Contractor shall comply with Executive Orders 11246, 11375, 11625, 12138, 12432, 12250, 13672, Title VI and Title VII of the Civil Rights Act of 1964, the California Fair Employment and Housing Act and other applicable federal, state and County laws and regulations and policies relating to equal employment and contracting opportunities, including laws and regulations hereafter enacted.
 3. Civil Rights Compliance – The Contractor shall develop and maintain internal policies and procedures to assure compliance with each factor outlined by state regulation. These policies must be developed into a Civil Rights Plan, which is to be on file with the County within thirty (30) days of awarding of the Contract. The Plan must address prohibition of discriminatory practices, accessibility, language services, staff development and training, dissemination of information, complaints of discrimination, compliance review, and duties of the Civil Rights Liaison. Upon request, the County will supply a sample of the Plan format. The Contractor will be monitored by the County for compliance with provisions of its Civil Rights Plan. Additionally, the Contractor shall submit to County an Assurance of Compliance with the California Department of Social Services Nondiscrimination in State and Federally Assisted Programs Statement (Attachment D) annually.
 4. Equity – Contractor shall adhere to and participate in County efforts ensuring all individuals and communities have equal access and opportunity to health and wellbeing by providing culturally and linguistically appropriate services to all people of color and culture, age, disabilities, gender, sexual orientation or gender identity including people with limited English proficiency (LEP). Services provided must be respectful of and responsive to the cultural and linguistic needs of County residents.
 - a. Contractor shall assess the demographic make-up and population trends of its service area to identify the cultural and linguistic needs of the eligible service population. Such studies are critical to designing and planning for providing appropriate, effective and equitable services.
 - b. Contractor shall partner with and support community partners in addressing disparities in family stability, health and mental wellness, education, employment, housing and overall delivery of human services. Partnering includes opportunities for partners and community members to design, implement and evaluate practices, and services ensuring equity and cultural and linguistic appropriateness.
 - c. Contractor shall work with County to communicate and provide opportunities for individuals and communities of color and culture to provide feedback on progress and outcomes achieved to address disparities in family stability, health and mental wellness, education, employment, housing and overall delivery of human services.
 - d. Contractor shall recruit, promote and support a culturally and linguistically diverse workforce that is responsive to and represents the population being served. This includes trained and competent bilingual staff.
 - e. Contractor shall provide training to enhance its workforce knowledge on cultural and linguistic competence. Becoming culturally and linguistically competent is a developmental process and incorporates at all levels the importance of culture, the assessment of cross-cultural relations, vigilance towards the dynamics that result from cultural differences, the expansion of cultural knowledge, and the adaptation of services to meet culturally-unique needs. Providing services in a culturally appropriate and responsive manner is fundamental in any effort to ensure success of high quality and cost-

effective health and human services. Offering those services in a manner that fails to achieve its intended result due to cultural and linguistic barriers does not reflect quality of care and is not cost-effective.

- f. To ensure equal access to quality care for diverse populations, Contractors providing health and health care services may adopt the Federal Office of Minority Health Culturally and Linguistically Appropriate Services (CLAS) national standards.
- g. Upon request, Contractor will provide County Human Services evidence of adherence to requirements listed above.
