INPATIENT TRANSFER AGREEMENT

This Inpatient Transfer Agreement ("Agreement") is entered into as of December 1, 2025 by and between Loma Linda University Children's Hospital ("LLUCH") and San Bernardino County ("County") with respect to the following:

RECITALS

WHEREAS, County is a political subdivision organized and existing under the constitution and laws of the State of California, which operates Arrowhead Regional Medical Center ("ARMC"), which is a general acute care hospital licensed by the State of California, and various departments ("Departments"), including, but not limited to a Sheriff's Department and Probation Department; and

WHEREAS, from time to time, ARMC and other County Departments have a need to transfer patients to a hospital facility that offers specialized inpatient healthcare services that are not available at the County; and

WHEREAS, LLUCH is a general acute care hospital licensed by the State of California and recognizes a professional and community responsibility to provide comprehensive, cost effective medical care of high quality

for pediatric patients and is organized to enhance the effectiveness of care in San Bernardino County and other areas as deemed appropriate; and

WHEREAS, LLUCH is a tertiary level medical center and Level I pediatric trauma center which provides specialized hospital services in compliance with the requirements of Title 22 of the California Code of Regulations; and

WHEREAS, LLUCH is willing to provide specialized hospital inpatient services for pediatric patients in need of care who are transferred or referred by County; and

WHEREAS, the County and LLUCH are desirous of entering into an agreement for the transfer and referral of certain pediatric patients from the County to LLUCH for specialized inpatient hospital services as deemed appropriate by an accepting physician at LLUCH and a transferring/referring physician at the County; and

WHEREAS, the parties have determined that it would be in the best interest of patient care to enter into this agreement for the transfer and referral of certain pediatric patients from County to LLUCH for specialized inpatient hospital services; and

NOW, THEREFORE, the County and LLUCH mutually agree to the following terms and conditions:

A. RESPONSIBILITIES OF LLUCH

A.1 Maintain Required Licenses and Approvals. LLUCH represents that it is currently and for the duration of this Agreement shall remain, licensed in accordance with the licensing provisions of the California Health and Safety Code and that it is accredited by and shall maintain its accreditation by the Joint Commission. LLUCH further represents that it is currently, and for the duration of this agreement shall remain, licensed in accordance with the licensing provisions of Title 22 of the California Code of Regulations.

A.2 Provision of Specialized Hospital Services for Inpatients. LLUCH is a tertiary center providing a high level of comprehensive medical care to the community and surrounding areas. If an attending physician appropriately credentialed as a member of LLUCH's medical staff requests admissions of a pediatric patient with an emergency medical condition from County, LLUCH shall admit such patient consistent with its obligations under the Emergency Medical Treatment and Active Labor Act ("EMTALA"). For pediatric patients that have been admitted to a County facility, including, but not limited to ARMC, but are in need of specialized inpatient hospital services available at LLUCH, LLUCH shall not unreasonably refuse to admit a patient from County, upon notification, provided that LLUCH has the appropriate facilities and personnel available to accommodate the patient.

In the event a pediatric patient is transferred from County to LLUCH for a specific test or procedure, LLUCH shall be responsible for assuring that the contemplated test or procedure is performed and that the patient is returned to County. LLUCH shall provide the patient or the patient's legally authorized representative a complete explanation of the need for the specific test or procedure and the alternatives to such test or procedure, and shall secure the written consent of the patient or the patient's legally authorized representative to the specific test or procedure.

B. RESPONSIBILITIES OF COUNTY

B.1 Maintain Required Licenses and Approvals. County represents that it is currently, and for the duration of this Agreement shall remain, licensed in accordance with the applicable licensing provisions of the California Health and Safety Code and that ARMC is accredited by and shall maintain its accreditation by the Joint Commission or other accrediting organization.

B.2 Acceptance of Patients by County After Completion of Specialized Hospital Services. County shall accept the return of patients who were originally transferred from County to LLUCH for specialized inpatient hospital services once the services are completed as determined in the

professional medical judgment of patient's attending physicians at LLUCH; such patient shall be transferred back to County for further treatment and care. County agrees to the return of such patient once specialized inpatient hospital services are completed at LLUCH provided County attending approves the transfer and appropriate facilities and personnel are available to accommodate the patient.

C. SELECTION OF PATIENTS FOR TRANSFER/REFERRAL

C.1 Inpatient Hospital Services

C.1.1 Transfer from County to LLUCH. Transfer of patients to LLUCH by County shall be initiated at such time as a physician at a County facility determines that the patient requires transfer to LLUCH for specialized inpatient hospital services and an attending physician at LLUCH agrees and approves the admission of the patient.

C.1.2 Transfer from LLUCH to County. Transfer of patients back to County shall be initiated at such time as the attending physician at LLUCH determines that the patient no longer requires continued inpatient hospital services and the physician at County agrees and approves the transfer.

D. TRANSFER FOR INPATIENT SERVICES

D.1 Transport from County to LLUCH

D.1.1 Consent to Transfer. County shall contact LLUCH prior to initiating the transfer and shall only transfer patients to LLUCH after being advised by the appropriate personnel that LLUCH has consented to the patient's transfer.

D.1.2 At the time of transfer, or in the case of an emergency, as promptly as possible thereafter, County will send with each patient the completed transfer and referral forms mutually agreed upon by the parties to provide the medical and administrative information necessary to determine the need for and appropriateness of the transfer, and to enable continuing care to the patient.

D.1.3 County will make every effort to stabilize the patient in order to minimize the risks associated with the transfer.

D.1.4 County will initiate the transfer when, in the judgment of the attending physician at County, the medical benefits to be derived by receiving specialized inpatient hospital services at LLUCH outweigh the medical risks of keeping the patient at County subject to the terms and provisions of federal and state law including, but not limited to, the Emergency Medical Treatment and Active Labor Act ("EMTALA").

D.1.5 Except in emergencies, County shall provide the patient or patient's legally authorized representative a complete explanation of the need for the transfer and the alternatives to such a transfer, and shall secure the written consent of the patient or the patient's legally authorized representative to the transfer.

D.1.6 In the event the patient is transferred to LLUCH for a specific test or procedure where the patient will be returning to County, County shall provide the patient or the patient's legally authorized representative a complete explanation of the need for the transfer and the alternatives to such a transfer, and shall secure the written consent of the patient or patient's legally authorized representative to the transfer.

D.1.7 Transportation. County shall arrange, coordinate and be financially responsible for the method of transportation of the patient to LLUCH. A physician at County shall designate the appropriate level of care, including qualified personnel and appropriate equipment, based on the patient's condition that is required for the transfer.

D.2 Transport from LLUCH to County

When the treating physician at LLUCH determines that the patient no longer requires specialized inpatient hospital services at LLUCH and the admitting physician agrees, the patient shall be transferred back to County or discharged pursuant to LLUCH's policies. In the event of a transfer back to the County, County shall arrange, coordinate and be financially responsible for the method of transportation of the patient from LLUCH back to County. A physician at LLUCH shall designate the appropriate level of care, including qualified personnel and appropriate equipment, based on the patient's condition that is required for the transfer back to County.

E. TRANSFER OF DOCUMENTS AND LABORATORY SPECIMEN FOR INPATIENT SERVICES

E.1 Document Transfer. When transferring a patient under this Agreement, subject to all applicable laws, the County shall supply all medical and financial information and applicable laboratory information to LLUCH at the time of transfer or as soon thereafter as possible to ensure continuity of care. This shall include a copy of all patient medical records to date, a summary transfer note by the patient's physician including the patient's diagnosis, progress notes to date, nurses' notes, laboratory reports, indications for transfer, x-rays, signed consent forms, and Medi-Cal transport authorization if appropriate.

E.2 Communications. Completion of Transfer Process. The County physician shall contact LLUCH and whenever possible should relay directly all pertinent information to the physician at LLUCH who will assume care of the patient. The receiving physician at LLUCH will communicate with the County facility regarding the status of the transferred patient. Any pertinent lab and radiological data not sent with the patient at the time of transfer shall be forwarded to the LLUCH when it becomes available.

E.3 Personal Property. The County shall be responsible for the transfer or other appropriate disposition of the patient's personal property.

F. BILLING

F.1 INPATIENT SERVICES

F.1.1 In the event ARMC or any other County facility is treating a patient in its emergency department, and ARMC or the County facility concludes that the patient has an emergency medical condition as defined under EMTALA, and ARMC or the County facility determines that the patient is need of emergency specialized inpatient hospital services at LLUCH, LLUCH shall accept such patient subject to staffing availability in accordance with the requirements of the EMTALA statute and implementing regulations. Unless prohibited by law, all charges incurred by the patient with respect to any services performed by LLUCH for patients transferred to LLUCH pursuant to this Section G.1.1 shall be billed and collected by LLUCH directly from the patient, third-party coverage, Medicare or Medi-Cal, or other sources normally billed by LLUCH in accordance with all applicable federal and state laws.

F.1.2 For all non-emergent patients or admitted patients at ARMC or other County facilities who are transferred to LLUCH under this Agreement for specialized inpatient hospital services, LLUCH shall bill in accordance with its usual and customary practices those third-parties financially responsible for the care rendered to the patient by LLUCH, including, but not limited to third-party health plans, Medicare, and Medi-Cal, except that with respect to any patients that are transferred under this Agreement that are uninsured or solely the County's financial responsibility, LLUCH may bill the County for such inpatient services at the applicable Medicare DRG plus thirty percent (30%) without sequestration, a per diem rate of \$2,100 for each additional day the respective patient receives inpatient services at LLUCH beyond the average length of stay for the applicable Medicare DRG for such respective patient for such services. If a patient who transfers from the County to LLUCH is uninsured at the time of transfer, but later becomes insured, with retroactive effect, by a third-party health plan, including, but not limited to Medi-Cal, such that the inpatient services provided by LLUCH are covered services under that plan, LLUCH shall bill such plan for the inpatient services rendered to the patient, and may not seek payment from the County.

County will pay all invoices submitted by LLUCH to the County within 60 calendar days of receipt or within 60 calendar days after the resolution of any disputed invoice (where applicable).

G. INSURANCE

G.1 INSURANCE COVERAGE. LLUCH agrees to provide insurance set forth in accordance with the requirements herein. If LLUCH uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, LLUCH agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, LLUCH shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

G.2 Additional Insured

All policies, except for Worker’s Compensation and Professional Liability policies, shall contain additional endorsements naming the County and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

G.3 Waiver of Subrogation Rights

LLUCH shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit LLUCH and LLUCH’s employees or agents from waiving the right of subrogation prior to a loss or claim. LLUCH hereby waives all rights of subrogation against the County.

G.4 Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

G.5 Severability of Interests

LLUCH agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between LLUCH and the County or between the County and any other insured or additional insured under the policy.

G.6 Proof of Coverage

LLUCH shall furnish Certificates of Insurance to Arrowhead Regional Medical Center evidencing the insurance coverage at the time the Agreement is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to Arrowhead Regional Medical Center, and LLUCH shall maintain such insurance from the time LLUCH commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this Agreement,

LLUCH shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

G.7 Acceptability of Insurance Carrier

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

G.8 Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

G.9 Failure to Procure Coverage

In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the Agreement or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by LLUCH or County payments to LLUCH will be reduced to pay for County purchased insurance.

G.10 Insurance Review

Insurance requirements are subject to periodic review by the County. The County Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. LLUCH agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

H. INDEMNIFICATION

H.1 LLUCH. LLUCH agrees to indemnify, defend and hold harmless County, its officers, medical staff, agents and/or employees from and against any and all liability and expense, including reasonable defense costs and legal fees, incurred in connection with any claims or demands for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage resulting from the negligent acts or failures to act of LLUCH, its trustees, officers, medical staff, agents or employees.
