Contractor shall provide proof of any such license(s) permits(s), and certificate(s) upon request by the DSH. - GG. The DSH may terminate the Agreement pursuant to section 7 of Exhibit C if the Contractor or its subcontractors fails to comply with a federal, state or local law and the noncompliance, based on the facts and circumstances, would constitute a material breach of this Agreement under California law.

 - ii. The DSH may monitor and evaluate services provided in fulfillment of the requirements of this Agreement, as detailed in Exhibit A. Such monitoring and evaluation may occur on a regular cycle or as deemed necessary by the Contracts Manager. The DSH retains sole and absolute discretion in determining any such evaluation schedule.

- vii. The DSH shall submit its findings to Contractor and establish a deadline for correcting any deficiencies in fulfilling the obligations set forth in this section. Failure by the Contractor to timely correct deficiencies shall be reason for termination of services under this Agreement.
- viii. As a provider of acute psychiatric hospital services, the DSH is responsible for the professional and administrative services provided to the DSH patients. Notwithstanding the foregoing, Contractor shall provide services pursuant to its professional standard of care, the terms and conditions of this Agreement, and the requirements of Title 22 of the California Code of Regulations (the "Standards"), and shall remain liable for any violations of the Standards.

- A. The parties reserve the right to amend this Agreement by extending the term for up to one (1) additional year and to add funding sufficient for that period at the rates provided in Exhibit B, Budget Detail and Payment Provisions in this Agreement. This right to amend is in addition to the right to amend for other reasons contained in this Agreement or noted in the solicitation that resulted in this agreement, if applicable. - (1) Contractor shall submit an original invoice for the full billed amount. Such invoices must be provided as described in this Agreement.

Examples of erroneous information include, but are not limited to, failure to use proper modifiers or condition codes when appropriate for incarcerated patients and proper use of demographic information.
