS OF LIABILITY ARE AGREED ALLOCATIONS OF RISK CONSTITUTING IN PART THE CONSIDERATION FOR DELL PROVIDING PRODUCTS AND SERVICES TO END-CUSTOMER, AND SUCH LIMITATIONS WILL APPLY NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY AND EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LIABILITIES OR FAILURES.

Dell's Affiliates and suppliers shall be beneficiaries of this "Limitation of Liability" Section; otherwise, no third party beneficiaries exist under this Agreement. Dell expressly excludes any and all liability to any third party.

Exhibit F: Workforce Dimensions™ Add-Ins

This Exhibit governs the Add-In(s) to be provided by Kronos to Customer, if specified on an Order Form. Capitalized terms not otherwise defined herein shall have the meanings prescribed to them in the Agreement. In the event of a conflict or inconsistency between the Agreement and this Exhibit, this Exhibit shall control.

Customer agrees that the Add-In(s) may only be used solely in connection with Workforce Dimensions™ for Customer's own internal purposes. The Add-Ins are not installed in the Kronos hosting environment in which Workforce Dimensions resides. The Add-Ins may only be installed and operated in a data center or other cloud environment managed by or on behalf of Customer. Customer is solely responsible to have all applicable rights, licenses and necessary infrastructure and support to use the third-party applications with which the Add-In(s) function, including security of the environment in which the Add-In(s) are installed.

The Service Level Agreement and associated SLAs (Attachment A-3) and the Workforce Dimensions Cloud Guidelines (Exhibit B) in the Agreement do not apply to the Add-In(s) because the Add-In does not reside in Kronos' hosting environment.

- **Operation of Certain Network Services.** Operating network services like open proxies, open mail relays, or open recursive domain name servers.

Customer will not use the Service to distribute, publish, send, or facilitate the sending of unsolicited mass e-mail or other messages, promotions, advertising, or solicitations (like "spam"), including commercial advertising and informational announcements. Customer will not alter or obscure mail headers or assume a sender's identity without the sender's explicit permission. Customer will not collect replies to messages sent from another internet service provider if those messages violate this Policy or the acceptable use policy of that provider.
