Briefly describe the general nature of the contract:

In accordance with Master Agreement No. 08-5954F15 approval of Program Supplement Agreement No. F131 is required prior to County invoicing Caltrans for reimbursement of costs associated with the emergency opening and restoration of Mount Baldy Road from 0.11 miles southwest of Mount Baldy Zen Center to the parking lot at 0.28 miles northeast of Mount Baldy Road. The restoration work was completed as a result of the February 2019 storms in the Mount Baldy area. The County's Department of Public Works shall receive \$375,519 of federal Emergency Relief program funds to reimburse the cost of the Project's restoration work (\$386,600). The remaining local share of \$11,081 is funded with Gas Tax funds.

The program supplement sets out special covenants as a condition for the local agency to receive federal-aid through the State for a designated project. The program supplement also identifies the type of funds available for reimbursement.
