Drawing Revisions

1. Replace Electrical sheets E1.1 & E2.1 in their entirety with the attached Enclosures #1 & #2.
2. Replace Splash Pad Drawing sheets SG-2, SG-2.1, SG-3, & SG-9 in their entirety with the attached Enclosures #3 – #6.

Specification Revisions

1. Replace section 13 11 06 in its entirety with the attached Enclosure #7.

Response to Pre-Bid RFI Questions:

Q1: Please provide the bid documents and plans.

A1: All bid documents are posted on ePRo.

Q2: Please provide the engineer's estimate for this project.

A2: The estimated project budget is not required for this bid and will not be provided.

Q3: Please provide the anticipated schedule for the water feature scope, including fabrication, delivery, and installation durations. Additionally, confirm the overall project timeline, including key milestones and the target completion date for the water feature.

A3: The project duration and sequencing milestone start and completion dates are listed in the bid documents.

Q4: What is the tentative start date, how much is the estimate, and is there an allowance?

A4: The start date will be determined following bid award and issued in the Notice to Proceed, the estimated project budget is not required for this bid and will not be provided, and there is no allowance.

Q5: Is the agency willing to open the project to A builders as well?

A5: The inclusion of the restroom remodel excludes class A contractors from bidding as prime due to the restroom being a standalone functional facility and not considered an incidental or minor portion of the work.
