The Board of Directors of the San Bernardino County Fire Protection District, State of California, ordains as follows:

SECTION 2. The Board of Directors declares that it would have adopted this ordinance and each section, sentence, clause, phrase, or portion of it irrespective of the fact that any one or more sections, subsections, clauses, phrases or portions of it be declared invalid or unconstitutional. If for any reason any portion of this ordinance is declared invalid or unconstitutional, then all other provisions of it shall remain valid and enforceable.

■ Very High ■ High

Projection: NAD 83 California Teale Albers
Scale: 1:20,000 at 11" x 17"

Incorporated City Waterbody
 Unzoned LRA

Government Code section 51178 requires the State Fire Marshal to identify areas in the state as moderate, high, and very high fire hazard severity zones based on consistent

statewide criteria and based on the severity of fire hazard that is expected to prevail in those areas. Moderate, high, and very high fire hazard severity zones shall be based on fuel loading, slope, fire weather,

and other relevant factors including areas where winds have been identified by the Office of the State Fire Marshal as a major cause of wildfire spread.

The State of California and the Department of Forestry and Fire Protection make no representations or warranties regarding the accuracy of data or maps. Neither the State nor the Department shall be liable under any circumstances for any direct, special, incidental, or consequential damages with respect to any claim by any user or third party on account of, or arising from, the use of data or maps.

Gavin Newsom, Governor, State of California
Wade Crowfoot, Secretary for Natural Resources, CA Natural Resources Agency
Joe Tyler, Director/Fire Chief, CA Department of Forestry and Fire Protection
